XI. ADJOURNMENT

NOTICE TO THE PUBLIC:

Pursuant to Section 286.0105, Florida Statutes, the City hereby advises the public that: if a person decides to appeal any decision made by the City Council with respect to any matter considered at its meeting or hearing, that person will need a record of the proceedings and for such purpose, affected persons may need to assure that a verbatim record of the proceedings is made, and such record shall include the testimony and evidence upon which the appeal is to be based. This notice does not constitute consent by the City for the introduction or admission into evidence of otherwise inadmissible or irrelevant evidence, nor does it authorize challenges or appeals otherwise not allowed by law.

City Code Section 2-54 requires that an affirmative vote of a majority of a quorum present shall be necessary to enact an ordinance or adopt any resolution; except that two-thirds of the membership of the Council is required to enact an emergency ordinance. All ordinances require two readings, entitled first reading and second reading and public hearing, prior to adoption.

Members of the public speaking on public hearing items, though entitled to be heard by the City Council, are not entitled to an immediate response by either administrative staff members or Council once the public hearing is closed; however, Council discussion may or may not include a response. No question by the public should be addressed directly by the Administrative staff.

Public debate by individual speakers from the audience on public hearing items shall be limited to three (3) minutes. Representatives of recognized groups shall be limited to ten (10) minutes; and total debate on a single issue shall be limited to thirty (30) minutes. Only one presentation per person per issue shall be allowed.

A Council member may add an item to the agenda during the meeting only at the time the agenda is approved. If the item requires action by the Council, then it may be added to the agenda by an affirmative vote of the Council, and written documentation must be submitted at the time the item is added to the agenda.

This agenda is posted on the Municipal Bulletin Board and at the Central Brevard Library and Reference Center in Cocoa for public review.

III. AWARDS AND PRESENTATIONS:

1. Presentation of the City of Cocoa's 2019 "Cocoa Works" Summer Youth Employment Program. (19-212). (Administrative Services Director)

Mr. Lorne Stinnett, Human Resources Manager, provided a brief presentation that provided photos and examples of the summer youth employees in their daily work environment. He explained what the program entailed and provided examples of what the interns did. This program had an impact across the City and he pointed out that eight out of the twelve students had never worked before. He thanked Ms. Jana Bauer with Career Source for grooming the students and for helping to bring this program to fruition. He was very proud of their contributions.

Ms. Jana Bauer, Career Source Brevard, was the student mentor for the Cocoa Works Program. She advised that not all of the students were in attendance tonight but she was grateful for the opportunity to impact over thirteen students. All of the students must go through an orientation process and foundations training. She explained how the program changed a little this year by the use of a new curriculum and felt that it had great success. Ms. Bauer explained in furtherance how the program worked.

In closing, she thanked the students and noted she was very proud of them, and she also thanked the parents and families for allowing them to work and for supporting them. Lastly, she thanked the City of Cocoa Human Resources department for all of their hard work and City Council for supporting the program.

Mackenzie Toler worked in the Public Relations Department and spoke about the impact that Ms. Senger had on her. She stated that this program helped her gain insight of her future, and she changed her major to Public Relations due to this experience. Ms. Toler explained some of her job duties while serving as an intern and believes that everyone should have a chance to work with someone like Samantha to guide them. She will remember this experience for life.

Alexandria Gant worked as Administrative Assistant to Melinda in WFO. She admitted that she was not sure of what she was getting into but in the end, she gained skills that she could use everywhere. She was amazed at how everything works together to ensure that the City can run properly. She was very lucky and thankful for this opportunity.

2. Recognition of Police Department Employees. (19-352). (Chief Cantaloupe)

Chief Cantaloupe recognized the following officers for their recent actions while they were either on duty or off. He recognized K9 Officer Brian De Los Santos and K9 Kyra; Corporal Bracken; and Agent Erkskin. He provided brief

summaries of what each of the officers did and thanked them. Chief Cantaloupe was proud that they are a part of the City and the City was lucky to have them.

3. Presentation of Certificates of Completion to Councilmember Goins and Councilmember Koss for the Institute for Elected Municipal Officials Training, June 7-9, 2019. (19-356). (Mayor Williams)

Mayor Williams presented the certificates of completion to Councilmembers Koss and Goins for their first Institute for Elected Municipal Officials.

4. City Annual Investment Report for Fiscal Year Ended 9/30/18. (19-351). (Finance Director)

Ms. Bowman advised that in accordance with the statutes, the City, on an annual basis has to do a written report on investment funds.

She introduced Mr. John Grady, who provided a presentation on the City's investments as of September 30, 2018. He works with Public Trusts Advisors. He thanked Council for having him and congratulated the students with the Cocoa Works Program and noted that he started his career as an intern.

Mr. Grady provided a market update, pointing out that interest rates have increased over the last year or two and the economy seems to be on pretty good terms.

He spoke about the Gross Domestic Product and about longer term trends of economic growth in China and Germany versus the United States.

He discussed in detail interest on funds as well as current City investments, the Enhanced Cash Portfolio, Operating Portfolio, the Reserves Portfolio, and the 2018 Bond Portfolio.

Councilmember Koss asked about the investment for fossil fuels. In response, Mr. Grady stated there was Walmart, JP Morgan and Wells Fargo and knew that we had owned Chevron and Exxon, however, he believed those had matured, but promised that he would confirm that.

He thanked Council and the relationship with the City.

IV. DELEGATIONS:

Kathy Hamilton Brown, 306 Edingburg Drive, Cocoa, and representing Endeavor Elementary, noted that last Tuesday a radio station donated 660 backpacks which meant that every student at Endeavor received one. Chief Cantaloupe and Dave Lightholder went on their own time to Longwood to pick up the backpacks. She thanked them for their help and for everything that they do for the children at Endeavor.

Jennifer Kenny, 1917 Quail Ridge Court, Apt. 1901, Cocoa, 32926, advised that this was the second time to get up and speak about civility and being polite to neighbors. In the past few days a post appeared on the Next Door App. The post named specific people and referred to a law suit and stated that people should appear at the next Council meeting. She admitted that she filed a complaint to the administrator for the post to be removed. Ms. Kenny knows that the past election was contentious but as citizens we must move on. Additionally, she mentioned the City's budget and how sometimes things are voted on without the residents understanding of what is being voted on or the reasoning behind Council's vote. She provided an example of the air handlers that did not go out for bid.

Jeri Blanco, 2106 Ivy Drive, Cocoa, 32922, stated that she wanted to make one thing perfectly clear and that her comments were not a personal attack on anyone sitting on the dias. She stated that the election was over nine months ago and it was time to put that at rest. She was in attendance due to information she received regarding the City representing Councilmember Koss in a lawsuit regarding something that happened before she was a councilperson. She requested an explanation as a citizen.

City Attorney Garganese advised that there was a pending lawsuit and these decisions are made by the insurance carrier. Relative to his role, his firm is frequently assigned cases to represent Cocoa and its officials.

Ms. Blanco clarified that because this was through the insurance carrier there would be no additional costs from the attorney for them representing a Councilmember. City Attorney Garganese noted that defense costs as well as other costs were covered by the insurance carrier.

Ms. Blanco pointed out that she did make the comment on the Next Door App and explained that the comment was made in regards to this situation.

Additionally, Ms. Blanco made it perfectly clear that her nor her sister were involved in a lawsuit, and her post was reported as being uncivil and un-neighborly or offensive, and they did not take the post down.

Barbara Kinsey, 1628 Manor Drive, Cocoa, spoke in regards to the upgrades on South Varr Avenue and agreed with Mayor Williams that transit was not a luxury but a necessity. She voiced her concerns about the lack of passenger shelters and bus stations. She further voiced concerns about the speed limit between Walmart and Michigan Avenue, noting there were a lot of children and pets playing outside. The speed limit is 45 mph and she does not feel that this was right. She hoped that the City would pursue the issue.

Mayor Williams advised that they have been speaking with SCAT about the waste containers. There is a cost to them but he assured her it was being looked into.

Councilmember Boisvert clarified that there was a vote regarding bus shelters last year. In response, City Manager Titkanich mentioned that they had met with SCAT about shelters and to identify obstacles that the City faces. There is a meeting in a couple of weeks. Additionally, he assured Ms. Kinsey that they would check on the speed limit in the area of concern but it was a state road which they cannot control.

V. CONSENT AGENDA:

1. Amend the Joint Purchasing Agreement between the City of Cocoa and the City of Melbourne to Add Funds to Cover Additional Design Work Requested by the City of Cocoa for the Extension of the New Water Main along Pineda Causeway. (19-316). (Utilities Director)

2. Approve a Resolution Waiving the Competitive Bidding Process for the Purpose of Making a Sole Source Purchase of Four (4) New Replacement Split System HVAC Units from Trane U.S. Inc., Maitland, Florida, for the Dyal Water Treatment Plant; To Approve a Resolution Amending the FY2019 Budget. (19-322). (Utilities Director)

*** MOTION by Deputy Mayor Warner; Seconded by Councilmember Boisvert, to approve the Consent agenda.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

VI. PUBLIC HEARINGS:

1. Approve the second reading of Ordinance No.11-2019: Amending City Code Chapter 22, Section 22-18 Schedule of Rates and fees for waste water rates and changes and Section 22-26 Water rates and charges. (19-205). (Finance Director)

Attorney Garganese read Ordinance No. 11-2019 into the record, by title only, as follows. He advised that this was the second and final reading of the ordinance. No changes were made since it was passed on first reading.

ORDINANCE NO. 11-2019

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA; AMENDING CHAPTER 22 OF THE CODE OF THE CITY OF COCOA TO REMOVE CERTAIN EXISTING WASTEWATER AND WATER UTILITY RATES, FEES, AND CHARGES FROM THE CITY CODE, WHICH ARE OTHERWISE ADOPTED BY RESOLUTION AND TO MAKE FURTHER HOUSEKEEPING AMENDMENTS; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT ORDINANCES AND RESOLUTIONS, INCORPORATION INTO THE CODE, SEVERABILITY, AND AN EFFECTIVE DATE.

Mayor Williams opened the hearing to the public. There being no response, the public portion of the hearing was closed.

* **MOTION by Councilmember Boisvert; Seconded by Councilmember Koss, to approve Ordinance No. 11-2019 on second and final reading.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

2. Postpone consideration of a Binding Development Agreement between the City of Cocoa, Florida and Integra Land Company to allow the developer to construct up to 249 apartments in 5 apartment buildings not to exceed 57 feet in height, with 5 parking garage buildings, a community clubhouse and certain public amenities on 2 parcels of land (Parcel ID: 24-35-13-00-750 and 24-35-24-00-1)

totaling 150.35 acres and located on the south side of State Road 524 between Westminster Dr. and London Blvd. (19-337). (Community Services Director)

Ms. Bunt explained that this item was being postponed in order to preserve the legal advertisement.

Mayor Williams opened the hearing to the public. There being no response, the public portion of the hearing was closed.

* **MOTION by Deputy Mayor Warner; Seconded by Councilmember Boisvert, to postpone the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

Attorney Garganese advised that this item would be brought back on August 14, 2019.

3. Approve on First Reading Ordinance No. 12-2019: A Zoning Text Amendment amending Appendix A, Article XI, Section 22 of the City of Cocoa Code to allow parking as a Special Exception use in the Cocoa Village Sub-district of the Cocoa Waterfront Overlay District. (19-338). (Community Services Director)

Attorney Garganese read Ordinance No. 12-2019 into the record, by title only, as follows. He advised that this was the first reading of the ordinance.

ORDINANCE NO. 12-2019

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA; AMENDING APPENDIX A, ARTICLE XI, SECTION 22 OF THE ZONING ORDINANCE OF THE CITY OF COCOA TO ALLOW PARKING AS A SPECIAL EXCEPTION USE IN THE COCOA VILLAGE SUBDISTRICT OF THE COCOA WATERFRONT OVERLAY DISTRICT; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT ORDINANCES AND RESOLUTIONS, INCORPORATION INTO THE CODE, SEVERABILITY, AND AN EFFECTIVE DATE.

Ms. Selig provided a background of this item and advised that an application was submitted earlier in the year and it was in regards to the old Bank of America building.

She stated that they were proposing to allow parking as a principal use in the Cocoa Village subdistrict of the Cocoa Waterfront Overlay District. A map was shown and she explained the principal parcels.

Mayor Williams advised that the owners do not have to allow them to use the parking lot as it was a liability to them and if it was denied the owner could block off the parking. If approved, they will put in paved parking.

Councilmember Goins asked if anything was proposed where the drive thru was located. In response, Ms. Selig mentioned yes, and that there would be parking under that area. He wanted to confirm that it would not be torn down at this time.

Councilmember Koss asked what the plans were for the property.

Ms. Selig advised that they were not sure of long term plans. City Manager Titkanich stated he and the Assistant City Manager have met with one of the owners on multiple occasions and he pointed out an area that was owned by others. It is at a standstill until all of the owners come to a unified decision about the ownership of all three parcels.

Councilmember Koss asked if the parking would be able to be accessed during festivals. In response, City Manager Titkanich stated that they could access it but since the owner is wanting to make money and it is a liability, it is ultimately his responsibility if anyone gets injured.

Deputy Mayor Warner felt that it was a good idea to get people to pay for parking in the Village.

Councilmember Goins asked if this would be an everyday thing and Ms. Selig stated there would be a ticket kiosk.

Mayor Williams opened the hearing to the public. There being no response, the public portion of the hearing was closed.

* **MOTION by Councilmember Boisvert; Seconded by Councilmember Goins, to approve Ordinance No. 12-2019 on First Reading.**

Councilmember Koss stated she would be glad when there was other parking or other parking solutions in the Village so that the prime property in Cocoa was not used for parking.

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

VII. COUNCIL BUSINESS:

1. Approve Resolution No. 2019-063, Establishing the Rolled-Back Rate, Adopt a Proposed Tentative Millage Rate and set the date, time, and place for the first Public Hearing to consider the FY2020 Budget. (19-328). (Finance Director)

City Attorney Garganese read Resolution No. 2019-063 into the record, by title only, as follows. This is the resolution that kicks off the public hearing process for the budget.

RESOLUTION NO. 2019-063

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, ESTABLISHING THE ROLLED-BACK MILLAGE RATE; ADOPTING A PROPOSED TENTATIVE MILLAGE RATE; AND SETTING THE DATE, TIME AND PLACE OF A PUBLIC HEARING TO CONSIDER THE PROPOSED TENTATIVE MILLAGE RATE AND TENTATIVE BUDGET FOR FISCAL YEAR 2020; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

Ms. Bowman provided a Truth in Millage (TRIM) presentation[1]. She explained that this was a part of the TRIM process, which is the process by which governing bodies adopt their millage rates and budgets. The millage rate adopted tonight will go out in the TRIM notices that will be mailed out by the Property Appraiser.

She discussed the objectives of tonight's item which are to approve the resolution establishing the rolled-back rate, adopt a proposed millage rate and to set the first public hearing for September 11, 2019 at 6 p.m.

[1] EXHIBIT A: Truth in Millage (TRIM) Presentation

Ms. Bowman reminded Council that the proposed rate that is voted on tonight can be reduced when voting for an adopted millage rate, but it cannot be increased.

She reviewed the history of the Ad Valorem Tax Base and mentioned that changes were due to a couple of properties coming on line and being included in this years' figures.

Ms. Bowman provided the FY 2020 TRIM rate options, as follows:

- Current Rate-Proposed: 5.9790
- Rolled-Back Rate: 5.7844
- Majority Rate: 12.0927

She pointed out that the City has three different CRA's and the City is required to pay tax increment funding into them. When the CRA's were established, there was a base rate so any increase to that has to be paid into the CRA.

Discussion was held on the impact that this would have on single family property owners in comparison to FY 2019.

Ms. Bowman further compared the City of Cocoa's rate with other cities in Brevard County. Cocoa comes in at number six and the ranking is based on the proposed millage rate, not the current rate.

Lastly, she advised that August 7, 2019 at 5:30 p.m. would be a Budget Workshop and the first public hearing would be on September 11, 2019. The second public hearing would be September 25, 2019.

She pointed out that Council was provided budget books tonight.

Mayor Williams reminded Council that whatever millage rate is set they cannot increase it but they can decrease it.

* **MOTION by Councilmember Boisvert; Seconded by Councilmember Goins, to adopt a millage rate at 5.9790 for Fiscal Year 2020, setting the First Public Hearing for September 11, 2019 and adopting the rolled back rate.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

2. Approve a Code Enforcement Settlement Agreement in the amount of $2,500.00 for the property located at 1055 Mitchell St. (19-336). (Chief of Police)

Chief Cantaloupe advised that since the agenda was published there had been a change and the code violation was corrected. There are currently no code violations on the property. In talking with the City Attorney it was recommended that this be treated like a typical code lien reduction, and not use a settlement agreement.

Diamond Anderson, 617 Johnson Street, asked Council to approve the requested lien reduction. She is a twenty-one year old mother of a two year old. She moved out of the Broadmoor Acres area in 2016 but it has since changed. She has completed the first-time homebuyers program and this opportunity to own her own home will allow her and her daughter a better life. Approving this request will not give the owner any financial benefit. She looks forward to embarking on this new adventure. She added for the record that the terms of the agreement are confidential.

* **MOTION by Mayor Williams; Seconded by Deputy Mayor Warner to approve the lien reduction in the amount of $2,500.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

Councilmember Goins addressed the lien reduction and advised that he spoke with the City Attorney. He knows that several remarks were made about this situation and feels that all members of Council are able to make a decision no matter how anyone feels about someone else. He felt disrespected by a few emails and felt that the right decision was made today. He has known this young lady all of her life. He does not like for anyone to insinuate that Council cannot make decisions.

Mayor Williams believed it was a no brainer and it was done right. There was a process and if followed correctly, he does not have an issue with it. All things need to be done correctly. Do a job and do it the right way.

Councilmember Koss thought that there were a lot of moving pieces and does not want to see this again. She was a single parent and home ownership did help her and her sons. She got her graduate degree and her sons got their degree. She was concerned that there was not an inspection taking place and hoped that there were some protections in place for those trying to elevate themselves.

3. Consider the Appointment of Mr. Lloyd Roberts as a Regular member of the Code Enforcement Board through June, 2021. (19-341). (Administrative Services Director)

* **MOTION by Councilmember Boisvert; Seconded by Deputy Mayor Warner, to approve the appointment of Mr. Lloyd Roberts as a Regular member of the Code Enforcement Board through June, 2021.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

4. Approval of a revised Investment Policy via Resolution No. 2019-066. (19-350). (Finance Director)

Ms. Bowman noted that the last time this was updated was in 2010 and it was necessary to periodically review the City's policies. She worked with Public Trust Advisors and felt that some items in the policy needed to be revised and/or updated and they needed to make a few changes in investment pools.

Mr. John Grady explained some of the major changes that were made to the policy, pointing out that they added a summary table so that you could just go to one page. Additionally, the detail table was moved to an attachment of the policy. Some of the language throughout the policy was ambiguous and some of the language regarding roles and responsibilities were updated.

He thanked Council for their relationship.

* **MOTION by Deputy Mayor Warner; Seconded by Councilmember Koss, to approve the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

VIII. CITY BUSINESS:

1. Award Bid No. B-19-18-COC, "WFO/Wastewater Collections Submersible Wastewater Pumps" to Barney's Pumps of Lakeland, Florida, for the Systematic Replacement of Lift Station Pumps, Project No. WS1141. (19-314). (Utilities Director)

* **MOTION by Councilmember Boisvert; Seconded by Deputy Mayor Warner; to approve the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

2. Approve a budget resolution amending the 2019 budget, approve a budget transfer in the amount of $45,000 from account 001-3510-541-63-00 Infrastructure (Project PW18SM) to account 001-3510-541-64-00 Machinery & Equipment to allow the purchase of un-budgeted capital item, 4 Yard Transit Concrete Mixer with installation kit and $24,883 from 001-3510-541-63-00 Infrastructure (Project PW18SM) to account 001-3510-541-53-00 Road Materials & Supplies to allow for the thermos-plastic striping of Blake Ave., Barbara Jenkins St. and Brevard Ave. between King St. and Willard St. (19-339). (Public Works Director)

Councilmember Goins confirmed that this was for the striping of Barbara Jenkins and Blake Avenue. He stated there was a previous analysis done on these roads and does not want to spend the money on striping and then have to overlay or mill the road because it was deteriorating in the next few years.

Assistant City Manager Fuhrer advised that part of the roadway and sidewalk analysis done back in 2015 was a snapshot of the roads during that time. We are now four years beyond that time and some of the predicted changes have occurred. Staff does field inspections on a regular basis and in this particular case the streets and stormwater manager were going out to the sites to inspect the condition of the full roadway. He stressed that just because this was being approved does not mean that they will go out and do it. They expect a new analysis soon on the road.

* **MOTION by Deputy Mayor Warner; Seconded by Councilmember Boisvert, to approve the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

3. Requesting settlement authority for the tentative settlement agreement between former City of Cocoa Police Officer Ronnie McCarron and the City of Cocoa authorizing the payment of the Workers' Compensation settlement, authorize the City Manager to finalize and execute such legal agreement(s) required to complete the settlement in accordance with the settlement authority approved by the City Council. (19-340). (Administrative Services Director)

Ms. Gemmati explained the item and that the City's Workers' Comp attorneys work on these; however, it needed Council's approval because it was above the City Manager's spending authority.

* **MOTION by Councilmember Boisvert; Seconded by Councilmember Koss, to approve, for discussion.**

Councilmember Koss asked about the injuries and if there were four different ones. In response, City Manager Titkanich noted that throughout his tenure there were four different injuries and he was now looking to close out the claims.

Ms. Gemmati advised that they have different levels of medical treatment and this will settle for future treatments, as well being all inclusive of any future attorney fees.

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

MULTI-YEAR CONTRACTS:

4. To enter into a multiyear agreement with Greater Community Partnership, Inc. and Historic Cocoa Village Association (the future Historic Cocoa Village Main Street) for the leasing of suites 203 and 204 at the Porcher House and allow the City Manager to execute the contract. (19-320). (Assistant to the City Manager/Public Relations Specialist)

Ms. Senger spoke in regards to this item and pointed out that there has been for over twenty five years, two separate organizations in the Village. Cocoa Main Street and the Historic Cocoa Village Association. They have operated separately over the years and within the last few years, Cocoa Main Street has had some problems. With HCVA thriving, it makes it harder for Cocoa Main Street to thrive.

Both organizations have the same goals in mind and the ultimate goal is to merge these two associations into one which would be better for downtown.

Ms. Senger explained in detail the purposes of the Main Street program and advised that both organizations saw the benefits of becoming one program. They are now in the process after many years.

She explained in furtherance how the City has supported the Main Street program in the past and what was encompassed with this new lease agreement being brought forward tonight for approval. This will mean a lot more opportunity and a detailed scope has to be completed by March, 2020.

Deputy Mayor Warner was sorry that Captain Ed Lanni was not here because many years ago they went to Deland together to see how all of their organizations worked together. She would like to see this happen and knows that it will work out well.

Ms. Senger pointed out that Emma Kirkpatrick, Nancy Elliott, and Janne Etz have all worked hard to make this happen.

Councilmember Koss advised that she would be at the Main Street Conference tomorrow and has seen the great things these organizations can do. She was glad that they would be located in the Porcher House but her long-term goal was for the Porcher House to become a historic attraction in and of itself.

Deputy Mayor Warner asked if tours were still held at the Porcher House and in response, Ms. Senger advised that they have not done them for a couple of years.

* **MOTION by Councilmember Boisvert; Seconded by Councilmember Koss, to approve the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

Mayor Williams pointed out the need for cigarette butt cans in the Village. City Manager Titkanich advised that this would need to be brought up to the Cocoa CRA.

Assistant City Manager Fuhrer thanked Ms. Senger as she has been working on this for a number of years.

5. Approve renewal of a multi-year contract with United Healthcare for Medicare Advantage Plan for eligible retirees 65 and over from January 1, 2020 to December 31, 2020 and payments to eligible retirees for Medicare Part B reimbursement. (19-348). (Administrative Services Director)

Ms. Gemmati mentioned the City has a retirement plan for retirees and this item was approving that plan.

*** MOTION by Deputy Mayor Warner; Seconded by Councilmember Goins, to approve the item.**

AYES: Williams, Warner, Boisvert, Goins, Koss

THE MOTION CARRIED UNANIMOUSLY (5-0)

IX. INFORMATIONAL AGENDA:

1. Cumulative purchase approvals over $35,000 and under $50,000 for period 10/01/2018 to 06/30/2019. (19-319). (Finance Director)

2. Approved change orders to construction contracts that the City Council has authorized the City Manager, by resolution, to approve in excess of the City Manager's spending authority. (19-331). (Finance Director)

3. FY 2019 Budget Adjustment Report. (19-332). (Finance Director)

X. REPORTS:

Ms. Abby Diaz advised that the curb ramps in Cocoa were complete and plants for the medians will arrive tomorrow. Paving on Delannoy and Harrison will start in August and this past weekend artists painted storm drains throughout the City.

Ms. Bowman clarified that the investment update would typically be brought to Council in January instead of the mid-year.

Lastly, Ms. Bowman reminded Council that on July 15th Customer Service started closing the lobby at 4:30 p.m. They have not had any complaints about this however, we are approaching a new month so there may be longer lines.

Chief Cantaloupe reminded all that the City of Refuge is holding a Community Youth Rally and the topic will be teen suicide. He invited all Council to attend.

Ms. Bunt reminded everyone about the Florida Planning Management Association meeting that is being held this Friday in City Council Chambers. Three Council members have RSVP'd to attend.

City Attorney spoke in regards to the Cocoa CRA advising that there were three potential applicants at this time for the current vacancy. He asked Council if they had any requests regarding the fulfillment of the vacancy, such as a notice seeking applicants, or if they wanted to look at the applicants who have submitted apps. He reminded Council that the applicants must resident in the area of the CRA or be engaged in business within the CRA.

Mayor Williams, Deputy Mayor Warner, and Councilmember Koss agreed it should be advertised on the website.

Mr. Aleck Greenwood asked about property owners within the CRA. In response, City Attorney Garganese spoke about the current vacancy and the situation and advised that renting a building was not being engaged in business.

Deputy Mayor Warner asked what if you were renting a building out and City Attorney Garganese reiterated that was not engaging in business.

It was a consensus among Council to advertise the request for applicants via social media and the website.

City Manager Titkanich noted that it could be brought back to the second meeting of August. In response, City Attorney Garganese agreed that could be done and they could decide on a 14 or 21 day limit and applicants would need to do the standard board application and a routine background check would need to be completed. They would have a number of applications to review and the opportunity to nominate and vote on a new member.

City Manager Titkanich reported that he attended a meeting with Representative Sirois regarding a few projects that he might be interested in funding.

He spoke in regards to an item on the Consent agenda regarding the HVAC system. He explained that the Dyal Plant has an existing contract and the agenda item addressed the sole source.

City Manager Titkanich spoke in furtherance about emergency purchases and explained that there was a stipulation in the FOM. These are always brought back to Council for transparency. There is also a contingency report provided monthly for Council's review. He would be glad to meet with Ms. Kenny regarding her concerns.

