X. REPORTS:

NOTICE TO THE PUBLIC:

Pursuant to Section 286.0105, Florida Statutes, the City hereby advises the public that: if a person decides to appeal any decision made by the City Council with respect to any matter considered at its meeting or hearing, that person will need a record of the proceedings and for such purpose, affected persons may need to assure that a verbatim record of the proceedings is made, and such record shall include the testimony and evidence upon which the appeal is to be based. This notice does not constitute consent by the City for the introduction or admission into evidence of otherwise inadmissible or irrelevant evidence, nor does it authorize challenges or appeals otherwise not allowed by law.

City Code Section 2-54 requires that an affirmative vote of a majority of a quorum present shall be necessary to enact an ordinance or adopt any resolution; except that two-thirds of the membership of the Council is required to enact an emergency ordinance. All ordinances require two readings, entitled first reading and second reading and public hearing, prior to adoption.

Members of the public speaking on public hearing items, though entitled to be heard by the City Council, are not entitled to an immediate response by either administrative staff members or Council once the public hearing is closed; however, Council discussion may or may not include a response. No question by the public should be addressed directly by the Administrative staff.

Public debate by individual speakers from the audience on public hearing items shall be limited to three (3) minutes. Representatives of recognized groups shall be limited to ten (10) minutes; and total debate on a single issue shall be limited to thirty (30) minutes. Only one presentation per person per issue shall be allowed.

A Council member may add an item to the agenda during the meeting only at the time the agenda is approved. If the item requires action by the Council, then it may be added to the agenda by an affirmative vote of the Council, and written documentation must be submitted at the time the item is added to the agenda.

This agenda is posted on the Municipal Bulletin Board and at the Central Brevard Library and Reference Center in Cocoa for public review.

A Council member may add an item to the agenda during the meeting only at the time the agenda is approved If the item requires action by the Council then it may be added to the agenda by an affirmative vote of the Council and written documentation must be submitted at the time the item is added to the agenda.

This agenda is posted on the Municipal Bulletin Board and at the Central Brevard Library and Reference Center in Cocoa for public review. This is a public meeting. All interested parties may attend. The facility wherein this public meeting will be held is accessible to the physically handicapped. In accordance with the Americans With Disabilities Act, persons needing assistance to participate in any of these proceedings should contact the City Clerk of the City of Cocoa, listed below, at least 48 hours prior to the meeting: Carie Shealy, City Clerk, 65 Stone Street, Cocoa, by telephone at (321) 433-8484 or via email at cshealy@cocoafl.org.

MINUTES

CITY OF COCOA
REGULAR MEETING OF THE CITY COUNCIL

June 13, 2017

A Regular City Council meeting was held on Tuesday, June 13, 2017, in City Council Chambers, located in Cocoa City Hall, 65 Stone Street, in Cocoa, Florida, as publicly noticed.

I. OPENING MATTERS:

Mayor Parrish called the meeting at 6:08 p.m.

Chief Prince provided the invocation and Deputy Mayor Boisvert led the assembly in the Pledge of Allegiance to the Flag of the United States of America.

The City Clerk took the roll.

PRESENT:	Henry U. Parrish III	Mayor
	Don Boisvert	Deputy Mayor
	Jeri Blanco	Councilwoman
	Brenda Warner	Councilwoman
	Clarence Whipple, Jr.	Councilman
	Anthony Garganese	City Attorney
	John Titkanich, Jr.	City Manager
	Matt Fuhrer	Assistant City Manager
	Carie Shealy	City Clerk

OTHER STAFF MEMBERS PRESENT:

Tammy Gemmati, Administrative Services Director; Jack Walsh, Utilities Director; Nancy Bunt, Acting Community Services Director; Gene Prince, Fire Chief; Mike Cantaloupe, Chief of Police; Teri Butler, Finance Director; Ed Wegerif, Public Works Director; Monica Arsenault, Assistant City Clerk; Tony Jones, Fleet Manager; Jonathan Lamm, Deputy Fire Chief; Jason McCuen, Helpdesk Support Technician; Charlene Neuterman, Projects Manager; Gary Palmer, Public Works Facilities Manager; Major Lewis, Janitorial Assistant; and Larry Lallo, Economic Development Manager.

II. APPROVAL OF AGENDA AND MINUTES:

1. Agenda: Regular Meeting of June 13, 2017 (17-248)
2. Minutes: (a) Regular Meeting of May 9, 2017 (17-249)

*** MOTION by Deputy Mayor Boisvert; Seconded by Councilman Whipple, to approve the Agenda for the Regular meeting of June 13, 2017 as presented and the Minutes for the Regular meeting of May 9, 2017 as written.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

III. AWARDS AND PRESENTATIONS:

1. Public Works Program and Project Summary. (17-260). (Public Works Director)

Mr. Wegerif provided a presentation[1] on the Public Works department for FY 2017. He provided highlights of what his staff had been doing throughout the year. He introduced some of his staff in attendance: Major Lewis, Tony Jones, Gary Palmer, and Charlene Neuterman.

He provided a breakdown of each division in Public Works and advised everyone of what each division does and how many employees each division has. He spoke about what each division was responsible for in detail.

Mr. Wegerif discussed the infrastructure projects for FY 2017 and pointed out that Fire Station #1 was a large capital project. FY 2018 is the anticipated completion date for all fire stations, as Stations #2 and #3 should be starting within the next three weeks.

He provided further information on projects such as Fiske Boulevard Phase 1 and Phase 2. Phase 3 will be in FY 2018.

The Peachtree Street Complete Project and the Florida Avenue Complete Street Project was discussed. Mr. Wegerif further noted that the Harry T. Moore Center was in the works and this project should be completed by the end of July.

[1] EXHIBIT A: Public Works Presentation for FY 2017

Another project was the Diamond Square Regional Stormwater Pond and the WaWa and Dollar General would utilize this.

Mr. Wegerif mentioned the Forrest Avenue and US 1 property that was acquired from FDOT. It would capture runoff from entering the Indian River Lagoon. This property would also become a pedestrian use.

Mr. Wegerif provided a further rundown of the Public Works projects and brief descriptions of what those projects entailed.

In closing, he spoke about the branding and beautification of the City and reminded everyone of the Cocoa wording on the SR 520 bridge.

Councilwoman Warner thanked Mr. Wegerif and noted that Council had put a lot on him this year. They appreciated their work.

Mr. Wegerif thanked Council for their support and for his staff for making it all happen and for making Cocoa look good.

Councilwoman Blanco appreciated all of the work that they do.

Councilwoman Warner advised that Mr. Whitmore had taken them on his boat on the river so that they could see the sign and it was a great opportunity to see the word “Cocoa” when you are out on the water.

Mayor Parrish thanked Mr. Wegerif and his staff and felt that all of the street projects were making a huge difference within the City. He appreciated them.

City Manager Titkanich thanked Mr. Wegerif and his team and advised that they have been instrumental in enhancing safety improvements within the community. They have found ways to maximize benefits of facilities and streets, such as micro-surfacing the streets. He further noted that they had replaced all of the street signs and installed new welcome signs throughout the City. The City was very fortunate to have such a dedicated and professional staff.

Mr. Wegerif was proud of the Florida Avenue project and thanked Charlene Neuterman for her work on that project. Mayor Parrish thought it was unbelievable.

Mr. George Brown, Jr. was in the audience and suggested that Council seats be raised so that the audience could see them. He further asked about the Stone Street project. In response, Mr. Wegerif advised that the plans were almost complete and that the project would be moving along and explained other parts of the project.

Council thanked Mr. Wegerif again.

Deputy Mayor Boisvert read letters into the record recognizing Carie Shealy, City Clerk for her MMC designation by the International Institute of Municipal Clerks and City Manager Titkanich as the recipient of the Florida League of Cities "Home Rule Hero Award".

City Manager Titkanich thanked Council for their support.

Mayor Parrish spoke about the outcome of the legislative session. He believed the City needed to hit it hard next year. City Manager Titkanich agreed and believed the City was blessed with the representation that they have.

He thanked all of the Brevard delegation for taking time to hear the city's and county's concerns.

IV. DELEGATIONS:

Virgie Prude, 536 South Varr Avenue, Cocoa, asked why it takes so long to be placed in government housing. In response, City Manager Titkanich explained the funding that the City receives and noted that there was a waiting list. Furthermore, she asked what happened with the water bills as hers was much higher than it typically was. She advised that she had a problem and got a plumber but was not sure why the bill was so high. City Manager Titkanich assured her that they have her name and contact information and would look into the situation.

Lawrence Sinclair, 1052 Mitchell St., Cocoa, thought Florida Avenue looked good but complained about the four way stop sign. Mr. Wegerif agreed to look into the placement of the sign. Mr. Sinclair mentioned that he had been mowing vacant lots and they looked great. He advised that he was broke and unless raffle tickets were sold to pay for the improvements, he will need further assistance.

V. CONSENT AGENDA:

1. Approve Participation in a Cooperative Purchase Agreement with All Terrain Tractor for Restoration Services Utilizing Orlando Utilities Commission Contract No. 4218-2 OQ Effective January 1, 2017 through December 31, 2019. (17-240). (Utilities Director)

*** MOTION by Deputy Mayor Boisvert; Seconded Councilwoman Blanco, to approve the Consent agenda.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

VI. PUBLIC HEARINGS:

None.

VII. COUNCIL BUSINESS:

1. Approve a Code Enforcement Lien Reduction request in the amount of $750.00 for the property located at 903 Kensington Drive. (17-247). (Chief of Police)

Chief Cantaloupe provided background information on this item. He noted that the Code Enforcement Board held a public hearing on April 18, 2008 and at that time the Board found the owner, Benjamin Williams, in violation of the following:

- No Entry Accumulation of Trash & Debris
- Section 6-1001 (d) Weeds & Overgrowth
- Section 6-1001(g) Accessory Structure (fence)
- Section 6-900(b)(7) Windows
- Section 6-900(b)(4)a-c Exterior Maintenance

The Board provided the owner sufficient time to correct said violations. Consistent with the Code Enforcement Board's Order, a fine ran at $100 per day from May 2, 2008 until compliance was achieved and documented on April 18, 2017. The lien is $327,320 and the current owner, Charles V. Hough, Sr., is requesting that the lien be reduced to the amount of zero.

.

Based on factors reviewed by staff, they recommended to the Code Board that they reduce the lien to $750 and at its regular meeting held on May 18, 2017, the Board recommended that the lien be reduced to $750. This amount covers all administrative costs.

* **MOTION by Councilwoman Warner; Seconded by Councilwoman Blanco, to approve a Code Enforcement Lien Reduction request in the amount of $750.00 for the property located at 903 Kensington Drive.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

2. Consider the appointment of Ms. Sylvia Thomas as a Regular member of the Diamond Square Redevelopment Agency through June, 2021. (17-251)/ (Administrative Services Director)

* **MOTION by Councilman Whipple; Seconded by Councilwoman Warner to appoint Ms. Sylvia Thomas as a Regular member of the Diamond Square Redevelopment Agency through June, 2021.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

3. Consider the reappointment of Ms. Linda Graham as a member of the Affordable Housing Committee through May, 2020. (17-254). (Administrative Services Director)

* **MOTION by Deputy Mayor Boisvert; Seconded by Councilwoman Warner, to reappointment Ms. Ms. Linda Graham as a member of the Affordable Housing Committee through May, 2020.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

4. Discussion on Washington Street & SR 520 Intersection. (17-267). (Councilman Whipple)

Councilwoman Whipple advised that he had this item added to the agenda because he was concerned with a traffic flow problem at the intersection of Washington Street and SR 520 that had not been resolved. He had received many calls from constituents concerning this and felt that it needed to be addressed. There were residents in attendance that he would like to speak.

He noted that Rev. Earl Robbins, Washington Street, had expressed concerns that signs were not being adhered to and it was a major concern of people in that area. It was not just a District 1 issue. This was brought before Council in the past and nothing had been done. Councilwoman Whipple believed it was Council problem, from management down and the issues need to be resolved.

Mr. George Brown, 555 W. King Street, Cocoa, advised that they needed "Do not block intersection" signs. There are signs up but many do not read the signs. He thought the addition of LED lights might help. A white line could not be painted on the road because it represented a stop sign. With the new businesses coming, something needs to be done.

Councilwoman Warner agreed and believed mostly it was a lack of courtesy amongst drivers.

Mayor Parrish asked about FDOT's rules. In response, Mr. Wegerif advised that they had been in contact with FDOT and had sent a picture of the problem. FDOT mulled on the subject and staff asked again if they had a solution. FDOT thought it would be too similar to a railroad crossing and might cause conflict, and suggested a second sign. The first sign went up in 2015 and the second sign was put up on the right side. When he asked about painting the lines he was told no. Mr. Wegerif further explained that they tried not to overuse signs, especially flashing signs.

Additionally, Mr. Wegerif pointed out that SR 520 and US 1 are the two busiest roads in Brevard County and that is why traffic signals are so long. It's all a balancing act.

Mayor Parrish asked what hours seemed to be the worst and in response, they noted it did not matter what time of day it was.

Deputy Mayor Boisvert asked Chief Cantaloupe if they could ticket those who block the intersection. Chief Cantaloupe advised they could it was just hard to get those people. Chief Cantaloupe assured them they had tried the social media route and would do that again. They are even thinking of doing a video.

Mr. Wegerif mentioned that according to FDOT it was not a unique situation that consists of two busy roads and included a railroad crossing.

Further discussion was held on the issue and Deputy Mayor Boisvert mentioned that it had even been brought up at the Space Coast TPO meeting where he represented the City of Cocoa.

Rev. Earl Robbins, 304 Washington Avenue, Cocoa, advised that he had made Council aware of the situation about five months ago. He retired from FDOT after working for them for thirty years. All he has heard was that nothing could be done. He mentioned that he called an engineer that he worked with there and it was handled within four days. They no longer have a painting crew so they cannot paint a line. There were semi's speeding through the neighborhood and the police department does not enforce the law. There are children playing and it is a safety issue. He only gets excuses as to why things are not being done. When he asked for speed bumps they installed speed tables. They do not work. He was tired of asking for one thing and getting something different. He advised if the law was not going to be enforced then they should remove the signs that say "no commercial trucks allowed".

Councilman Whipple pointed out that Council can hear and see the problem. The entire community was being affected by what was happening. The City was getting a bad reputation of being dysfunctional and not taking care of issues that come before Council. He wants all to come up with solutions for these issues they are being confronted with.