Deputy Mayor Warner stated that she was in Georgia for the last couple of weeks and they seem to have the same parking issues in one their downtowns. They have two parking garages and some private garages as well. Because they are having problems getting people to park in the garage at $1.00 per hour, they are going to start charging for street parking. They also have two hotels in their downtown area. She just pointed those topics out because of the similarities it had to the Village.

Additionally, one of the most interesting things she noticed was that there was not smoking or vaping allowed in their downtown area and in Georgia, smoking is very popular.

Lastly, she mentioned that Jack Wharton, who took over the Village Merchants Association in the 90's passed away. He worked very hard and invested his own money in the association when it was struggling. She stated that Cocoa Village would not be what it was today if it was not for him. He was 90 years old and there will be a service on August 4th in Bloomington, Indiana. They are trying to put an event together in the Village as well and will keep everyone apprised on those details.

Councilmember Goins thanked everyone for coming tonight and loved seeing people in audience and engaging in the community.

He spoke about social media and believes that it is a huge problem. He has spoken with Chief Cantaloupe about the issues and felt that the City has been targeted in the past few weeks about crime. He would like for it to stop.

He commended fire and police for all that they do and mentioned that crime is a problem everywhere, not just Cocoa.

Chief Cantaloupe noted it was the police department and the community who make Cocoa a better place. Councilmember Goins agreed and stated that it takes a team.

He announced that this Saturday was a backpack giveaway at the old Clearlake Middle School from 8 a.m. until 3 p.m. He would be there volunteering. He stated that you had to sign up for the event if you have children who need supplies.

Councilmember Koss thanked Officer Bracken for letting her ride along with him on Saturday night and was glad for that experience. Additionally, she was able to ride with Dennis Bunt. She has several things on her agenda that she would like to research on code enforcement. She spoke on the issue that Ms. Kenny brought up regarding the HVAC systems and explained that we have a significant budget. Most of the money goes to our City and County and she felt that it would be good if we could spend the money in our community as much as possible. She also thought that it would be nice to give some sort of incentive to those employees who live in Cocoa. She hopes it would be more desirable as housing improves.

She spoke about her attendance last week at a tree workshop in Titusville and would like Cocoa to have one. They are re-writing their ordinance.

Lastly, she reminded everyone about the Cocoa High School Chorus performance on August 10th at the Cocoa Village Playhouse. Tickets are $25.

Mayor Williams announced that this Friday at 8:00 a.m. at Asbury Arms, Keep Brevard Beautiful would be out picking up trash. He plans to go out before the workshop on Friday.

He concurred with Councilmember Goins' sentiments about the police and voiced his support for them. It is not an easy job. He hoped that they continue to treat everyone the same but also recognize that everyone is not a criminal. He further stated that if there are any resources that the police needed to help do their job he would support them.

Mayor Williams provided kudos to Councilmember Goins in regards to an issue that he helped with.

Mayor Williams spoke about the three officers that were recognized and noted that was also a reflection of their commitment to their job.

Mayor Williams stated that he had attended several board meetings and had gotten a consensus that most would like a dinner. There are about three different restaurants willing to donate food and also provide lunch to City Hall.

In closing, he spoke about the trees in the City and the canopies that they provide. He mentioned some roots had been cut at Juny Rios Park and hoped that nothing was damaged.

Truth In Millage (TRIM) Presentation

Regular Council Meeting
July 24, 2019

EXHIBIT A: Truth in Millage (TRIM) Presentation

Objectives

❖**Approve a resolution establishing the Rolled-Back Rate**

❖**Adopt a Proposed Millage Rate**

To be in compliance with FS 200.065, the City must establish a proposed millage rate by August 4th (within 35 days of TRIM Compliance Process) for the 2020 Fiscal Year.

CITY OF COCOA FLORIDA

PROCLAMATION

WHEREAS, *Mobility Week is a cooperative effort by the Florida Department of Transportation and its partner agencies to promote awareness of safe multimodal transportation choices by hosting an annual collection of outreach events; and*

WHEREAS, *Mobility Week is an ideal time for counties, cities, and transportation agencies to highlight transportation achievements, roll out new initiatives, and/or implement new polices; and*

WHEREAS, *Mobility Week is also an opportunity for individuals to explore the various transportation choices available to them and think about how multimodal transportation reduces traffic congestion, benefits the environment, and improves community health; and*

WHEREAS, *Mobility Week is consistent with Space Coast Transportation Planning Organization's key priorities of promoting travel alternatives and encouraging pedestrian and bicycle safety. Likewise, the week-long celebration is also consistent with Space Coast Area Transit's key priorities of providing quality transportation services that meet the needs of the public and enhance the quality of life of the community; and*

WHEREAS, *Mobility Week supports the Space Coast TPO's initiative of Vision Zero, the actions taken to reduce fatal and serious injury crashes in all road users, and to support safety in Brevard County's transportation system.*

NOW, THEREFORE, *I, Mayor Jake Williams Jr., of the City of Cocoa and on behalf of the City Council of the City of Cocoa, Florida, do hereby proclaim the week of October 25-November 1, 2019 as:*

REASON/JUSTIFICATION FOR ADJUSTMENT:

This budget transfer (2 of 2) is necessary in order to transfer the "grant match budget" into a unique project number, to purchase 29 vests (29 x $892.96 = $25,896), in fiscal year 2020. There is also a need to move additional funds of $2,438 to cover the decrease in the amount of the grant award (Awarded amount of $10,507). Agenda 19-484.

RESOLUTION NO. 2019-094

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, AMENDING THE CITY OF COCOA BUDGET FOR FISCAL YEAR 2020; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Cocoa adopted the final budget for the fiscal year commencing on October 1, 2019, and ending on September 30, 2020, at a Regular meeting held on September 25, 2019; and

WHEREAS, in accordance with Article XII, Section 5 of the City of Cocoa Charter, whereby the Council may, at any time by resolution, transfer any unused and unencumbered appropriation or portion thereof from one office or department to another; and

WHEREAS, the City Council deems it to be in the best interest of the City of Cocoa to amend its budget as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1. The 2019-2020 fiscal year budget shall be amended as detailed in the attached sheets.

SECTION 2. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 3. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on the 23rd day of October, 2019.

REASON/JUSTIFICATION FOR ADJUSTMENT:

On September 18, 2019, funding for the 2019 (our Fiscal Year 2020) Edward Byrne Memorial Justice Assistance Grant (JAG) in the amount of $22,166 was approved by the United States Department of Justice. This was too late to change the fiscal year 2020 budget, and we are requesting to amend the budget at this time. Council previously approved allocation of the grant to be used for the project area of funds for five Toughbook computers with agenda item 19-374 on August 14, 2019. Agenda 19-485

PROPOSER ASSURANCE OF COMPLIANCE

Proposal Affidavit Signature Page

PROPOSER'S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to NJPA members agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.

2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of NJPA, or any person, firm, or corporation under contract with NJPA, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.

3. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted in writing and have been included with the Proposer's RFP response.

4. The Proposer will, if awarded a Contract, provide to NJPA Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.

5. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to NJPA Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to NJPA Members under an awarded Contract.

6. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.

7. The Proposer understands that NJPA will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.

8. The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify NJPA for reasonable measures that NJPA takes to uphold such a data designation.

PROPOSER QUESTIONNAIRE

Payment Terms, Warranty, Products and Services, Pricing and Delivery, and Industry-Specific Questions

Proposer Name: National Auto Fleet Group

Questionnaire completed by: Jesse Cooper

Payment Terms and Financing Options

1) What are your payment terms (e.g., net 10, net 30)?

Net 30

2) Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?

Absolutely. We provide both municipal financing and municipal leasing available to all NJPA members in every state. We use National Cooperative Leasing, Diversified Leasing and NAFG Provided leasing options to all NJPA Members.

3) Briefly describe your proposed order process. Please include enough detail to support your ability to report quarterly sales to NJPA. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the NJPA Members' purchase orders.

There are two methods. One is the electronic ordering process, where the member logs into our website located at www.nationalautofleetgroup.com, builds their desired vehicle to their specifications, and then electronically sends us a purchase order. The vehicle is delivered directly to the user's specified end-user address, then we FedEx the customer all the appropriate documentations.

The other method, should the customer not be comfortable with internet ot the use of our website, is where the member cals our toll-free number at 1-855-289-6572 and is greeted by one of our sales associates, who then creates a quotation based on the customer's needs and either emails, faxes, or physically mails ir to the customer. The customer then sends us a purchase order. We then process the purchase order and deliver the vehicle to the customer's specified location.

We have reported directly to NJPA for the last 22 consecutive quarters.

4) Do you accept the P-card procurement and payment process? If so, is there any additional cost to NJPA Members for using this process?

Yes, we do accept the P-card procurement and payment process, and there is no additional cost for using it.

Warranty

5) Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may include in your response a copy of your warranties, but at a minimum please also answer the following questions.

- Do your warranties cover all products, parts, and labor?
- Do your warranties impose usage restrictions or other limitations that adversely affect coverage?
- Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?
- Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will NJPA Members in these regions be provided service for warranty repair?
- Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?
- What are your proposed exchange and return programs and policies?

The manufacturer's warranties are all written between the manufacturer and the NJPA member. Therefore, should a warranty repair be required, the member merely neds to take the vehicle to the closest manufacturer franchise (i.e. Ford, Toyota etc.) If the vehicle is not drivable, the customer can notify us through our toll-free number at 1-855-289-6572 and we will have it towed to the nearest facility. All this is done at no cost to the member. There are no conditions to qualify. Any new vehicle qualifies. The manufacturer's warranty does include labor and parts. Other than abuse, there are no restrictions or limitations that affect coverage. All warranty repairs are done in the manufacturer's facilities, this there is no travel time for technicians. Warranty repairs are al performed in all 50 states, regardless of location. Any after-market accessories installed under our contract are covered by the written warranty for both parts and labor for the after-market installer, who provided them. There is no return policy. If a vehicle is no longer needed by the member, a 25% restocking charge can be imposed.

6) Describe any service contract options for the items included in your proposal.

We offer a multitude of service contracts and extended warranties, running all the way up to 250,000 miles. The cost, term, and coverage are determined by the mileage and term. Contact us directly for a quote.

Pricing, Delivery, Audits, and Administrative Fee

7) Provide a general narrative description of the equipment/products and related services you are offering in your proposal.

All of our pricing, by manufacturer, is listed in the attached books 1-18, outlined in our price summary along with our after market equipment categories.

8) Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the NJPA discounted price) on all of the items that you want NJPA to consider as part of your RFP response. Provide a SKU for each item in your proposal. (Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract. See the body of the RFP and the Price and Product Change Request Form for more detail.)

Utilizing a Percentage Off MSRP / LIST method, NAFG can offer NJPA members discounts ranging from 25.86% down to 1% across the 15 manufacturers depending on model. Please

see Tab 2 as well as Attachment Book 2-18 for "Pricing." We detail the addition of All Factory Options and After Market Equipment.

9) Please quantify the discount range presented in this response. For example, indicate that the pricing in your response represents is a 50% percent discount from the MSRP or your published list.

The percentage will vary on the very same product from state to state as the discount structure passed onto us by the manufacturers can vary from state to state. Therefore, we have included in the 18 attachment A's / Books the exact manufacturer's list price and our price side by side. This fixed pricing makes it easy to do price validations. In addition, all factory installed options can be added at factory invoice + 3% and all after-market accessories are offered at the up fitter's municipal pricing level which varies from 1-30% off of retail prices.

All of our pricing is based on 2017 year model. Any subsequent year model in the contract will be a maximum of 3% more + any required governmental, safety, emissions requirement as mandated by the federal or Canadian government.

10) The pricing offered in this proposal is

____ a. the same as the Proposer typically offers to an individual municipality, university, or school district.
____ b. the same as the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
____ c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
_x_ d. other than what the Proposer typically offers (please describe).

Our bid price is the most competitive price on the marketplace. It is far lower than any individual or other cooperatives have available to them. We leverage our entire company-wide purchasing power to the benefit to the NJPA member. Last year alone, company-wide, we delivered over 34,000 vehicles, which is the driving force that allows us to obtain deep discounts from all original equipment manufacturers and deliver the savings to the NJPA member. We don't think any other vendor can do that.

11) Describe any quantity or volume discounts or rebate programs that you offer.

They are all included in our bid price.

12) Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.

Included in our bid are the base prices for all vehicles. Factory options can be added at +10%. All sourced goods are offered at the up fitter's municipal pricing level which varies from 1-30% off of retail prices.

13) Identify any total cost of acquisition costs that are **NOT** included **in** the pricing submitted with your response. This cost includes all additional charges that are not directly identified as freight or shipping charges. For example, list costs for items like installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.

There are no hidden or undisclosed costs in our proposal. All costs are legitimate and fully disclosed to the NJPA member.

14) If delivery or shipping is an additional cost to the NJPA Member, describe in detail the complete shipping and delivery program.

There is no additional cost. All shipping is included in the original quote to the member.

15) Specifically describe those shipping and delivery programs for Alaska, Hawaii, Canada, or any offshore delivery.

Shipping to Alaska or Hawaii can be one of two ways. Either from the assembly point directly to the franchise dealer in Alaska or Hawaii, or if the NJPA member requires a lower 48 state specialized body installation, then freight is calculated from the Port of Long Beach, Port of Los Angeles, or the Port of Seattle, Washington. It is included in the original NJPA member quote.

16) Describe any unique distribution and/or delivery methods or options offered **in** your proposal.

To us, these are not unique. We have been doing this for years, and we continue to do this every day. Our competitors do not have that advantage.

17) Please specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with NJPA. This process includes ensuring that NJPA Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to NJPA.

We have an in-house financial administrator who monitors that on a daily basis. In addition, we bring in twice a year, Polmaris and Associates (an independent certified public accountant from Sacramento, California) to review all payments and disbursements.

18) Identify a proposed administrative fee that you will pay to NJPA for facilitating, managing, and promoting the NJPA Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See RFP Section 6.29 and following for details.)

1) 1% of the unit price is up to $700.00 other than "related equipment" pass through items
2) Total amount in any 12-month period will not exceed $4,500,000.00 in Administration Fees
3) NAFG reserves the right to waive all or in part the Admin Fee when faced with a large county of State competition and or faced with unusable circumstances.

Industry-Specific Questions

19) Identify any features in your response that are different from your standard vehicle offering or that are unique to your proposal.

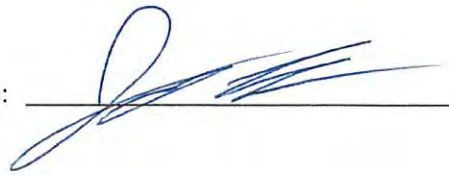

Our proposal is unique primarily in the fact that we are the only ones that have the order to deliver online system available exclusively for your members. None of the other bids you are reviewing today can state that.

20) Demonstrate your processes to handle vehicles on order with NJPA members that are subject to a recall or that have open service campaigns.

Our staff keeps a running list of open recalls by manufacturer. We cross check it on a weekly basis to try and ensure that none of your members receive a vehicle with an open our outstanding recall or campaign.

21) Demonstrate your NJPA member communication processes from P.O. generation to the delivery of vehicle in order to meet member expectations.

After the PO is issued to NAFG we send our client an order confirmation with an estimated time of arrival for the purchase. We give members the option of how frequently they would like updates on their vehicles, as well as communicating any complications along the way. Our staff communicates through any form that customers feel comfortable with, whether it is faxes, calls, or emails. When the vehicle is ready to be delivered, we give the customers advance notice to ensure they are ready to receive the vehicle. All vehicle paperwork documents are sent out via UPS, and tracking numbers are provided to the client.

ADMINISTRATIVE SERVICES AGREEMENT

Between

ICMA Retirement Corporation

and

City of Cocoa

Type: 401

Account #: 107736

Type: 457

Account #:301659

ADMINISTRATIVE SERVICES AGREEMENT

This Administrative Services Agreement ("Agreement"), made as of the day of , 2019 between the International City Management Association Retirement Corporation ("ICMA-RC"), a nonprofit corporation organized and existing under the laws of the State of Delaware, and the City of Cocoa ("Employer"), a municipality organized and existing under the laws of the State of Florida with an office at 65 Stone Street, Cocoa, Florida 32922.

RECITALS

Employer acts as public plan sponsor of a retirement plan ("Plan"), and in that capacity, has responsibility to obtain administrative services and investment alternatives for the Plan;

VantageTrust is a group trust established and maintained in accordance with New Hampshire Revised Statutes Annotated section 391:1 and Internal Revenue Service Revenue Ruling 81-100, 1981-1 C.B. 326, which provides for the commingled investment of retirement funds;

ICMA-RC, or its wholly owned subsidiary, acts as investment adviser to VantageTrust Company, LLC, the Trustee of VantageTrust;

ICMA-RC has designed, and VantageTrust offers, a series of separate funds (the "Funds") for the investment of plan assets as referenced in VantageTrust's principal disclosure documents, the VantageTrust Disclosure Memorandum and the Funds' Fact Sheets (together, "VT Disclosures"); and

ICMA-RC provides a range of services to public employers for the operation of employee retirement plans including, but not limited to, communications concerning investment alternatives, account maintenance, account recordkeeping, investment and tax reporting, transaction processing, and benefit disbursement.

AGREEMENTS

1. Appointment of ICMA-RC

Employer hereby appoints ICMA-RC as Administrator of the Plan to perform all nondiscretionary functions necessary for the administration of the Plan. The functions to be performed by ICMA-RC shall be those set forth in Exhibit A to this Agreement.

2. Adoption of Trust

Employer has adopted the Declaration of Trust of VantageTrust Company and agrees to the commingled investment of assets of the Plan within VantageTrust. Employer agrees that the investment, management, and distribution of amounts deposited in VantageTrust shall be subject to the Declaration of Trust, as it may be amended from time to time and shall also be subject to terms and conditions set forth in disclosure documents (such as the VT Disclosures or Employer Bulletins) as those terms and conditions may be adjusted from time to time.

3. Employer Duty to Furnish Information

Employer agrees to furnish to ICMA-RC on a timely basis such information as is necessary for ICMA-RC to carry out its responsibilities as Administrator of the Plan, including information needed to allocate individual participant accounts to Funds in VantageTrust, and information as to the employment status of participants, and participant ages, addresses, and other identifying information (including tax identification numbers). Employer also agrees that it will notify ICMA-RC in a timely manner regarding changes in staff as it relates to various roles. Such notification is to be completed through the online EZLink employer contact options. ICMA-RC shall be entitled to rely upon the accuracy of any information that is furnished to it by a responsible official of the Employer or any information relating to an individual participant or beneficiary that is furnished by such participant or beneficiary, and ICMA-RC shall not be responsible for any error arising from its reliance on such information. ICMA-RC will provide reports, statements and account information to the Employer through EZLink, the online plan administrative tool.

Employer is required to send in contributions through EZLink, the online plan administration tool provided by ICMA-RC. Alternative electronic methods may be allowed, but must be approved by ICMA-RC for use. Contributions may not be sent through paper submittal documents.

To the extent Employer selects third-party funds that do not have fund profile information provided to ICMA-RC through our electronic data feeds from external sources (such as Morningstar) or third party fund providers, the Employer is responsible for providing to ICMA-RC timely fund investment updates for disclosure to Plan participants. Such updates may be provided to ICMA-RC through the Employer's investment consultant or other designated representative.

4. ICMA-RC Representations and Warranties

ICMA-RC represents and warrants to Employer that:

(a) ICMA-RC is a non-profit corporation with full power and authority to enter into this Agreement and to perform its obligations under this Agreement. The ability of ICMA-RC, or its wholly owned subsidiary, to serve as investment adviser to VantageTrust Company is dependent upon the continued willingness of VantageTrust Company for ICMA-RC, or its wholly owned subsidiary, to serve in that capacity.

(b) ICMA-RC is an investment adviser registered as such with the U.S. Securities and Exchange Commission under the Investment Advisers Act of 1940, as amended.

(c)(i) ICMA-RC shall maintain and administer the 457(b) Plan in accordance with the requirements for eligible deferred compensation plans under Section 457 of the Internal Revenue Code and other applicable federal law; provided, however, that ICMA-RC shall not be responsible for the eligible status of the 457(b) Plan in the event that the Employer directs ICMA-RC to administer the 457(b) Plan or disburse assets in a manner inconsistent with the requirements of Section 457 or otherwise causes the 457(b) Plan not to be carried out in accordance with its terms. Further, in the event that the Employer uses its own customized plan document, ICMA-RC shall not be responsible for the eligible status of the 457(b) Plan to the extent affected by terms in the Employer's plan document that differ from those in ICMA-RC's standard plan document. ICMA-RC shall not be responsible for monitoring state or local law applicable to retirement plans or for administering the 457(b) Plan in compliance with local or state requirements regarding plan administration unless Employer notifies ICMA-RC of any such local or state requirements.

(c)(ii) ICMA-RC shall maintain and administer the 401(a) Plan in accordance with the requirements for plans which satisfy the qualification requirements of Section 401 of the Internal Revenue Code and other applicable federal law; provided, however, ICMA-RC shall not be responsible for the qualified status of the 401(a) Plan in the event that the Employer directs ICMA-RC to administer the 401(a) Plan or disburse assets in a manner inconsistent with the requirements of Section 401 or otherwise causes the 401(a) Plan not to be carried out in accordance with its terms; provided, further, that if the plan document used by the Employer contains terms that differ from the terms of ICMA-RC's standardized plan document, ICMA-RC shall not be responsible for the qualified status of the 401(a) Plan to the extent affected by the differing terms in the Employer's plan document. ICMA-RC shall not be responsible for monitoring state or local law applicable to retirement plans or for administering the 401(a) Plan in compliance with local or state

requirements regarding plan administration unless Employer notifies ICMA-RC of any such local or state requirements.

5. Employer Representations and Warranties

Employer represents and warrants to ICMA-RC that:

(a) Employer is organized in the form and manner recited in the opening paragraph of this Agreement with full power and authority to enter into and perform its obligations under this Agreement and to act for the Plan and participants in the manner contemplated in this Agreement. Execution, delivery, and performance of this Agreement will not conflict with any law, rule, regulation or contract by which the Employer is bound or to which it is a party.

(b) Employer understands and agrees that ICMA-RC's sole function under this Agreement is to act as recordkeeper and to provide administrative, investment or other services at the direction of Plan participants, the Employer, its agents or designees in accordance with the terms of this Agreement. Under the terms of this Agreement, ICMA-RC does not render investment advice, is neither the "Plan Administrator" nor "Plan Sponsor" as those terms are defined under applicable federal, state, or local law, and does not provide legal, tax or accounting advice with respect to the creation, adoption or operation of the Plan and its related trust. ICMA-RC does not perform any service under this Agreement that might cause ICMA-RC to be treated as a "fiduciary" of the Plan under applicable law, except, and only, to the extent that ICMA-RC provides investment advisory services to individual participants enrolled in Guided Pathways Advisory Services.

(c) Employer acknowledges and agrees that ICMA-RC does not assume any responsibility with respect to the selection or retention of the Plan's investment options. Employer shall have exclusive responsibility for the Plan's investment options, including the selection of the applicable mutual fund share class. Where applicable, Employer understands that the VT Retirement IncomeAdvantage Fund is an investment option for the Plan and that the fund invests in a separate account available through a group variable annuity contract. By entering into this Agreement, Employer acknowledges that it has received the Important Considerations document and the VT Disclosures and that it has read the information therein concerning the VT Retirement IncomeAdvantage Fund.

(d) Employer acknowledges that certain such services to be performed by ICMA-RC under this Agreement may be performed by an affiliate or agent of ICMA-RC pursuant to one or more other contractual arrangements or relationships, and that ICMA-RC reserves the right to

change vendors with which it has contracted to provide services in connection with this Agreement without prior notice to Employer.

(e) Employer acknowledges that it has received ICMA-RC's Fee Disclosure Statement, prepared in substantial conformance with ERISA regulations regarding the disclosure of fees to plan sponsors.

(f) Employer approves the use of its Plan in ICMA-RC external media, publications and materials. Examples include press releases announcements and inclusion of the general plan information in request for proposal responses.

6. Participation in Certain Proceedings

The Employer hereby authorizes ICMA-RC to act as agent, to appear on its behalf, and to join the Employer as a necessary party in all legal proceedings involving the garnishment of benefits or the transfer of benefits pursuant to the divorce or separation of participants in the Plan. Unless Employer notifies ICMA-RC otherwise, Employer consents to the disbursement by ICMA-RC of benefits that have been garnished or transferred to a former spouse, current spouse, or child pursuant to a domestic relations order or child support order.

7. Compensation and Payment

(a) **Plan Administration Fee.** The amount to be paid for plan administration services under this Agreement shall be 0.55% per annum of the amount of Plan assets invested in VantageTrust. Such fee shall be computed based on average daily net Plan assets in VantageTrust.

(b) **Compensation for Management Services to VantageTrust, Compensation for Advisory and other Services to the VT III Vantagepoint Funds and Payments from Third-Party Mutual Funds**. Employer acknowledges that, in addition to amounts payable under this Agreement, ICMA-RC, or its wholly owned subsidiary, receives fees from VantageTrust for investment advisory services and plan and participant services furnished to VantageTrust. Employer further acknowledges that ICMA-RC, including certain of its wholly owned subsidiaries, receives compensation for advisory and other services furnished to the VT III Vantagepoint Funds, which serve as the underlying portfolios of a number of Funds offered through VantageTrust. For a VantageTrust Fund that invests substantially all of its assets in a third-party mutual fund not affiliated with ICMA-RC, ICMA-RC or its wholly owned subsidiary receives payments from the third-party mutual fund families or their service providers in the form of 12b-1 fees, service fees, compensation for sub-accounting and other services provided based on assets in the underlying third-party mutual fund. These fees are described in the VT Disclosures and ICMA-RC's fee disclosure statement. In addition, to the

extent that third party mutual funds are included in the investment line-up for the Plan, ICMA-RC receives administrative fees from its third party mutual fund settlement and clearing agent for providing administrative and other services based on assets invested in third party mutual funds; such administrative fees come from payments made by third party mutual funds to the settlement and clearing agent.

(c) **Redemption Fees**. Redemption fees imposed by outside mutual funds in which Plan assets are invested are collected and paid to the mutual fund by ICMA-RC. ICMA-RC remits 100% of redemption fees back to the specific mutual fund to which redemption fees apply. These redemption fees and the individual mutual fund's policy with respect to redemption fees are specified in the prospectus for the individual mutual fund and referenced in the VT Disclosures.

(d) **Payment Procedures**. All payments to ICMA-RC pursuant to this Section 7 shall be made from Plan assets held by VantageTrust or received from third-party mutual funds or their service providers in connection with Plan assets invested in such third-party mutual funds, to the extent not paid by the Employer. The amount of Plan assets administered by ICMA-RC shall be adjusted as required to reflect any such payments as are made from the Plan. In the event that the Employer agrees to pay amounts owed pursuant to this Section 7 directly, any amounts unpaid and outstanding after 30 days of invoice to the Employer shall be withdrawn from Plan assets.

The compensation and payment set forth in this Section 7 are contingent upon the Employer's use of ICMA-RC's EZLink system for contribution processing and submitting contribution funds by ACH or wire transfer on a consistent basis over the term of this Agreement.

8. Contribution Remittance

Employer understands that amounts invested in the Plan are to be remitted directly to Vantagepoint Transfer Agents in accordance with instructions provided to Employer by ICMA-RC and are not to be remitted to ICMA-RC. In the event that any check or wire transfer is incorrectly labeled or transferred to ICMA-RC, ICMA-RC may return it to Employer with proper instructions.

9. Indemnification

ICMA-RC shall not be responsible for any acts or omissions of any person with respect to the Plan or its related trust, other than ICMA-RC, its employees, agents or affiliates, in connection with the administration or operation of the Plan.

ICMA-RC shall indemnify, and hold harmless the Employer, its officers, employees, and affiliates from and against all loss, damage, penalty, liability, cost, and expense, including without limitation, reasonable attorney's fees, that may be incurred by, imposed upon, or

asserted against ICMA-RC by reason of any claim, regulatory proceeding, or litigation arising from any direct act or omission of ICMA-RC, its employees, affiliates or its agents under this Agreement, excepting only any and all loss, damage, penalty, liability, cost or expense resulting from Emtployer's negligence, bad faith, or willful misconduct.. Notwithstanding the foregoing, ICMA-RC's obligation to indemnify the City's officers, employees, or any other personnel, shall not apply to the extent the applicable claims arise out of actions undertaken by such personnel in their capacity as holders of an account administered by ICMA-RC.

To the extent permitted by law, Employer shall indemnify ICMA-RC against, and hold ICMA-RC harmless from, any and all loss, damage, penalty, liability, cost, and expense, including without limitation, reasonable attorney's fees, that may be incurred by, imposed upon, or asserted against ICMA-RC by reason of any claim, regulatory proceeding, or litigation arising from any act done or omitted to be done by any individual or person with respect to the Plan or its related trust, excepting only any and all loss, damage, penalty, liability, cost or expense resulting from ICMA-RC's negligence, bad faith, or willful misconduct.

The Employer intends to avail itself of the benefits of Section 768.28, Florida Statutes and any other statutes and common law governing sovereign immunity to the fullest extent possible. Neither this provision nor any other provision of this Agreement shall be construed as a waiver of the Employer's right to sovereign immunity under Section 768.28, Florida Statutes, or other limitations imposed on the Employer's potential liability under state or federal law.

10. Term

This Agreement shall be in effect and commence on the date all parties have signed and executed this Agreement ("Inception Date"). This Agreement may be terminated without penalty by either party on sixty days advance notice in writing to the other; provided however, that the Employer understands and acknowledges that, in the event the Employer terminates this Agreement (or replaces the Vantagepoint PLUS Fund, offered by VantageTrust, as an investment option in its investment line-up), ICMA-RC retains full discretion to release Plan assets invested in the Vantagepoint PLUS Fund in an orderly manner over a period of up to 12 months from the date ICMA-RC receives written notification from the Employer that it has made a final and binding selection of a replacement for ICMA-RC as administrator of the Plan (or a replacement investment option for the Vantagepoint PLUS Fund).

If the Agreement is not renewed, ICMA-RC will provide an orderly transition of assets and records to the new record keeper. A transition letter will be provided to the Employer which outlines the process and the responsibilities of ICMA-RC after the transition of assets and records has been completed.

11. Amendments and Adjustments

(a) This Agreement may be amended by written instrument signed by the parties.

(b) ICMA-RC may modify this agreement by providing 60 days' advance written notice to the Employer prior to the effective date of such proposed modification. Such modification shall become effective unless, within the 60-day notice period, the Employer notifies ICMA-RC in writing that it objects to such modification.

(c) The parties agree that enhancements may be made to administrative services under this Agreement. The Employer will be notified of enhancements through the Employer Bulletin, quarterly statements, electronic messages or special mailings. Likewise, if there are any reductions in fees, these will be announced through the Employer Bulletin, quarterly statement, electronic messages or special mailing.

12. Notices

Unless otherwise provided in this Agreement, all notices required to be delivered under this Agreement shall be in writing and shall be delivered, mailed, e-mailed or faxed to the location of the relevant party set forth below or to such other address or to the attention of such other persons as such party may hereafter specify by notice to the other party.

> **ICMA-RC**: Legal Department, ICMA Retirement Corporation, 777 North Capitol Street, N.E., Suite 600, Washington, D.C., 20002-4240
> **Facsimile**; (202) 962-4601
>
> **Employer:** at the office set forth in the first paragraph hereof, or to any other address, facsimile number or e-mail address designated by the Employer to receive the same by written notice similarly given.

Each such notice, request or other communication shall be effective: (i) if given by facsimile, when transmitted to the applicable facsimile number and there is appropriate confirmation of receipt; (ii) if given by mail or e-mail, upon transmission to the designated address with no indication that such address is invalid or incorrect; or (iii) if given by any other means, when actually delivered at the aforesaid address.

13. Complete Agreement

This Agreement shall constitute the complete and full understanding and sole agreement between ICMA-RC and Employer relating to the object of this Agreement and correctly sets forth the complete rights, duties and obligations of each party to the other as of its date. This Agreement supersedes all written and oral agreements, communications or negotiations among the parties. Any prior agreements, promises, negotiations or representations, verbal or otherwise, not expressly set forth in this Agreement are of no force and effect.

14. Titles

The headings of Sections of this Agreement and the headings for each of the attached schedules are for convenience only and do not define or limit the contents thereof.

15. Incorporation of Exhibits

All Exhibits (and any subsequent amendments thereto), attached hereto, and referenced herein, are hereby incorporated within this Agreement as if set forth fully herein.

16. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, applicable to contracts made in that jurisdiction without reference to its conflicts of laws provisions.

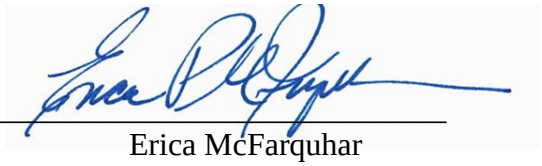

In Witness Whereof, the parties hereto certify that they have read and understand this Agreement and all Schedules attached hereto and have caused this Agreement to be executed by their duly authorized officers as of the Inception Date first above written.

Administrative Services

The administrative services to be performed by ICMA-RC under this Agreement shall be as follows:

(a) Participant enrollment services, including providing a welcome package and enrollment kit containing instructions and notices necessary to implement the Plan's administration. Employees will enroll online or through a paper form. Employer can also enroll employees through EZLink.

(b) Establishment of participant accounts for each employee participating in the Plan for whom ICMA-RC receives appropriate enrollment instructions. ICMA-RC is not responsible for determining if such Plan participants are eligible under the terms of the Plan.

(c) Allocation in accordance with participant directions received in good order of individual participant accounts to investment funds offered under the Plan.

(d) Maintenance of individual accounts for participants reflecting amounts deferred, income, gain or loss credited, and amounts distributed as benefits.

(e) Maintenance of records for all participants for whom participant accounts have been established. These files shall include enrollment instructions (provided to ICMA-RC through Account Access or EZLink), beneficiary designation instructions and all other documents concerning each participant's account.

(f) Provision of periodic reports to the Employer through EZLink. Participants will have access to account information through Investor Services, Voice Response System, Account Access, TextAccess and through quarterly statements that can be delivered electronically through Account Access or by postal service.

(g) Communication to participants of information regarding their rights and elections under the Plan.

(h) Making available Investor Services Representatives through a toll-free telephone number from 8:30 a.m. to 9:00 p.m. Eastern Time, Monday through Friday (excluding holidays and days on which the securities markets or ICMA-RC are closed for business (including emergency closings)), to assist participants.

(i) Making available access to ICMA-RC's web site, to allow participants to access certain account information and initiate certain plan transactions at any time. Account access is normally available 24 hours a day, seven days a week except during scheduled maintenance periods designed to ensure high-quality performance. The scheduled maintenance window is outlined at https://harper1.icmarc.org/login.jsp.

(j) Maintaining the security and confidentiality of client information through a system of controls including but not limited to, as appropriate: restricting plan and participant information only to those who need it to provide services, software

and hardware security, access controls, data back-up and storage procedures, non-disclosure agreements, security incident response procedures, and audit reviews.

(k) Making available access to ICMA-RC's plan sponsor EZLink web site to allow plan sponsors to access certain plan information and initiate plan transactions such as enrolling participants and managing contributions at any time. EZLink is normally available 24 hours a day, seven days a week except during scheduled maintenance periods designed to ensure high-quality performance. The scheduled maintenance window is outlined at https://harper1.icmarc.org/login.jsp.

(l) Distribution of benefits as agent for the Employer in accordance with terms of the Plan. Participants who have separated from service can request distributions through Account Access or via form.

(m) Upon approval by the Employer that a domestic relations order is an acceptable qualified domestic relations order under the terms of the Plan, ICMA-RC will establish a separate account record for the alternate payee and provide for the investment and distribution of assets held thereunder.

(n) Loans may be made available on the terms specified in the Loan Guidelines, if loans are adopted by the Employer. Participants can request loans through Account Access.

(o) Guided Pathways Advisory Services – ICMA-RC's participant advice service, "Fund Advice", and asset allocation service, "Asset Class Guidance" may be made available through a third party vendor on the terms specified on ICMA-RC's website.

(p) ICMA-RC will make Managed Accounts available to the Plan in accordance with the terms of the form of "Guided Pathways® Advisory Services Fund Advice and Managed Accounts Services Agreement" provided in Exhibit B, provided that Employer executes a Guided Pathways® Advisory Services Fund Advice and Managed Accounts Services Agreement.

   a. For Managed Accounts, ICMA-RC represents that the fees ICMA-RC pays to the Independent Financial Expert do not depend upon the investments made in accordance with any Managed Account investments under the Plan.

   b. For Managed Accounts, ICMA-RC warrants that its Managed Accounts program has been established and is maintained in accordance with the Department of Labor's "Advisory Opinion 2001-09A to SunAmerica Retirement Markets. Inc., notwithstanding that governmental plans are not generally subject to ERISA.

(q) ICMA-RC will determine appropriate delivery method (electronic and/or print) for plan sponsor/participant communications and education based on a number of factors (audience, effectiveness, etc.).

ICMA-RC GUIDED PATHWAYS® ADVISORY SERVICES MANAGED ACCOUNTS SERVICES AGREEMENT

This **Managed Accounts** Services Agreement ("Agreement"), made as of the ___day of _____, 20___ *(herein referred to as the "Inception Date")*, between the _____ *("Employer" or "you")*, a _____ organized and existing under the laws of the State of Florida with an office at _____*(Address)*, _____ *(City)*, _____ *(State)*, _____ *(Zip Code)*, and The International City Management Association Retirement Corporation ("ICMA-RC"), a Delaware corporation, is to add the discretionary investment advisory services program ("**Managed Accounts**") described in this Agreement a service offered under your employer-sponsored retirement plan or plans ("Plan").

RECITALS

Employer acts as a public sponsor for a Plan with responsibility to obtain investment alternatives and services for employees and former employees participating in that Plan (each a "participant");

ICMA-RC provides an array of services to public employers for the operation of employee retirement plans including, but not limited to, investment advisory services, communications concerning investment alternatives, account maintenance, account record-keeping, investment and tax reporting, transaction processing, benefit disbursement, and asset management.

Managed Accounts is a discretionary investment advisory service provided as part of ICMA-RC's Guided Pathways® Advisory Services program, a suite of investment services designed to assist participants in reaching their retirement investing objectives.

This Agreement adds **Managed Accounts**, a discretionary investment advisory service, to **Asset Class Guidance** and **Fund Advice**, already offered by ICMA-RC and available to most participants. These services, all of which are offered through the Guided Pathways® Advisory Services platform, are intended to assist participants in reaching their retirement investing objectives.

ICMA-RC is an investment adviser registered as such with the U.S. Securities and Exchange Commission ("SEC") under the Investment Advisers Act of 1940, as amended ("Advisers Act").

AGREEMENTS

1. Investment Advisory Services

Each participant, beneficiary or alternate payee as permitted under the Plan (collectively, "Participants"), electing to have investment advisory services provided by ICMA-RC must agree to the Investment Advisory Agreement ("Participant Agreement"), which describes the features of **Managed Accounts** and **Fund Advice** as well as the rights and responsibilities of the Participants under the program.

Participants who are subject to any imposed frequent trading restrictions are not eligible to participate in **Managed Accounts**. By entering into this Agreement, you acknowledge and agree that you have received and reviewed this Agreement and the Participant Agreement, including the terms, conditions, and details of **Managed Accounts** described in those Agreements and that as Plan Fiduciary you authorize ICMA-RC to offer and make available Managed Accounts to Participants in each of your eligible ICMA-RC administered 457, 401, 403(b), and Payroll IRA plans. Vantagecare Retirement Health Savings Plans and Plans that do not meet core investment option asset category requirements (e.g., ICMA-RC's standard 457 PTS Plan) are not considered eligible plans.

Managed Accounts

Managed Accounts is a discretionary asset allocation and management service designed for Participants who want to delegate their individual Plan investment decisions to a financial expert. Participants are charged an asset-based fee for **Managed Accounts**. See Section 5 below for applicable fees. The Managed Accounts fee covers only our advisory fee for allocating and reallocating assets in participants' accounts and does not cover any other fees or expenses associated with these accounts including underlying mutual fund and plan administration fees.

Under **Managed Accounts**, a Participant authorizes ICMA-RC to exercise discretionary authority to allocate and reallocate the assets in his or her Plan account or accounts among eligible Plan investments and implement individualized advice generated from the investment methodologies and software created by Morningstar Investment Management LLC ("Morningstar Investment Management"), a leading provider of retirement advice and asset allocation strategies. Morningstar Investment Management is a federally registered investment adviser and a subsidiary of Morningstar Inc., a leading world-wide provider of independent research committed to helping investors reach their financial goals. In providing such services to ICMA-RC, Morningstar Investment Management acts as the Independent Financial Expert ("IFE") as that term is used in Advisory Opinion 2001-09A issued by the U.S. Department of Labor (the **"DOL"**) (see Section 3, below). Based on information provided by the Participant about his or her financial condition and investment objectives, ICMA-RC allocates the Participant's account according to the applicable Morningstar Investment Management model on a discretionary basis without seeking the Participant's approval for each transaction.

The entire account balance of any account designated for participation in **Managed Accounts** must be allocated to **Managed Accounts**.

Participants must agree to provide financial and other information as reasonably requested by ICMA-RC and to inform ICMA-RC promptly of any changes in their circumstances in order to assist ICMA-RC in the development and management of an investment strategy that is appropriate. ICMA-RC will notify Participants annually to contact ICMA-RC regarding any changes in their financial situation, employment status or investment objectives and whether Participants wish to impose any reasonable restrictions on their accounts which are not fundamentally inconsistent with

their investment objectives or the nature or operation of **Managed Accounts**. ICMA-RC personnel knowledgeable about the management of the Participant's account will be reasonably available to respond to Participant's inquiries. Participants will receive quarterly statements consisting of all activity in their accounts, including fees and expenses as well as the beginning and ending value of the account for the relevant period, and will receive copies of confirmations of any transactions in their accounts.

Initially and at least annually thereafter, Participants are given an opportunity to review and confirm the accuracy and completeness of the information upon which their advice is based. When appropriate, but normally on a quarterly basis, Morningstar Investment Management re-examines the model advice portfolio to determine if a reallocation to a different model advice portfolio is needed. If a new model advice portfolio is needed, the Participant's Account(s) assets will be reallocated
and rebalanced to the new model's target asset allocation. Quarterly, assuming a new model advice portfolio is not needed, Morningstar Investment Management reviews the allocation of the Participant's Account(s) to determine if any fund deviates from the recommended model advice portfolio by more than a pre-specified minimum percentage, which would at no time be greater than 3%. If it does, ICMA-RC will transfer assets among the currently designated funds to ensure the Participant's Account(s) remain consistent with the target allocation of the model advice portfolio.

Because ICMA-RC has discretionary authority over the Participant's account under **Managed Accounts**, certain Participant-directed account transactions otherwise available to the Participant, such as transfers of existing account balances and changes to future contribution allocations, systematic or otherwise, will not be processed until the Participant has terminated participation in **Managed Accounts**. Participants may terminate participation in **Managed Accounts** at any time at their discretion.

The **Managed Accounts** program does not provide advice for assets in self-directed brokerage accounts, certificates of deposits, or certain other investment options. However, while only ICMA-RC administered retirement plan assets are managed, other
assets (i.e., spousal assets, brokerage accounts, etc.) can be taken into consideration for the purpose of determining the appropriate allocation for the retirement plan account to the extent that the Participant has provided information about such assets.

Certain investment options within your Plan may charge a redemption fee on specific transactions. Transactions initiated by ICMA-RC under **Managed Accounts** may result in such redemption fees being charged to Participants. Any applicable redemption fees will be deducted directly from the Participants' accounts.

Managed Accounts may not be suitable for all investors. Participants should contact our Guided Pathways® Advisory Services team or their ICMA-RC Retirement Plans Specialist and fully read the *ICMA-RC Guided Pathways® Fund Advice and Managed Accounts Investment Advisory Agreement* prior to enrolling in Managed Accounts to determine if this service is right for them.

Asset Class Guidance and Fund Advice

Both Asset Class Guidance and Fund Advice are currently offered to most Participants. These services are offered directly through ICMA-RC in conjunction with Morningstar Investment Management as the IFE. ICMA-RC applies methodologies developed, maintained and overseen by Morningstar Investment Management. The Plan is not charged any additional fee for allowing these services to be offered to Participants.

Asset Class Guidance

Asset Class Guidance provides "point-in-time" asset allocation recommendations to Participants looking for assistance in selecting their retirement plan investments. **Asset Class Guidance does not provide fund specific recommendations.** These individualized asset allocation recommendations from ICMA-RC may be provided through the internet, or by an ICMA-RC associate over the telephone. ICMA-RC creates the asset allocation recommendations by applying methodology developed, maintained and overseen by Morningstar Investment Management.

Asset allocation recommendations are based upon a wealth forecast that takes into account not only the Participant's Plan account values and contribution rates, but also, to the extent provided by the Participant and relevant to the forecast, other assets held
by the Participant or the Participant's spouse or family member, and personal information of the Participant - including but not limited to, date of birth, anticipated or actual date of retirement, etc. The wealth forecast reflects the results of Monte Carlo simulations to determine the probable result of various account allocations, savings rates, etc.

The Participant may elect whether to use this service, and if so, when and how often to use it. The Participant will be responsible for implementing any asset allocation recommendations based on the ordinary means available under the Plan (i.e., transfer of account balances), and for subsequent monitoring or review of the account and of the accuracy of information utilized in arriving at the asset allocation recommendation.

Participants are not charged additional fees for using **Asset Class Guidance** under Guided Pathways® Advisory Services.

Fund Advice

Fund Advice provides non-discretionary "point-in-time" individualized investment advice to Participants seeking assistance in selecting specific retirement plan investments. Fund specific recommendations are constructed by Morningstar Investment Management from among the investment options available in the Plan. **Fund Advice** may be provided through the Internet, or by an ICMA-RC associate over the telephone. ICMA-RC creates **Fund**

Advice recommendations by applying methodology developed, maintained and overseen by Morningstar Investment Management. The investment advice and fund specific recommendations are constructed by Morningstar Investment Management from the investment options available under the Plan and as selected by you as the Plan Sponsor, applied to the Participant's individual information and account.

Fund Advice is based upon a wealth forecast that takes into account not only the Participant's Plan account values and contribution rates, but also, to the extent provided by the Participant and relevant to the forecast, other assets held by the Participant or the Participant's spouse or family member, and personal information of the Participant - including but not limited to, date of birth, anticipated or actual date of retirement, etc. The wealth forecasts reflect the results of Monte Carlo simulations to determine the probable result of various account allocations, savings rates, etc.

The Participant may elect whether to use this service, and if so, when and how often to use it. The Participant will be responsible for implementing any advice or fund specific recommendations using the ordinary means available under the Plan (i.e., transfer of account balances), and for subsequent monitoring or review of the account and of the information utilized in arriving at the advice. Participants using **Fund Advice** are responsible for supplying updated information when their personal circumstances or other factors change.

ICMA-RC will charge a standard $20 annual fee to Participants using **Fund Advice**. The fixed annual fee will be charged to the Participant's account following enrollment and will entitle the Participant to use of the service for a twelve-month period. For each succeeding twelve-month period for which the Advice service is initiated or continued, the Participant will be required to re-enroll and pay the annual fee in order to continue receiving the service.

Guided Pathways® allows Participants to directly implement recommended transactions (fund transfers and contribution reallocations) in their ICMA-RC accounts.

2. Employer Acknowledgements Designations and Determinations

By entering into this Agreement, Employer determines that the compensation paid to ICMA-RC by Participants for services under the Guided Pathways® Advisory Services program, including the **Managed Accounts** services, taking into account any other compensation to ICMA-RC or its affiliates for investments and services provided to Plan accounts, is reasonable in light of the services to be rendered.

Employer designates that the individual investment options offered to Participants under the Plan will be the same investment options available to Participants selecting **Managed Accounts** and **Fund Advice**. In making such a designation, you acknowledge and agree to any limits on the investment options to which the advice may apply, and to any limitations imposed by the investment option or by the Plan.

If the VT Retirement IncomeAdvantage Fund is an available option in your Plan, the following acknowledgments, representations, and conditions are applicable:

- The IFE may recommend that a portion of a Participant's assets be invested in the VT Retirement IncomeAdvantage Fund, a VantageTrust Fund that invests in a separate account under a group variable annuity issued by a third-party insurance company. A Guarantee Fee of 1.00% is assessed by the third-party insurance company for the VT Retirement IncomeAdvantage Fund guarantees and is included along with other fund fees and expenses in the VT Retirement IncomeAdvantage Funds' net expense ratio. Guarantees are based on the claims-paying ability of the third-party insurance company. These guarantees are also subject to certain limitations, terms, and conditions. Rights to these guarantees may be impacted if: (1) a participant makes any transfers, exchanges or withdrawals from the Fund (other than guaranteed withdrawals after lock-in); (2) you switch retirement plan providers or remove the VT Retirement IncomeAdvantage Fund from the plan lineup; or (3) the VT Retirement IncomeAdvantage Fund or the group annuity contract in which it invests is terminated.
- You understand that the VT Retirement Income Advantage Fund is an investment option for the Plan and that the fund invests in a separate account available through a group variable annuity contract. By entering into this Agreement, you acknowledge that you have received and understand the following documents: 1) *VT Retirement IncomeAdvantage Important Considerations*; 2) the *VT Retirement IncomeAdvantage Fund Fact Sheet*, and 3) the applicable *Disclosure Memorandum*. These documents are also available online via EZLink and Account Access (www.icmarc.org) or by contacting ICMA-RC Investor Services at 800-669- 7400.

Employer acknowledges that ICMA-RC or an affiliate may be providing additional services, including investment, Plan recordkeeping, Plan compliance, and other related Plan administrative services. However, the Employer retains its existing responsibility for taking necessary steps to adopt, amend and maintain the qualification of the Plan.

3. Prohibited Transactions

Although your Plan, as a governmental plan, is not subject to all the requirements of ERISA, under ERISA certain types of transactions are prohibited, including, generally, the provision of investment advice by an entity or an individual that is providing other services to the Plan for compensation.

The DOL issued Advisory Opinion 2001-09A ("Advisory Opinion') to SunAmerica Retirement Markets. Inc. ("SunAmerica") on December 14, 2001. The Advisory Opinion provides that investment advice based on a computer program controlled by an IFE and delivered to a Participant by an organization or adviser that is also providing plan investments from which it receives income, will not constitute a prohibited transaction if certain requirements are met. The DOL issued the Advisory Opinion in response to a request for a prohibited transaction exemption ("PTE") by SunAmerica. ICMA-RC has entered into an agreement with Morningstar Investment Management to provide the type of services described in the SunAmerica PTE request and the Advisory Opinion. ICMA-RC is already providing services to your Plan, which may include enrollment and contribution processing, Plan recordkeeping and compliance,

education and other services, including mutual funds advised or sub-advised by ICMA-RC or an affiliated adviser which may be included as eligible Plan investments. By executing this Agreement, you are authorizing ICMA-RC to provide investment advisory services under **Managed Accounts**.

Managed Accounts may be provided through the Internet, on paper, or by an ICMA-RC associate over the telephone. ICMA-RC associates will continue to provide many of the same Plan and investment services to the Plan or Participants that he or she would otherwise provide, in the absence of **Managed Accounts**. However, pursuant to the Advisory Opinion, ICMA-RC associates
will present the advice as determined under the investment methodologies and software developed by Morningstar Investment Management and may not alter that advice.

4. Investment Advice Process

From the investment options available to Plan Participants, Morningstar Investment Management will select the funds to be included in the model advice portfolios under **Managed Accounts**.

To be eligible for **Managed Accounts** or **Fund Advice**, the Plan must at all times provide investment options which cover the following required asset categories as determined by Morningstar Investment Management: US Fixed Income (Cash, US Short-term Bonds or US Bonds), US Equity, and International Equity. Morningstar Investment Management, as the IFE, is solely responsible for determining the adequacy of the Plan's exposure to the required asset categories. ICMA-RC will notify
you if available investment options under your Plan fail to include one or more asset categories required for construction of the Morningstar Investment Management model portfolios.

On an ongoing basis, Morningstar Investment Management will monitor the asset-class portfolios and the individual investment options included in the model portfolios, and make changes as appropriate. With certain exceptions, any recommended changes arising from such monitoring will generally be implemented not more frequently than quarterly.

Participants with multiple ICMA-RC-administered accounts under the same Employer Plan and/or multiple ICMA-RC- administered accounts with different Employer Plans, have the option of individually selecting the accounts to which **Managed Accounts** will be applied.

Each Participant enrolling in **Managed Accounts** will be assigned to one of a fixed number of model advice portfolios based upon the information provided to ICMA-RC by the Plan and the Participant. As described in the Participant Agreement, a minimum set of data items will be required in order to assign the Participant to a model portfolio. These include gender, date of birth, marital status, employment status, salary, retirement plan account balances, current retirement plan savings rate, desired replacement retirement income, and desired probability of meeting or exceeding desired replacement retirement income.

Certain required information on Participant accounts is automatically pre-populated to **Managed Accounts** by ICMA-RC. Participants are responsible for providing any other required or non-required information, although "default" assumptions may be used for certain information.

Additional information can be provided, by the Plan or the Participant, to further assist in the selection of the appropriate model advice portfolio, including additional information about the Participant and/or the Participant's spouse and/or family, if applicable. This additional information can include, but is not limited to:

- **Outside Plan Assets:** Account information on non-ICMA-RC defined contribution retirement and non-retirement accounts (i.e., 401 and 457 plans, savings, retail brokerage), and other account information including but not limited to: account type; account name; account balance; account holdings; etc.
- **Retirement Plan Loans:** Details on outstanding retirement plan loans including but not limited to: maturity date; outstanding loan balance; repayment amount; interest rate; repayment frequency; etc.
- **Cash Flow:** Details on non-retirement plan cash flows including but not limited to: received inheritance or college tuition costs; cash flow type (income or expense); amount; college cost beginning year; college cost ending year; etc.
- **Other Benefits/Retirement Plan Information**: Including but not limited to: Information on defined benefit pension plans or Social Security; start age; pension monthly payment; social security monthly estimate; etc.
- **Information About Your Spouse's Personal and Financial Situations**: Including but not limited to: Information on your spouse and his/her retirement and non-retirement accounts; date of birth; annual savings rate; salary; account type; account name; account balance; account holdings; etc.