Mayor Parrish advised that he remembered when Rev. Robbins first came. He asked City Manager Titkanich if fire trucks can get over the speed bumps. In response, City Manager Titkanich advised that was one of the reasons the speed tables were installed, because the speed bumps could cause significant damage to emergency vehicles.

Councilwoman Warner would like staff to facilitate a meeting with Rev. Robbins engineer who wanted them to paint the road. Secondly, she travels the road a lot and there are a lot of trucks. There are plenty of other ways to get in and out of that neighborhood and she asked the police department to possibly find a different route that the trucks can take. Additionally, she asked the police department to request that they stay away from the Joe Lee Smith Center due to higher activity of children during the summer.

She noted that there would always be those who disobey the law, but believes that random enforcement and a temporary speed bump may help.

Mayor Parrish and Councilman Whipple both felt the large trucks should not be on a residential street.

Councilwoman Blanco asked if FDOT would approve a sign that would say trucks would be fined a dollar amount. In response, Mr. Wegerif pointed out that Washington St. is a City street. Chief Cantaloupe said it would fall under a state statute. Chief Cantaloupe added that they had even spoken with different companies such as FPL and it subsided some. Some citations have also been written.

Rev. Robbins stated that the speed bumps do not affect police and fire trucks.

Mr. Wegerif noted that he took a little offense to it being said that they have not taken any action on this issue. He noted that a lot of time and effort had been given to try to fix these problems. He noted that traffic counts were done in 2015. In April, 2015 Council approved three speed tables and they were installed in May. The average speed dropped to 23 mph in September, 2015. He has in writing, a letter from FDOT refusing to paint a line on the road. Staff has been working and lot of time had been spent on this one street.

Councilman Whipple agreed that what all had been does has helped but believes that it still continues to be a problem due to the lack of enforcement. There should be no trucks on that road and businesses should be contacted for those violating the signs and rules.

Mr. George Brown thought that a stop sign (to make a three way stop) a little further down Washington St. might help a little. There were two speed tables by Joe Lee Smith which does slow down traffic.

Chief Cantaloupe assured Council that they would work on zero tolerance from here on out. They had done it in the past and would continue to do it.

City Manager Titkanich further assured Council that Mr. Wegerif would work on a meeting with FDOT and he agreed with Deputy Mayor Boisvert, in that at the TPO meeting FDOT stated they could not do what was requested. Standards were always changing.

Mayor Parrish agreed that something needs to be figured out and fixed.

City Manager Titkanich agreed with Mr. Brown that it does come down to courtesy and kindness. People do not respect each other.

Mayor Parrish stressed the importance of enforcement.

VIII. CITY BUSINESS:

1. Approve entering into, and authorize the City Manager to execute, a Development Agreement and Covenant with the developer of the Dollar General site at Barbara Jenkins St and Fiske Blvd. for connection to the Diamond Square Regional Stormwater Facility. (17-258). (Public Works Director)

City Attorney Garganese pointed out that there would be a technical amendment to the agreement which would amend the size of the property.

* **MOTION by Deputy Mayor Boisvert; Seconded by Councilman Whipple, to approve the item with the amendment to reduce the size of the property that would be subject to the development agreement.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

2. Discussion and direction on the purchasing of light duty trucks. (17-268). (City Manager)

City Manager Titkanich advised that this item was placed on the agenda in order to discuss light duty trucks. In the past, it was Council's desire to continue purchasing American made vehicles. The Nissan Frontier is produced in Canton, Mississippi. They have experienced problems with the F-150 and the Ford Ranger is out but currently not in the states.

City Manager Titkanich advised that he was requesting permission to move forward with a purchasing program of the Nissan Frontier as they would meet the needs for the City.

Mr. Jones mentioned that the Ford Ranger was the primary vehicle for meter readers and code officers, but it was discontinued. The F-150 was a great vehicle, but he felt the Nissan Frontier was a better choice and it is cheaper. Other municipalities currently using the Frontier are Melbourne, Palm Bay, Titusville, and Orlando.

Councilwoman Warner asked Mr. Jones if he likes Nissan the best. He responded in the affirmative and if Toyota had a good price he would go with them.

Deputy Mayor Boisvert noted that the County used Nissans and loved them.

Councilwoman Warner wanted the Nissan's two years ago.

Mayor Parrish asked how they know when a car has served its purpose. In response, Mr. Jones explained the process and spoke about the online auction process.

Mayor Parrish believed that Toyota was the best but Nissan was right under them. He asked if resale would be better on Toyota or Nissan. Mr. Jones advised they would probably be equal.

Deputy Mayor Boisvert thought they should go with the Nissan extended cabs.

* **MOTION by Deputy Mayor Boisvert; Seconded by Councilwoman Warner, to allow the Fleet Manager to pick out the vehicle most suited for the City.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

MULTI-YEAR CONTRACTS:

None.

IX. INFORMATIONAL AGENDA:

1. Cocoa Police Department District Event Statistics for the months of March & April, 2017. (17-243). (Chief of Police)

X. REPORTS:

Assistant City Manager Fuhrer advised Council that Granicus was streaming, however, there had been issues with the video equipment that required it to be sent to Wisconsin. He thanked the IT staff for taking care of a temporary fix and for being able to stream the meeting.

He mentioned that he and the City Manager had meet with Cocoa Rotary after they received their final cost from their event. They would make payment to the City and agreed that in subsequent years they would meet with the City in advance.

Assistant City Manager Fuhrer reminded Council that staff had committed to reach out to Rev. Dennis and they had spoken with him this afternoon and provided an update.

Additionally, he attended a meeting at the Florida Solar Energy Center for tor the Corridor Study and this would be brought to Council at the last meeting in July. It was the final public meeting.

Mayor Parrish asked if there were any updates on boat removal. In response, Assistant City Manager Fuhrer mentioned that they were on their second round and removed some on the Merritt Island side.

City Manager Titkanich spoke about the Space Coast League of Cities priorities and noted that the City's was home rule, CRA's, local government revenue sources and the IRL. They like priorities to have a regional and/or statewide appeal.

Councilwoman Warner felt the priorities did not change much from last year. City Manager Titkanich would forward them to Deputy Mayor O'Neil.

City Manager Titkanich asked if anyone kept their program from the NAACP banquet because there was a page about Leon and Jewel Collins.

He advised that next week the Summer Youth Program will start and there are 21 students participating. Donations of clothing are being collected at the Cocoa Community Thrift Store or in the City Clerk's office.

He thanked Councilman Whipple for bringing up an issue that was frustrating for both citizens and staff.

Councilman Whipple thanked Council for listening to his concerns.

Councilman Whipple announced that he attended the birthday celebration for Clara Bell Thompson. She received a key to the city and a proclamation. It was

well received and the food was great. He thanked the Mayor for allowing him to go in his place.

He thanked Mr. Wegerif for all of the work that he had done in various areas of the City. He was certain that Fiske Blvd. would turn out like Florida Avenue.

Councilman Whipple mentioned that Rockledge was improving the neighborhood on Rosa L. Jones by putting in new sidewalks and drainage. He felt that Cocoa needed to be on top of the projects that are being done in the City of Cocoa.

City Manager Titkanich announced that the Florida League of Cities Annual Conference is August 17-19th in Orlando. Mayor Parrish, Councilwoman Warner, Councilwoman Blanco, and Councilman Whipple would like to attend. The Voting Delegate for the conference would be Councilwoman Warner.

Councilwoman Blanco announced that she completed her three days at the Institute for Elected Municipal Officials in Tampa, June 2-4, 2017. She appreciated the City for allowing her to attend.

She mentioned that she had the opportunity to tour the Sellers WTP. She thanked Mr. Walsh and Assistant City Manager Fuhrer for taking her on the tour. It was fascinating and interesting. She also thanked staff.

Councilwoman Blanco spoke about the Port Canaveral tour that Council took with Commissioner Justice. They saw firsthand the growth and development for the future of the Port. She believed it was a great opportunity.

She further noted that despite the heavy rains, Fire Station #1 was progressing nicely.

Councilwoman Blanco touched on the topic of the issues with Washington Street and SR 520. She mentioned that this was not a district issue and that they needed to work together to resolve it. The Council can all agree that they all look at the City as a whole and are looking out for the best interest of the City. They all have a responsibility and a duty to the citizens. She was proud to be a part of the City Council.

Councilwoman Warner mentioned Council's attendance at the NAACP Freedom Fund Annual Banquet and thought it was a great program and they had a great speaker. It was nice to have it close to home.

She further mentioned the Broadmoor Acres fundraiser and that raffle tickets were still available. There are good prizes and the drawing would be July 4th via Facebook Live. They were 1 for $10 or 3 for $25.

Councilwoman Warner asked City Manager Titkanich if he would be attending the FLC meeting on June 16th. In response, he stated no due to the fact he had a conflicting meeting.

Councilwoman Warner announced that she would be attending her policy committee meeting on Friday, June 16, 2017 in Orlando, Florida.

Councilman Whipple introduced the new board member of the Diamond Square RDA, Ms. Sylvia Thomas.

Ms. Thomas thanked Council on behalf of the Central Brevard NAACP for supporting their organization

Mayor Parrish spoke about the tour at the Port and thought it was a great tour. Many of their upcoming projects will benefit the districts that they serve. He felt good about the direction that the Port was going.

He noticed that they had begun to clear the land for the Walmart project and he asked when WaWa would start. In response, Ms. Bunt mentioned that it would begin on Monday. City Manager Titkanich added that there were some environmental constraints with the property that were being dealt with.

Mayor Parrish noted his attendance at the SR 524 Corridor Study meeting and was impressed at the amount of people in attendance. It was very interactive and they were all impressed with the future growth. There were a lot of county residents who liked what they were seeing.

Deputy Mayor Boisvert asked if Aldi's was expanding. In response, Ms. Bunt noted they have not gotten any word about the Cocoa location but the one in Titusville was.

Mayor Parrish asked it was possible to get Leroy Darby to sing "God Bless the USA" at the July 4th event. He thought it would be nice to do during the introductions. City Manager Titkanich assured him that he would take his request to Leisure Services and the planning committee.

Mayor Parrish advised that the Flying J was moving along and a permit was issued for a Shell Station.

In closing, Mayor Parrish stated that he wanted the City to maintain a hometown feel and believes it is.

XI. ADJOURNMENT.

* **MOTION by Deputy Mayor Boisvert; Seconded by Councilman Whipple, to adjourn the regular meeting of June 13, 2017.**

AYES: Parrish, Boisvert, Blanco, Warner, Whipple

THE MOTION CARRIED UNANIMOUSLY (5-0)

The meeting adjourned at 8:23 p.m.

MINUTES

CITY OF COCOA
DISTRICT 2 HALL MEETING

June 20, 2017

A District 2 Town Hall Meeting was held on Tuesday, June 20, 2017 in City Council Chambers, Cocoa City Hall, 65 Stone Street, Cocoa, Florida, as publicly noticed.

I. OPENING MATTERS:

City Manager Titkanich called the meeting to order at 6:03 pm.

City Manager Titkanich introduced City Council and welcomed all. He stated that directors would be providing presentations[1] on their departments.

Present:	Henry U. Parrish III	Mayor
	Don Boisvert	Deputy Mayor
	Brenda Warner	Councilwoman
	Clarence Whipple, Jr.	Councilman
	John Titkanich, Jr.	City Manager
	Matt Fuhrer	Assistant City Manager
	Monica Arsenault	Assistant City Clerk
Absent:	Jeri Blanco	Councilwoman

City Manager Titkanich introduced staff members present:

Ed Wegerif, Public Works Director; John Hankins, Police Major; Gene Prince, Fire Chief; Jonathan Lamm, Deputy Fire Chief; Jack Walsh, Utilities Director; Nancy Bunt, Community Services Deputy Director; Tammy Gemmati, Administrative Services Director; and Samantha Senger, PR Specialist.

II. Discussion Topics

1. Department Updates

Mr. John Hankins, Police Major, presented the Cocoa Police Department's calls for service statistics from January 1, 2017 to June 14, 2017. Mr. Hankins elaborated on the new programs that the Police Department is offering in hopes of engaging the community. Mr. Hankins expressed the importance of keeping

[1] Exhibit A: District 2 Town Hall Meeting, Staff Presentations

vehicles locked at all times to prevent theft. Mr. Hankins shared various ways of contacting the Police Department via phone or social media.

Ms. Joni Bussell, a Cocoa resident, inquired about how to subscribe to a robocall list. She explained that there was an incident in her neighborhood recently involving an armed man and she wished she would have received notification as to when it was safe to leave her home.

Mr. Hankins explained that she should have automatically been enrolled in the robocall list when she purchased and installed her landline phone.

Ms. Bussell also expressed a concern regarding speeding along US 1. In response to her concern, Mr. Hankins shared that the Police Department has obtained positive results from their new Aggressive Traffic Enforcement program, which helps to reduce traffic and speeding violations. He stated that the Police Department also maintains a citizen complaint log. Police officers use this log to follow up on cases so that they may be resolved.

Mr. Gene Prince, Fire Chief, presented information regarding the services that the Cocoa Fire Department offers as well as information about the Cocoa Fire Rescue team. He shared calls for service statistics from 2014 to May of 2017, and information about the three new fire stations that will be built in the City.

He stated that Fire Station #1 is now under construction with an anticipated completion date of December 2017 and Fire Stations #2 and #3 are currently in the permitting process.

Chief Prince mentioned the 2nd Annual 9/11 Memorial Stair Climb Event that will take place on Saturday, September 9th beginning at 6pm at the Cocoa High School Stadium. Proceeds will benefit the Cocoa Community First Police Athletic League programs and the National Fallen Firefighters Foundation.

Ms. Nancy Bunt, Community Services Deputy Director, presented information about each department in the Community Services Division. She shared building permit statistics by calendar year since 2009 as well as event attendance statistics for Leisure Services by calendar year since 2009.

Ms. Bunt and City Manager Titkanich discussed some of the major projects developing in the City such the new Wawa, the Wal-Mart Distribution Center, Flying J, Dollar General, Mike Erdman Toyota, and the three new Dunkin Donuts locations.

City Manager Titkanich mentioned that an updated parking study will be conducted to validate the use of a parking garage in Cocoa Village. He also

mentioned the completion of the Florida Avenue Streetscape project and the upcoming Riverfront Connector project.