Participants will be permitted to enroll in **Managed Accounts** at any time. However, if a Participant previously terminated the service with respect to a Plan, he or she must wait at least until the next calendar quarter before re-enrolling in the service for that Plan and may not enroll more than two times in any 12-month period.

Upon enrollment in **Asset Class Guidance** or **Fund Advice**, a Plan Participant may use these services as often as desired, in the manner (and subject to any limitations) described in the Participant Agreement or Terms and Conditions document. A
Participants enrolling in **Managed Accounts** or Fund Advice will receive a statement summarizing the data provided to ICMA- RC that was used to formulate the advice, and if accessing the service over the Internet, will be given an opportunity to correct or modify that data before the service is initiated. Thereafter, the Participant can revise, add, or change his or her data at any time. Participants enrolled in **Managed Accounts** will be contacted at least annually regarding this information, and may speak with an ICMA-RC associate at any time. When appropriate, but normally on a quarterly basis, Morningstar Investment Management re-examines the model advice portfolio to determine if a

reallocation to a different model advice portfolio is needed. If a new model advice portfolio is needed, the Participant's Account(s) assets will be reallocated and rebalanced to the new model's target asset allocation. Quarterly, assuming a new model advice portfolio is not needed, Morningstar Investment Management reviews the allocation of the Participant's Account(s) to determine if any fund deviates from the recommended model advice portfolio by more than a pre-specified minimum percentage, which would at no time be greater than 3%. If it does, ICMA-RC will transfer assets among the currently designated funds to ensure the Participant's Account(s) remain consistent with the target allocation of the model advice portfolio. Participants are responsible for contacting ICMA-RC with any new or revised information that may warrant an additional review of the account. Allocation or reallocations may be limited by the Plan or by the underlying investment. Such limitations will be taken into account by Morningstar Investment Management in the development and implementation of the advice.

5. Participant Costs

Participants who enroll in **Managed Accounts** are assessed an asset based fee that is charged on a monthly basis based on the month-end average daily account balance in **Managed Accounts**. The **Managed Accounts** fee will be calculated as a percentage of the account value and applied to the account as a fixed dollar amount. The Managed Accounts fee covers only our advisory fee for allocating and reallocating assets in participants' accounts and does not cover any other fees or expenses associated with these accounts including underlying mutual fund and plan administration fees. The standard **Managed Accounts** Fee Schedule is presented below and is also detailed in the Participant Agreement.

Account Balance	Annual Fee
First $100,000	0.40%
Next $100,000	0.35%
Next $300,000	0.25%
Over $500,000	0.00% (no additional fee charged)

The **Managed Accounts** Fee will be deducted pro-rata against all investments in any account included in **Managed Accounts**.

Employer hereby directs that these costs be withdrawn from Participant accounts. You will be provided at least 90 days' advance written notice of any change in the rate of fees assessed to Participant accounts. Fees will be assessed to Participant accounts on a pro-rata basis among investments. There is no cost assessed to the Employer or the Plan for offering **Managed Accounts**.

ICMA-RC will charge a standard $20 annual fee to Participants using **Fund Advice**. The fixed annual fee will be charged to the Participant's account following enrollment and will entitle the Participant to use of the service for a twelve-month period. For each succeeding twelve-month period for which the Advice service is initiated or continued, the Participant will be required to re-enroll and pay the annual fee in order to continue receiving the service.

Participants are not charged any additional fees for using **Asset Class Guidance** under Guided Pathways.

6. No Guarantee

Employer understands, acknowledges and accepts that the advice and recommendations provided within Guided Pathways Advisory Services relies on historical performance and other data, all of which have limitations. Past performance of investments is no guarantee of future results. The analysis and advice provided depends upon a number of factors, including the information provided by the Participant, various assumptions and estimates and other considerations. As a result, the wealth forecast developed and advice and recommendations provided are no guarantees that a Participant will achieve his or her retirement goals or anticipated returns. You understand that there remains a risk of loss within eligible investment options.

7. Form ADV

Part 2A of ICMA-RC's Form ADV for Guided Pathways® Advisory Services, Retirement Readiness Reports, and Financial Planning ("Brochure"), a portion of ICMA-RC's SEC adviser registration statement, contains additional information about ICMA-RC and our advisory services. By entering into this Agreement, you represent that you have received and reviewed a copy of the Brochure.

8. Limitation of Liability

You understand and agree that there is no guarantee that the recommendations made by ICMA-RC pursuant to the investment methodologies and software developed by Morningstar Investment Management will be successful. Nor can ICMA-RC ensure that a Participant will achieve his or her retirement goals or anticipated returns. You acknowledge there is no guarantee of the future financial performance of Participant investments or that Participants will meet their desired goal(s).

To the extent Employer uses ICMA-RC's EZ Link platform to initiate Participants' enrollment in Managed Accounts, Employer represents that it is acting as agent for the Participant in the enrollment process. Employer further represents

that prior to initiating a Participant's enrollment in Managed Accounts through the EZ Link platform, Employer will confirm that the Participant has acknowledged (1) that he or she has read and understands (i) the *ICMA-RC Guided Pathways Fund Advice and Managed Accounts Investment Advisory Agreement* ("Investment Advisory Agreement"), (ii) *Part 2A of ICMA-RC's Form ADV for Guided Pathways® Advisory Services, Retirement Readiness Reports, and Financial Planning*, and (iii) the *VT Retirement IncomeAdvantage Fund Summary Important Considerations* document, if the VT Retirement IncomeAdvantage Fund is an option in the Participant's Plan; and (2) that Participant is deemed to have entered into the Investment Advisory Agreement as of the date of enrollment in Managed Accounts.

You agree, understand and acknowledge that the advice is based on the responses provided and other information furnished to us by you, the Plan and Participants through Guided Pathways Advisory Services and **Managed Accounts** and that you and the Participants are responsible for updating this information as necessary. ICMA-RC shall not be liable for any misstatement or omission contained in the information furnished to us, or any loss, liability, claim damage or expense whatsoever arising out of or attributable to such misstatement or omission. Nothing in this section shall be construed as a waiver of any rights Employer or Participants may have under common law, the Advisers Act, or any other federal or state securities or retirement laws.

ICMA-RC is not responsible for providing and maintaining the communications and equipment (including personal computers and modems) and telephone or alternative services required for accessing and utilizing electronic or automated services, or for communications service fees and charges incurred by the Participant in accessing these services.

9. Assignability

This Agreement shall not be assignable by any party without the prior written consent of the other party.

10. Term and Termination of Managed Accounts Service

This Agreement shall be in effect and commence on the date all parties have signed and executed this Agreement ("Inception Date"). This Agreement will be renewed automatically for each succeeding year unless **60 days' advance written notice of termination** is provided by either party to the other, provided however that some or all of the notice period may be waived upon a demonstration that only an earlier termination will comply with the independent fiduciary's fiduciary duty.

Employer may terminate the services at any time for all Participants, subject to a thirty (30) days' advance written notice requirement consistent with applicable law. Such termination shall be effective as soon as reasonably practicable thereafter, as necessary to avoid harm to participant accounts.

A Participant may terminate the **Managed Accounts** service with respect to his or her account(s) at any time.

During the term of this agreement, ICMA-RC reserves the right to replace Morningstar Investment Management as the IFE in its sole discretion. In the event ICMA-RC is unable to contract with a suitable replacement IFE, this Agreement shall automatically terminate upon written notice from ICMA-RC to the Employer.

11. Extraordinary Events

ICMA-RC shall not be liable for loss caused directly or indirectly by governmental restrictions, exchange or market rulings, suspension of trading, war, strikes, or other conditions beyond our control. We shall not be responsible for loss or damages caused by equipment failure, communications lines failure, unauthorized access, theft, systems failure and other consequences beyond our control.

12. Privacy

Protection of Nonpublic Personal Information. ICMA-RC is subject to various privacy requirements for the protection of its clients under the Gramm-Leach-Bliley Act ("GLBA") and regulations promulgated pursuant to GLBA.

Definition of Nonpublic Personal Information. Nonpublic personal information of customers or consumers ("NPI") includes, but is not limited to, names, addresses, account balances, account numbers, account activity, Social Security numbers, taxpayer identification numbers, and sensitive, financial and health information. NPI includes information on our forms or in a database of any kind, information created by us, information collected by or on behalf of us and personally identifiable information derived from NPI.

Disclosure and Use of NPI. All NPI that ICMA-RC obtains as a result of offering these services to your Participants shall not be used, disclosed, reused, or redisclosed to any unaffiliated third party, except to carry out the purposes for which the information was disclosed.

ICMA-RC shall be permitted to disclose relevant aspects of the NPI to its officers, agents, subcontractors, independent financial expert and employees only to the extent that such disclosure is reasonably necessary for the performance of its duties and obligations under the Agreement.

The obligations of this Section shall not restrict any disclosure by ICMA-RC pursuant to any applicable state or federal laws or regulations, or by request or order of any court or government agency.

Security of NPI. ICMA-RC further agrees that it has established and maintains policies and procedures designed to ensure the confidentiality and security of NPI. This shall include procedures to protect against anticipated threats or hazards to the security or integrity of the information and unauthorized access to or use of the information.

13. Notices

All notices required to be delivered under Section 10 of this Agreement shall be delivered personally or by registered or certified mail, postage prepaid, return receipt requested, to (i) Legal Department, ICMA Retirement Corporation, 777 North Capitol Street, N.E., Suite 600, Washington, D.C., 20002-4240; (ii) Employer at the office set forth in the first paragraph hereof, or to any other address designated by the party to receive the same by written notice similarly given.

14. Complete Agreement and Amendments

This Agreement shall constitute the complete and full understanding and sole agreement between ICMA-RC and Employer relating to the object of this Agreement and correctly sets forth the complete rights, duties and obligations of each party to the other as of its date. This Agreement supersedes all written and oral agreements, communications or negotiations among the parties. Any prior agreements, promises, negotiations or representations, verbal or otherwise, not expressly set forth in this Agreement are of no force and effect. This Agreement may only be amended in writing with the consent of both parties.

15. Titles

The headings of Sections of this Agreement are for convenience only and do not define or limit the contents thereof.

16. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, applicable to contracts made in that jurisdiction without reference to its conflicts of laws provisions. Venue shall be properly placed only in Brevard County, Florida for state court actions and Orlando, Florida for federal actions.

RE: ICMA Retirement Corporation
Vantagepoint Payroll Roth IRA Program

Dear Plan Sponsor,

This letter agreement will serve to supplement the existing Administrative Services Agreement ("Agreement(s)") between City of Cocoa , the ("Employer"), and ICMA Retirement Corporation ("ICMA-RC") to address Individual Retirement Accounts ("IRAs") for Employer's employees and their spouses ("IRA Accountholders").

The existing Agreement between Employer and ICMA-RC is hereby supplemented as follows:

1. Employer desires that ICMA-RC administer IRAs for Employer's employees pursuant to payroll deduction. Employer agrees to send ACH or wire the assets representing contributions for IRA Accountholders to ICMA-RC. The details of the submission of IRA contributions shall be as mutually agreed between Employer and ICMA-RC, but in general shall be as set forth in the IRA program materials developed by ICMA-RC and provided to Employer.
2. Absent an explicit provision to the contrary, account fees and expenses payable by IRA Accountholders shall be as set forth in the IRA program materials.
3. Each IRA Accountholder will receive a consolidated quarterly statement providing information for any deferred compensation plan, qualified plan or IRA maintained by each IRA Accountholder and administered by ICMA-RC.
4. ICMA-RC will provide tax withholding and reporting for each IRA account administered by ICMA-RC.
5. Unless ICMA-RC and Employer agree in writing otherwise, the details of ICMA-RC's administration of the IRA program, as well as other features of the IRA program, shall be as set forth in ICMA-RC's IRA program materials. The most current IRA program materials are hereby attached here to and incorporated by reference and made a part of this Agreement, except that Employer and ICMA-RC may, from time to time, mutually agree in writing to terms that vary from the IRA program materials.

6. To help ensure confidentiality of IRA Accountholder information, ICMA-RC will provide Employers with only such account information as is necessary to reconcile Employer's payroll deduction submittals.

7. It is agreed that ICMA-RC will not be responsible for ensuring that annual IRA contributions by each IRA Accountholder are within applicable annual contribution limits, and it will be solely the responsibility of the IRA Accountholder to adhere to applicable contribution limits and other IRS requirements applicable to IRAs.

8. It is understood that the year in which the payroll deduction occurs shall constitute the tax year in which the contribution is considered to be made to the IRA Accountholder's IRA.

If Employer finds these terms agreeable, please so indicate by having a duly authorized official sign and date this letter agreement in the space indicated below.

Very truly yours,

Erica McFarquhar
Assistant Secretary

Cocoa, FL 32923

Letter of Agreement for Legislative and Executive Representation

Dear Mr. Sansom:

This letter is to serve as a letter of agreement for Jerry Sansom, dba JHS Consultants (referred to as "Sansom") to continue providing nonexclusive Legislative and Executive representation for the City of Cocoa (referred to as the "City"). More specifically, this is to engage the services of Sansom to provide legislative consulting services to include representation on behalf of the City of Cocoa before the Governor, Cabinet, Legislature, Florida's various Executive agencies, and other governmental agencies. Said services shall be requested by the City on an as-needed basis under the following terms and conditions:

A. Scope of Services: Services shall be requested by the City on an as-needed basis. When requested, such services shall be prosecuted regularly, diligently, completely, and within the time specified by the City. Such services may include, but are not limited to:

1. Identify, review, monitor and analyze proposed and emerging State policies, programs, and legislation in connection with the City's interests.

2. Review the legislative policy statements adopted by the Florida League of Cities and the policy statements of other local government lobbying groups for the purpose of identifying issues which may either positively or negatively affect the City.

3. Assist the City Council and City staff in coordinating and developing the City's legislative program. These issues may include: public safety, law enforcement, business attraction and retention, infrastructure improvements, transportation, environmental, affordable housing, economic development, utilities, revenue enhancement, annexation, mandates, and other municipal issues affecting the City.

4. Monitor State legislative committee meetings, state agency hearings and meetings prior to or during the legislative session at which specific issues within the City's adopted legislative program are considered or which may significantly affect the City's interest.

5. Work with the City Council, City Attorney, and City staff in developing special or general legislation in keeping with, or supportive of, the City's adopted legislative program.

6. Develop and evaluate strategy for the support, opposition, or amendment of pending legislation.

7. Appear and testify at State agency hearings, rule making proceedings and other administrative or legislative meetings in order to promote, oppose or seek passage of legislation, policies, or rules affecting the City or its citizens.

8. Coordinate appointments/meetings between the City Council, City Attorney, or other City staff and appropriate State officials and legislators.

9. Prepare briefings, reports (oral and written), and information bulletins pertinent to any State legislation, policies, rules or regulations that affect the City.

10. Prepare periodic written reports that summarize the status of the City's legislative program and priorities.

11. Assist the City in coordinating applications and obtaining State permits and grants.

12. Represent the City before the Brevard County Legislative Delegation and its members regarding the City's legislative program.

13. Attend City Council meetings and meetings with the City Attorney and City staff regarding any of the aforesaid.

B. Authorization:

1. The City Manager may authorize Sansom to work on minor projects on an as-needed basis.

2. The City Council may authorize Sansom to work on minor and/or major projects on an as-needed basis.

Prior to the City Manager or City Council authorizing any project, a consultation will need to be conducted to determine the scope of the project. No work shall be performed by Sansom unless approved by the City Manager or City Council as required hereunder.

C. Fees:

The rates paid will be a flat fee of $18,000.00 per City fiscal year from October 1 to September 30. The fee shall be earned on a monthly basis in increments of $1,500 per month. The time will be spent only on items directed by the City Manager and/or City Council and will be fully accounted for by written itemized invoices. The invoices will include the date of services rendered, a brief description of the services performed, and the time expended. The invoices will be sent quarterly to the City Manager's office and the City agrees to pay as required by the Florida Prompt Payment Act.

D. Costs:

The payment described in Paragraph C above shall be inclusive of all routine expenses including telephone, copying, and automobile gas and mileage. Costs such as airfare, overnight accommodations, and other significant costs will only be reimbursed after receiving prior approval from the City Manager or his/her designee.

E. Collection of Fees:

The City of Cocoa agrees to pay for the costs and fees incurred on its behalf. The costs/fees must be justified in writing on an itemized invoice and incurred pursuant to the terms and conditions contained in this Agreement.

F. Length of Agreement:

Upon full execution by the parties, this Agreement shall remain in effect for a period of one year effective October 1, 2019 through September 30, 2020. The Agreement may be renewed for two (2) additional one (1) year periods at the same fees, terms, and conditions. Any change in fee, terms or conditions shall be in writing signed by the City and Sansom.

G. Termination:

The City of Cocoa has the right to terminate this Agreement at any time, at its sole discretion, without cause or penalty, by providing at least ten (10) days written notice. Upon receipt of said notice, Sansom's representation on behalf of the City will cease immediately unless the City directs otherwise in writing in order for Sansom to complete a specific pending assignment. Promptly after termination of this Agreement, Sansom shall deliver to the City all reports, memoranda and other documents accumulated or prepared by Sansom under this Agreement that constitute a public record under Chapter 119, Florida Statutes. The City shall not be responsible for any fees or expenses incurred after the date of termination unless agreed to in writing prior to the fees and expenses being incurred.

H. Indemnification. The following indemnity shall apply:

To the fullest extent permitted by law, Sansom shall defend, indemnify, and hold harmless the City, its officials, employees, and city attorneys from and against any and all claims, suits, judgments, demands, liabilities, damages, cost and expenses (including attorney's fees) of any kind or nature whatsoever arising directly or indirectly out of or caused in whole or in part by any act or omission of Sansom or any person employed by Sansom, or anyone for whose acts Sansom may be liable, excepting those acts or omissions arising out of the sole negligence of the City.

I. Conflict of Interest.

Sansom will not attempt to represent both the City and another client in any substantially related matter unless approved by the City in writing, or in any situation wherein Sansom has acquired confidential information from the City material to the matter, or in other situations where the relationship between a matter Sansom is asked to handle for another client presents a conflict of interest with work performed for the City, or is suggestive of an actual conflict of interest, or that can have an actual and material adverse financial or legislative effect on the City.

J. Miscellaneous Provisions.

1. Sandom shall promptly observe and comply with applicable provisions of all federal, state, and local laws, rules and regulations which govern or apply to the services rendered hereunder including, but not limited to, licensing and lobbying requirements.

2. Sansom shall not use the City's name or seal in promotional materials without the prior written consent of the City.

3. Except as expressly provide under this Agreement and authorized by the City for a specific assignment, Sansom is not authorized to act as the City's agent and shall have no authority, express or implied, to act for or bind the City whatsoever.

4. Sansom shall not by virtue of this Agreement be considered an employee of the City. At all times during the term of this Agreement, Sansom shall be considered an independent contractor.

5. Pursuant to Chapter 119, Florida Statutes, Sansom agrees that any records, documents, transactions, writings, papers, letters, computerized information and programs, maps, books, audio or video tapes, films, photographs, data processing software, writings or other material(s), regardless of the physical form, characteristics, or means of transmission, of Sansom related, directly or indirectly, to the services provided to the City under this Agreement and made or received pursuant to law or ordinance or in connection with the transaction of official business by the City, may be deemed to be a public record, whether in the possession or control of the City or Sansom. Said records, documents, transactions, writings, papers, letters, computerized information and programs, maps, books, audio or video tapes, films, photographs, data processing software, writings or other material(s), regardless of the physical form, characteristics, or means of transmission of Sansom are subject to the provisions of Chapter 119, Florida Statutes, and may not be destroyed without the specific written approval of the City's designated custodian of public records. Upon request by the City, Sansom shall promptly supply copies of said Public Records to the City. All books, cards, registers, receipts, documents, and other papers in connection with this Agreement shall at any and all reasonable times during normal business hours of Sansom be open and freely exhibited to the City for the purpose of examination and/or audit. Failure by Sansom to grant such access and comply with public records laws and/or requests shall be grounds for immediate unilateral cancellation of this Agreement by the City upon delivery of a written notice of cancellation. If Sansom fails to comply with this Section, and the City must enforce this Section, or the City suffers a third party award of attorney's fees and/or damages for violating Chapter 119, Florida Statutes, due to Sansom's failure to comply with this Section, the City shall collect from Sansom prevailing party attorney's fees and costs, and any damages incurred by the City, for enforcing this Section against Sansom. And, if applicable, the City shall also be entitled to reimbursement of all attorneys' fees and damages which the City had to pay a third party because of Sansom's failure to comply with this Section. The terms and conditions set forth in this Section shall survive the termination of this Agreement.

6. Sansom acknowledges and understands that the City and its activities are subject to the Government-in-the-Sunshine Law, Section 286.011, Florida Statutes, which requires, with limited exceptions, the City to conduct business in open meetings. Sansom will cooperate with the City to observe and comply with the requirements of said law in performing the services required hereunder.

7. This Agreement is governed by Florida law. Venue for any state action filed pertaining to this Agreement shall be in Brevard County, Florida. Venue for any federal action filed pertaining to this Agreement shall be Orlando, Florida.

8. Nothing in this Agreement shall be construed as a waiver of the City's right to sovereign immunity under section 768.28, Florida Statutes.

K. Acceptance:

By signature below, Sansom agrees to and accepts all the terms and conditions contained herein.

Sincerely,

_____

RESOLUTION NO. 2019-031

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA, PROVIDING FOR A TEMPORARY WAIVER OF BUILDING PERMIT FEES FOR REPAIRS RELATED TO BUILDING OR STRUCTURAL DAMAGE CAUSED BY THE MARCH 27, 2019 HAIL STORM; PROVIDING FOR AN INTENT AND PURPOSE OF THIS RESOLUTION; PROVIDING FOR A FILING PERIOD FOR ELIGIBLE BUILDING PERMIT APPLICATIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the March 27, 2019 hail storm caused extensive damage to properties within the geographic area of the City of Cocoa; and

WHEREAS, the City Council previously established a schedule of building permits fees pursuant to Resolution No. 2013-37; and

WHEREAS, in order to expedite the repairs required as a result of the damage caused by the March 27, 2019 hail storm and to provide relief to property owners suffering from hail storm related hardships, the City Council desires to temporarily waive building permit fees for permit applications related to repairing such damage; and

WHEREAS, this Resolution is adopted pursuant to the Florida Municipal Home Rule Powers Act, Section 166.222, Florida Statutes, Section 6-108 of the City Code, and the emergency powers vested in the City Council pursuant to all applicable law; and

WHEREAS, the City Council hereby finds that this Resolution is in the best interests of the citizens of Cocoa; and

NOW, THEREFORE, BE IT RESOLVED, as follows:

SECTION 1. Recitals. The foregoing recitals are hereby fully incorporated herein by this reference and are deemed a material part of this Resolution.

SECTION 2. Intent and Purpose. It is the intent and purpose of this Resolution to only address building or structural damage directly caused by the March 27, 2019 hail storm. This Resolution is not intended to apply to building permit applications filed with the City that are not related to repairing building or structural damage caused by the hail storm. To the extent that a particular building or structure was substantially destroyed by the hail storm and is

beyond repair according to the City's building official, a new replacement building or structure on the same property as the substantially destroyed building or structure shall be considered a repair under this Resolution.

SECTION 3. **Temporary Waiver of Building Permit Fees.** The City Council of the City of Cocoa hereby provides that building permit fees are hereby waived for any building permit application filed with the City related to repairing building or structural damage caused by the March 27, 2019 hail storm. All such applications must be filed with the City's Building & Permitting Division on or after March 28, 2019, but no later than six (6) months after the effective date of this Resolution. The City Council shall have the option to extend this Resolution for an additional ninety (90) days if authorized prior to the expiration of this Resolution. For purposes of granting the building permit fee waiver, the building official or his or her designee shall be responsible for verifying that the repairs being permitted are directly related to damage caused by the hail storm.

Notwithstanding the fee waiver authorized by this Section, all building application, licensing, insurance, inspection, and other building permit conditions required by law shall apply.

SECTION 4. **Severability.** If any section, subsection, sentence, clause, phrase, word, or portion of this resolution is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion hereto.

SECTION 5. **Effective Date.** This Resolution shall become effective immediately upon adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in an emergency meeting assembled this 24th day of April, 2019.

John Titkanich
City Manager

RE: Orchid Lake - a 96 Unit Rental Housing Development Affordable to Seniors Aged 55+ to be Located at the SE Corner of Cocoa Lakes Drive and Michigan Avenue in the City of Cocoa Parcel Number 24-36-20-00-1

Mr. Titkanich,

You may remember we had originally submitted the above referenced development for your review in the fall of 2016; however, Florida Housing would not allow us to deed restrict the property as housing for senior citizens because the nearby Clearlake Isles was under construction and additional applications for senior housing would not be allowed until Clearlake Isles was fully leased and operational.

Clearlake Isles is now fully leased with a large waiting list and Florida Housing in now financing new deed restricted senior housing development in the nearby area.

We had submitted this development to Florida Housing in 2018 with tentative City support; however, we were not selected for funding due to a bad lottery number.

In light of the above we are planning to re submit this affordable rental senior housing development proposal to Florida Housing on November 5, 2019 for funding consideration.

Our proposed unit mix and rental rates are as follows:

Type	Rental Rate	#of Units	%AMI	Sq. Ft.
1br/1b Tax Credit	$319	7	40%	700
1br/1b Tax Credit	$623	59	60%	700
2br/2b Tax Credit	$388	3	40%	900
2br/2b Tax Credit	$753	27	60%	900
Total		96		

The buildings will be three (3) stories with elevators. At least 15 percent of the units will have roll-in showers and will include the following features geared for Seniors:

- Horizontal grab bars in place around each tub and/or shower, the installation of which meets or exceeds 2010 ADA Standards for Accessible Design, Section 609.

- Reinforced walls for future installation of horizontal grab bars in place around each toilet, the installation of which meets or exceeds 2010 ADA Standards for Accessible Design, Section 604.5.1 (Side Wall);

- Toilets that are 17 inches to 19 inches in height as measured from the finished floor to the top of the toilet seat;

- Roll-out shelving or drawers in all bottom bathroom vanity cabinets;

- Adjustable shelving in master bedroom closets (must be adjustable by resident); and

- In at least one of the kitchen's bottom or base cabinets, there shall be a large drawer that has full extension drawer slides.

Conclusion

Thank you very much for the opportunity to submit this proposal. If this development is funded by Florida Housing, it will bring much needed affordable housing to the senior citizens of Cocoa.

To finalize our application to Florida Housing we are requesting that the City execute the current zoning, water, sewer, and roads verification form. The site plan form is no longer required.