Ed Wegerif, Public Works Director, presented information regarding the relocation and construction of the three new fire stations. He discussed the three phases of the Fiske Boulevard Multi-Year Capital Project, and information regarding the completion of the Peachtree Street and Florida Avenue Streetscaping projects.

Mr. Wegerif pointed out that the City has acquired a piece of property located at the corner of Forrest Avenue and US 1 from FDOT which will be used to capture runoff from entering the Indian River Lagoon.

Additionally, he discussed the micro surfacing repaving in Broadview Manor and Carleton Terrace beginning in July or August 2017.

A Cocoa resident inquired if notices will be sent out to the residents in that area to inform the community when the repaving will commence. In response, Mr. Wegerif stated that the residents will be notified in advance.

Lastly, Mr. Wegerif shared information regarding the Broadview Manor Streetlight Renewal Program in which the City proposes a Special Assessment Program to replace old streetlights. If City Council and the community agrees, costs of replacement would be assessed to property owners.

Ms. Judy McCluney and Mr. Bill Morris, 1908 Manor Drive, Cocoa, FL, inquired about a drainage issue due to new sidewalks that were installed at US 1 near Broadview Manor. Mr. Wegerif stated that staff will follow up on the issue.

Councilwoman Warner asked Mr. Wegerif about the hundred or so feet of riverfront access that the City owns at the end of Beverly Road off of North Indian River Drive. She shared that citizens have been inquiring if they are allowed to access the river there, however, the land is overgrown with grass and weeds.

Mr. Wegerif stated that a right of way use permit may be looked into in the future as there is no money budgeted to turn the property into a public space at this time.

Councilwoman Warner stated that the property should at least be maintained in the meantime to eliminate any overgrowth. City Manager Titkanich stated that staff will need Council direction regarding the property and that a study will need to be conducted to determine the use.

Mr. Jack Walsh, Utilities Director, discussed the functions and responsibilities of the Utilities Department and all of its divisions. Mr. Walsh shared information about the City's potable water and sewer systems as well as system highlights in 2017.

Mr. Morris asked about water contamination and if there are ways to have their water checked at their home. Mr. Walsh offered to take Mr. Morris's contact information to follow up.

Ms. Teri Butler, Finance Director, shared a FY17 Budget by Classification Report through May 31, 2017. Ms. Butler explained all of the major functions by each division in the Finance Department.

Ms. Tammy Gemmati, Administrative Services Director, explained the functions and responsibilities of the City Clerk's Office and the Human Resources Division. She discussed the City's partnership with CareerSource Brevard regarding the Summer Youth Employment Program, and explained that the City of Cocoa Summer Youth Employment Program is available for all eligible Cocoa and Rockledge high school juniors and seniors that reside in the City of Cocoa limits. This program provides opportunities for students to learn about their local government and gain experience to start a successful career.

Ms. Gemmati also shared information about open job opportunities at the City and how to apply.

City Manager Titkanich mentioned the City's new mobile app which citizens can use to submit complaints, concerns, comments, or pictures. Citizens can also use the app to receive alerts, notifications and information about upcoming events. He recognized staff for their professionalism, leadership and dedication to the community.

Mayor Parrish thanked Samantha Senger, Public Relations Specialist, for recording the meeting on Facebook Live. Mayor Parrish commented on the positive growth of the City.

Councilman Whipple thanked staff for their hard work.

Councilwoman Warner thanked everyone for attending the meeting. She announced that her term, along with Mayor Parrish and Deputy Mayor Boisvert, will end in 2020 as they will not be eligible to run again for Council. She explained how to apply for Council and Board vacancies in the event that anyone in the audience would like to consider submitting an application.

III. ADJOURNMENT:

Fire Station - Relocation and Construction

Multi-year Capital Project

- FY 2015- Retained consultant for station location analysis and architect for design
- FY 2016- Final design and engineering for stations
  - Acquired sites
- FY 2017- Construction commencement Station 1
  - Station 2 and 3 to begin within one month
- FY 2018- Anticipated construction completion for all stations

Fiske Boulevard

Multi-year Capital Project

- FY 2016- Fiske Boulevard Phase 1
  - Dixon to Highland roadway resurfacing
  - Ditch piping- City Staff
    - $217,000 contractor proposal, $128K actual cost
  - LED lighting
  - Sidewalks/Storm Inlets
- FY 2017- Fiske Boulevard Phase 2
  - SR 520 to Peachtree Street
  - Highland to Peachtree Street Design and Engineering
- FY 2018- Fiske Boulevard Phase 3
  - Highland to Peachtree Street Complete Street

Peachtree Street – Complete Street

- Total cost of the project (construction/engineering) - $2,610,661
- Blake Avenue to Pineda Street
- Install water, sewer, reclaimed water and stormwater drainage system.
- Add new sidewalks, bike paths and new roadway along project.
- New “Diamond in the Square” stamped asphalt at the intersection of Fiske Boulevard and Peachtree Street.
- Completed Spring 2016

Florida Avenue – Complete Street

- Rosa L. Jones to SR 520
- $3.4 Million total project
- Install water, sewer, reclaimed water and stormwater drainage system.
- Add new sidewalks, bike paths and new roadway along project.
- Stormwater pavers on street
- AT&T stormwater pond
- Stamped sidewalk crossings
- Final construction and punch list

Forrest and US 1

- **Property Acquisition and Stormwater Pond Development**

- Property acquired from FDOT
- Capture runoff from entering the Indian River Lagoon
- Reduce development costs of fire stations 2 and 3.
- Public space for pedestrian use

Public Works Capital Projects

- District 2 Paving – “Microsurfacing” repaving in Broadview Manor and Carleton Terrace – July/August 2017
- Broadview Manor Streetlight Renewal Program – City proposes a Special Assessment Program to replace old streetlights. If City Council and community agrees, costs of replacement would be assessed to property owners.

Utilities Department

Jack Walsh, P.E.
Utilities Director

Utilities Department

The Utilities Department provides customers with drinking water that meets all federal and state water quality standards and develops, manages and maintains efficient water, waste water and reclaimed water systems.

Divisions

- Dyal Plant
- Sellers Plant
- Water Field Operations

- Sewer Collections
- Engineering
- Administration

Potable Water System

- 1,300+ miles of transmission and distribution piping
- 20,400 water valves
- 6,300 hydrants
- 83,000 meters/connections
- 280,000 residents
- 268 square miles of service area
- 22 MGD average flows
- 48 ground water wells

Sewer System

- 61 miles of gravity mains and 35 miles of force mains
- 53 lift stations
- 6,800 connections
- 11 square miles of service area
- 1.8 MGD average flows

- Reclaim Water
  - 73 miles reclaim distribution piping
  - 2,070 customers

System Highlights 2017

- Dyal
  - 5.3 Billion gallons pumped (through May)
  - 26 MGD average day flows (month of May)
- Seller Plant
  - 2.0 MGD average day flows (trending up)

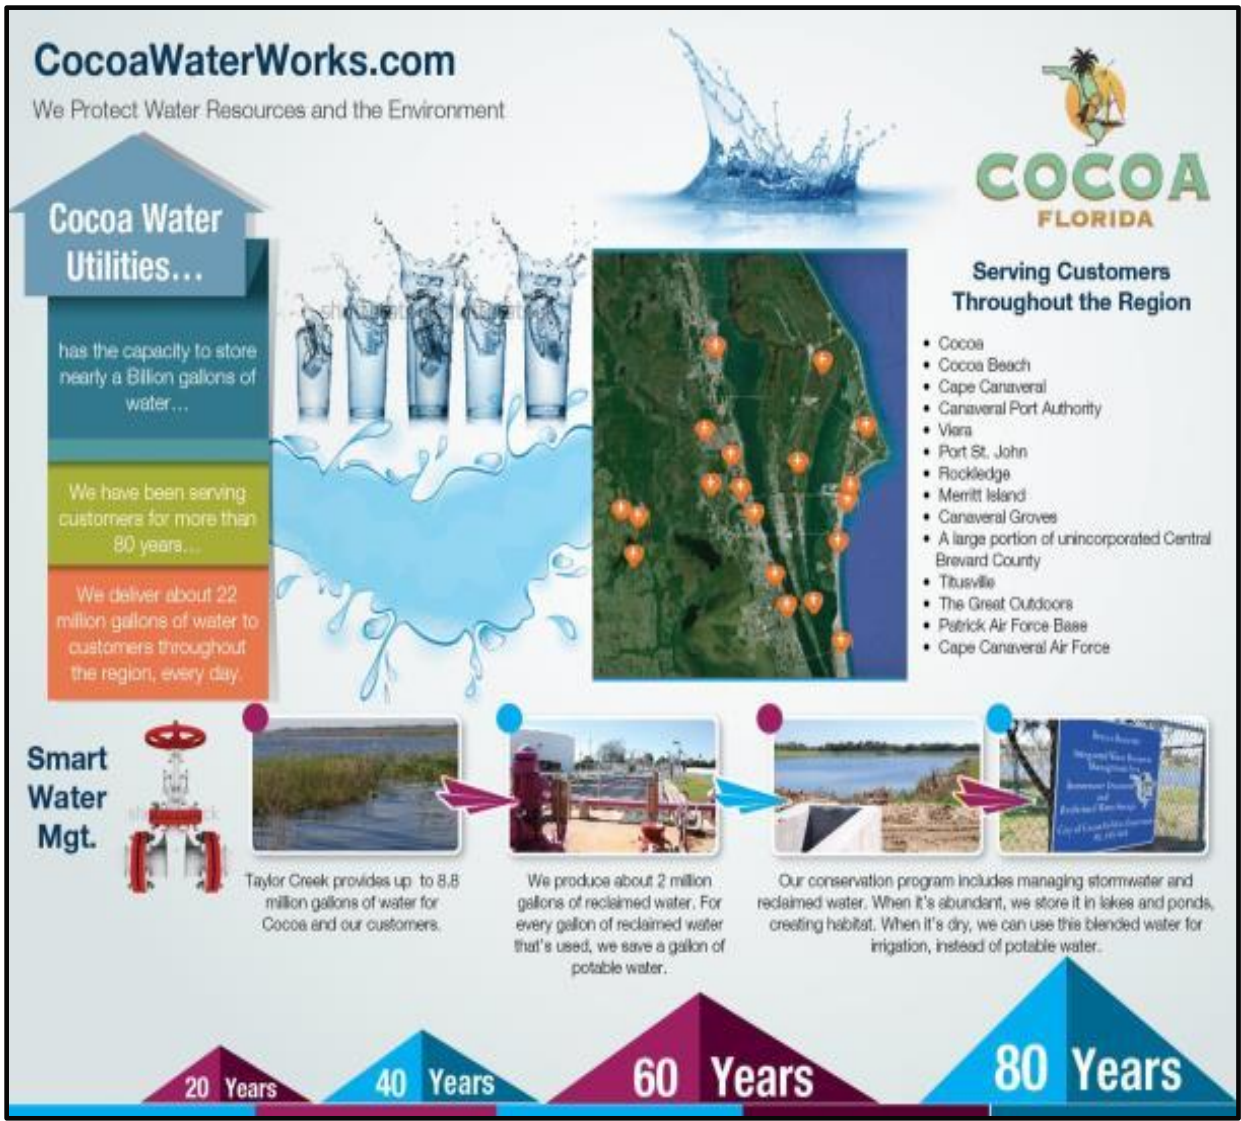

- Field Operations
  - 9,157 work orders completed to date
  - 6,417 hydrant assessments completed to date
  - 9,209 system valves assessments completed to date
  - 6,323 l.f. of gravity sewer has been slip lined to date
  - 40,000 l.f. of gravity sewer cleaned by city staff
  - Gravity Sewer Point Repairs – just underway (Maxwell)

System Highlights 2017

- Engineering
- Lift Station #4 Under Construction (School St/Fiske) 35% complete
- Peachtree East near completion (US1 to Railroad tracks) – 40% complete
- Clearwell at Dyal Project – 44% complete
- Florida/Rosa L Jones – 98% complete
- Minuteman Causeway – 98% complete
- Sellers – MCC 1-6 – 37% complete

Finance Department

Major Functions by Division

- Administration/Accounting
  - Planning and coordinating the City's annual audit
  - Preparation of the Comprehensive Annual Financial Report (CAFR)
  - Preparation of the Popular Annual Financial Report (PAFR)
  - Annual Budget and Capital Improvement Program, including TRIM compliance
  - Cash and Treasury Management
  - Debt Compliance
  - Grant Administration and Compliance
  - Annual Fire Assessment Tax Roll, review and roll out to the Property Appraiser
  - General Accounting using GAAP, GASB, Florida Statutes and City Charter
  - Internal Control/Monitoring and improvements
  - Responsible for recording and reporting all financial transactions of the City

Finance Department

Major Functions by Division

- Purchasing
  - Oversite of procurement city wide including:
  - Procurement Cards, including team training City wide
  - Requests for Purchase Orders, including team training City wide
  - Contract review and coordination with the City Attorney and vendors
  - Pre-Bid meetings and information sharing
  - Bid notifications and openings
- Administration of rules and regulations established by Charter, City Council, City Code and all pertinent local, state and federal laws
- Accounts Receivable invoicing

Finance Department

Major Functions by Division

- Customer Service/Billing
  - Quality customer service to more than 82,000 customers
  - Assisting ~ 4,000 walk-in customers monthly
  - Preparing ~ 90,000 utility bills monthly
  - Coordinate utility services with seven government or private agencies
  - Bill services for seven other government or private utility agencies monthly
  - Process ~ 200 utility refund checks monthly
  - Maintain utility rate and fee schedules
  - Collect, process and reconcile all utility payments
  - Issue work order to resolve billing discrepancies
  - Complete ~ 3,700 field work orders
  - Serve as liaison to Waste Management for Cocoa residents

Finance Department

Major Functions by Division

- Field Services
  - Reading and recording more than 82,000 water and reclaimed meters monthly
  - Maintaining meters and the easements to the meters
  - Monitor and report for illegal connections
  - Investigate water leaks, stuck meters and other irregularities
  - Provide field customer service when approached

Administrative Services Department

Tammy Gemmati

Administrative Services Director

City Clerk's Office

- Supervises and conducts all City elections.
- Serves as the repository for all official City records.
- Publishes notice of the meetings of the City Council and ensures notice of all City boards, committees and agencies.
- Prepares all agendas for the City Council and attends the Council meetings recording the proceedings of the meetings.
- Authenticates and records all ordinances and resolutions passed by the City Council.
- Processes the codification of City ordinances for maintaining and updating the Code of the City of Cocoa.