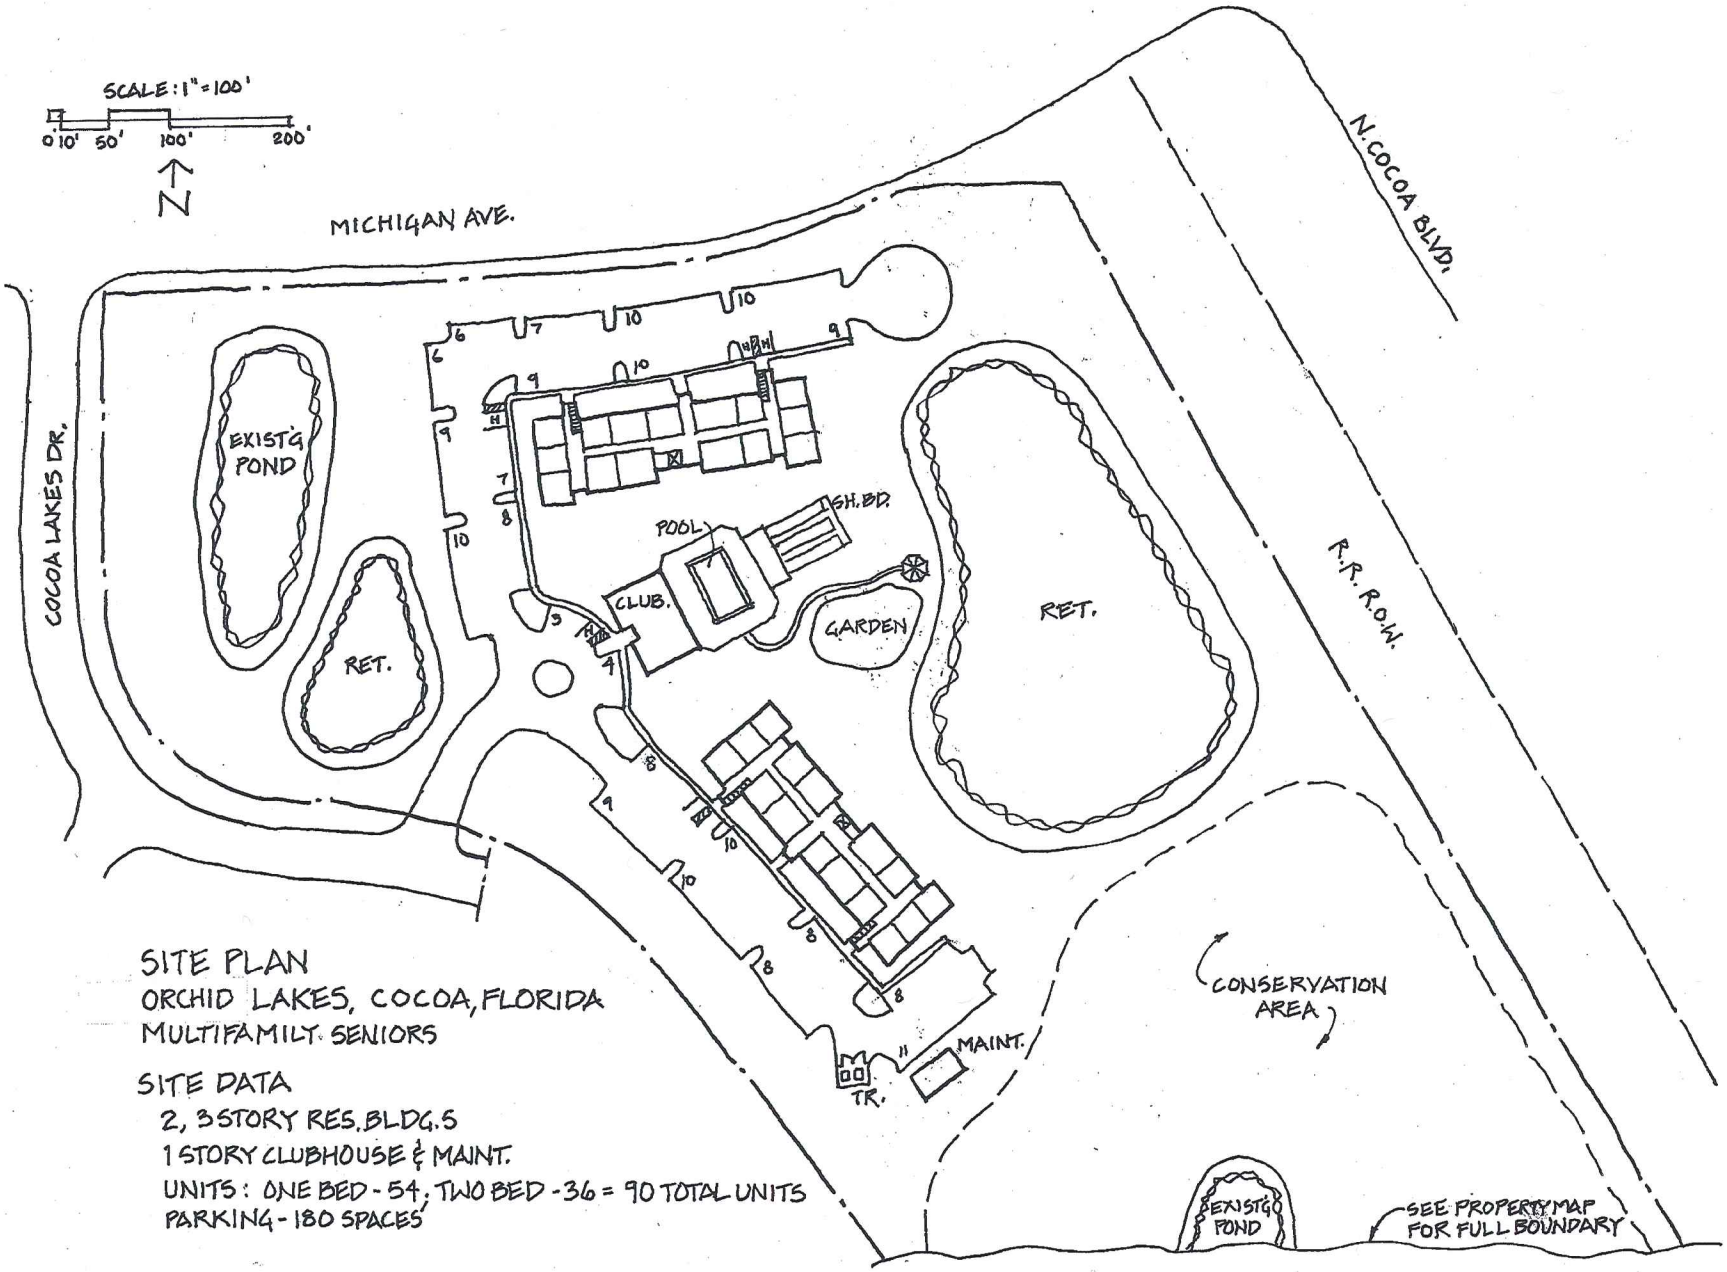

Because the site is located in the US 1 Corridor CRA, we have an opportunity to apply under the Revitalization Funding Goal if the City can execute the form entitled Local Government / Community Redevelopment Agency Verification that Development is Part of a Local Community Revitalization Plan.

Florida Housing no longer requires a local government monetary contribution to be made towards the development; however, the development can qualify for a Local Government Area of Opportunity Funding goal if a loan or gran in the amount of $354,000 is committed towards the development.

We look forward to creating this exciting development.

Sincerely,

Jason Larson,
Vice President of Development

Purchasing Policy Section 15.2 Large Purchases

15. Local Vendor Preference.

The City of Cocoa grants preference to those vendors, contractors or service providers whose physical business address is within the physical boundaries of Brevard County and such location is evidenced by the local business tax receipt that has been issued for at least six (6) months prior to the date that the bid was submitted to the City. A post office box shall not be considered a physical business address. A three percent (3%) preference is given to Brevard County vendors/contractors on bids which do not exceed $1,000,000 and do not fall into one of the categories outlined in Ordinance 11-2009 which was amended by Ordinance 14-2009 and is available for review in the Office of the City Clerk or the Office of the Purchasing Manager at 65 Stone Street, Cocoa, Florida 32922.

The local preference policy will not apply to the following purchases or contracts:

- Contracts or purchases in excess of one million dollars ($1,000,000).
- Contracts for professional services, including those awarded under the Consultant's Competitive Negotiation Act (Section 287.055, Florida Statutes).
- Purchases or contracts which are funded, in whole or in part, by a governmental entity whose laws or regulations governing such funding prohibit application of a local vendor preference.
- State or Federal law prohibits the use of local preferences.
- Goods or services provided pursuant to a cooperative purchasing agreement.
- Purchases or contracts under emergency situations.
- When the City has waived competitive bidding requirements.
- Purchases or contracts under a bid or request for proposal for which the City has expressly waived, in the invitation for bid or request for proposal, the requirements of this local preference policy.
- The City has deemed the business not qualified to perform the work.
- The City rejects all bids or proposals.
- All the bids exceed the City's budgeted amount for the project.

The local vendor preference policy does not prohibit the City from comparing the quality of materials proposed for purchase or prohibit the City from comparing qualifications, character, responsibility and fitness of all persons, firms and corporations submitting bids or proposals. The City reserves the right to award contracts to the lowest and best bidder regardless of the application of any local preference.

Code of Federal Regulations § 200.319 Competition.

(a) All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. Some of the situations considered to be restrictive of competition include but are not limited to:

(1) Placing unreasonable requirements on firms in order for them to qualify to do business;

(2) Requiring unnecessary experience and excessive bonding;

(3) Noncompetitive pricing practices between firms or between affiliated companies;

(4) Noncompetitive contracts to consultants that are on retainer contracts;

(5) Organizational conflicts of interest;

(6) Specifying only a “brand name” product instead of allowing “an equal” product to be offered and describing the performance or other relevant requirements of the procurement; and

(7) Any arbitrary action in the procurement process.

(b) The non-Federal entity must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(c) The non-Federal entity must have written procedures for procurement transactions. These procedures must ensure that all solicitations:

(1) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description must not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured and, when necessary, must set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a “brand name or equivalent” description may be used as a means to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offers must be clearly stated; and

(2) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(d) The non-Federal entity must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the non-Federal entity must not preclude potential bidders from qualifying during the solicitation period.

Save Our Indian River Lagoon Project

Project Submittal Request Form Instructions

The Save Our Indian River Lagoon Project Plan (SOIRLPP) is being adaptively managed to ensure that the projects implemented are as cost-effective as possible. This form must be filled out completely to provide information on each potential project for inclusion in the next annual update to the plan. Projects should deliver comparable nutrient removal benefits at similar costs as those projects listed in the SOIRLPP for each sub-lagoon. Projects submitted will be reviewed by the Citizen Oversight Committee to evaluate the potential for inclusion in the plan. The projects recommended by the Citizen Oversight Committee for inclusion in the plan will be presented to the Brevard County Board of County Commissioners for approval.

IV. Federal Financial Assistance Funding Opportunity Description

Proposers are encouraged to fully read and comply with all requirements contained in this RFP. Failure to provide all forms, information and documentation required, shall result in rejection of the application as non-responsive.

Background

Florida's Urban and Community Forestry grant program (UCF) was originally authorized in the Forestry Title of the 1995 Farm Bill passed by the 107th Congress. Section 589.28, Florida Statutes, authorizes FDACS to cooperate with local governments to promote the planting and protection of trees to improve the beauty and livability of urban environments within the state of Florida.

The Urban and Community Forestry (UCF) grant funds provided through the United States Department of Agriculture (USDA) Forest Service are administered in each of the fifty states through the office of the state forester.

The state foresters provide national leadership for the implementation of UCF programs at the state level. The National Association of State Foresters works closely with the USDA Forest Service, members of Congress and national conservation organizations to provide for adequate UCF funding, a responsible national UCF policy and progressive strategies to manage and replant our nation's community forests.

The growth of our national population and the accompanying development of urban centers and the surrounding rural areas have resulted in the continual loss of natural areas and tree cover. Trees provide many benefits to people living in cities and towns including energy conservation through shade, wildlife habitat, decreased storm water runoff, cleaner air, production of oxygen, removal of carbon dioxide and increased property values. It is through these and other benefits that trees contribute to the health, safety and welfare of people living in cities and towns. Like all assets, it takes careful planning and active management to maximize the benefits of trees and green infrastructure.

The primary goal of this grant is to assist Florida municipalities in building a municipal urban forestry management program. This grant will help communities by providing a clear path to proper urban forest management through technical assistance, tree inventory, master planning, and planting initiatives.

Overview

The purpose of Florida's Managing Community Forests Grant Program is to provide financial assistance to local governments or Native American tribal governments to initiate or enhance local urban and community forestry programs and improve the urban environment within the state of Florida. The state of Florida anticipates an allocation of **$50,000** for fiscal year 2019, **$30,000** for fiscal year 2020, and **$30,000** for fiscal year 2021. Over the three-year period of this proposal, the state of Florida anticipates a total allocation of **$110,000**, but allocation amount for fiscal years 2020 and 2021 is contingent on availability of future federal funding opportunities. The primary purpose of this program is **not** beautification through tree planting, but to develop and enhance urban and community forestry programs.

The Managing Community Forests grant is intended to help local governments start or develop urban forestry programs by establishing a clear path to creating an effective management program. As funding allows, selected communities will receive a total of three contracts over a three-year period to conduct a tree inventory, establish an urban forest master plan, and undertake a planting project to meet goals laid out in the master plan.

The US Forest Service has directed the FFS to focus on assisting communities to strengthen their urban forestry programs in the following four core areas:

1. Active involvement by community tree boards or citizen tree advisory groups.
2. Development of urban tree management plans based on current inventory data.
3. Program oversight by qualified professional staff or professional consultant.
4. Development of a tree ordinance that will enforce community tree care standards.

Addressing these four areas will involve education of citizens, local officials, and tree care professionals. Encouraging volunteer and citizen group participation in these activities is also a key to program success. Some demonstration areas to show good urban forestry practices are also helpful and will be funded to a limited extent under this grant program.

Scope

Local Government Program Development or Improvement

Qualified Applicants: Local governments, state governments, and Native American tribal governments. Eligible municipalities will be incorporated entities and have a population between 10,000 and 100,000.

Year One

2019 - Subrecipient agreement up to $25,000: Tree inventory

1. This is for the development of a local tree inventory/hazardous tree inventory on non-federal public properties (includes parks, rights-of way and preserves). This can include the purchase of hardware, software, and related equipment, as well as fees paid to vendors to conduct the inventory. Funding is limited to **$25,000**.

Year Two

2020 - Subrecipient agreement up to $15,000: Management Plan

2. This is for the development of a management plan to guide the management of urban trees on non-federal public properties. Management planning must include tree care ordinance review or suggested language for a new ordinance. Plans must also utilize the information from the year 1 tree inventory, priority planting areas, canopy goals, and metric on how to measure progress. Funding is limited to **$15,000**.

Year Three

2021 - Subrecipient agreement up to $15,000: Tree Planting

3. Planting project must relate to a goal and priority area set forth in the management plan. ISA Certified Arborist must oversee the installation of the trees and a 3-year maintenance plan is required prior to planting. It is also encouraged that local groups (the tree board, master gardeners, 4-H or FFA classes, etc.) will be engaged in the project. This is for the development and installation of tree/palm planting projects which demonstrate proper urban forestry principles. Projects can demonstrate "right tree - right place" principles, utility line compatibility with appropriate species, energy conservation considerations, improvement of entranceway, community hurricane tree recovery, street tree plantings, park tree plantings or tree planting for food forests that encourage or support of economic development. Funds may only be used for purchase and planting of trees/palms. Purchase and planting of shrubs and ground covers (not sod) in conjunction with the tree planting may only serve as a matching cost, and as such, cannot be reimbursed. Funding is limited **$15,000**.

A 60-day "grow-in period" is required prior to Certification of Acceptance by the Department and the processing of a final reimbursement. The proposal should state how the trees will be watered and cared for during the grow-in period.

Tree Planting Requirements:

a. Trees/palms (including those planted as part of the local match) must be Florida Grade #1 or equivalent (Florida Division of Plant Industry, Grades, and Standards).

b. Trees may not exceed a 4-inch caliper. Palms may not be taller than 16 feet, clear trunk.

c. Minimum tree size is 1 and 1/2-inch caliper, in at least a 15-gallon container.

d. At least three tree species native to the area and suitable for the site and objective must be planted.

e. Up to ten percent (10%) of the grant award may be used for the purchase and/or installation of irrigation equipment or an irrigation system, or for supplemental

watering during the 60 day grow-in period.

f. Trees listed on the Exotic Pest Plant Council's MOST RECENT list of Florida's Invasive Species may not be planted as any part of this grant program. The list may be found on the internet at www.fleppc.org.

g. Maximum allowable cost per individual tree or palm is $500, which can be split between grant and match for purchase and planting.

h. Written approval is required (as part of the proposal) from the Florida Department of Transportation for planting and maintenance on any state right-of-way.

i. Eligible multi-stemmed tree species include only those listed on the Right Tree/Right Place posters produced by the Florida Urban Forestry Council, unless FFS permission is granted for another species.

j. A maximum of $12 per tree may be spent on planting materials during the 60 day grow-in period only.

k. Up to ten percent (10%) of the grant award may be spent on site-preparation costs directly related to the tree planting.

l. Successful applicants may rent equipment with which to plant the trees or palms. The maximum allowance is ten percent (10%) of the grant award.

Proposals must include the following:

a. A detailed planting plan (site plan) which shows the location of the trees/palms, existing structures, and site limitations such as underground utilities and overhead wires.
b. A location map.
c. A minimum of three color photographs of the planting site.

V. Statutes and Regulations

The UCF Program is authorized by Section 9, Urban and Community Forestry Assistance, of the Cooperative Forestry Assistance Act of 1978 as amended [16 U.S.C. 2105]. This law authorizes the Secretary of Agriculture "to provide financial, technical, and related assistance to State Foresters or equivalent State officials for the purpose of encouraging States to provide information and technical assistance to units of local government and others that will encourage cooperative efforts to plan urban forestry programs and to plant, protect, maintain, and utilize wood from, trees in open spaces, greenbelts, roadside screens, parks, woodlands, curb areas, and residential developments in urban areas." The law also states, "In providing such assistance the Secretary is authorized to cooperate with interested members of the public including nonprofit private organizations. The Secretary is also authorized to cooperate directly with units of local government and others in implementing this section whenever the Secretary and the affected State Forester or equivalent State official agree that direct cooperation would better achieve the purposes of this section."

VIII. Eligibility Information

Qualified applicants are local governments, state governments and Native American tribal governments.

Grant requests may not exceed **$55,000.** Maximum grant award to a single applicant is **$55,000.**

Grants are for projects **not** currently budgeted and may **not** be used to replace existing commitments.

The scope of work must be performed within the state of Florida.

A resolution or letter approving the proposal and authorizing the applicant to execute agreements and documents with the grant request must be submitted as part of the proposal.

Expenses associated with travel and per diem are **not** eligible.

Expenses associated with **invasive removals** are **not** eligible but may be used as match.

IX. Cost Sharing (Matching) Requirements

The match requirements for this Funding Opportunity is 50% (1:1 match). Reimbursement requests must have documentation of the 50% match at the time of submission. Awardees will only be reimbursed up to the amount of match submitted with the request.

Applicants will be required to submit documentation for the cost sharing. A cost share may either be in the form of a cash contribution, donated services, donated equipment, or donated property. Cost sharing used in previous subrecipient awards or in other current subrecipient awards cannot be used for this subrecipient award.

The maximum allowable assessment for in-kind match for general volunteer labor (non-professional) is $25.43 per hour. Salaried or hourly employees working in the same job class may use their current salary and benefit rate for match purposes.

No overhead costs will be paid from grant funds. Overhead costs, up to 5% of the total project cost (match plus award), can be used as part of the local match.

X. Funding Source and/or Restrictions

FDACS reserves the right to award, or not award, subrecipient agreement(s) based on the availability of federal funds.

FDAC's obligation to pay under this subrecipient agreement is contingent upon funding by the federal agency.

Funding is available for project work initiated and completed during the award period. Funding is subject to the amount of spending authority allocated by the Florida Legislature.

The allowability of costs shall be in accordance with the federal financial assistance cost principles applicable to the subrecipient.

XI. Cost of Preparation

FDACS is not liable for any costs incurred by the applicant in response to the notice of federal financial assistance funding opportunity.

XII. Public Records

Article 1, section 24, Florida Constitution, guarantees every person access to all public records, and Section 119.011, Florida Statutes, provides a broad definition of public record. As such, all responses to a federal financial assistance funding opportunity are public records unless exempt by law. Any applicant claiming that its response contains information that is exempt from the public records law shall clearly segregate and mark that information and provide the statutory citation for such exemption.

XIII. Request Application Packet

The application packet is available online at http://forms.freshfromflorida.com/02032.pdf.

If you are unable to access the internet, a written request for the application packet should be submitted to:

Florida Department of Agriculture and Consumer Services
Purchasing Office
407 South Calhoun Street
Mayo Building – Room SB-8
Tallahassee, FL 32399-0800

XIV. General Instructions for Application Packet

Carefully review all materials and prepare the responses accordingly.

The application packet must be complete and provide all the required information by the submission deadline to be considered. Application packets that fail to provide all the required forms and signatures will be considered non-responsive and consequently will be removed from the evaluation process.

For all corporate applicants, proof of corporate status must be provided with the application.

For nonprofit applicant, documentation that verifies the official nonprofit status of an organization in accordance with Section 617, Florida Statutes, must be provided with the application.

Please ensure that all attachments reflect the applicant's name and funding opportunity number.

Unless otherwise noted, **application packets must be submitted on 8 ½" by 11" plain white paper with 1" margins, using a 12-point font and one sided single-spaced pages. Pages must be consecutively numbered for ease of reading. All applications must be bound by binder clip or staple – no plastic binders or folders.**

XV. Application Package Components

FDACS forms must be used. Substitute forms will not be reviewed. Do not alter the pages unless the page indicates that it can be modified. Applications that do not include all required pages will be removed from the evaluation process.

A complete application package (FDACS 02032) consists of the following pages:

- Coversheet

- Key Contact
- Project Narrative
- Scope of Work
- Budget Plan Narrative
- Budget Plan
- Key Person/Staff
- Performance Site/Locations
- Assurances
- Lobbying Form
- Debarments, Suspension, Ineligibility
- Certification Statement

XVI. Clarifications/Revisions

Before award, FDACS reserves the right to seek clarifications or request any information deemed necessary for proper evaluation of submissions from all applicants deemed eligible for the subrecipient agreement. Failure to provide requested information may result in rejection of the application.

XVII. Rejection of Applications

FDACS reserves the right to reject applications or waive any minor irregularities when to do so would be in the best interest of the state of Florida, and to reject the proposal of an applicant whom FDACS determines is not able to perform the scope of work. Minor irregularities are those which will not have a significant or adverse effect on overall completion or performance.

XVIII. DUNS

Applicants are required to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number on the application (http://fedgov.dnb.com/webform).

XIX. System for Award Management (SAM) Registration

The applicant must be registered in the System of Award Management (SAM) https://www.sam.gov/SAM. The applicant will be required to maintain a registration for the duration of the award.

XX. Late Applications

Applications, hard copy, or email, received by FDACS after the application submission deadline will be rejected as untimely and will be returned to the applicant.

XXI. EVALUATION CRITERIA

The UCF Subcommittee shall develop a prioritized list of all proposals which the UCF Grant Coordinator has determined to be complete.

1. The UCF Subcommittee shall evaluate each proposal based upon how well the proposal meets the purpose of the grant program. Maximum possible points: **100 points,** including bonus points. A minimum score of **60 points** is required to be considered eligible for funding.

2. The scoring of proposals is based upon the following prioritized and weighted attributes:

a. **Urban Forestry Program Development - 20 Points Maximum.**

The highest score will be given to proposals that provide documentation indicating that the proposal (applicant) is enhancing its capacity to build a sustained program and/or address urban and community forestry needs. The current state of the applicants' urban forestry program will be considered, as well as the project's potential to improve that program, as well as citizen awareness and citizen participation.

b. **Demonstrated Need - 20 Points Maximum**

The highest score will be given to proposals that demonstrate an economic need for cost-share dollars such as small rural communities or underserved neighborhoods in larger cities.

c. **Technical Correctness – 15 Points Maximum**.

The highest score will be given to proposals which include competent project supervision, adherence to tree planting and other practice specifications and knowledge of how to implement the practice they are proposing.

d. **Environmental and Educational Value - 10 Points Maximum**

The highest score will be given to proposals that will contribute multiple environmental benefits to the community and educate a significant sector of the public or local professional community.

e. **Cost Effectiveness - 10 Points Maximum**

The highest score will be given to proposals that will clearly maximize results with the efficient use of grant dollars, clearly describe how funds will be expended, and adhere to the cost parameters listed in this RFP. Including written estimates will enhance this score.

f. **Promotional Value - 5 Points Maximum**

The highest score will be given to proposals which have a high potential for positive public relations, where the applicant indicates a strategy for publicizing the project.

g. **Completeness of Proposal - 5 Points Maximum**

The highest score will be given to proposals which are complete, include all the required attachments, and provide a detailed explanation of the proposal.

In addition to the above, the following will be considered for bonus scoring during the evaluation: (15 points maximum)

a. ***Tree City USA* certification – 5 Points Maximum**

This indicates a community's commitment to sustaining their urban forestry program.

b. ***Tree City Growth*** **Award Recipient – 5 Points Maximum**
The Community demonstrates an increasing commitment to its urban forestry program.

c. **Proposal Specifies a Certified Arborist(s) or a Graduate Forester from an Accredited Four-Year Bachelor of Science in Forestry Program will be Involved in Program Implementation – 5 Points Maximum**

This indicates a community's commitment to the proper implementation of urban forestry practices.

The scores for each factor will be added to obtain a total score for each application. Funding will be awarded to applications based on the total score received. FDACS reserves the right to recommend partial funding of applications.

XXII. Evaluator(s)

FDAC's evaluator(s) will consist of a minimum of 3 and a maximum of 7 individuals who FDACS determines have experience and knowledge in the program areas. The evaluator(s) will conduct a fair, impartial and comprehensive evaluation of applications received in response to this notice of federal financial assistance funding opportunity. The evaluator(s) could be municipal/county arborists or county foresters, non-profit organization representatives, city municipal staff (Parks and Recreation, etc.) and FFS personnel.

XXIII. Anticipated Announcement and Award Dates

The evaluation and selection process is expected to be no longer that 45 days after the submission deadline. The announcement of the awards will be within 60 days after the submission deadline.

XXIV. Award Notice

Upon the completion of FDACS's evaluation of applications, all applicants will be notified regarding their status.

FDACS reserves the right to negotiate and/or adjust the final award amount and scope of work prior to award.

The successful applicants will have thirty (30) days to fully execute the Subrecipient Agreement. Failure by the subrecipient to sign and return the Subrecipient Agreement, within 30 days upon receipt of the agreement, shall constitute forfeiture of the award.

Although it is the intent of FDACS to expedite the subrecipient grant award process as much as possible, applicants should be aware that execution of a Subrecipient Agreement could be delayed for some time until federal funding is received. Projects should be scheduled accordingly. No costs to be charged against the subrecipient award or counted as match can be incurred before the Subrecipient Agreement is executed.

XXV. Programmatic, Administrative and National Policy Requirements

The applicant shall comply with all laws, rules, and regulations applicable to the federal funds provided by the federal financial assistance funding opportunity.

The applicant shall maintain an accounting system and a set of accounting records which allow for the identification of revenues and expenditures related to this funding opportunity.

XXVI. Acknowledgment of Funding

The subrecipient shall have an acknowledgement of the USDA Forest Service support placed on any publication written or published or audiovisual produced with grant support and, if feasible, on any publication reporting the results of, or describing, a grant-supported activity, or audiovisuals produced with grant support. This requirement does not apply to audiovisuals produced as research instruments or for documenting experimentations or findings and not intended for presentation or distribution to the public.

XXVII. Performance Report

The applicant will submit mandatory detailed quarterly reports in a timely basis using the format and content shown on FDACS's performance progress report. Reports are due on March 31, June 30, September 30 and December 31. Reports must be received within ten (10) days of the due date or will be considered delinquent. The performance progress report is downloadable at www.FreshFromFlorida.com Subrecipient Quarterly Performance Progress Report (FDACS 02018).

XXVIII. Reimbursement Requests

All reimbursement requests must be submitted using FDACS's standard payment request packet, unless otherwise noted in the special conditions of the subrecipient agreement, and provide supporting documentation for each cost. The subrecipient shall submit the payment request packet to the recipient's grant manager not more often than monthly, but not less often than quarterly. To be eligible for reimbursement, costs shall be allowable, necessary, and reasonable, and must be submitted by budget category consistent with the budget plan submitted with applicant's application. The payment request package is downloadable at www.FreshFromFlorida.com Subrecipient Payment Request Form (FDACS 02019).

Travel expenses are not allowed.

The FDACS agreement with the federal agency is cost reimbursement format; therefore, no advance payments will be provided.

Any work performed on the project and/or any expenditure made prior to a fully executed subrecipient agreement and written authorization from FDACS is ineligible for reimbursement.

XXIX. Disclaimer

The receipt of applications in response to the notice of federal financial assistance funding opportunity does not imply or guarantee that any one or all qualified applicants will result in a subrecipient agreement with FDACS.

XXX. Questions

Applicants shall address all questions regarding this federal financial assistance funding opportunity notice to the purchasing director. All questions submitted shall be published and answered in a manner that all applicants can view. Each applicant is responsible for monitoring the grant website for new or changing information.

Questions regarding procedures for submittal of proposals should be submitted to:

CERTIFICATION REGARDING DEBARMENTS, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER FEDERALLY FUNDED TRANSACTIONS

2 CFR 200

Federal Financial Assistance Funding Opportunity Number:
Subrecipient Legal Name:
Subrecipient FEIN:
This certification is pursuant to Executive Order 12549, Debarment and Suspension and implemented at 2 CFR parts 180 and 1880.
Instructions for Certification
1. By signing and submitting this proposal, the prospective lower tier participant is providing the certifications set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification. In addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participating in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
Certification
1. The prospective lower tier participant certifies to the best of its knowledge and belief, that it and its principals;
a. Are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency.
b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statues or commission of embezzlement theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.
2. where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective lower tier participant shall attach an explanation to this proposal.

IV. Federal Financial Assistance Funding Opportunity Description

Proposers are encouraged to fully read and comply with all requirements contained in this RFP. Failure to provide all forms, information and documentation required, shall result in rejection of the application as non-responsive.

Overview

The purpose of Florida's Urban and Community Forestry (UCF) Grant Program is to provide financial assistance to local governments, Native American tribal governments, volunteer groups, nonprofit organizations, and educational institutions to initiate or enhance local urban and community forestry programs and improve the urban environment within the state of Florida. The state of Florida anticipates an allocation of **$200,000** for fiscal year 2019.

The primary purpose of this UCF grant program is to mitigate the effect to the urban forest component of community infrastructures throughout the State of Florida impacted by recent

hurricane and other weather-related events. The loss of tree cover in these communities has created negative economic, ecological, and aesthetic consequences. These include decreased property values, loss of tourism appeal, extensive cleanup and recovery costs, loss of green infrastructure leading to increased costs associated with stormwater runoff, loss of energy conservation benefits, and degraded air and water quality. Damaged trees also pose safety hazards to citizens and structures. Improvements to surviving urban trees need to be made to improve their health and reduce damage from future storms. Local community leaders and the public also need to learn more about how their urban trees benefit their community, from an economic, social, and environment standpoint. They also need to learn how to properly select, plant and care for trees to minimize future storm damage and how to utilize green infrastructure to reduce stormwater runoff.

Approximately 60% of the funding will be allocated to tree planting practices, with 40% of the remaining funds allocated for inventory, storm planning and informational and educational projects related to storm preparedness. The maximum grant allocation is **$20,000** for each category. Practices may be implemented on county or municipally-owned lands, including parks or natural areas, as well as highway and street rights-of-way not maintained by the Federal government. Funds will be allocated to regions with priority given to fiscally distressed communities.

FDACS, Florida Forest Service (FFS) is requesting proposals for grants to:

- Replant trees destroyed by Hurricane Michael, Irma, and Nate and other weather-related events, and plant appropriate new trees in areas where they would serve as wind buffers in the event of future storms.

- Conduct inventories of trees in public areas and assess the condition of individual trees.

- Create a community urban forestry storm preparedness plan.

- Implement informational and educational programs to improve the understanding of citizens and local officials of the benefits of maintaining a healthy canopy of trees in urban areas as related to storm preparedness. These programs will help citizens and officials to take measures in advance to minimize storm damage from trees and react decisively when storms occur.

Scope

There are four grant categories:

1. Public Urban Canopy Replacement
2. Public Tree Inventory or Assessment
3. Community Tree Storm Preparedness Planning
4. Information and Education on Storm Preparedness

Category 1: Replacement of Urban Canopy due to Storms (Tree Planting)

This category is provided for the purchase and installation of replacement or additional community trees on public rights-of-way, in parks or other public spaces. Funding may be used solely for purchase and installation of trees. Planting of complimentary shrubs and ground covers may be submitted as matching funds only. Additionally, removal of storm damaged trees is the responsibility of the community and cannot be considered for funding under this grant program. Eligible planting projects include:

a. Replacement of trees that were severely damaged or destroyed during the storms.

b. Replacement of either over mature trees, or exotic or wind-susceptible species with more appropriate species for the climate and the site.

c. New appropriate tree plantings in areas where the trees will serve as windbreaks, reduce stormwater runoff, or help control erosion to buffer the impacts of future hurricanes.

d. Tree Planting Requirements:

1. Trees/palms (including those planted as part of the local match) must be Florida Grade #1 or equivalent (Florida Division of Plant Industry, Grades, and Standards).

2. Trees may not exceed a 4-inch caliper. Palms may not be taller than 16 feet, clear trunk.

3. Minimum tree size is 1 and 1/2-inch caliper, in at least a 15-gallon container.

4. At least three tree species native to the area and suitable for the site and objective must be planted.

5. Up to ten percent (10%) of the grant award may be used for the purchase and/or installation of irrigation equipment or an irrigation system, or for supplemental watering during the 60 day grow-in period.

6. Trees listed on the Exotic Pest Plant Council's MOST RECENT list of Florida's Invasive Species may not be planted as any part of this grant program. The list may be found on the internet at www.fleppc.org.

7. Maximum allowable cost per individual tree or palm is $500, which can be split between grant and match for purchase and planting.

8. Written approval is required (as part of the proposal) from the Florida Department of Transportation for planting and maintenance on any state right-of-way.

9. Eligible multi-stemmed tree species include only those listed on the Right Tree/Right Place posters produced by the Florida Urban Forestry Council, unless FFS permission is granted for another species.

10. A maximum of $12 per tree may be spent on planting materials during the 60 day grow-in period only.

11. Purchase and planting of shrubs and ground covers in conjunction with the tree planting may only serve as a matching cost, and as such cannot be reimbursed.

12. Proposals **must** include the following information:

a. A location map.

b. A minimum of three color photographs of the planting site.

c. A detailed planting plan (site plan) which shows the location of the trees/palms, existing structures, and site limitations such as underground utilities and overhead wires.

d. Written approval from the Florida Department of Transportation for planting and maintenance on the State right-of-way (if applicable).

e. A three (3)-year maintenance plan to be carried out by the grant recipient at their expense. Maintenance costs incurred after certification by the Florida Forest Service are ineligible for reimbursement.

f. A resolution by the managing agency of the property (if different from the applicant) which states that they concur with the grant proposal and maintenance plan.

13. A 60-day "grow-in period" is required prior to Certification of Acceptance by the Department and the processing of a final reimbursement. The proposal should state how the trees will be watered and cared for during the grow-in period.

14. Tree Plantings must follow established procedures for handling, placement, and maintenance. Refer to http://hort.ifas.ufl.edu/woody for additional guidance.

15. After the tree planting is completed, an iTree Design report of the project is required to be submitted prior to the processing of the final reimbursement. This tool estimates the future reduction in stormwater runoff and increase in water quality over the life of the planted trees. The report should include assessments for years 5, 15, and 25. iTree Design is an easy to use and free program that can be found at https://design.itreetools.org/.

Category 2: Public Tree Inventory or Assessment

This category is provided for communities to develop or enhance inventories/assessments of public trees. Up-to-date inventories can provide more efficient and effective response to storms.

Tree Inventories – Development of a local tree inventory/hazardous tree inventory on non-federal public properties (includes parks, rights-of way and preserves). This can include the purchase of hardware, software, and related equipment, as well as fees paid to vendors to conduct the inventory.

Tree Assessment - Examination of individual trees to determine whether they need arboricultural treatments or total removal, as well as the urgency of completing these treatments for each tree. Eligible areas and costs are the same as above.

a. Tree Inventory or Assessment Requirements

1. A map of the area where the inventory or assessment will take place, including street locations.

2. A narrative that describes the need to conduct the inventory or assessment in the selected area, the percentage of trees within that area that will be included, the data that will be collected, how that data will be processed, and the desired results. The narrative should also state whether a vendor will perform the treatments, or if in-house

labor and equipment will be used, and how the recipient will supervise the project while in progress.

Category 3: <u>Community Storm Preparedness Planning</u>

A community forest storm mitigation plan serves as the guiding document for managing the tree resource in a community before, during and after a storm. The objective of a community forest storm mitigation plan is to:

- Reduce the amount and severity of the damage and losses to people, property, the economy and the environment that results from tree failures during storm events
- Reduce tree canopy cover losses resulting from storm events
- Reduce stormwater runoff and flood damage including erosion

The development and implementation of a community forest storm mitigation plan will provide the following benefits:

- Reductions in damage and losses of people and property due to trees
- More efficient and effective response to storms
- Increased reimbursement for tree losses
- Reductions in tree failures and tree canopy losses
- Improved community forest health, safety and benefits

The storm mitigation plan should include:

a. Description of your community setting for storm exposure and tree damage – the degree of storm preparation necessary in your community and the type and amount of damage that is likely to result.

b. Activities you will undertake to prepare for storms – preparation for anticipated storm events will reduce the storm impact and damage that occurs during an event.

c. Response and short-term recovery – community forest storm response begins with the mobilization of resources immediately prior to an anticipated event and continues through the short-term recovery efforts required to restore community-wide clearance of fallen trees and woody debris.

d. Long-term recovery and restoration of your community forest – recovery efforts focus on the replanting of trees lost and restoration of the community's tree canopy, replanting efforts by facilitating partnerships and providing information and education on tree replacement and planting.

<u>Category 4: Information and Education for Storm Preparedness</u>

This category is provided to make individual residents, community officials, and private vendors more aware of urban forestry management practices that will reduce damage to trees from hurricanes and tropical storms, what steps to take immediately before and after a storm, how to proceed with storm cleanup, and available sources of assistance. Also, residents and officials in areas that received storm damage need to be informed of the value of the urban forest to their local communities, and that the benefits of trees outweigh the potential of tree damage resulting from storms. This should include information about how healthy trees can help to reduce damage during storms by providing windbreaks, reducing stormwater runoff, and controlling erosion.

Local governments, nonprofit organizations, and educational institutions are eligible to purchase or produce information and education materials (leaflets, newsletters, handbooks, videos, etc.) for distribution to the public, or to cost-share seminars and workshops related to urban and community forestry topics. The emphasis here is on providing information to the public, volunteer groups, technicians, tree workers, etc. (i.e., urban and community forestry technology transfer).
Eligible Activities**:**

a. Educational programs - for the exhibition, purchase or development of materials for the benefit of public education as described above.

b. Workshops/Training Sessions/Conferences/Seminars - for the support and organization of public programs which achieve the goals of this grant. Costs may cover mailing, audio/visual equipment rental and related expenses.

c. Public service materials - (PSA development) - for the development of or purchase of public service programs, videos, or slide shows which educate the public. These may include expenditures for film, paper, production costs, equipment rental or other accessories (**excluding the purchase of camera or other video equipment**).

d. Brochures - for the purchase of existing technical brochures or the design, development, production or mailing of an educational or informational brochure consistent with the goals of this grant program. Those desiring brochures are encouraged to utilize existing brochures, if brochures exist, and apply for funding for the purchase and distribution of brochures.

e. Exhibits - for the purchase of or design, development and construction of an educational/informational exhibit which promotes the goals of this grant program, All products (brochures, signs, videos, reports, etc.) funded by the U&CF grant must display the following statement:

"This publication made possible through a grant from the USDA Forest Service in cooperation with the Florida Forest Service."

V. Statutes and Regulations

The UCF Program is authorized by Section 9, Urban and Community Forestry Assistance, of the Cooperative Forestry Assistance Act of 1978 as amended [16 U.S.C. 2105]. This law authorizes the Secretary of Agriculture "to provide financial, technical, and related assistance to State Foresters or equivalent State officials for the purpose of encouraging States to provide information and technical assistance to units of local government and others that will encourage cooperative efforts to plan urban forestry programs and to plant, protect, maintain, and utilize wood from, trees in open spaces, greenbelts, roadside screens, parks, woodlands, curb areas, and residential developments in urban areas." The law also states, "In providing such assistance the Secretary is authorized to cooperate with interested members of the public including nonprofit private organizations. The Secretary is also authorized to cooperate directly with units of local government and others in implementing this section whenever the Secretary and the affected State Forester or equivalent State official agree that direct cooperation would better achieve the purposes of this section."

VIII. Cost Sharing (Matching) Requirements

The match requirements for this Funding Opportunity is 50% (1:1 match). Reimbursement requests must have documentation of the 50% match at the time of submission. Awardees will only be reimbursed up to the amount of match submitted with the request.

Applicants will be required to submit documentation for the cost sharing. A cost share may either be in the form of a cash contribution, donated services, donated equipment, or donated property. Cost sharing used in previous subrecipient awards or in other current subrecipient awards cannot be used for this subrecipient award.

The maximum allowable assessment for in-kind match for general volunteer labor (non-professional) is $25.43 per hour. Salaried or hourly employees working in the same job class may use their current salary and benefit rate for match purposes.

No overhead costs will be paid from grant funds. Overhead costs, up to 5% of the total project cost (match plus award), can be used as part of the local match with documentation.

IX. Funding Source and/or Restrictions

FDACS reserves the right to award, or not award, subrecipient agreement(s) based on the availability of federal funds.

FDAC's obligation to pay under this subrecipient agreement is contingent upon funding by the federal agency.

Funding is available for project work initiated and completed during the award period. Funding is subject to the amount of spending authority allocated by the Florida Legislature.

The allowability of costs shall be in accordance with the federal financial assistance cost principles applicable to the subrecipient.

X. Cost of Preparation

FDACS is not liable for any costs incurred by the applicant in response to the notice of federal financial assistance funding opportunity.

XI. Public Records

Article 1, section 24, Florida Constitution, guarantees every person access to all public records, and Section 119.011, Florida Statutes, provides a broad definition of public record.

As such, all responses to a federal financial assistance funding opportunity are public records unless exempt by law. Any applicant claiming that its response contains information that is exempt from the public records law shall clearly segregate and mark that information and provide the statutory citation for such exemption.

XII. Request Application Packet

The application packet is available online at http://forms.freshfromflorida.com/02032.pdf.

If you are unable to access the internet, a written request for the application packet should be submitted to:

Florida Department of Agriculture and Consumer Services
Purchasing Office
407 South Calhoun Street
Mayo Building – Room SB-8
Tallahassee, FL 32399-0800

XIII. General Instructions for Application Packet

Carefully review all materials and prepare the responses accordingly.

The application packet must be complete and provide all the required information by the submission deadline to be considered. Application packets that fail to provide all the required forms and signatures will be considered non-responsive and consequently will be removed from the evaluation process.
For all corporate applicants, proof of corporate status must be provided with the application.

For nonprofit applicant, documentation that verifies the official nonprofit status of an organization in accordance with Section 617, Florida Statutes, must be provided with the application.

Please ensure that all attachments reflect the applicant's name and funding opportunity number.

Unless otherwise noted, **application packets must be submitted on 8 ½" by 11" plain white paper with 1" margins, using a 12-point font and one sided single-spaced pages. Pages must be consecutively numbered for ease of reading. All applications must be bound by binder clip or staple – no plastic binders or folders.**

XIV. Application Package Components

FDACS forms must be used. Substitute forms will not be reviewed. Do not alter the pages unless the page indicates that it can be modified. Applications that do not include all required pages will be removed from the evaluation process.

A complete application package (FDACS 02032) consists of the following pages:

- Coversheet
- Key Contact
- Project Narrative
- Scope of Work
- Budget Plan Narrative

- Budget Plan
- Key Person/Staff
- Performance Site/Locations
- Assurances
- Lobbying Form
- Debarments, Suspension, Ineligibility
- Certification Statement

XV. Clarifications/Revisions

Before award, FDACS reserves the right to seek clarifications or request any information deemed necessary for proper evaluation of submissions from all applicants deemed eligible for the subrecipient agreement. Failure to provide requested information may result in rejection of the application.

XVI. Rejection of Applications

FDACS reserves the right to reject applications or waive any minor irregularities when to do so would be in the best interest of the state of Florida, and to reject the proposal of an applicant whom FDACS determines is not able to perform the scope of work. Minor irregularities are those which will not have a significant or adverse effect on overall completion or performance.

XVII. DUNS

Applicants are required to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number on the application (http://fedgov.dnb.com/webform).

XVIII. System for Award Management (SAM) Registration

The applicant must be registered in the System of Award Management (SAM) https://www.sam.gov/SAM/. The applicant will be required to maintain a registration for the duration of the award.

XIX. Late Applications

Applications, hard copy, or email, received by FDACS after the application submission deadline will be rejected as untimely and will be returned to the applicant.

XXI. EVALUATION CRITERIA

The UCF Subcommittee shall develop a prioritized list of all proposals which the UCF Grant Coordinator has determined to be complete.

1. The UCF Subcommittee shall evaluate each proposal based upon how well the proposal meets the purpose of the grant program. Maximum possible points: **70 points,** including bonus points. A minimum score of **40 points** is required to be considered eligible for funding.

    a. **Demonstrated Need - 20 Points Maximum**

    The highest score will be given to proposals that demonstrate an economic need for cost-share dollars such as small rural communities or underserved neighborhoods in larger cities or fiscally distressed communities.

b. **Well-Defined Goals and Objectives - 15 Points Maximum**

The highest score will be given to proposals that clearly state goals and objectives that will expand/complement existing UCF efforts, as defined above under Urban Forestry Program Development.

c. **Technical Correctness – 15 Points Maximum**.
The highest score will be given to proposals which include competent project supervision, adherence to tree planting and other practice specifications and knowledge of how to implement the practice they are proposing.

d. **Cost Effectiveness - 10 Points Maximum**

The highest score will be given to proposals that will clearly maximize results with the efficient use of grant dollars, clearly describe how funds will be expended, and adhere to the cost parameters listed in this RFP. Including written estimates will enhance this score.

e. **Promotional Value - 5 Points Maximum**

The highest score will be given to proposals which have a high potential for positive public relations, where the applicant indicates a strategy for publicizing the project.

f. **Completeness of Proposal - 5 Points Maximum**

The highest score will be given to proposals which are complete, include all the required attachments, and provide a detailed explanation of the proposal.

XXII. Evaluator(s)

FDAC's evaluator(s) will consist of a minimum of 1 and a maximum of 7 individuals who FDACS determines have experience and knowledge in the program areas. The evaluator(s) will conduct a fair, impartial and comprehensive evaluation of applications received in response to this notice of federal financial assistance funding opportunity. The evaluator(s) could be municipal/county arborists or county foresters, non-profit organization representatives, city municipal staff (Parks and Recreation, etc.) and FFS personnel.

XXIII. Anticipated Announcement and Award Dates

The evaluation and selection process is expected to be no longer that 45 days after the submission deadline. The announcement of the awards will be within 60 days after the submission deadline.

XXIV. Award Notice

Upon the completion of FDACS's evaluation of applications, all applicants will be notified regarding their status.

FDACS reserves the right to negotiate and/or adjust the final award amount and scope of work prior to award.

The successful applicants will have thirty (30) days to fully execute the Subrecipient Agreement. Failure by the subrecipient to sign and return the Subrecipient Agreement, within 30 days upon receipt of the agreement, shall constitute forfeiture of the award.

Although it is the intent of FDACS to expedite the subrecipient grant award process as much as possible, applicants should be aware that execution of a Subrecipient Agreement could be delayed for some time until federal funding is received. Projects should be scheduled accordingly. No costs to be charged against the subrecipient award or counted as match can be incurred before the Subrecipient Agreement is executed.

XXV. Programmatic, Administrative and National Policy Requirements

The applicant shall comply with all laws, rules, and regulations applicable to the federal funds provided by the federal financial assistance funding opportunity.

The applicant shall maintain an accounting system and a set of accounting records which allow for the identification of revenues and expenditures related to this funding opportunity.

XXVI. Acknowledgment of Funding

The subrecipient shall have an acknowledgement of the USDA Forest Service support placed on any publication written or published or audiovisual produced with grant support and, if feasible, on any publication reporting the results of, or describing, a grant-supported activity, or audiovisuals produced with grant support. This requirement does not apply to audiovisuals produced as research instruments or for documenting experimentations or findings and not intended for presentation or distribution to the public.

XXVII. Performance Report

The applicant will submit mandatory detailed quarterly reports in a timely basis using the format and content shown on FDACS's performance progress report. Reports are due on March 31, June 30, September 30 and December 31. Reports must be received within ten (10) days of the due date or will be considered delinquent. The performance progress report is downloadable at http://forms.freshfromflorida.com/02018.pdf.

XXVIII. Reimbursement Requests

All reimbursement requests must be submitted using FDACS's standard payment request packet, unless otherwise noted in the special conditions of the subrecipient agreement, and provide supporting documentation for each cost. The subrecipient shall submit the payment request packet to the recipient's grant manager not more often than monthly, but not less often than quarterly. To be eligible for reimbursement, costs shall be allowable, necessary, and reasonable, and must be submitted by budget category consistent with the budget plan submitted with applicant's application. The payment request package is downloadable at http://forms.freshfromflorida.com/02019.pdf. **Travel expenses are not allowed.**

The FDACS agreement with the federal agency is cost reimbursement format; therefore, no advance payments will be provided.

Any work performed on the project and/or any expenditure made prior to a fully executed subrecipient agreement and written authorization from FDACS is ineligible for reimbursement.

XXIX. Disclaimer

The receipt of applications in response to the notice of federal financial assistance funding opportunity does not imply or guarantee that any one or all qualified applicants will result in a subrecipient agreement with FDACS.

XXX. Questions

Applicants shall address all questions regarding this federal financial assistance funding opportunity notice to the purchasing director. All questions submitted shall be published and answered in a manner that all applicants can view. Each applicant is responsible for monitoring the grant website for new or changing information.

Questions regarding procedures for submittal of proposals should be submitted to:

CERTIFICATION REGARDING DEBARMENTS, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER FEDERALLY FUNDED TRANSACTIONS

2 CFR 200

Federal Financial Assistance Funding Opportunity Number:
Subrecipient Legal Name:
Subrecipient FEIN:
This certification is pursuant to Executive Order 12549, Debarment and Suspension and implemented at 2 CFR parts 180 and 1880.
Instructions for Certification
1. By signing and submitting this proposal, the prospective lower tier participant is providing the certifications set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification. In addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participating in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
Certification
1. The prospective lower tier participant certifies to the best of its knowledge and belief, that it and its principals;
a. Are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency.
b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statues or commission of embezzlement theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.
2. where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective lower tier participant shall attach an explanation to this proposal.

12. Local Mitigation Strategy (LMS) Compliance
    a. All proposed projects must be included in the county's Local Mitigation Strategy (LMS) Project List, and on file with FDEM's Mitigation Bureau Planning Unit. Does your jurisdiction have a current FEMA Approved Mitigation Plan and this project is listed? ☒ Yes ☐ No
    b. Attached is a letter of endorsement for this project from the county's LMS Coordinator. ☒ Yes ☐ No
    Ensure the LMS endorsement letter contains both the Total Estimated Projects Cost (Section IV. D.), along with the Estimated Federal Share (Section IV. E.1.) allocated to this project.
    c. The LMS project list and endorsement letter both have an estimated cost column and Federal Share amount that is within $500.00 between the two ☒ Yes ☐ No
13. Has this project been submitted under a previous disaster event? ☒ No
    ☐ Yes, please provide the disaster number and project number (as applicable): _____

Section II – Project Description

A. Hazards to be Mitigated / Level of Protection

1. Select the type of hazards the proposed project will mitigate:
   ☐ Flood ☐ Wind ☒ Storm surge ☐ Wildfire ☐ Other *(list):* _____

2. Identify the type of proposed project:
   ☐ Elevation and retrofitting of residential or non-residential structure
   ☐ Acquisition and Relocation ☐ Acquisition and Demolition
   ☐ Wind retrofit ☐ Drainage project that reduces localized flooding
   ☐ Generator ☒ Other (please explain) Shoreline and embankment slope stabilization

3. List the total number of persons that will be protected by the proposed project (*include immediate population affected by the project only*):

   _____

4. List how many acres of "Total Impacted Area" is to be protected by the proposed project (*include immediate area affected by the project only*):

   _____

5. Fill in the level of protection and the magnitude of event the proposed project will mitigate. *(e.g. 23 structures protected against the 100-year storm event (1% chance)*

   _____ structure(s) protected against the _____ -year storm event *(10, 25, 50, 100, or 500 year storm event*)

   _____ structure(s) protected against _____ mile per hour (mph) winds

6. Check **all** item(s) the project may impact:
   ☐ Wetlands ☐ Water Quality ☐ Previously Undisturbed Soil
   ☐ Floodplain ☐ Coastal Zone ☐ Toxic or Hazardous Substances
   ☐ Historic Resources ☐ Fisheries ☐ Threatened & Endangered Species
   ☒ Vegetation Removal ☐ Public Controversy ☐ Potential for Cumulative Impacts
   ☐ Health & Safety ☐ Other _____

7. ***Engineered projects:*** *If* your project has been already designed and engineering information is available, please attach to your application **ALL** calculations, H&H study and design plans (e.g. Drainage Improvement, Erosion Control, or other special project types). ☐ No ☒ Yes If so, see Attachment #(s) 1 Geotechnical Study, 2 Stabilization Proposal.

B. Project Description, Scope of Work, and Protection Provided (Must be Completed in Detail)

Describe, in detail, the existing problem, the proposed project, and the scope of work. Explain how the proposed project will ***solve*** the problem(s) and provide the level(s) of protection described in Part A. Also, if available, attach a vendor's estimate and/or a contractor's bid for the scope of work. ***Please ensure that each proposed project is mitigation and not maintenance***.