Human Resources Division

- Provides support to approximately 450 City employees and 100 retirees.
- Responsible for Human Resources functions for the City including:
  - Recruitment and selection of personnel
  - Employment policies and procedures
  - Employee and labor relations
  - Employee and retiree benefits
  - Training
  - Risk management
  - Unemployment and Workers' Compensation

MAKE A DIFFERENCE IN YOUR COMMUNITY

Many people work in local government to make a difference in their communities. Local public servants see the effects of their work in the lives of their citizens. For example, firefighters rush to vehicle crashes, grass fires and structure fires scarcely a few miles from their own homes. Each public servant plays a role in delivering the goods and services provided by local government. They can drive around their own towns and see how their efforts have benefited the lives of others.

WORK WITH THEIR NEIGHBORS

Not only can you serve your neighbors through local government service, you can work alongside your neighbors as well. Local government offers a unique opportunity to work with people you live near. For example, police officers can choose to live in the part of town they most frequently patrol. In addition to doing their duty for the reasons all other police officers do, they have a vested interest in making their parts of town the safest they can be.

DIVERSITY OF JOBS

Local government offers a vast variety of jobs. The City of Cocoa has many different position types, with all different types of skillsets and education levels.

- Engineering
- Human Resources
- Accounting/Finance
- Housing
- Economic Development
- Administrative
- Water/Wastewater Treatment Plant Operator
- Utilities/Public Works Maintenance
- Police/Law Enforcement
- Firefighters/EMT
- Communications Dispatchers
- Records Management

GENEROUS BENEFITS AND STABILITY

Stability: Unlike the private sector where companies can go out of business, the government never goes out of business. Local government is constantly changing and evolving and there will always be government jobs. There are many success stories of employees starting at the City as a Maintenance Worker I and now a member of management or a Police Officer who has risen through the ranks to Police Chief.

Benefits: The City of Cocoa offers an excellent benefit package including free health, dental, vision and life insurance to all full-time employees with convenient access to an Employee Health Center for no cost primary medical care. Retirement plan options, depending on your position, such as Florida Retirement System (FRS) and Police/Fire Defined Benefit Pension Plans. There are also optional benefits of Deferred Compensation Retirement Plans and eligibility for education reimbursement.

Time off: The City offers paid time off with vacation and sick leave. Additionally, Federal holidays are observed.

CITY COUNCIL AGENDA ITEM

Memo Date: June 26, 2017
Agenda Date: July 11, 2017
Prepared By: Kristoffer N. Smith, E.I., Utilities Engineer I
Through: John. A Walsh, P.E., Utilities Director
Requested Action:
To approve a bilateral modification to extend the term of the Continuing Services Agreement (CSA) with Bussen-Mayer Engineering Group, Inc. and Quentin L. Hampton Associates, Inc. for all necessary tasks associated with Engineering Services for Design, Permitting and Services during Construction of the Utility Conveyance System Upgrades & Expansion projects

BACKGROUND:

On February, 13, 2012, staff advertised RFQ # Q-12-06-COC, Engineering Services for Design, Permitting, and Services during Construction of Utility Conveyance Systems Upgrades and Expansion and received fifteen written responses.

On May 8, 2012, City Council approved the final ranking of the short listed firms for RFQ # Q-12-06-COC and authorized the City Manager and City Attorney to negotiate a contract for services with Bussen -Mayer Engineering Group, Inc., Quentin L. Hampton Associates, Inc., and Wade Trim, Inc.

The contract entered into on June 12, 2012, was for three years with the option to extend the term for two additional one-year terms with the same terms and conditions, which were approved by Council on April 28, 2015 and June 28, 2016. The contract expired on June 11, 2017.

Under the terms of RFQ-12-06-COC, the City reserves the right to extend the Continuing Services Agreement beyond the period outlined under the terms of the Agreement if the City Council determines that extension is required based upon public necessity to complete a pending task or tasks (such as permitting and construction services) related to this RFQ. Four (4) projects remain to be completed under this RFQ.

Staff recommends modifying the term of the Continuing Services Agreement with Bussen-Mayer Engineering Group, Inc. and Quentin L. Hampton Associates, Inc. for the Engineering Services for Design, Permitting and Services during Construction of the Utility Conveyance System Upgrades & Expansion, allowing for completion of the final tasks associated with four existing projects as outlined in the attached Table 1. This extension is limited to the four projects for consideration and to Bussen-Mayer and Quentin L. Hampton only, and will not apply to any additional projects. It is difficult to predict the construction duration of projects, however staff anticipates that the contract extension through the duration of the listed projects may be 24 to 36 months, depending on the specific project.

A new RFQ for Engineering Services for Design, Permitting and Services during Construction is expected to be advertised in FY2017. The projects which are underway are intended to remedy issues such as aging and failing water lines, insufficient water and fire service pressure, and a redundancy for a single point of failure. Not extending said contract would delay the completion of the projects in progress while new engineering firms are vetted, contracted and have time to analyze and recertify existing designs, all at greater expense to the City. Additionally, per Chapter 61G15-27 of the Florida Administrative Code, the new Engineer would need to recreate all work done by the original Engineer, with those costs passed on as an additional expense to the City.

Staff recommends approval of bilateral modification to extend the term of the Agreement with Bussen -Mayer Engineering Group, Inc. and Quentin L. Hampton Associates, Inc. to allow for completion of all necessary tasks associated with projects for consideration in Table 1.

PREVIOUS ACTION:

On February, 13, 2012, staff advertised RFQ # Q-12-06-COC, Engineering Services for Design, Permitting, and Services during Construction of Utility Conveyance Systems Upgrades and Expansion and received fifteen written responses.

On May 8, 2012, City Council approved the final ranking of the short listed firms for RFQ # Q-12-06-COC and authorized the City Manager and City Attorney to negotiate a contract for services with Bussen -Mayer Engineering Group, Inc., Quentin L. Hampton Associates, Inc., and Wade Trim, Inc.

The agreement entered into on June 12, 2012, was for three years with the option to extend the term for two additional one -year terms with the same terms and conditions, which were approved by Council on April 28, 2015 and June 28, 2016.

RECOMMENDED MOTION:

To approve a bilateral modification to extend the term of the Continuing Services Agreement (CSA) with Bussen-Mayer Engineering Group, Inc. and Quentin L. Hampton Associates, Inc. for all necessary tasks associated with Engineering Services for Design, Permitting and Services during Construction of the Utility Conveyance System Upgrades & Expansion projects.

TABLE 1

Projects Requiring Extension to Continuing Services Agreement RFQ # Q-12-06-COC

Contractor	Project	Current Authorized Task Orders with Remaining Balances	Future Tasks
Bussen-Mayer Engineering Group, Inc.	WS-17-MI - Michigan Avenue Force Main Extension (US 1 to Clearlake Rd)	2017-29 $69,760	Bidding Services, Construction Services (Costs TBD)
Bussen-Mayer Engineering Group, Inc.	WS-13-09 - SR 520 Watermain Replacement (Forrest Ave to Delannoy Ave)	2017-31 $20,090	Construction Services (Cost TBD)
Bussen-Mayer Engineering Group, Inc.	WS-14-31 - North Tropical Trail Looping Improvements	2017-32 $24,370	Construction Services (Cost TBD)
Quentin L. Hampton Associates, Inc.	WS-16-MM - Marlin Manor & Pluckebaum Road Watermain Improvements	None	Update 100% Design, Permitting Services, Bidding Services, Construction Services (Costs TBD)

REQUEST FOR ADDITIONAL INFORMATION/CLARIFICATION: The Respondent shall furnish such additional information/clarification as the City may reasonably require. This includes, but is not limited to, information that indicates financial resources as well as the ability to provide and maintain the services requested. The City reserves the right to make investigations of the qualifications of the Respondent as it deems appropriate including, but not limited to, a background investigation of service personnel to be conducted by the City of Cocoa Police Department or its designees.

TERMS: Contracts awarded and entered into under this RFQ shall be project or task based, subject to deadlines mutually agreed to by the parties. Therefore, the Contract term will be based on the tasks assigned under the Contract for the Utilities Conveyance Projects and shall be subject to the City's right to terminate the Contract for cause or convenience. The term of the Contract will not exceed three (3) years with up to two (2) one year renewals. However, the City will reserve the right to extend the Contract beyond that period if the City Council determines that extension is required based upon public necessity to complete a pending task related to this RFQ.

STANDARD INSURANCE REQUIREMENTS

All qualified firms MUST provide written proof of insurance and demonstrate that they maintain all applicable insurance coverage as specified below as a condition precedent to contracting with, and performing any work for, the City of Cocoa. **Copies of all applicable current insurance certificates must be attached to the Respondent's submittal.**

Excluding professional liability policies which prohibit naming the City as an additional named insured, the Certificate of Insurance must be made to the City of Cocoa, 65 Stone St., Cocoa, FL 32922 and should reference the operation and name the City as an additional insured.

Prior to renewal, non-renewal, cancellation, or change or modification of any insurance policy, at least 30 days advance written notice shall be given to the City of Cocoa.

All Certificates of insurance shall be approved by the City **prior** to the commencement of any work. Minimum coverage with limits and provisions are as follows:

LIABILITY INSURANCE

1. COMMERCIAL GENERAL LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR CONTRACTS VALUED AT LESS THAN $15,000:

It is required that individuals and firms Contracting with the City of Cocoa, where the total contract or job value is LESS than $15,000, maintain Commercial General Liability insurance with a minimum per occurrence limit of not less than $200,000 and with a deductible amount not greater than $5,000. It is further required that the City of Cocoa be named as an additional insured to the Consultant's CGL policy, and that proof of same in the form of a certificate of insurance be submitted before work is begun.

2. COMMERCIAL GENERAL LIABILITY INSURANCE MINIMUM REQUIREMENTS FOR CONTRACTS VALUED AT $15,000 OR MORE:

It is required that individuals and firms contracting with the City of Cocoa, where the total Contract or job value is $15,000 or MORE, maintain Commercial General Liability insurance with a minimum per occurrence limit of not less than $1,000,000.00 and with a deductible not greater than $5,000. It is further required that the City of Cocoa be named as an additional insured to the Consultant's CGL policy, and that proof of same in the form of a certificate of insurance be submitted before work is begun.

CITY COUNCIL AGENDA ITEM

Memo Date: June 20, 2017
Agenda Date: July 11, 2017
Prepared By: Charlene Neuterman, Project Manager
Through: Everett J. Wegerif, P.E., Public Works Director
Requested Action:
Approve a resolution to adjust the FY2017 Budget and participate in a cooperative purchase agreement for the purchase of three generators from Tradewinds Power Corp. utilizing Florida Sheriff's Association Contract # FSA 16-VEH14.0, Spec#70 for Cab & Chassis Trucks and Other Fleet Equipment; effective dates - October 1, 2016 through September 30, 2017. Generators will be purchased under project numbers CP16F1 (Fire #1 Headquarters Administration), CP16F2 (Fire #2 Brunson Station), CP16F3 (Fire #3 SR 524 Station).

BACKGROUND:

The three new fire stations being constructed by the City require generators to keep the facilities operational during storm events or other local emergencies where power is not available. Staff is requesting approval to purchase these three generators utilizing FSA Contract # FSA16-VEH14.0,

Spec#70 rather than purchasing them as an Owner Direct Purchase through W&J Construction. By purchasing under the State FSA Contract, the City will save money and not pay sales tax on the generators. This savings can be repurposed back into the construction of the fire stations. W&J Construction will install the generators after purchase and delivery of the equipment.

Generators to purchase:

Fire #1 Headquarters Administration (CP16F1) - Model TJ125 - 200 kw Natural Gas and ATS (Automatic Transfer System) - **Cost $85,387**

Fire # 2 (Brunson Station) (CP16F2) - Model TJ125 - 150 kw Natural Gas and ATS - **Cost $64,389**

Fire # 3 (SR 524 Station) (CP16F3) - Model TJ125 - 150 kw Natural Gas and ATS - **Cost $64,389**

The generators are included in the Fire Station Construction budgets for FY 2017 and will be purchased prior to September 30, 2017.

Staff recommends approval for the budget amendment and purchase of the three generators for each of the three fire stations.

P.O. Box 12519 • Tallahassee, Florida 32317-2519
p: (850) 877-2165
f: (850) 878-8665
www.flsheriffs.org

DATE: October 1, 2016

TO: ALL PROSPECTIVE PARTICIPANTS

FROM: Steve Casey, Executive Director; Peggy Goff, Deputy Executive Director; Drew Terpak, Business Operations Manager; Annette Grissom, Cooperative Bid Coordinator

RE: Bid Number: FSA16-VEH14.0 Cab & Chassis Trucks & Other Fleet Equipment

We are pleased to announce that the Florida Sheriffs Association and the Florida Association of Counties has successfully conducted its 14th statewide competitive bid for vehicles and heavy equipment which includes trucks, backhoes, motorgraders, agriculture type tractors, skid steer loaders, street sweepers, generators, and light towers. This contract is effective beginning October 1, 2016 through September 30, 2017, as long as vehicles are available through fleet.

Bids will be extended and guaranteed to any and all units of local governments/political subdivisions including but not limited to county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida, and the state universities and colleges. In addition, bids will be extended and guaranteed to any other entities approved by manufacturers to participate in this contract. The participating agencies cannot guarantee any order other than those ordered through each individual agency.

All agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All awarded Vendors/Dealers are governed by their manufacturer's agreement.

Out of State Sales are permitted under this contract however, again ALL agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All contractor/dealers are governed by their manufacturer's agreement. All contractor/dealers referencing this contract for the purpose of facilitating sales (purchase authority) outside the State of Florida must accept the terms and conditions of this contract.

In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at fleet@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.

CONTRACT ORDERING INSTRUCTIONS

All interested parties who wish to purchase from this contract may do so by following these simple procedures:

1. Contact the awarded dealership listed in the zone from which you wish to purchase and advise them of your interest to purchase from **Bid No. FSA16-VEH14.0**. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program. You can only purchase from a dealer who is listed as a winner of one of the four zones for the vehicle you wish to purchase. However, you may purchase from any awarded dealer within any zone (additional delivery fees may apply).