1. Describe the existing problems:

   Indian River Drive in Cocoa is an historic roadway that provided a landward transportation link along the east coast of Florida. Indian River Drive is now a local road that provides access to adjacent residences and is used as a recreational bicycle and pedestrian route. It is situated at elevations from near sea level to 40 feet above sea level. At a point 1000 feet north of Sunrise St, the roadway is at an elevation of approximately 40 feet and is only 60 feet from the shoreline. This bluff is unstable and is causing the roadway to subside. An Engineering analysis has demonstrated that the shoreline bluff is in danger of failure. The shoulder of the roadway was impacted by settlement as a result of erosion of the bank caused by wave action generated during Hurricane Michael. A slope failure could cause sudden and severe subsidence of the roadway, endangering the public and impacting access of emergency vehicles, and provision of water, sewer, electric and communication utilities.

2. Describe the type(s) of protection that the proposed project will provide:

   This project will increase the Factor of Safety of a slope failure from 1 to 1.5. The proposed project would protect the area of the slope most vulnerable to failure by installation of an anchored geogrid. The project is approximately 150 feet in length. The anchored geogrid is a propritary system consisting of deep screw-in anchors and a surface grid. Plantings and an irrigation system complete the project.

3. Scope of Work (describe in detail what you are planning to do):

   Clear small vegetation from the slope and install additional soil to repair settled areas. Anchor plastic geogrid with screw-in steel anchors on 150-foot length of slope that is at greatest risk of failure. An irrigation system and sod will be installed to complete the installation.

4. Describe any other on-going or proposed projects in the area that may impact, positively or negatively, the proposed HMGP Project:

   None

5. Describe the purpose and need for the proposed project:

   The purpose of this project is to eliminate the risk of a sudden failure of the bank and loss of the roadway at a vulnerable location of Indian River Drive. If no action is taken, a sudden failure of the roadway and adjacent utility will seriously impact the roadway and adjacent residents.

Section III – Project Location *(Fully describe the location of the proposed project.)*

A. Site

1. Describe the physical location of this project, including street numbers (or neighborhoods) and project site zip code(s). Provide precise longitude and latitude coordinates for the site utilizing a hand-held global positioning system (GPS) unit or the equivalent:

   Location: **Cocoa, Florida**
   Address(s): **859 Indian River Drive, Cocoa FL 32922**
   GPS coordinates (decimal degree format): **28.3688, -80.7329**
   Project Zip Code(s): **32922**

2. Title Holder: **City of Cocoa, Michael Biggs**

3. Is the project site seaward of the Coastal Construction Control Line (CCCL)? ☐ Yes ☒ No

4. Provide the number of each structure type (listed below) in the project area that will be affected by the project. Include ***all*** structures in project area.

   ☐ Residential property: _____ ☐ Public buildings: _____
   ☐ Businesses/commercial property: _____ ☐ Schools/hospitals/houses of worship: _____
   ☒ Other: Public Road

B. Flood Insurance Rate Map (FIRM) Showing Project Site

1. ☐ Attach one (1) copy of the FIRM map, a copy of the panel information from the FIRM, and, if available, the Floodway Map. ***FIRM maps are required for this application (if published for your area). Also, all attached maps must have the project site and structures clearly marked on the map***. FIRMs are typically available from your local floodplain administrator who may be located in a planning, zoning, or engineering office. Maps can also be ordered from the Map Service Center at 1-800-358-9616. For more information about FIRMs, contact your local agencies or visit the FIRM site on the FEMA Web-page at https://msc.fema.gov/portal.	
2. Using the FIRM, determine the flood zone(s) of the project site (Check all zones in the project area) *(See FIRM legend for flood zone explanations) (A Zone must be identified)*	
☐ VE or V 1-30	☐ AE or A 1-30
☐ AO or AH	☐ A (no base flood elevation given)
☐ B or X (shaded)	☐ C or X (unshaded)
☐ Floodway	☐
☐ Coastal Barrier Resource Act (CBRA) Zone (Federal regulations strictly limit Federal funding for projects in this Zone; please coordinate with your state agency before submitting an application for a CBRA Zone project).	
3. ☐ **If the FIRM Map for your area is not published**, please attach a copy of the Flood Hazard Boundary Map (FHBM) for your area, with the project site and structures clearly marked on the map.	
4. ☐ Attach a copy of a Special Flood Hazard Area Flood Insurance Assurance(s).	

C. City or County Map with Project Site and Photographs

1. ☐ Attach a copy of a city or county scale map (large enough to show the entire project area) with the project site and structures marked on the map.
2. ☐ Attach a USGS 1:24,000 TOPO map with project site ***clearly*** marked on the map.
3. ☐ For **acquisition** or **elevation** projects, include copy of Parcel Map (Tax Map, Property Identification Map, etc.) showing each property to be acquired or elevated. Include the Tax ID numbers for each parcel, and Parcel information – including year built and foundation.
4. ☐ Attach photographs (at a minimum 4 photographs) for each project site per application. The photographs should be representative of the project area, including any relevant streams, creeks, rivers, etc. and drainage areas that affect the project site or will be affected by the project, and labeled. For each structure, please include the following angles: front, back and both sides.

Section IV – Budget/Costs

In this section, provide details of all the estimated costs of the project. As this information is used for the Benefit-Cost Analysis, reasonable cost estimates are essential. Contingency Cost should be included as a line item in the budget section and justified. Recommended range is 1 to 5%. ***Avoid the use of lump sum costs****.*

A. Materials

Item	*Unit*	*Quantity*	*Cost per Unit*	*Cost*
Anchored Geogrid	SY	1200	$32.00	$38,400.00

C. Fees Paid Include any other costs associated with the project.

Description of Task	*Hours*	*Rate*	*Cost*
Engineering Design and plans			$8,468.00
Contingency Approx. 5%			$4,761.00
		Sub-Total	**$13,229.00**

D. Total Estimated Project Cost **$99,979.00**

Note: *To be eligible for HMGP funding, pre-award costs must be identified as separate line items in the cost estimate of the application. This must be done in addition to filling out the HMGP Pre-Award Cost Request Form, submitted with application. Mark each Pre-Award cost with an* ***asterisk (*)****; and In-kind services with* ***double asterisk (**)****; All In-kind match must be identified in the Section IV.B and D – Funding Sources).*

E. Funding Sources (round figures to the nearest dollar)

The maximum FEMA share for HMGP projects is 75%. The other 25% can be made up of State and Local funds as well as in-kind services. HMGP funds may be packaged with other Federal funds, but other Federal funds (except for Federal funds that lose their Federal identity at the State level, such as CDBG, and certain tribal funds) may not be used for the Non-Federal share of the costs.

1.	***Estimated Federal Share***	$74,984.00	75 % of Total	(Maximum 75%)
2.	***Non-Federal Share***			
3.	Estimated Local Share	$24,995.00	25 % of Total	(Cash)

Section V. Environmental Review and Historic Preservation Compliance

(NOTE: This application cannot be processed if this section is not completed.)

Because the HMGP is a federally funded program, all projects are required to undergo an environmental and historic preservation review as part of the grant application process. Moreover, all projects must comply with the National Environmental Policy Act (NEPA) and associated Federal, State, Tribal, and Local statutes to obtain funding. **NO WORK can be done prior to the NEPA review process. If work is done on your proposed project before the NEPA review is completed, it will NOT be eligible for Federal funding.**

A. The following information is required for the Environmental and Historic Preservation review:

All projects must have adequate documentation to determine if the proposed project complies with NEPA and associated statutes. The State Environmental Staff provide comprehensive NEPA technical assistance for Applicants, with their consent, to complete the NEPA review. The type and quantity of NEPA documents required to make this determination varies depending upon the project's size, location, and complexity. However, at a minimum, please provide the applicable documentation from this section to facilitate the NEPA compliance process.

1. ☐ Detailed project description, scope of work, and budget/costs (Section II and Section IV of this application).
2. ☐ Project area maps (Section III, part B & C of this application)
3. ☐ Project area/structure photographs (Section III, part C of this application).
4. ☐ Preliminary project plans.
5. ☐ Project alternatives description and impacts (Section V of the application).
6. ☐ Please complete the applicable project worksheets.
   Documentation showing dates of construction are required for all structures.
7. ☐ Environmental Justice – Attach documents regarding evaluation (required) and satisfactory resolution (if necessary) of Environmental Justice issues (Highly Disproportionate, Adverse Impact (effects) on Minority or Low Income Population). Documents can include public meeting records, media reports letters from interested persons and groups, studies on population, ethnic groups, quality of life, housing, economics, transportation, public services, schools, public health, recreation, voting, etc.
8. ☐ Provide any applicable information or documentation referenced on the *Information and Documentation Requirements by Project Type* below.

B. Executive Order 12898; Environmental Justice for Low Income and Minority Population:

1. Are there low income or minority populations in the project area or adjacent to the project area?
   ☒ No ☐ Yes; please describe any disproportionate and adverse effects to these populations:

   _____

2. To help evaluate the impact of the project, please indicate below any other information you are providing.
   ☐ Description of the population affected and the portion of the population that would be disproportionately and adversely affected. Please include specific efforts to address the adverse impacts in your proposal narrative and budget.

   _____

3. ☐ Attached materials or additional comments: Please include pdf documentation from the US Census Quick Facts and American Factfinder's website of the project area (http://www.census.gov/).

   _____

C. Tribal Consultation *(Information Required)*

Section 106 of the National Historic Preservation Act (NHPA) requires federal agencies to take into account the effect of their undertakings on historic properties. The NHPA requires that agencies must complete this process prior to the expenditure of any Federal funds on the undertaking. A Tribal Consultation is required for any project disturbing ground or moving soil, including but not limited to: drainage projects; demolition; construction; elevation; communication towers; tree removal; utility improvements.

1. Describe the current and future use of the project location. A land use map may be provided in lieu of a written description.

2. Provide information on any known site work or historic uses for project location.

☐ Attach a copy of a city or county scale map (large enough to show the entire project area) with the horizontal limits (feet) and vertical depths (square feet) of all anticipated ground disturbance of 3 inches or more.

D. Alternative Actions *(Information Required)*

The NEPA process requires that at least two alternative actions be considered that address the same problem/issue as the proposed project. In this section, list **two feasible** alternative projects to mitigate the hazards faced in the project area. One alternative is the "No Action Alternative".

1. No Action Alternative
Discuss the impacts on the project area if no action is taken.

No action will result in an eventual failure of the slope, causing Indian River Drive to subside. The road will be undermined and could fail suddenly. Access for emergency vehicles would bre disrupted and water, sewer, electrical and communication services would be impacted.

2. Other Feasible Alternative
Describe a feasible alternative project that would be the next best solution if the primary alternative is not accomplished. This could be an entirely different mitigation method or a significant modification to the design of the current proposed project. Please include a Scope of Work, engineering details (if applicable), estimated budget and the impacts of this alternative. Complete *all* of parts **a-e** (below).

a. Project Description for the Alternative
Describe, in detail, the alternative project, and explain how the alternative project will solve the problem(s) and/or provide protection from the hazard(s). Also, provide pros and cons for this alternative and a reason for why it was not selected.

A possible solution could include driving interlocking steel sheet pile at the edge of the roadway. This would protect the roadway until severe erosion undermined the bank supporting the sheet pile. Driving the sheet pile could cause vibration that could initiate slope failure and cause additional damages. Pile Tie-backs would have to cross the road and would pose additional impacts by having to close the road during construction.

b. Project Location of the Alternative (*describe briefly, if different from proposed project*)

Piles would be located at the back edge of the curb and would extend approximately 150 feet parallel to the road down to a depth of approximately 20 feet..

☐ Attach a map or diagram showing the alternative site in relation to the proposed project site (*if different from proposed project*)

c. Scope of Work for Alternative Project

Drive approximately 3,000 square feet of interlocking steel sheet pile at a cost of $50/square ft. Total cost would be $150,000 plus $25,000 for mobilization, maintenance of traffic, and restoration.

d. Impacts of Alternative Project

Discuss the impact of this alternative on the project area. Include comments on these issues as appropriate: Environmental Justice, Endangered Species, Wetlands, Hydrology (Upstream and Downstream Surface Water Impacts), Floodplain/Floodway, Historic Preservation and Hazardous Materials.

If the slope were to fail during pile driving, soil may slough into the Indian River Lagoon along the bank. This could have wetland impacts to the area adjacent to the Indian River Lagoon.

e. Estimated Budget/Costs for Alternative Project

In this section, provide details of all the estimated costs of the alternative project (round figures to the nearest dollar). A lump sum budget is acceptable.

Total Estimated Project Cost:	**$175,000.00**

HMGP ENVIRONMENTAL REVIEW

Information and Documentation Requirements by Project Type

Retrofits to Existing Facilities/Structures ***Elevations*** ***Acquisitions with Demolition***
✓ Dates of Construction ✓ Ground disturbance map for projects with 3 inches or more of ground disturbance ✓ Structure photographs
Drainage Improvements
✓ Engineering plans/drawings ✓ Permit or Exemption letter to address any modifications to water bodies and wetlands o Department of Environmental Protection o Water Management District o U.S. Army Corps of Engineers ✓ Ground disturbance map for projects with 3 inches or more of ground disturbance. ✓ Concurrence from U.S. Fish and Wildlife addressing any impacts to wildlife, particularly endangered and threatened species and their habitats. ✓ If the project is in a coastal area, attach a letter from the National Marine Fisheries Service addressing impacts to marine resources. ✓ Concurrence from Natural Resource Conservation Service if project is located outside city limits and may impact prime or unique farmland. ✓ Concurrence from your Local Floodplain Manager – if project is located in a floodplain.

Note: This is a general guideline for most projects. However, there will be exceptions. Consult with state environmental staff on project types not listed.

Section VI – Maintenance Agreement

All applicants whose proposed project involves the retrofit or modification of existing public property or whose proposed project would result in the public ownership or management of property, structures, or facilities, must first sign the following agreement prior to submitting the application to FEMA.

(NOTE: Those applicants whose project only involves the retrofitting, elevation, or other modification to private property where the ownership will remain private after project completion DO NOT have to complete this form.)

The _____ of _____, State of Florida, hereby agrees that if it receives any Federal aid as a result of the attached project application, it will accept responsibility, at its own expense if necessary, for the ***routine*** maintenance of any real property, structures, or facilities acquired or constructed as a result of such Federal aid**.** Routine maintenance shall include, but not be limited to, such responsibilities as keeping vacant land clear of debris, garbage, and vermin; keeping stream channels, culverts, and storm drains clear of obstructions and debris; and keeping detention ponds free of debris, trees, and woody growth.

The purpose of this agreement is to make clear the Sub-recipient's maintenance responsibilities following project award and to show the Sub-recipients acceptance of these responsibilities. It does not replace, supersede, or add to any other maintenance responsibilities imposed by Federal law or regulation and which are in force on the date of project award.

HMGP Application Completeness Guidance/Checklist

This guidance/checklist contains an explanation, example and/or reference for information requested in the application. Please use this list to assure your application is complete and includes the required information for HMGP projects. The appropriate documentation must also be attached. It is important to note that this list is similar to the form that will be used during the application sufficiency review by the HMGP staff.

Application Information	Explanation of Information Required	✓
Section I		
B. Applicant Information		
FEMA___-DR-FL	Type in the four digit number FEMA assigned to the disaster that this application is being submitted under. (Example: 4337, 4283)	☐
DISASTER NAME	Type in the Disaster name. (Example: Hurricane Irma, Tropical Storm Fay)	☐
Title/Brief Descriptive Project Summary	The project title should include: 1) Name of Applicant, 2) Name of Project, 3) Type of Project. (Example: City of Tallahassee, City Hall Building, Wind Retrofit)	☐
1. Applicant	Name of organization applying. Must be an eligible applicant.	☐
2. Applicant Type	State or local government, recognized Native American tribe, or private non-profit organization. If private non-profit, please attach documentation showing legal status as a 501(C). (Example: IRS letter, Tax Exempt Certificate)	☐
3. County	Indicate county in which the project is located.	☐
4. State Legislative and Congressional District(s)	Specify the appropriate State Senate, House and Congressional District code for the project site. For multiple sites, please list codes for each site. http://www.myfloridahouse.gov/sections/representatives/myrepresentative.aspx	☐
5. Federal Tax I.D. Number	List the Federal Employer's Identification Number (FEIN) number, also known as Federal Tax Identification number, 9-digit code. May be obtained from your finance/accounting department.	☐
6. DUNS Number	Include Data Universal Numbering Standard (DUNS) number in appropriate location on application. If none, please refer to HMGP FAQ's in Application Reference Material for instructions on obtaining a DUNS number. www.usaspending.gov	☐
7. FIPS Code	List the Federal Information Processing Standard (FIPS) Code. May be obtained from your finance/accounting/grants department. If none, please submit FEMA Form 90-49.	☐
8. NFIP ID Number	List the National Flood Insurance Program (NFIP) number. You must be a participating NFIP member to be eligible for HMGP funding. Please make sure that the number is the same as the panel number on the FIRM provided with the application.	☐
9. Point of Contact	Please provide all pertinent information for the point of contact. This person serves as the coordinator of the project. If this information changes once the application is submitted, please contact the HMGP staff immediately.	☐
10. Application Prepared By	Please provide the preparer information. May be different from the point of contact (line 9) and/or the applicant's agent (line 11).	☐
11. Authorized Applicant Agent	An authorized agent must sign the application. *"An authorized agent is the chief elected official of a local government who has signature authority, so for a county it would be the Chairman of the Board of County Commissioners and for a municipality it would be the Mayor (the exact title sometimes varies). Any local government may delegate this authority to a subordinate official (like a City or County Manager) by resolution of the governing body (the Board of County Commissioners or Board of City Commissioners). If a local government delegates signature authority, a copy of the resolution by the governing body authorizing the signature authority for the individual signing must be provided."*	☐
12. LMS Compliance	a) LMS Project List:	☐

	All proposed projects must be included in the county's Local Mitigation Strategy (LMS) Project List and must be on file with FDEM's Mitigation Bureau Planning Unit. b) LMS Endorsement Letter All proposed projects must include an endorsement letter from the county's Local Mitigation Strategy Coordinator. You may use 1 letter as long as it includes every proposed project. c) Estimated Costs & Application Costs: The LMS Project List must include an Estimated Cost column and each HMGP project application must be within $500.00 of that Project List's estimated cost. Also ensure that the Federal Cost Share indicated on the LMS Coordinator's Endorsement Letter exactly matches the Federal Cost Share indicated within the application. Ensure the LMS endorsement letter contains both the Total Estimated Projects Cost (Section IV. D.), along with the Estimated Federal Share (Section IV. E.1.) allocated to this project. A letter of endorsement for the project and its priority number from the Local Mitigation Strategy must be included. Refer to **Sample LMS Letter**. Applications without a letter of endorsement will not be processed. *(44 CFR 201.6 Local Mitigation Plans)*	
13. Previous Submittal	If the project has been previously submitted under another disaster, provide the disaster number, the project number, and the title of the project.	☐

Section II - Project Description

A. Hazards to be Mitigated/Level of Protection

1. Type of Hazards	**Type of Hazards the Proposed Project will Mitigate**: Identify the hazard(s) that the proposed project will mitigate. More than one hazard may be selected.	☐
2. Identify the Type of Project	**Identify the Type of Proposed Project**: Describe the mitigation project being proposed. (Example: drainage, wind retrofit, generator etc.)	☐
3. Number of Persons Protected	Explain how many people will be protected by or benefit from the proposed project. (Example: A drainage project improving a residential area of 23 homes, with an average household of 2 people = 46 people)	☐
4. Total Impacted Area	Explain how many acres will be impacted from the proposed project: Drainage/Berm/Pond/Culverts/Flood hazard projects: combination of the area to be protected and ground disturbance must not exceed 25 acres.	
5. Level of Protection	Specify the level of protection and magnitude of the event the proposed project will mitigate. Attach support documentation that verifies the stated level of protection. (Example: In a wind retrofit project, it will be the design wind speed to comply with the Florida Building Code requirements. In a drainage project, it will be the implemented design level, e.g. a 25-year FDOT design standard for culvert.)	☐
6. Project Impact	Identify **all** the items the project may impact or are within the project area.	☐
7. Engineered Projects (e.g. Drainage)	Include available engineering calculations, studies, and designs for the proposed project showing results from applied Recurrence Interval scenarios before and after mitigation. (Number of structures, building replacement value, depth of the water, structural damages, content damages, displacement, road closures, etc.)	☐

B. Project Description, Scope of Work, and Protection Provided (Must be Completed in Detail)

1. Existing Problem	Describe the existing problem, location, source of the hazard, and the history and extent of the damage. Include newspaper articles, insurance documentation, photographs, etc. If this project is eligible for PA (406) mitigation activities, please describe the 406 activities.	☐
2. Type of Protection	Determine how the funding will solve the existing problem and provide protection.	☐
3. Scope of Work:	**What the Project Proposes to Do**: Determine the work to be done. The scope of work must meet eligibility based on HMGP regulations and guidance. Explain how the proposed problem will be solved. (NOTE: The proposed project must be a mitigation action, not maintenance.) *Does the proposed project solve a problem independently or constitute a functional part of a solution where there is assurance that the project as a whole will be completed (44 CFR 206.434[c][4])? Does the proposed project address a problem that has been repetitive or that poses a*	☐

	significant risk to public health and safety if left unresolved (44 CFR 206.434[c][5][i])? Projects that merely identify or analyze hazards or problems are not eligible. **See Sample Scope of Work Language** in HMGP Application Reference Material. Generators should not be included in the scope of work unless said generator only powers the mitigation element or is for a critical facility.	
4. On-Going or Proposed Projects in the Area	Determine if other projects, zoning changes, etc. are planned (particularly in the same watershed if flooding is being addressed) that may negatively or positively impact the proposed project. If there is a drainage project or downstream issue elsewhere, it may eliminate the current flooding issue, erasing the need for the proposed project. Response applies to drainage and acquisition projects. N/A is appropriate in wind retrofit shutter projects only. If this project is also being considered under the Public Assistance Program (406), please describe in detail the 406 mitigation activities and/or services. Do not include project costs associated with the above referenced HMGP application.	☐
5. Purpose / Need	Describe the purpose and need for the proposed project.	☐

Section III - Project Location

A. Site

1. Physical Location	List the physical location of the project site(s) including the street number(s), zip code(s) and GPS coordinates (latitude/longitude, in decimal degrees). The physical address must correspond with the address locations specified on maps submitted with the application.	☐
2. Title Holder	Provide the titleholder's name.	☐
3. Project Seaward of the CCCL?	Determine if the project site is located seaward of the Coastal Construction Control Line. https://floridadep.gov/water/coastal-construction-control-line	☐
4. Number and Types of Structures Affected	Specify the number and type of properties affected by the project. (Example: Drainage project that affects 100 homes, 15 businesses and 2 schools.) What does the project protect? Should have a number next to the box that is checked. (See Section II, Item A.4 – detail of these totals)	☐

B. Flood Insurance Rate Map (FIRM) Showing Project Site

1. Copies of FIRM	Attach a copy (or copies) of the FIRM and clearly identify the project site. The FIRM Panel number must be included. To obtain a FIRM map, go to https://msc.fema.gov/portal. **See instructions on How to make a FIRMette.**	☐
2. Flood Zone Determination	Specify the flood zone(s) of the project site(s). **If project is located in a Special Flood Hazard Area, proof of flood insurance will need to be provided. Amount of coverage must be equal to or greater than the amount of Federal mitigation funding obligated to the project.**	☐
3. Flood Hazard Boundary Map (FHBM)	Not required if a copy of the FIRM is attached.	☐

C. City or County Map with Project Site and Photographs

1. City/County Map with Project Site	The project site and staging location (if applicable) should be clearly marked on a legible City/County map. The map should be large enough to show the project site. More than one map may be required.	☐
2. USGS TOPO with Project Site	The project site should be clearly marked on a legible USGS 1:24,000 TOPO map. To obtain a TOPO map, go to http://www.Digital-Topo-Maps.com	☐
3. Parcel/Tax Map	A Parcel, Tax or Property Identification map is required only for acquisition and elevation projects. The location of the structure must be clearly identified.	☐
4. Site Photographs	At least four photographs are required that clearly identify the project site. The photos must be representative of the project area, including any relevant streams, creeks, rivers, etc., and drainage areas that affect the project site or will be affected by the project. The front, back and both side angles are required for each structure. For acquisition and elevation projects, a photo taken away from the structure (in front toward the street, and in back toward backyard) to show the area along with photographs of specific elements of the structure affected by the project (windows for shutters or window replacements) should also be provided. Please label photographs appropriately. In addition, CDs may be submitted.	☐

Section IV - Budget/Costs

Please make sure all calculations are correct. Provide a breakdown of materials, labor and fees paid for the proposed project. Support documentation must be attached, i.e. vendor's quote, professional estimate (from engineer, architect, local building official, etc.). The proposed budget line items should represent allowable costs associated with the scope of work. Contingency Cost should be included as a line item in the budget section, and justified. Recommended range is 1 to 5%. It is required to complete this section; it will be used for the Benefit-Cost Analysis (BCA). Costs should be accurate, complete and reasonable compared to industry standards. Make sure the total cost is correct on the entire application.

A. Materials	Describe the cost of materials. Provide breakdown.	☐
B. Labor	Provide a breakdown of description, hours, rate, and cost or lump sum labor cost. Can use in-kind contribution as part of the 25% match. (Attach support documentation for in-kind match to detail wages and salaries charged for any in-kind contribution. No overtime wages can be used to satisfy in-kind match contributions).	☐
C. Fees Paid	Provide a breakdown of associated fees i.e., consultants, studies, engineering, permits, and project management. Maintenance is not an allowable cost under HMGP. *Pre-award costs may be requested* **(See Pre-award Costs guidance).**	☐
D. Total Estimated Project Cost	Please make sure all calculations are correct. This figure should be the same as the figure for total funding.	☐

E. Funding Sources (round figures to the nearest dollar)

The proposed sources of non-federal matching funds must meet eligibility requirements. (Except as provided by Federal statute, a cost-sharing or matching requirement may not be met by costs borne by another Federal grant.) 44 CFR 13.24 (b)(1).