   Agencies ordering a Ford, General Motors, Chysler, or Toyota product, please be advised that you must use the appropriate FIN Code/FAN Code for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN Code/FAN Code as a secondary number. For further assistance call the Fleet Customer Information Center for your appropriate manufacturer.

Manufacturer	**Type Code**	**FSA Code**	**Fleet Center Contact Numbers**
Ford	FIN Code	QE065	1-800-34-FLEET (1-800-343-5338)
General Motors	FAN Code	917872	1-800-FLEET OP (1-800-353-3867)
Chrysler	FAN Code	48830	1-800-999-FLEET (1-800-999-3533)
Toyota	FIN Code	GE159	1-800-732-2798

2. Basic information required on all purchase orders is listed in this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. NOTE: The agency is responsible for obtaining a "Confirmation of Order" from the respective dealership. Dealers are required to complete a "Confirmation of Order" and send it to the purchaser within fourteen (14) calendar days after receipt of purchase order. Purchasers are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time.

   Purchasers are reminded that the issuance of a purchase order does not in itself guarantee the placement of an order.

   The purchase order should include FSA's Contract Number FSA16-VEH14.0 as well as the specification number, make and model of each item purchased. Please attach the dealer quote when available.

3. **Purchasers must send a copy of the original purchase order sent to the participating dealer in pdf format to: COOP@flsheriffs.org.**

4. Dealers have already included a three-quarter of one percent (.0075) administrative fee in their base pricing and all add options that are listed. Dealers' quotes to purchasers should not include the FSA administrative fee indicated as a separate line item on any purchase order.

   No other administrative fee(s) will be applicable to any transaction relative to the contract.

5. In order to ensure quality service for our user agencies, we are requesting that you notify the Florida Sheriffs Association, in writing, regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at fleet@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.

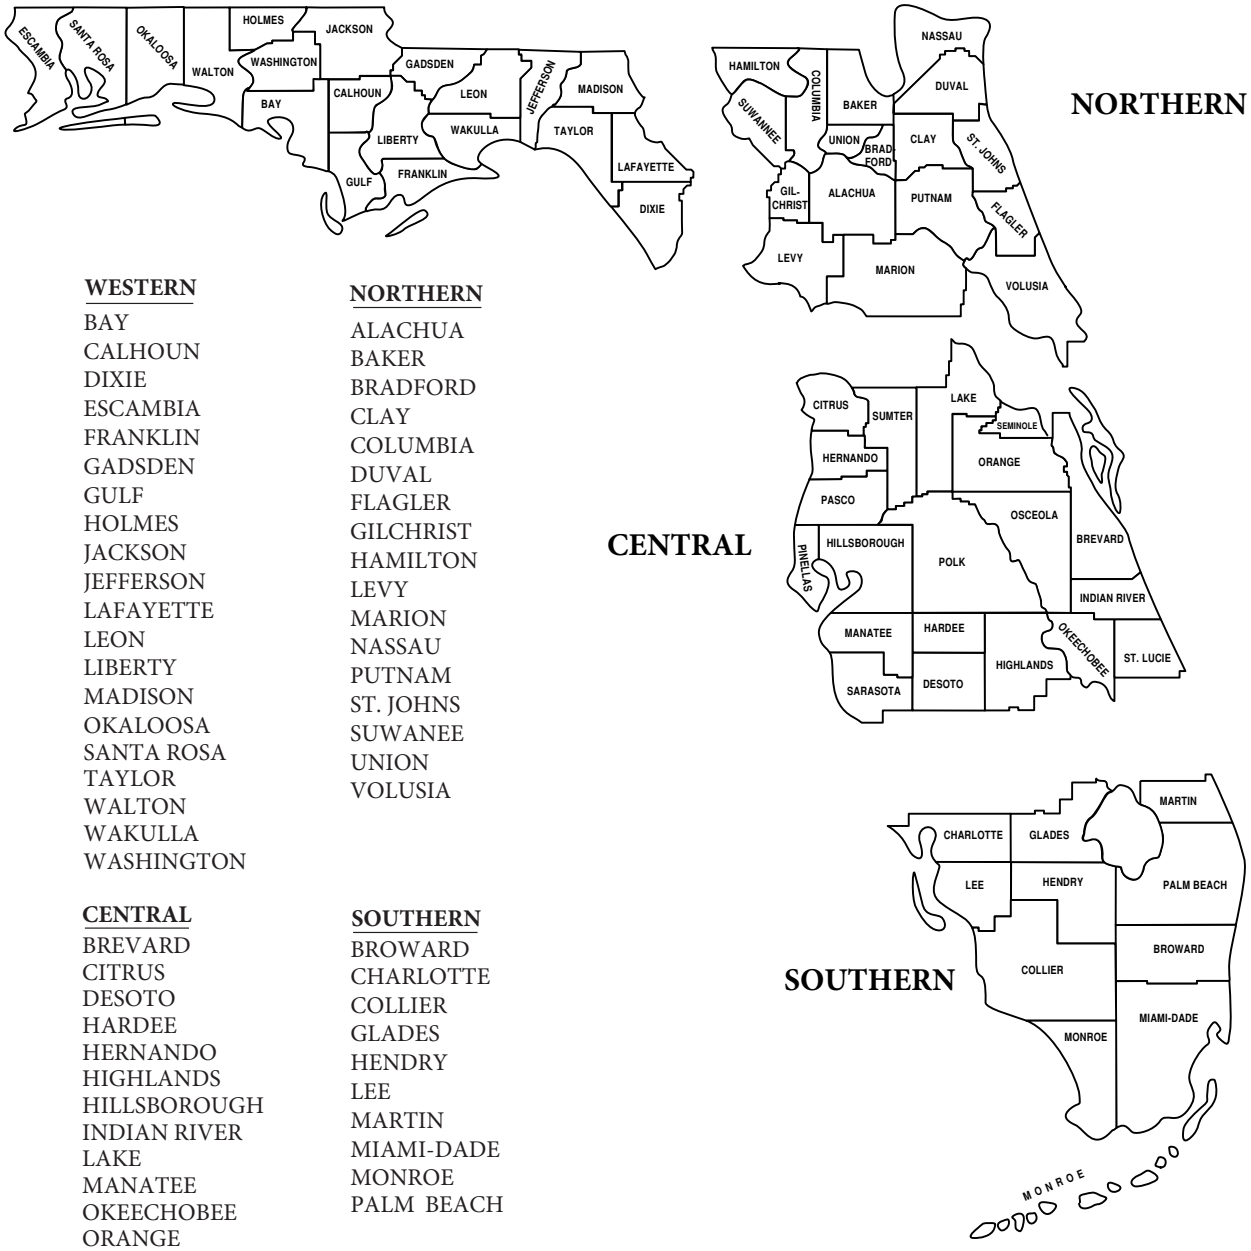

6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific zone. Superscripts will be numbered between 1 and 4, and will correspond as follows:

   1 = Western zone dealer 2 = Northern zone dealer

   3 = Central zone dealer 4 = Southern zone dealer

   If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numeric number that applies to their awarded zones. For example: If a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.

    f. Minimum tow capacity 800 lbs

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

OFF-ROAD ALL TERRAIN VEHICLES - 4 WHEEL DRIVE
SPECIFICATION #1

2017 Honda Four Trax Foreman 500 (TRX500FA5H)

The Honda Four Trax Foreman 500 (TRX500FA5H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$8,044.00	$7,899.00	$7,742.00	$7,745.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

OFF-ROAD ALL TERRAIN VEHICLES - 4 WHEEL DRIVE
SPECIFICATION #1

2017 Polaris Sportsman 570 EFI (A17SEA57A1)

The Polaris Sportsman 570 EFI (A17SEA57A1) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	Central	Southern
BASE PRICE:	$6,698.00	$6,575.00	$6,488.00	$6,568.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

OFF-ROAD UTILITY VEHICLES - 4 WHEEL DRIVE
SPECIFICATION #2

2017 Honda Pioneer 700 (SXS700M2H)

The Honda Pioneer 700 (SXS700M2H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$10,200.00	$10,039.00	$9,864.00	$9,874.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

OFF-ROAD UTILITY VEHICLES - 4 WHEEL DRIVE
SPECIFICATION #2

2017 Kubota Diesel (RTVX900)

The Kubota Diesel (RTVX900) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$9,650.00	$9,550.00	$9,365.00	$9,689.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 Jacobsen Truckster EV
2017 Polaris Ranger EV (R17RMAE4G8)

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. DIMENSIONS (APPROXIMATE)
    a. Length: 115"
    b. Height: 51"
    c. Width: 56"
    d. Wheel Base 79"
    e. Curb Weight 1500 lbs.
    f. GVW 2900 lbs.
2. POWER:
    a. 7 HP Electric Motor
    b. 48 Volt
    c. 8-6 Volt Heavy Duty Batteries
3. TRANSMISSION/AXLE:
    a. Enclosed internally lubricated differential/transaxle
4. CHASSIS/STEERING/SUSPENSION
    a. 1250 lbs. towing capacity
    b. 2900 lbs. GVW
    c. Frame Type Chassis
    d. Suspension matched for GVW of vehicle
5. TIRES AND WHEELS:
    a. Off/on road type tires
    b. Wheels rated for GVW of vehicle
    c. Tires to be traction type rated for GVW of vehicle
6. PERFORMANCE:
    a. 45 mile range
    b. 19 MPH minimum
7. BRAKES:
    a. Manual parking brake

b. Disc or drum type
c. 2 or 4 wheel breaks

8. BODY:

a. Rear mounted hitch for towing 2"
b. Pick-up type box with sides and tailgate
c. 2 passenger seating

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

ELECTRIC UTILITY VEHICLE
SPECIFICATION #3

2017 Jacobsen Truckster EV

The Jacobsen Truckster EV purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$11,007.00	$11,007.00	$11,007.00	$11,007.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #4

2017 Ford F-350 (F3G)

The Ford F-350 (F3G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$21,351.00	$21,351.00	$21,351.00	$21,351.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Vendor must demonstrate a discount percentage off of the MSRP or Published Price for non-scheduled options and any optional models bid. This discount only applies to a downgrade/upgrade to the model listed within the specification.

99T [1]	Engine upgrade - specify *6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel B20/TorqShift® Six-Speed Automatic w/SelectShift® Automatic (6R140)* [1]	$8,594.00[1]
98R [1]	Engine upgrade - specify *Operator Commanded Regeneration with Active regeneration Inhibit (req. 99T). The DPF requires periodic maintenance, called regeneration, for proper diesel emissions control. The vehicle will automatically initiate this maintenance process with a Passive or Active Regeneration depending on the operational use and how much it is driven at speeds above 30 mph. The vehicle may be equipped with Operator Commanded Regeneration (OCR) designed for applications where the vehicle is rarely, if ever, driven above 15–20 mph.* [1]	$249.00[1]
98F [1]	Bi-fuel model - specify *CNG/Propane GASEOUS ENGINE PREP Requires: 6.2L Gas Engine Includes Hardened Engine Intake Valves and Valve Seats, Bi-Fuel intake manifold, NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped with the standard factory gasoline fuel system. Additional equipment combined with Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: www.ford.com/altfuelbuyersguide. FMCo does not provide an exhaust or evaporative emissions certificate with this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply with all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, or subsequent stage manufacturer) to determine compliance.* [1]	$314.00[1]
98F [1]	CNG prep - specify *CNG/Propane GASEOUS ENGINE PREP Requires: 6.2L Gas Engine Includes Hardened Engine Intake Valves and Valve Seats, Bi-Fuel intake manifold, NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped with the standard factory gasoline fuel system. Additional equipment combined with Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: www.ford.com/altfuelbuyersguide. FMCo does not provide an exhaust or evaporative emissions certificate with this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply with all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, or subsequent stage manufacturer) to determine compliance.* [1]	$314.00[1]
CNG [1]	CNG conversion (discuss with dealer) ** REQUIRES 6.2L V8 Engine, AND 98F; includes freight transfer * SULEV Systems, OBD - II Compliant CARB & EPA Certified,Dedicated and Bi-Fuel Systems Available , In-Bed and Underbody Packages Available, Standard CNG Systems 24 GGE* [1]	$11,850.00[1]

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #4

2017 GMC Sierra 3500 HD (TC36003)

The GMC Sierra 3500 HD (TC36003) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$24,471.00	$23,971.00	$23,471.00	$24,471.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #4

2017 Ram 3500 (DD3L63)

The Ram 3500 (DD3L63) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$24,410.00	$24,335.00	$24,365.00	$24,335.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 GMC Sierra 3500 HD (TK36003)
2017 Ram 3500 (DD8L63)

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Manufacturer's standard gas engine, alternator, battery and cooling package.
2. TRANSMISSION/AXLES:
    a. Manufacturer's standard automatic transmission.
    b. Manufacturer's standard drive axle ratio for engine and transmission combination.
    c. Manufacturer's standard transfer case
    d. Limited slip differential on rear axles
3. PERFORMANCE ITEMS:
    a. Manufacturer's standard power steering.
    b. Manufacturer's standard gauges.
4. COMFORT ITEMS:
    a. Manufacturer's standard air conditioning with 134A system.
    b. Manufacturer's standard tinted glass all around.
    c. Manufacturer's standard AM/FM stereo.
    d. Heavy duty rubber floor covering instead of carpet.
    e. Manufacturer's standard production seats. Purchaser will select color at time of order.
    f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
5. SAFETY ITEMS:
    a. Dual mount outside mirrors to provide field of vision for vehicles to 96" wide.
    b. Interior dome lights with left and right door activated switches.
    c. Manufacturer's standard air bags.
6. BRAKES:
    a. Four wheel anti-lock brake ABS system.
7. TIRES AND WHEELS:
    a. Manufacturer's standard tires and wheels.

8. CHASSIS, FRAME, CAB:

a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
b. Manufacturer's standard fuel tank.
c. Manufacturer's standard bumper.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #5

2017 Chevrolet Silverado 3500 HD (CK36003)

The Chevrolet Silverado 3500 HD (CK36003) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$25,840.00	$25,440.00	$25,640.00	$26,150.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #5

2017 Ford F-350 (F3H)

The Ford F-350 (F3H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$25,328.00	$25,328.00	$25,328.00	$25,328.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Vendor must demonstrate a discount percentage off of the MSRP or Published Price for non-scheduled options and any optional models bid. This discount only applies to a downgrade/upgrade to the model listed within the specification.

99T [1]	Engine upgrade - specify *6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel B20/TorqShift® Six-Speed Automatic w/SelectShift® Automatic (6R140)* [1]	$8,594.00[1]
98R [1]	Engine upgrade - specify *Operator Commanded Regeneration with Active regeneration Inhibit (req. 99T). The DPF requires periodic maintenance, called regeneration, for proper diesel emissions control. The vehicle will automatically initiate this maintenance process with a Passive or Active Regeneration depending on the operational use and how much it is driven at speeds above 30 mph. The vehicle may be equipped with Operator Commanded Regeneration (OCR) designed for applications where the vehicle is rarely, if ever, driven above 15–20 mph.* [1]	$249.00[1]
98F [1]	Bi-fuel model - specify *CNG/Propane GASEOUS ENGINE PREP Requires: 6.2L Gas Engine Includes Hardened Engine Intake Valves and Valve Seats, Bi-Fuel intake manifold, NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped with the standard factory gasoline fuel system. Additional equipment combined with Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: www.ford.com/altfuelbuyersguide. FMCo does not provide an exhaust or evaporative emissions certificate with this option when converted to use CNG or Propane fuel. Ford does not represent that a vehicle converted to use CNG or Propane will comply with all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, or subsequent stage manufacturer) to determine compliance.* [1]	$314.00[1]
98F [1]	CNG prep - specify *CNG/Propane GASEOUS ENGINE PREP Requires: 6.2L Gas Engine Includes Hardened Engine Intake Valves and Valve Seats, Bi-Fuel intake manifold, NOTE: This package does not include CNG/Propane fuel tanks, lines, etc. Vehicle will be equipped with the standard factory gasoline fuel system. Additional equipment combined with Certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/Propane fueled vehicle. See Alternative Fuel Buyers Guide: www.ford.com/altfuelbuyersguide. FMCo does not provide an exhaust or evaporative emissions certificate with this option when converted to use CNG or Propane fuel. FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #5

2017 GMC Sierra 3500 HD (TK36003)

The GMC Sierra 3500 HD (TK36003) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$26,762.00	$26,262.00	$25,762.00	$26,762.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

1 TON CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #5

2017 Ram 3500 (DD8L63)

The Ram 3500 (DD8L63) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$24,139.00	$24,064.00	$24,053.00	$24,064.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

TILT CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #6

2017 Isuzu NF154

The Isuzu NF154 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$36,799.00	$36,799.00	$36,799.00	$36,799.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

TILT CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #6

2017 Kenworth K270

The Kenworth K270 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$68,416.00	$68,166.00	$70,969.00	$71,462.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

TILT CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #6

2017 Mitsubishi FE130

The Mitsubishi FE130 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$36,499.00	$36,499.00	$36,499.00	$36,499.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

15,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #7

2017 Ford F-450 (F4G)

The Ford F-450 (F4G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$33,800.00	$33,800.00	$33,800.00	$33,800.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

15,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #8

2017 Ford F-450 (F4H)
2017 Ram 4500 (DP9L63)

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:

    a. Manufacturer's standard diesel engine.
    b. Maintenance free heavy duty battery
    c. Manufacturer's heavy duty engine cooling.
    d. Heavy duty alternator

2. TRANSMISSION/AXLES:

    a. Manufacturer's standard automatic transmission
    b. Manufacturer's standard drive axle ratio for engine and transmission combination.
    c. Manufacturer's standard transfer case
    d. Limited slip differential on rear axles

3. PERFORMANCE ITEMS:

    a. Heavy duty front and rear shocks.
    b. Manufacturer's standard gauges.
    c. Manufacturer's standard power steering.

4. COMFORT ITEMS:

    a. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
    b. Vinyl seating with head rests to accommodate 3 passengers. Purchaser will select color at time of order.
    c. Heavy duty rubber floor covering instead of carpet.
    d. Manufacturer's standard AM/FM stereo.
    e. Manufacturer's standard tinted glass all around.
    f. Air conditioning, factory installed.

5. SAFETY ITEMS:

    a. Air bags for driver and right front passenger, if available.
    b. Interior dome lights with left and right door activated switches.
    c. Dual mount outside mirrors must provide a field of vision for vehicles to 96" width, and for towing.

6. BRAKES:

    a. Rear anti-lock brakes, minimum.

7. TIRES AND WHEELS:

a. BSW all season tread radial, 19.5" heavy duty truck tires.

8. CHASSIS, FRAME, CAB:

a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
b. Cab & chassis only.
c. Minimum 15,000 lbs. GVWR.
d. Cab to center of rear axle - 60" approximately.
e. Manufacturer's standard front bumper, bright or painted.
f. Fuel tank capacity, 25 gallons minimum.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

15,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #8

2017 Ford F-450 (F4H)

The Ford F-450 (F4H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$36,675.00	$36,675.00	$36,675.00	$36,675.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

15,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #8

2017 Ram 4500 (DP9L63)

The Ram 4500 (DP9L63) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$40,069.00	$39,994.00	$39,937.00	$39,994.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #9

2017 Ford F-550 (F5G)

The Ford F-550 (F5G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$34,775.00	$34,775.00	$34,775.00	$34,775.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #9

2017 Kenworth T170

The Kenworth T170 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$65,784.00	$65,534.00	$67,950.00	$66,350.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #9

2017 Peterbilt 325

The Peterbilt 325 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$66,101.00	$66,101.00	$66,101.00	$65,034.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #10

2017 Ford F-550 (F5H)
2017 Freightliner M2
2017 Ram 5500 (DP0L63)

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:

    a. Diesel engine, minimum 190 HP
    b. Maintenance free heavy duty battery
    c. Manufacturer's heavy duty engine cooling.
    d. Heavy duty alternator

2. TRANSMISSION/AXLES:

    a. Manufacturer's standard automatic transmission
    b. Manufacturer's standard drive axle ratio for engine and transmission combination.
    c. Manufacturer's standard transfer case
    d. Limited slip differential on rear axles

3. PERFORMANCE ITEMS:

    a. Manufacturer's standard power steering.
    b. Manufacturer's standard gauges.
    c. Heavy duty front and rear shocks.

4. COMFORT ITEMS:

    a. Air conditioning, factory installed.
    b. Manufacturer's standard tinted glass all around.
    c. Manufacturer's standard AM/FM stereo.
    d. Heavy duty rubber floor covering instead of carpet.
    e. Vinyl seating with head rests to accommodate 3 passengers. Purchaser will select color at time of order.
    f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

    a. Dual mount outside mirrors must provide a field of vision for vehicles to 96" width, and for towing.
    b. Interior dome lights with left and right door activated switches.
    c. Air bags for driver and right front passenger, if available.

6. BRAKES:

    a. Rear anti-lock brakes, minimum.

17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #10

2017 Ford F-550 (F5H)

The Ford F-550 (F5H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$37,650.00	$37,650.00	$37,650.00	$37,650.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X4
SPECIFICATION #10

2017 Ram 5500 (DP0L63)

The Ram 5500 (DP0L63) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$40,524.00	$40,449.00	$40,412.00	$40,449.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Diesel engine, minimum 200 HP
2. TRANSMISSION/AXLES:
    a. All axles, synthetic lube.
    b. Manufacturers standard automatic transmission or approved equivalent (with PTO provision).
    c. 17,500 lb. rear axle
3. PERFORMANCE ITEMS:
    a. Manufacturer's standard power steering.
    b. Manufacturer's standard gauges.
4. COMFORT ITEMS:
    a. Air conditioning, factory installed.
    b. Manufacturer's standard tinted glass all around.
    c. Manufacturer's standard AM/FM stereo.
    d. Heavy duty rubber floor covering instead of carpet.
    e. Manufacturer's standard production seats. Purchaser will select color at time of order.
    f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
5. SAFETY ITEMS:
    a. Dual mount outside mirrors must provide a field of vision for vehicles to 102" width, and for towing.
    b. Convex mirrors mounted below standard mirrors.
    c. Interior dome lights with left and right door activated switches.
6. BRAKES:
    a. Factory air brakes
    b. Anti-lock brake system
7. TIRES AND WHEELS:

a. BSW 11R22.5 (14 PR) or approved equivalent, front and rear.
b. Oil bath hubs, with synthetic lube.

8. CHASSIS, FRAME, CAB:

a. Minimum 25,500 lbs. GVWR.
b. Cab & chassis only.
c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
d. Manufacturer's standard front bumper, bright or painted.
e. Factory front tow hooks.
f. Fuel tank capacity, 45 gallons minimum.
g. Cab to center of rear axle - 84" approximately.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 Hino 268A

The Hino 268A purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$60,969.00	$60,969.00	$60,969.00	$60,969.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 Ford F-650 (F6D)

The Ford F-650 (F6D) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$47,250.00	$47,250.00	$47,250.00	$47,250.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 Freightliner M2

The Freightliner M2 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$50,685.00	$50,685.00	$50,685.00	$50,685.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 International Durastar

The International Durastar purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$60,400.00	$59,400.00	$58,995.00	$58,611.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 Kenworth T270

The Kenworth T270 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$67,864.00	$67,614.00	$68,680.00	$68,290.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

25,500 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #11

2017 Peterbilt 330

The Peterbilt 330 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$73,003.00	$73,003.00	$73,003.00	$71,879.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Hino 338
2017 Ford F-750 (F7D)
2017 Freightliner M2
2017 International Durastar
2017 Kenworth T370
2017 Peterbilt 337
2017 Western Star 4700

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Diesel engine, minimum 200 HP
2. TRANSMISSION/AXLES:
    a. Manufacturers standard automatic transmission (with PTO provision) minimum, or approved equivalent.
    b. 21,000 lb. rear
    c. All axles, synthetic lube.
3. PERFORMANCE ITEMS:
    a. Manufacturer's standard power steering.
    b. Manufacturer's standard gauges.
4. COMFORT ITEMS:
    a. Air conditioning, factory installed.
    b. Manufacturer's standard tinted glass all around.
    c. Manufacturer's standard AM/FM stereo.
    d. Heavy duty rubber floor covering instead of carpet.
    e. Manufacturer's standard production seats. Purchaser will select color at time of order.
    f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
5. SAFETY ITEMS:
    a. Dual mount outside mirrors must provide a field of vision for vehicles to 102" width, and for towing.
    b. Convex mirrors mounted below standard mirrors.
    c. Interior dome lights with left and right door activated switches.
6. BRAKES:
    a. Factory air brakes
    b. Anti-lock brake system

7. TIRES AND WHEELS:

   a. BSW 11R22.5 (14 PR) or approved equivalent, front and rear.
   b. Oil bath hubs, with synthetic lube.

8. CHASSIS, FRAME, CAB:

   a. Minimum 30,000 lbs. GVWR.
   b. Cab & chassis only.
   c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
   d. Manufacturer's standard front bumper, bright or painted.
   e. Factory front tow hooks.
   f. Fuel tank capacity, 45 gallons minimum.
   g. Cab to center of rear axle - 84" approximately.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Hino 338

The Hino 338 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$61,940.00	$61,940.00	$61,940.00	$61,940.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Ford F-750 (F7D)

The Ford F-750 (F7D) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$47,250.00	$47,250.00	$47,250.00	$47,250.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Freightliner M2

The Freightliner M2 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$39,720.00	$39,720.00	$39,720.00	$39,720.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 International Durastar

The International Durastar purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$61,230.00	$60,230.00	$59,945.00	$59,263.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Kenworth T370

The Kenworth T370 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$67,972.00	$67,722.00	$68,972.00	$67,408.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Peterbilt 337

The Peterbilt 337 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$69,980.00	$69,980.00	$69,980.00	$70,809.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

30,000 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #12

2017 Western Star 4700

The Western Star 4700 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$76,783.00	$76,783.00	$76,783.00	$76,783.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. 350 HP 6 cylinder diesel engine, manufacturer's 11L minimum
2. TRANSMISSION & CLUTCH:
    a. The following or approved equivalents are acceptable:
    b. Fuller 14210B 10 Speed Manual with OD
3. ENGINE EQUIPMENT:
    a. Alternator – 12 volt 100A
    b. Premium engine hoses
    c. Injection pump – electronic engine control
    d. Radiator – aluminum core
    e. Air restriction monitor – intake mounted
4. CAB:
    a. Cab – welded steel galvanized or aluminum shell with rust preventative coating.
    b. Floor covering – black rubber mats
    c. Seating – driver air suspension mid back, passenger fixed mid back.
    d. Steering wheel – 18" two spoke
    e. Standard air conditioning & heating
5. FRAME:
    a. Frame – steel construction matched to GVW and mounted body of truck
    b. Wheelbase – 187"
    c. Load platform – 161" 56" AF
    d. Front bumper – painted steel
    e. Fuel tank – 70 gallon, minimum
    f. Air dryer – Bendix AD9 heated, or approved equivalent.

g. 5th wheel - stationary with left hand release.