1. Estimated Federal Share	The estimated Federal share is generally 75%. If the Federal share is not 75%, assure actual amount is entered. It could be 50.1234% or 35.1234%, etc. of the total dollar amount of project depending on county LMS allocation and priority. This figure cannot exceed 75%.	☐
2. Non-Federal Share	May include all 3 sources, i.e. cash, in-kind and global match, as long as the total is a minimum of 25%. Match cannot be derived from a federal agency except Federal funds that lose their federal identity (e.g., CDBG funding and certain tribal funding).	☐
3. Cash	Cash- Local funding will be utilized for the non-federal share. Enter amount of cash and percentage of total that amount represents.	☐
4. Total In-Kind	May use materials, personnel, equipment, and supplies owned, controlled and operated from within governing jurisdiction as an in-kind match. *Third party in-kind contributions would be volunteer services, employee services from other organizations furnished free of charge, donated supplies, and loaned equipment or space. The value placed on these resources must be at a fair market value and must be documented. If in-kind is claimed from outside the applicant jurisdiction, it must be cash only. ** Identify proposed eligible activities in Section IV B. and C. as a separate line with In-kind written as a part of the description.*	☐
5. Total Project (Global) Match	Project (global) match must 1) meet all the eligibility requirements of HMGP; and 2) begin after FEMA's approval of the match project. A separate HMGP application must be submitted for global match projects. Indicate which project(s) will be matched. *The global match is not required to be an identical project. Projects submitted as global match for another project must meet the same period of performance time constraints as the HMGP.*	☐
6. Other Agency Share	Identify Non-Federal Agency and availability date; provide the documentation from the agency. (e.g., CDBG funding, and certain tribal funding)	☐
7. Total Funding	Total must represent (100%) of the total estimated project cost. Ensure that percentages match corresponding cost-shares and the total matches the Budget (in Section IV. D. - Total Estimated Project Costs).	☐

F. Project Milestones/Schedule of Work

1. Milestones (Schedule)	Identify the major milestones in the proposed project and provide an estimated time-line *(e.g. Designing, Engineering – 3 months, Permitting – 6 months, Procurement – 30 days, Installation – 6 months, Contracting – 1 month, Delays, Project Implementation, Inspections, Closeout, etc. See* **Typical Project Milestones** *for estimated time-frames)* for the critical activities not to exceed a period of 3 years for performance. Milestones should not be grouped together but listed individually. Please allot for the appropriate amount of time.	☐

Section V - Environmental Review & Historic Preservation Compliance

A. **No work can begin prior to the completion of the environmental (NEPA) review. In order for the Environmental staff to conduct the NEPA review, all sections listed below must be completed**.

1. Description, SOW & Budget	Detailed Project Description, Scope of Work & Budget/Costs Complete Sections II & IV of the application.	☐
2. Area Maps	Project area Maps - Attach a copy of the maps and clearly mark the project site, and place the specific project structure(s) on map(s). Complete Section III, part B & C of the application.	☐
3. Project Area/Structure Photographs	Complete Section III part C of the application.	☐
4. Preliminary Project Plans	For shutters see the scope of work and for drainage & elevation see engineering drawings.	☐
5. Project Alternatives	Complete Section V part D. of this application.	☐
6. Project Worksheets	Dates of construction are required for all structures. See worksheets.	☐
7. Documentation Requirements by Project Type	Provide any of the required documentation as listed on page 10 in the Information and Documentation Requirements by Project Type that may have already been obtained.	☐
8. Information/ Documentation Requirements by Project Type	Provide any applicable information or documentation.	☐

B. Executive Order 12898, Environmental Justice for Low Income and Minority Population

1. Documentation of Environmental Justice	Determine the proportion of the population, in either the project zip code or city, characterized as having a minority background, and proportion of the population living below poverty level. Go to http://www.census.gov/. If yes, complete Section V, part B.	☐
2. Population Affected	List / describe the population affected by this project and the portion of the population adversely impacted. List the attached documentation.	☐
3. Attached Materials	Attach all backup documentation to this application – Include a table of contents that outlines the information you are providing DEM	☐

C. Information required for Tribal Consultation

1. Documentation for Tribal Consultation	For all projects with any ground disturbing activities of 3 inches or more, complete Section V part C.	☐

D. Alternative Actions

1. No Action Alternative	Please discuss the impacts on the project area if no action is taken.	☐
2. Other Feasible Alternative Action	It is a FEMA and FDEM requirement for any Application Review. A narrative discussion of at least three project alternatives (from No Action to the most effective, practical solution) and their impacts, both beneficial and detrimental is required. It is expected that the jurisdiction has completed sufficient analysis to determine the proposed project can be constructed as submitted and it supports the goals and objectives of the FEMA approved hazard mitigation plan. Has the proposed project been determined to be the most practical, effective and environmentally sound alternative after consideration of a range of options? (44 CFR 206.434[c][5][iii])	☐
a. Project Description	It is very important and a requirement that an Alternative project is submitted. NEPA requires that at least three alternatives must be presented to mitigate the problem. In addition to the proposed action and no action, one other **feasible** alternative must be provided.	☐
b. Project Location of the Alternative	Describe the surrounding environment. Include information regarding both natural (i.e., fish, wildlife, streams, soils, plant life) and built (i.e., public services, utilities, land/shoreline use, population density) environments.	
c. Scope of Work – Alternative Project	Describe how the alternative project will solve the problem and provide protection from the hazard. Provide enough detail to describe the project for the evaluation panel to decide the best course of action for the state. Include any appropriate	

	diagrams, sketch maps, amount of materials and equipment, dimensions of project, amount of time required to complete, etc.	
d. Impacts of the Alternative Project		
e. Estimated Budget/Costs for the Alternative Project	Total cost is required.	☐
Materials, Labor, and Fees Paid	The details line items are not required. Just enter a total amount.	☐
Total Estimated Project Costs	Total cost is required. Vendor quote is not required. A lump sum budget may be submitted as justification to why this alternative was not chosen.	☐

Section VI – Maintenance Agreement

1. Maintenance Agreement	Please complete, sign and date the maintenance agreement. The maintenance agreement must be signed by an individual with signature authority, preferably the authorized agent.	☐

Other Required Documentation

1. MAPS	All maps must be included with the application.	
2. FFATA Form	During contracting with the state, please complete, sign and date the FFATA Project File Form. Instructions are provided for your convenience in the document provided. **This is not required at the time of application submittal.**	☐
3. SFHA Acknowledgement of Conditions	Required for all projects in the Special Flood Hazard Area. Read and sign the SFHA Acknowledgement of Conditions document. This form must be notarized, signed by the local jurisdiction and the property owner.	☐
4. Pre-award Cost Form	If pre-award costs are being requested with your project, please be sure to identify all pre-award costs in the application budget per instructions. The pre-award cost form must be completed and submitted with your application.	☐
5. Request for Public Assistance Form	Applicable if no FIPS number is assigned to applicant/recipient.	☐
6. Model Statement of Assurances for Property Acquisition Projects	For Acquisition projects only.	☐
7. Declaration and Release	For Acquisition projects only. Must be signed by all persons whose names are on the property deed.	☐
8. Notice of Voluntary Interest	For Acquisition projects only. Two forms are included for your convenience. Please use the form that is most appropriate to your situation. Must be signed by all persons whose names are on the property deed.	☐
9. Statement of Voluntary Participation for Acquisition of Property for Purpose of Open Space	For Acquisition projects only. Must be signed by all persons whose names are on the property deed.	☐
10. Worksheets	The appropriate worksheet(s) must be completed and submitted with the application. a. Flood Control – Drainage Improvement b. Generator c. Tornado Safe Room d. Hurricane Safe Room e. Wind Retrofit f. Wildfire g. Drought	☐

*Submit **1 original (signed) and 2 full copies** of the entire application and backup documentation. Include a full copy of the submittal and all documentation on CD.

FORM OF AGREEMENT
BID # B-20-04-COC
CITY OF COCOA

This Agreement made and entered into on the ___**23rd**____ day of ___**October**___, ___**2019**___ by and between _____**c**_____**Parkit Constru tion, Inc.**_____ _____ hereinafter called the contractor and the City of Cocoa, a municipal corporation organized and existing under the Laws of the State of Florida, and located in Brevard County, Florida, hereinafter called the City.

Witnesseth that the Contractor and the City, for the Consideration herein-after named, agree as follows:

ARTICLE 1. SCOPE OF WORK - The Contractor shall furnish all labor, equipment and materials and perform all work described in the Bidding/Contract Documents and Drawings, and shall do everything required by this agreement and the contract documents.

ARTICLE 2. COMMENCEMENT AND COMPLETION - The Contractor will be required to commence work under this contract within fourteen (14) calendar days after the date of receipt of Notice to Proceed or Purchase Order, and substantially complete the work within one hundred fifty (150) days and totally complete all work in its entirety within one hundred eighty (180) days of Notice to Proceed or Purchase Order. The Contractor agrees to reimburse the City of Cocoa, Florida, as liquidated damages for each calendar day elapsing between the date herein specified as the day of substantial or full completion and the actual day of such completion of the contract work, the amount of two hundred fifty dollars ($250.00) per calendar day.

ARTICLE 3. THE CONTRACT SUM - The City will pay the Contractor for performance of the contract, subject to additions and deductions provided therein, in current funds as follows:

One Hundred, Forty-Eight Thousand, Eight Hundred Dollars and Zero Cents	$ **$148,800.00**
(Written in Words)	(In Figures)

ARTICLE 4. PROGRESS PAYMENTS - Partial payments calculated from completed work in place and acceptable to the City at the unit bid prices will be made on/or about the 15th of each month on pay estimates based on the previous month's progress. The Contractor shall, after the first of each month, submit invoice for materials used and work performed for the previous month. The owner will certify all invoices before presenting them for payment. A form of pay estimate, stating that the bill is fair and equitable and in exact accord with contract prices will be utilized for pay purposes. Ten percent (10%) of the amount due and payable to the Contractor will be retained from each month's partial payment. Final payment will be accomplished as prescribed in the Agreement and will be based on complete work in place. Also, the contractor shall: (1) Provide satisfactory evidence that it has acquired title to the materials that it has been paid for and that the material will be used to perform this contract, and (2) Provide a Consent of Surety for the progress payments.

ARTICLE 5. THE CONTRACT DOCUMENTS - The Notice to Contractors, Instructions to Bidders, General Conditions, Special Conditions, Specifications, Proposal, Agreement, Performance/Payment Bond, and Drawings form the contract and they are as fully as part of this

contract as if the same were hereto attached or herein repeated. Unless otherwise provided in the Contract Documents, any conflicts between the aforementioned documents shall be resolved in order of priority established in the City of Cocoa's purchasing manual at the time this Agreement is executed by both parties.

ARTICLE 6. LIABILITY INSURANCE -

COMMERCIAL GENERAL LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR CONTRACTS VALUED AT LESS THAN $15,000:
It is required that individuals and firms contracting with the City of Cocoa, where the total contract or job value is LESS than $15,000, maintain Commercial General Liability insurance with a minimum per occurrence limit of not less than $200,000 and with a deductible amount not greater than $1,000. It is further required that the City of Cocoa be named as an additional insured to the contractor's CGL policy, and that proof of same in the form of a certificate of insurance be submitted before work is begun.

COMMERCIAL GENERAL LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR CONTRACTS VALUED AT $15,000 OR MORE:
It is required that individuals and firms contracting with the City of Cocoa, where the total contract or job value is $15,000 or MORE, maintain Commercial General Liability insurance with a minimum per occurrence limit of not less than $1,000,000 and with a deductible not greater than $1,000. It is further required that the City of Cocoa be named as an additional insured to the contractor's CGL policy, and that proof of same in the form of a certificate of insurance be submitted before work is begun**.**

AUTOMOBILE LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR ALL CONTRACTS**:**
It is required that individuals and firms contracting with the City of Cocoa and who own licensed motor vehicles, that will be utilized in connection with any City contract or job, maintain automobile liability insurance and submit proof of same in the form of a certificate of insurance before work is begun.

It is further required that individuals and firms contracting with the City of Cocoa who lease, rent, or borrow licensed motor vehicles, that will be utilized in connection with any City contract or job, be required to maintain non-owned or hired automobile liability insurance and submit proof of same in the form of a certificate of insurance before work is begun.

PROFESSIONAL LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR ALL PROFESSIONALS AS DEFINED BY FLORIDA STATUTE**:**
Professionals and professional corporations, associations, and firms who contract with the City of Cocoa to provide professional services are required to maintain Professional Liability Insurance and submit proof of same in the form of a certificate of insurance before work is begun.

ENVIRONMENTAL IMPAIRMENT INSURANCE MINIMUM REQUIREMENTS:
Individuals or firms who contract with the City of Cocoa to provide excavation or construction type services and who will be locating portable fuel or lubricant storage tanks at the job site or who will be storing or using hazardous chemicals on the job site are required to maintain Environmental Impairment Insurance of "Pollution Insurance" with a limit of not less than $1,000,000 per occurrence and submit proof of same in the form of a certificate of insurance or and endorsement to their General Liability policy showing a pollution exclusion exception for

each specific work product or storage container before work is begun. Contracts with such firms shall include a provision that they work in compliance with the OSHA Hazardous Communication Standard and Florida Department of Environmental Protection guidelines and supply all information about hazardous chemical being brought onto City property as required by the City's Safety and Loss Control Program.

WORKERS' COMPENSATION INSURANCE MINIMUM REQUIREMENTS:
It is required that firms employing four or more people who contract with the City of Cocoa maintain Workers' Compensation Insurance at the statutory limits and employer liability insurance and submit proof of same in the form of a certificate of insurance before work is begun.

It is required that firms employing less than four people who contract with the City of Cocoa comply with the exemption and notice provisions of F.S. 440 and maintain employer liability insurance and submit proof of same in the form of a certificate of insurance before work is begun.

However, if you are a corporate officer of a corporation that is actively engaged in the construction industry, or a sole proprietor or partner who is actively engaged in the construction industry, then your exemption will not apply to any work performed at a commercial building project valued at $250,000 or greater and you must secure workers' compensation coverage in accordance with F.S. 440.38 and these general conditions and submit proof of same in the form of a certificate of insurance before work is begun.

DURATION OF CONTRACTS-NAMED INSUREDS-LIABILITY INSURANCE:
For contracts exceeding time periods of 30 days, it is required that the vendor name the City of Cocoa as an additional insured on their Liability Insurance polices and submit proof of same in the form of a certificate of insurance before work is begun.

ARTICLE 7. PERFORMANCE/PAYMENT BOND - The contractor shall furnish to the City concurrently with the execution of this contract a Performance/Payment Bond equal to 100% of the bid in the penal sum of $ __148,000_____ with good and sufficient sureties, conditioned upon the performance of this contract by the Contractor in accordance with the terms and conditions hereof, within the time herein provided and with the additional obligation that such Contractor shall promptly make payment to all persons supplying him, labor, materials, and supplies, used directly by said Contractor in the prosecution of the work provided for in this contract.

ARTICLE 8. ACCEPTANCE AND FINAL PAYMENT - Upon receipt of written notice that the work is ready for final inspection and acceptance, the Owner will promptly make such inspection and when he finds the work acceptable under the contract and the contract fully performed, he will promptly issue a final certificate, over his own signature, stating the work provided for in this contract has been completed and acceptance by him under the terms and conditions thereof is recommended and the entire balance found to be due the Contractor will be paid to the Contractor at the office of the City within twenty (20) days after the date of said final certificate. Before issuance of final certificate, the Contractor shall submit evidence satisfactory to the Owner that all payrolls, material bills and other indebtedness connected with the work have been paid. The making and acceptance of the final payment shall not constitute a waiver of any claims of the city against the Contractor, including, but not limited to, claims arising for defective or faulty work, warranty work, unsettled liens, or the failure of the Contractor to

correctly comply with the job specification. A Consent of Surety for the release of the final payment will be required.

ARTICLE 9. ATTORNEY FEES AND COSTS - Should any dispute or legal action arise out of this agreement or the obligations stated herein, or any dispute or action is based upon this Agreement or any of its provisions, the prevailing party shall be entitled to recover its reasonable attorney fees, expenses and costs incurred in connection with such a dispute or action, including, without limitation, its attorney fees and costs through appeals.

ARTICLE 10. FULLY NEGOTIATED AGREEMENT - This agreement has been fully negotiated in an arms length transactions and neither party has been coerced in any manner to execute this agreement. Each party has opportunity to employ legal counsel and seek legal advice from such counsel with respect to this agreement, its obligations, terms and limitations.

ARTICLE 11. SEVERABILITY - If any provisions of this agreement is declared or deemed invalid, unenforceable or unlawful by any tribunal or court of competent jurisdiction, such provision shall be deemed automatically modified to conform to the requirements for validity as declared at the time, and as so modified, shall be deemed a provision of this agreement as though originally included herein. In the event that the provision invalidated is of such nature that it cannot be so modified, the provision shall be deemed deleted and withdrawn from this agreement as though the provision had never been included herein. In either event, the remaining provisions of this agreement shall remain in full force and effect.

ARTICLE 12. VENUE AND GOVERNING LAW - The parties agree that the venue shall be exclusively in Brevard County, State of Florida, for disputes or actions which may arise out of or are based upon this agreement. This agreement shall be governed by the laws of the State of Florida where it is deemed, made and executed.

ARTICLE 13. MODIFICATIONS AND ENTIRE AGREEMENT - This agreement may only be modified, altered or amended in whole or in part, by written instrument setting forth such changes and signed by all parties hereto. This agreement constitutes the entire agreement and understanding between the parties, and oral communications and understandings are hereby deemed void and merged into this agreement.

ARTICLE 14. NOTICES - Unless otherwise stated herein, all notices to the parties to this agreement shall be in writing, certified mail, return receipt request, at the address listed above.

ARTICLE 15. BINDING EFFECT - This agreement shall be binding upon the parties, heirs, assigns, personal representatives, executors and successors.

ARTICLE 16. WAIVER - Any waiver of any breach or violation of either party's obligations under this agreement shall not be construed as a continuing waiver or consent to any subsequent breach or violations.

ARTICLE 17. INDEPENDENT CONTRACTOR At all times during the term of this Agreement, Contractor shall be considered an independent contractor and not an employee of the City.

ARTICLE 18. CHANGE ORDERS Any and all change orders required under this Agreement shall be approved, in writing, by the City prior to the Contractor performing, or not performing, the work specified in the change order.

ARTICLE 19. **SOVEREIGN IMMUNITY** Nothing contained in this Agreement shall be constructed as a waiver of the City's right to sovereign immunity under Section 768.28, Florida Statues, or other limitations imposed on the City's potential liability under state or federal law.

ARTICLE 20. **DEFAULT BY CONTRACTOR**

(a) The City reserves the right to revoke and terminate this Agreement and rescind all rights and privileges associated with this Agreement, without penalty, in the following circumstances, each of which shall represent a default and breach of this Agreement:

i. Contractor defaults in the performance of any material covenant or condition of this Agreement and does not cure such other default within thirty (30) calendar days after written notice from the City specifying the default complained of, unless, however, the nature of the default is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the Contractor promptly takes and diligently pursues such action as are necessary therefore; or

ii. Contractor is adjudicated bankrupt or makes any assignment for the benefit of creditors; or Contractor becomes insolvent, or is unable or unwilling to pay its debts; or

iii. Contractor has acted grossly negligent, as defined by general and applicable law, in performing the services hereunder; or

iv. Contractor has committed any act of fraud upon the City; or

v. Contractor has made a material misrepresentation of fact to the City while performing its obligations under this Agreement.

(b) Notwithstanding the aforementioned, in the event of a default by Contractor, the City shall have the right to exercise any other remedy the City may have by operation law, without limitation, and without any further demand or notice.

ARTICLE 21. **TERMINATION** - Notwithstanding any other provision of this Agreement, City may, upon written notice to Contractor, terminate this Agreement, without penalty, if: (a) Contractor is in default pursuant to Article 20, Default by Contractor; (b) contractor makes a general assignment for the benefit of its creditors; (c) Contractor fails to comply with any condition or provision of this Agreement; or (d) Contractor is experiencing a labor dispute which threatens to have a substantial, adverse impact upon performance of this Agreement without prejudice to any other right or remedy City may have under this Agreement. In the event of such termination, City shall be liable only for the payment of all unpaid charges, determined in accordance with the provisions of this Agreement, for work properly performed prior to the effective date of termination.

This Agreement may be cancelled by either party with thirty (30) days written notice to the other party.

ARTICLE 22. INDEMNIFICATION

(a) For all services performed pursuant to this Agreement, the Contractor agrees to the fullest extent permitted by law, to indemnify and hold harmless the City and its employees and officers from and against all claims, losses,

damages, personal injuries (including but not limited to death), or liability (including reasonable attorney's fees through any and all administrative, trial and appellate proceedings), directly or indirectly arising from:

i. Any default under this Agreement by Contractor; and
ii. Any negligent act, omission or operation of work related to all services performed under this Agreement by Contractor, and its employees, principals, agents, independent contractors, and consultants.

(b) The indemnification provided above shall obligate the Contractor to defend as its own expense or to provide for such defense, at the option of the City, as the case may be, of any and all claims of liability and all suits and actions of every name and description that may be brought against the City or its employees and officers to the services under this Agreement whether the services be performed by the Contractor or anyone directly or indirectly employed by them. In all events the City shall be permitted to choose legal counsel of its sole choice, the fees for which shall be subject to and included this indemnification provided herein, as long as said fees are no greater than at a rate of $200 per hour.

ARTICLE 23. CORPORATE REPRESENTATIONS BY CONTRACTOR - Contractor hereby represents and warrants to the City the following:

(a) Contractor is duly registered to do business in the State of Florida and is in good standing under the laws of Florida, and is duly qualified and authorized to carry on the functions and operations set forth in the Agreement.

(b) The undersigned representative of Contractor has the power, authority, and legal right to execute and deliver this Agreement on behalf of Contractor.

ARTICLE 24. NO JOINT VENTURE - Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the parties and neither party is authorized to, nor shall either party act toward third persons or the public in any manner which would indicate any such relationship with the other.

ARTICLE 25. THIRD PARTY RIGHTS - Nothing in this Agreement shall be constructed to give any rights or benefits to anyone other than City and Contractor.

ARTICLE 26. ASSIGNMENT

(a) Contractor shall not assign or subcontract this Agreement, any task authorization hereunder, or any rights or any Moines due or to become due hereunder without the prior, written consent of City.

(b) If upon receiving written approval from city, any part of this Agreement is subcontracted by Contractor, Contractor shall be fully responsible to City for all acts and/or omissions performed by the subcontractor as if no subcontract had been made.

(c) If City determines that any subcontractor is not performing in accordance with this Agreement, City shall so notify Contractor who shall take immediate steps to remedy the situation.

(d) If any part of this Agreement is subcontracted by Contractor, prior to the commencement of any work by the subcontractor, Contractor shall require the subcontractor to provide city and its affiliates with insurance coverage as set forth by the City.

ARTICLE 27. PUBLIC RECORDS

(a) **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:** (321) 433-8484; cshealy@cocoafl.org; City Clerk's Office, 65 Stone Street, Cocoa, FL, 32922.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first written above.

BID B-20-04-COC ADDENDUM NO. 1
LIFT STATION #2 PANEL REHABILITATION PROJECT
AUGUST 30TH, 2019

The City of Cocoa hereby issues Bid Addendum No. 1, to provide clarifications and responses to questions raised during the Pre-Bid Conference and Site Visit.

1. Will the exposed electrical conduit be Rigid Metal Conduit (RMC) with protective coating? Can you expand on this?

   Response: Per 1.2 Conduit of City Technical Provisions shown on sheet G-003, all exposed conduits is to be RMC. Protective coating of RMC is required when in contact with earth or concrete per NEC 2017 344.10(B)1

2. Is there a preference for electrical inspections? Weekday or Weekend?

   Response: All electrical (building) permit inspections should be coordinated with the City Building Division whose operating hours are Monday through Friday 8:00 am to 5:00 pm.

3. Will there be parking on site for contractor?

   Response: Yes, there is limited parking area on site. However, note that this area must be left cleared of any vehicles or equipment overnight, to allow City Staff to access Lift Station. Contractor is responsible for securing any off-site parking or storage that may be needed.

4. Is the Automatic Transfer Switch (ATS) Panel being moved?

   Response: Yes, the ATS Panel is to be moved to the new location as per plans.

5. What is the operating voltage and the voltage required for service?

   Response: The lift station voltage is 277/480.

CLARIFICATION FROM CITY'S INDUSTRIAL ELECTRICIAN:

6. The terminal strip will be mounted on DIN rail and terminals will be Phoenix Contacts with sufficient room to install thirty-five (35) Phoenix Contact terminal blocks.

7. Float wiring from control panel to pump J-box will be a minimum of #14 AWG copper wire. City will provide signal cable that will be run from control panel to pump J-box in the same conduit as float wiring. These wires will terminate on the Phoenix Contact blocks.

8. The motor conductors will be one size larger than required by the current National Electric Code. Motor seal failure and over-temperature wiring will be a minimum #14 AWG copper conductors consisting of BLACK, RED, WHITE, and GREEN. These will land on the Phoenix Contact terminal blocks. One set of these four colors will be for each motor. These conductors are to be in the same 2 inch conduit for the motor conductors. Four #12 AWG copper conductors will also be installed in the same 2 inch conduit for future use. These will be BLACK, BLUE, and two (2) WHITE.

9. Increase conduit for floats from 1" Rigid Metal Conduit/Schedule 80 PVC to 1 ¼" Rigid Metal Conduit/Schedule 80 PVC from control panel to pump J-box.

All Bidders shall acknowledge receipt and acceptance of this Bid Addendum No. 1 in the Bid Form or by submitting the Addendum with the bid package. Bid Forms submitted without acknowledgement or without this Addendum will be considered in nonconformance.

END OF ADDENDUM

RESOLUTION NO. 2019-088

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA; AUTHORIZING THE CITY MANAGER TO APPROVE AND EXECUTE CHANGE ORDERS TO THE PRIMARY CONSTRUCTION CONTRACT AND ANY ADDITIONAL SERVICE CONTRACTS RELATED TO THE COMPLETION OF THE PROJECT REGARDING THE LIFT STATION #2 PANEL REHABILITATION, PROJECT NO. WS20ST IN AN AMOUNT NOT TO EXCEED THE TOTAL AMOUNT BUDGETED FOR THE PROJECT BY THE CITY COUNCIL INCLUSIVE OF THE 15% CONTINGENCY SET ASIDE FOR THE PROJECT; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Section 2-4 of the City Code provides that with respect to construction contracts approved by the City Council, the City Council may authorize by resolution the City Manager to approve change orders to the primary construction contract and any additional service contracts related to the completion of the construction project authorized by the City Council in excess of the spending authority limits under this section provided the amount is within the unexpended construction budget approved by the City Council for the project including any contingency funds approved by the City Council for said contract; and

WHEREAS, on October 23, 2019, the City Council authorized the City Manager to proceed with the Lift Station #2 Panel Rehabilitation, Project No. WS20ST, subject to certain terms and conditions and budget adjustments approved by the City Council; and

WHEREAS, in conjunction with this authorization, the City Council desires to streamline the approval of change orders and any additional service contracts to the extent necessary in order to expedite the construction of the project; and

WHEREAS, the City Council deems it to be in the best interest of the City of Cocoa to authorize the City Manager to approve the aforementioned change orders and any additional service contracts consistent with the terms of this Resolution and Section 2-4 of the City Code even if said amounts exceed the City Manager's general spending authority approved by the City Council.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1.

(A) Pursuant to Section 2-4 of the City Code, the City Manager is hereby authorized to approve any change orders to the primary construction contract and any additional service contracts related to the construction project regarding the Lift Station #2 Panel Rehabilitation, Project No. WS20ST, provided the total amount of approved change orders and any additional service contracts do not exceed the construction budget. The construction budget is $148,800 and allows for a 15% contingency in the amount of $22,320 set aside for possible change orders, for a total of $171,120 for the project. This grant of spending authority shall be interpreted and construed in accordance with the provisions of Section 2-4 of the City Code.

(B) Pursuant to Section 2-4 of the City Code, the City Manager shall also provide notice of any such approved change orders and any additional service contracts to the City Council in the form of an agenda item at the next scheduled City Council meeting or as soon as practicable thereafter.

SECTION 2. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 3. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on October 23, 2019.