6. SAFETY:

a. Horn – single air trumpet
b. Mirrors – West Coast for 102" trailer widths to include 7.5" convex mounted to lower mirror bracket.
c. Brakes – "S" cam type 16.5" x 5" Q + front and 16.5" x 7" Q + rear with anti-lock without automatic traction control, or approved equivalent.
d. Slack adjusters – Haldex automatic front and rear.
e. Daytime running lights.
f. Backup alarm
g. Electrical plug holder includes glad hand storage.
h. Tractor package to include valves, trailer lines & frame access

7. FRONT AXLE:

a. Axle – 12,000 lb.
b. Front wheels – steel 10 hole hub piloted
c. Front tires – 11R22.5 Goodyear G397LHS, steer or approved equivalent.
d. Front hubs – Ferrous, or approved equivalent.
e. Oil type with synthetic lube

8. REAR AXLE:

a. Minimum 40,000 lb. rated axle and suspension
b. Rear wheels – steel 10 hole hub piloted
c. Rear tires – 11R22.5 Goodyear G124 unisteel traction or approved equivalent.
d. Hubs – Ferrous, or approved equivalent.
e. Power divider with warning light and buzzer (includes in cab control)

9. ELECTRICAL:

a. Circuit protection – fuses except headlamp and wiper circuits which utilize circuit breakers.
b. Hand throttle – electronic hand throttle operated through cruise control when in PTO mode only.
c. Engine protection – engine shut down system monitoring high water temp, low oil pressure, high exhaust temp, high transmission temp.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRACTOR (ONLY)
SPECIFICATION #13

2017 Freightliner M2-112

The Freightliner M2-112 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$77,697.00	$77,967.00	$77,967.00	$77,967.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRACTOR (ONLY)
SPECIFICATION #13

2017 International Workstar

The International Workstar purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$90,875.00	$89,875.00	$89,250.00	$89,168.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRACTOR (ONLY)
SPECIFICATION #13

2017 Kenworth T880

The Kenworth T880 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$103,192.00	$102,942.00	$103,995.00	$103,429.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRACTOR (ONLY)
SPECIFICATION #13

2017 Mack C or G Series

The Mack C or G Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$99,190.00	$99,190.00	$99,190.00	$99,190.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #13

2017 Volvo V Series

The Volvo V Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$92,406.00	$92,406.00	$91,169.00	$91,169.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2. TRANSMISISON & CLUTCH:
    a. The following or approved equivalents are acceptable:
    b. Fuller 14210B 10 Speed Manual with OD
3. ENGINE EQUIPMENT:
    a. Alternator – 12 volt 100A
    b. Premium engine hoses
    c. Injection pump – electronic engine control
    d. Radiator – aluminum core
    e. Air restriction monitor – intake mounted
4. CAB:
    a. Cab – welded steel galvanized or aluminum shell with rust preventative coating.
    b. Floor covering – black rubber mats
    c. Seating – driver air suspension mid back, passenger fixed mid back.
    d. Steering wheel – 18" two spoke
    e. Standard air conditioning and heating
5. FRAME:
    a. Frame – steel construction matched to GVW and mounted body of truck.
    b. Wheelbase – 187"
    c. Front bumper – painted steel
    d. Fuel tank – 70 gallon, minimum
    e. Air dryer – Bendix AD9 heated, or approved equivalent.
6. SAFETY:

a. Horn – single air trumpet
b. Mirrors – West Coast to include 7.5" convex mounted to lower mirror bracket.
c. Brakes – "S" cam type 16.5" x 5" Q + front and 16.5" x 7" Q + rear with anti-lock without automatic traction control, or approved equivalent.
d. Slack adjusters – Haldex automatic front and rear.
e. Daytime running lights.
f. Backup alarm

7. FRONT AXLE:

a. Front axle – 12,000 lb.
b. Front wheels – steel 10 hole hub piloted
c. Front tires – 11R22.5 Goodyear G397LHS, steer or approved equivalent.
d. Front hubs – Ferrous, or approved equivalent.
e. Oil type with synthetic lube

8. REAR AXLE:

a. Rear axle – 40,000 lb.
b. Rear wheels – steel 10 hole hub piloted
c. Rear tires – 11R22.5 Goodyear G124 unisteel traction or approved equivalent.
d. Hubs – Ferrous, or approved equivalent.
e. Power divider with warning light and buzzer (includes in cab control)

9. ELECTRICAL:

a. Circuit protection – fuses except headlamp and wiper circuits which utilize circuit breakers.
b. Hand throttle – electronic hand throttle operated through cruise control when in PTO mode only.
c. Engine protection – engine shut down system monitoring high water temp, low oil pressure, high exhaust temp, high transmission temp.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 Freightliner M2-112

The Freightliner M2-112 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$60,697.00	$60,967.00	$60,967.00	$60,967.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 International Workstar

The International Workstar purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$90,975.00	$89,975.00	$89,750.00	$88,453.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK
SPECIFICATION #14

2017 Kenworth T880

The Kenworth T880 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$101,836.00	$101,586.00	$102,475.00	$100,305.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 Mack C or G Series

The Mack C or G Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$110,602.00	$110,602.00	$110,602.00	$110,602.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 Peterbilt 567

The Peterbilt 567 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$103,657.50	$103,657.50	$103,657.50	$111,898.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 Volvo V Series

The Volvo V Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$91,756.00	$91,756.00	$91,756.00	$91,359.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #14

2017 Western Star 4700

The Western Star 4700 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$86,463.00	$86,463.00	$86,463.00	$86,463.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. 300 HP 6 cylinder diesel engine, manufacturer's 11L minimum
2. TRANSMISISON:
    a. Allison 4500 RDS automatic transmission
3. ENGINE EQUIPMENT:
    a. Alternator – 12 volt 100A
    b. Premium engine hoses
    c. Injection pump – electronic engine control
    d. Radiator – aluminum core, or approved equivalent
    e. Air restriction monitor – intake mounted
4. CAB:
    a. Cab – welded steel galvanized or aluminum shell with rust preventative coating.
    b. Low cab, forward mounted, tilt type.
    c. Floor covering – black rubber mats
    d. Seating – driver air suspension mid back, passenger fixed mid back.
    e. Steering wheel – 18" two spoke
    f. Standard air conditioning and heating
5. FRAME:
    a. Frame – steel construction matched to GVW and mounted body of truck.
    b. Wheelbase – 209"
    c. Front bumper – painted steel
    d. Fuel tank – 70 gallon, minimum
    e. Air dryer – Bendix AD9 heated, or approved equivalent.
6. SAFETY:
    a. Horn – single air trumpet

b. Mirrors – West Coast to include 7.5" convex mounted to lower mirror bracket.
c. Brakes – "S" cam type 16.5" x 5" Q + front and 16.5" x 7" Q + rear with anti-lock without automatic traction control, or approved equivalent.
d. Slack adjusters – Haldex automatic front and rear.
e. Daytime running lights.
f. Backup alarm

7. FRONT AXLE:

a. Front axle – 20,000 lb.
b. Front wheels – steel 10 hole hub piloted
c. Front tires – 315/8OR/22.5 Goodyear G289
d. Front hubs – iron, or approved equivalent.
e. Oil type with synthetic lube

8. REAR AXLE:

a. Rear axle – 40,000 lb.
b. Rear wheels – steel 10 hole hub piloted
c. Rear tires – 11R22.5 Goodyear G124 unisteel traction or approved equivalent.
d. Hubs – iron, or approved equivalent.
e. Power divider with warning light and buzzer (includes in cab control)

9. ELECTRICAL:

a. Circuit protection – fuses except headlamp and wiper circuits which utilize circuit breakers.
b. Hand throttle – electronic hand throttle operated through cruise control when in PTO mode only.
c. Engine protection – engine shut down system monitoring high water temp, low oil pressure, high exhaust temp, high transmission temp.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

60,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE REFUSE TRUCK (ONLY)
SPECIFICATION #15

2017 Autocar ACX64

The Autocar ACX64 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$142,480.00	$143,480.00	$155,938.00	$138,850.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

60,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE REFUSE TRUCK (ONLY)
SPECIFICATION #15

2017 Crane Carrier LET2

The Crane Carrier LET2 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$174,778.00	$174,778.00	$174,778.00	$174,778.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

60,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE REFUSE TRUCK (ONLY)
SPECIFICATION #15

2017 Mack MR Series

The Mack MR Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$139,018.00	$139,018.00	$139,018.00	$139,018.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

60,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE REFUSE TRUCK (ONLY)
SPECIFICATION #15

2017 Peterbilt 320 -520

The Peterbilt 320 -520 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$131,929.00	$131,929.00	$131,929.00	$133,007.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

15 FT. FLEX WING ROTARY MOWER - PTO DRIVEN
SPECIFICATION #16

2017 Alamo Eagle 15

The Alamo Eagle 15 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$17,964.00	$17,964.00	$17,964.00	$17,964.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

15 FT. FLEX WING ROTARY MOWER - PTO DRIVEN
SPECIFICATION #16

2017 Hardee T-9515-PTW

The Hardee T-9515-PTW purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	-- No bid --	-- No bid --	-- No bid --	-- No bid --

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

15 FT. FLEX WING ROTARY MOWER - PTO DRIVEN
SPECIFICATION #16

2017 Schulte FX-1800

The Schulte FX-1800 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	-- No bid --	-- No bid --	$14,690.00	$14,690.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ZERO TURN RADIUS COMMERCIAL GRADE MOWER
SPECIFICATION #17

2017 Grasshopper (22561)

The Grasshopper (22561) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$8,197.00	$8,197.00	$8,197.00	$8,197.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

REMOTE CONTROLLED BRUSH MOWER
SPECIFICATION #18

2017 Alamo Ridgerunner

The Alamo Ridgerunner purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$44,598.00	$44,598.00	$44,598.00	$44,598.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Liquid cooled diesel with minimum of 29 PTO hp @ 2200 rpm.
2. TRANSMISSION:
    a. Hydrostatic drive or mechanical type transmission.
3. FUEL TANK:
    a. Minimum 7 gallon capacity.
4. BRAKES:
    a. Oil cooled hydraulic wet disc.
5. POWER TAKE OFF:
    a. Speeds RPM - 540
6. HYDRAULIC SYSTEM:
    a. Open center system with standard remotes.
    b. Maximum main pump flow - 6.3 gpm
7. 3 POINT HITCH:
    a. Category I
    b. SAE lift capacity @ 24" standard lbs. - 1,435
8. TIRES:
    a. Not less than 11.2 x 24 rear
    b. Not less than 5-15 6 ply front

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

SMALL AGRICULTURE TYPE TRACTOR (4 WHEEL DRIVE)
SPECIFICATION #21

2017 Case IH Farmall 35C

The Case IH Farmall 35C purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$18,400.00	$18,100.00	$17,860.00	$17,860.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #21

2017 Mahindra 1538

The Mahindra 1538 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$22,239.00	$22,239.00	$22,239.00	$22,239.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

The Case IH Farmall 100C purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$38,880.00	$38,850.00	$38,330.00	$38,330.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

AGRICULTURE TYPE TRACTOR (2 WHEEL DRIVE)
SPECIFICATION #22

2017 Kubota M5-091

The Kubota M5-091 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$30,680.00	$30,480.00	$30,480.00	$30,680.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Liquid cooled diesel with minimum of 95 PTO hp @ 2200 rpm.
2. TRANSMISSION:
    a. Synchroshuttle type with a minimum of 16 forward and 16 reverse speeds.
3. FUEL TANK:
    a. Minimum 38 gallon capacity.
4. BRAKES:
    a. Oil cooled hydraulic.
5. POWER TAKE OFF:
    a. Speeds RPM - 540/1000
6. HYDRAULIC SYSTEM:
    a. Closed center system with standard remotes.
    b. Maximum pressure psi - 2,900
    c. Standard output @ remote 17 gpm
    d. Total of 29 gpm combined flow
7. POINT HITCH:
    a. Category II
    b. Telescopic stabilizers
    c. SAE lift capacity @ 24" standard lbs. - 5,000
    d. Lower draft arm link ends - extendable
8. TIRES:

a. Not less than 13.6R24 R1 rear radials
b. Not less than 18.4R30 6 Ply F2

9. MOUNTED BOOM MOWER:

a. Minimum 23' boom reach.
b. Forward and reverse swing break away.
c. Integral frame.
d. Separate hydraulic circuit for mower head.
e. 5' rotary cutter head.
f. Disc or bar type blade holder.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

SPECIFICATION #23

2017 Case IH Maxxum 115 with Motrim Boom Mower

The Case IH Maxxum 115 with Motrim Boom Mower purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$108,850.00	$108,550.00	$108,300.00	$108,300.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

AGRICULTURE TYPE TRACTOR WITH BOOM MOWER (4 WHEEL DRIVE)
SPECIFICATION #23

2017 John Deere 6120M with Tiger Bengal Boom Mower

The John Deere 6120M with Tiger Bengal Boom Mower purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$134,230.00	$134,230.00	$134,230.00	$134,230.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

AGRICULTURE TYPE TRACTOR WITH BOOM MOWER (4 WHEEL DRIVE)
SPECIFICATION #23

2017 New Holland TS6.130 Alamo Industrial Mower

The New Holland TS6.130 Alamo Industrial Mower purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$115,060.00	$115,060.00	$115,060.00	$115,060.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #25

2017 Case 580 SN
2017 Caterpillar 416
2017 John Deere 310SL

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. Minimum 87 HP Diesel engine
    b. Dry type, radial seal air cleaner and pre-cleaner unit
    c. Spin on type engine oil filter
2. TRANSMISSION:
    a. Four speed power shift or power shuttle transmission
3. OPERATOR ENVIRONMENT:
    a. OSHA approved ROPS canopy shall be integral
    b. Two front and two rear work and driving lights
    c. Stop and turn signals with flashing hazard lamps
    d. Instrument panel with a complete set of gauges or an electronic monitoring device
    e. Standard horn and audible back-up alarm
4. BRAKES:
    a. Brakes shall be oil immersed, hydraulically actuated, multiple disc on final drive input shaft
    b. Brakes shall be completely enclosed and sealed, fully self-adjusting
5. LOADER (SINGLE TILT CYLINDER):
    a. Loader shall be equipped with a return to dig mechanism
    b. Loader shall have positive down pressure sufficient to lift the tractor front end off level ground
    c. Loader bucket SAE heaped capacity of minimum 1.3 yards with replaceable bolt on edge
6. BACKHOE:
    a. Fixed length dipper stick digging depth approximately 14'
    b. Reach from swing center, approximately 18'
    c. Dump height, approximately 11'3"
    d. Digging force approximately 8,000 lbs.
    e. Bucket dig force, approximately 11,990 lbs.
    f. 24" general purpose bucket with replaceable teeth

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

4X4 LOADER BACKHOE WITH CANOPY (STANDARD STICK)
SPECIFICATION #25

2017 Case 580 SN

The Case 580 SN purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$68,115.00	$68,115.00	$68,115.00	$68,115.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 1850 LB OPERATING CAPACITY WHEELED ONLY
SPECIFICATION #26

2017 Bobcat S570

The Bobcat S570 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$28,747.00	$28,747.00	$28,747.00	$28,747.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 1850 LB OPERATING CAPACITY WHEELED ONLY
SPECIFICATION #26

2017 John Deere 318G

The John Deere 318G purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	★Southern
BASE PRICE:	$28,345.00	$28,345.00	$28,345.00	$28,345.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 1850 LB OPERATING CAPACITY WHEELED ONLY
SPECIFICATION #26

2017 Volvo MC95C

The Volvo MC95C purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	Northern	Central	Southern
BASE PRICE:	$27,725.00	$30,500.00	$30,500.00	$30,500.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

BASE PRICE:	$43,652.00	$43,652.00	$43,652.00	$43,652.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #28

2017 Bobcat T750

The Bobcat T750 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$51,064.00	$51,064.00	$51,064.00	$51,064.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 3100 LBS. OPERATING CAPACITY TRACKED ONLY
SPECIFICATION #28

2017 John Deere 331G

The John Deere 331G purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$54,725.00	$54,725.00	$54,725.00	$54,725.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 3100 LBS. OPERATING CAPACITY TRACKED ONLY
SPECIFICATION #28

2017 Kubota SVL75-2

The Kubota SVL75-2 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$39,550.00	$39,350.00	$39,350.00	$40,188.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SKID STEER LOADER - 3100 LBS. OPERATING CAPACITY TRACKED ONLY
SPECIFICATION #28

2017 Wacker Neuson ST35

The Wacker Neuson ST35 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$50,250.00	$50,250.00	$50,250.00	$50,250.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1.5 CU. YD. WHEEL LOADER (Z-BAR LINKAGE BUCKET - PARALLEL ARM OPTION)
SPECIFICATION #30

2017 John Deere 324K

The John Deere 324K purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$87,500.00	$87,500.00	$87,500.00	$87,500.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1.5 CU. YD. WHEEL LOADER (Z-BAR LINKAGE BUCKET - PARALLEL ARM OPTION)
SPECIFICATION #30

2017 Wacker Neuson WL60

The Wacker Neuson WL60 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$82,220.00	$82,220.00	$82,220.00	$82,220.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

3.0 CU. YD. WHEEL LOADER (Z-BAR LINKAGE BUCKET - PARALLEL ARM OPTION)
SPECIFICATION #31

2017 Caterpillar 926 M

The Caterpillar 926 M purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$129,722.00	$129,722.00	$129,722.00	$128,092.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

3.0 CU. YD. WHEEL LOADER (Z-BAR LINKAGE BUCKET - PARALLEL ARM OPTION)
SPECIFICATION #31

2017 John Deere 524K

The John Deere 524K purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	★Northern	★Central	★Southern
BASE PRICE:	$116,700.00	$116,700.00	$116,700.00	$116,700.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE/CAB:
    a. Diesel engine, six cylinder, four cycle, liquid cooled, minimum 280 HP.
    b. Cab with A/C
2. TRANSMISSION:
    a. Power shift transmission with torque converter or hydrostatic drive, minimum of four forward and three reverse speeds.
3. DRIVETRAIN:
    a. Four wheel drive.
    b. Manufacturer's standard axle.
    c. Inboard or outboard mounted wet disc braking system.
    d. Inboard or outboardmounted plantetary final drives.
    e. 26.5 –R25 radial tires mounted on multi piece rims.
4. LOADER:
    a. 5.75 cu. yd. general purpose bucket with bolt on cutting edge.
    b. Bucket position indicator.
    c. Automatic return to dig.
    d. Rear drawbar.
    e. Gauges and indicators: visual hydraulic oil level indicator, electronic monitor display of all fluid levels and temperatures.
    f. Deluxe suspension seat with foam padding and backrest.
    g. Articulated steering, 40 degrees minimum each direction.
    h. Wheelbase of 11'4" minimum.
    i. Minimum operating weight of 53,674 lbs.
5. ELECTRICAL:
    a. 24 volt electrical system.

b. Neutral safety start device.
c. Manual battery disconnect switch.
d. Driving lights, front and rear work lights, stop lights, warning lights and tail lights.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

SPECIFICATION #32

2017 Case 1021 F

The Case 1021 F purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$250,574.00	$250,574.00	$250,574.00	$250,574.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

5.75 CU. YD. WHEEL LOADER (Z-BAR LINKAGE BUCKET)
SPECIFICATION #32

2017 Hyundai HL980

The Hyundai HL980 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$275,160.00	$284,846.00	$284,846.00	$284,846.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

MOTOR GRADER - SMALL
SPECIFICATION #33

2017 LBP G-700

The LBP G-700 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$172,463.00	$175,000.00	$175,000.00	$175,000.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

MOTORGRADER
SPECIFICATION #34

2017 Case 845B

The Case 845B purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$179,770.00	$179,770.00	$179,770.00	$179,770.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

70 HP BULLDOZER CANOPY TRACTOR (STANDARD TRACK - WIDE TRACK OPTIONAL)
SPECIFICATION #35

2017 Case 650L

The Case 650L purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$76,373.00	$76,373.00	$76,373.00	$76,373.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

180 HP BULLDOZER CANOPY TRACTOR
SPECIFICATION #37

2017 Caterpillar D6T

The Caterpillar D6T purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$332,325.00	$332,325.00	$332,325.00	$301,955.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #38

2017 Kaiser S2
2017 Menzi Muck M3

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. 15,873 lbs. 2x4
    b. 17,196 lbs. 4x4
2. ENGINE/CAB:
    a. Diesel engine, minimum 95 net horsepower
    b. Roll over enclosed cab air conditioned and heated.
    c. Hinged quick release side window for emergency exit (operational at all boom positions).
    d. Hinged front window opening outward for safety (not inward reducing operator head room).
    e. Gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant.
    f. Mirrors
    g. Air sprung operators seat
    h. Full size cab (width of machine) for operator comfort and room with toolbox.
3. TRAVEL SYSTEM:
    a. Minimum high speed travel - 5 mph
    b. Minimum grade-ability 70%
    c. Four tires
4. HYDRAULIC SYSTEM:
    a. Piston type hydraulic pumps.
    b. Digging depth - 15'4"
    c. Auxiliary hydraulic circuit and controls plumbed to the end of stick with disconnect to allow the use of hydro-mechanical work tools.
    d. Hydraulic motor-driven swing system.
    e. Stabilizers to be individually controlled in the vertical and horizontal positions.
    f. Boom assembly hydraulic hoses mounted on left side in operator's field of vision.
5. ELECTRICAL SYSTEM:
    a. 12 or 24 volt
    b. 30 amp alternator
    c. Work lights
6. BUCKET:

a. 4' wide grading bucket

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

ALL TERRAIN WALKING EXCAVATOR
SPECIFICATION #38

2017 Menzi Muck M3

The Menzi Muck M3 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$254,235.00	$254,235.00	$254,235.00	$254,235.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. 7,105 minimum capacity weight with canopy
2. ENGINE/CAB:
    a. Diesel engine, minimum 23 net horse power
    b. Rollover and falling object protective structures
    c. Gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant.
3. TRAVEL SYSTEM:
    a. Minimum high speed travel 2.3 MPH
    b. Minimum gradeability, 20 degrees
    c. 11" wide rubber belt tracks
4. HYDRAULIC SYSTEM:
    a. Gear type hydraulic pump
    b. Digging depth 9' minimum
    c. Auxiliary hydraulic circuit and controls plummed to the end of stick with disconnect to allow the use of hydro-mechanical work tools
    d. Backfill blade
    e. Hydraulic motor-driven swing system
5. ELECTRICAL SYSTEM:
    a. 12 volt electrical system
    b. 40 amp alternator
    c. Sealed electrical connector

d. Work lights

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

HYDRAULIC MINI EXCAVATOR - 7,105 LB. OPERATING WEIGHT
SPECIFICATION #39

2017 Bobcat E32

The Bobcat E32 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$35,743.00	$35,743.00	$35,743.00	$35,743.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #39

2017 Caterpillar 303E CR

The Caterpillar 303E CR purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$36,126.00	$36,126.00	$36,126.00	$35,200.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

HYDRAULIC MINI EXCAVATOR - 7,105 LB. OPERATING WEIGHT
SPECIFICATION #39

2017 John Deere 35G

The John Deere 35G purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$38,700.00	$38,700.00	$38,700.00	$38,700.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC MINI EXCAVATOR - 7,105 LB. OPERATING WEIGHT
SPECIFICATION #39

2017 Kobelco SK35SR

The Kobelco SK35SR purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$33,961.00	$34,014.00	$34,014.00	$34,014.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC MINI EXCAVATOR - 7,105 LB. OPERATING WEIGHT
SPECIFICATION #39

2017 Volvo EC 35 D

The Volvo EC 35 D purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$37,831.00	$35,700.00	$35,700.00	$35,700.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. Minimum operating weight 15,590 lb.
2. ENGINE:
    a. Diesel engine, 53 horsepower
    b. Spin on type filter
    c. Two stage air cleaner
3. TRAVEL SYSTEM:
    a. Travel speed of 3.0 mph
4. HYDRAULIC SYSTEM:
    a. Standard auxiliary hydraulic valve
    b. Main hydraulic system flow 33.8 GPM
5. UNDERCARRIAGE:
    a. Overall track length 9'1"
    b. Overall track width 11' minimum 7'6"
    c. Shoe width 17.7" minimum
6. OPERATING STATION:
    a. Cab to be air conditioned, heated and pressurized filtration system
    b. Intermittent windshield wipers

c. Opening front windshield
d. Vibration dampening cab mounts
e. Adjustable suspension type operator seat with safety belt
f. Tinted safety glass
g. Engine monitoring system with audible alarms
h. Work lights

7. STICK, BOOM, BUCKET:

a. Boom and stick combination to allow minimum reach at ground level of 20'11"
b. Bucket to be general purpose bucket, appropriately sized for machine and included.

8. SWING SYSTEM:

a. Swing radius 5'9" approximate
b. Swing speed 9.0 rmp

9. MISCELLANEOUS:

a. Fuel capacity of 26 gallons

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

BASE PRICE:	$82,775.40	$82,775.40	$82,775.40	$82,775.40

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR - 15,590 LB. OPERATING WEIGHT
SPECIFICATION #40

2017 John Deere 75G

The John Deere 75G purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$84,650.00	$84,650.00	$84,650.00	$84,650.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR - 15,590 LB. OPERATING WEIGHT
SPECIFICATION #40

2017 Takeuchi TB290

The Takeuchi TB290 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$90,732.00	$91,000.00	$91,000.00	$91,000.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR - 38,000 LB OPERATING WEIGHT
SPECIFICATION #41

2017 Caterpillar 316F

The Caterpillar 316F purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$159,860.00	$159,860.00	$159,860.00	$160,667.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

HYDRAULIC EXCAVATOR - 38,000 LB OPERATING WEIGHT
SPECIFICATION #41

2017 John Deere 160GLC

The John Deere 160GLC purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$141,990.00	$141,990.00	$141,990.00	$141,990.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. Minimum operatiing weight - 76,550
2. ENGINE:
    a. Turbocharged diesel engine 257 HP
    b. Spin on type filters
    c. Two stage air cleaner
3. TRAVEL SYSTEM:
    a. Travel speed of 2.9 mph
4. HYDRAULIC SYSTEM:
    a. Standard auxilliary hydraulic valve
    b. Main hydraulic system flow 144 GPM minimum
5. UNDERCARRIAGE:
    a. Overal track length 16'2"
    b. Overall track width 10'6"
    c. Shoe width 24"
6. OPERATING STATING:
    a. Cab to be air conditioned, heated and pressurized filtration system
    b. Intermittent windshield wipers
    c. Opening front windshield
    d. Vibration dampering cab mounts
    e. Adjustable suspension type operator seat with safety bel
    f. Tinted safety glass

g. Engine monitoring system with audible alarm
h. Work lights

7. STICK, BOOM, BUCKET:

a. Boom and stick combination to allow minimum reach at ground level of 35'6"
b. Bucket to be a general purpose bucket, appropriately sized for machine and included

8. SWING SYSTEM:

a. Swing radius 12
b. Swing speed 9.2 RPM

9. MISCELLANEOUS:

a. Fuel capacity of 145 gallons minimum

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

HYDRAULIC EXCAVATOR - 76,550 LB OPERATING WEIGHT
SPECIFICATION #42

2017 Case CX350D

The Case CX350D purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$266,700.00	$266,700.00	$266,700.00	$266,700.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR - 76,550 LB OPERATING WEIGHT
SPECIFICATION #42

2017 Doosan DX350LC-5

The Doosan DX350LC-5 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$246,421.27	$246,421.27	$246,421.27	$246,421.27

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR - 76,550 LB OPERATING WEIGHT
SPECIFICATION #42

2017 Kobelco SK 350 LC-9

The Kobelco SK 350 LC-9 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$241,523.00	$239,120.00	$239,120.00	$239,120.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

HYDRAULIC EXCAVATOR, WHEELED TYPE - 42,000 LB. OPERATING WEIGHT
SPECIFICATION #43

2017 Caterpillar M318

The Caterpillar M318 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$207,844.00	$207,844.00	$207,844.00	$209,295.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

HYDRAULIC EXCAVATOR, WHEELED TYPE - 42,000 LB. OPERATING WEIGHT
SPECIFICATION #43

2017 Doosan DX210WE-5

The Doosan DX210WE-5 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$182,703.73	$182,703.73	$182,703.73	$182,703.73

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

TELESCOPIC EXCAVATOR, TRACK TYPE - 45,000 LB. OPERATING WEIGHT
SPECIFICATION #44

2017 Gradall 4200 III

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. Minimum operating weight 45,000 lbs.
2. ENGINE:
    a. 4 cylinder turbocharged diesel, 170 HP at 2200 RPM
    b. Spin on type filters
    c. Two stage air cleaner
    d. 12 volt 100 AMP alternator
    e. 90 gallon fuel capacity
3. TRACK DRIVE:
    a. Two speed, automatic with manual override
    b. High torque piston motors each track
    c. Planetary drives
    d. Travel speed high 3.4 MPH, Low 1.9 MPH
    e. Automatic parking brake
    f. Individual track control
4. TRACKS:
    a. 23.6 pad size
5. OPERATOR'S STATION:
    a. Acoustical lined
    b. Adjustable seat
    c. Tinted safety glass
    d. Filtered fresh air
    e. Heater, air conditioned, and defroster
    f. Wipers and washers
    g. Skylight
    h. Work lights
6. OPERATOR'S STATION CONTROLS:
    a. Electric engine monitoring system

b. Auto idle
c. Electronic joysticks on adjustable pedestals
d. Pedals for travel and steering
e. Low/high travel switch
f. Engine speed control

7. SAFETY ITEMS:

a. Electric horn
b. Movement alarm
c. Fire extinguisher
d. Mirrors, right and left side

8. HYDRAULIC SYSTEM:

a. Hydraulic oil cooler
b. 120 HP track drive motors (each)
c. 64 HP swing motor
d. Electronic hydraulic system monitor
e. Spin on hydraulic filters
f. Swing speed 7.0 RPM
g. Automatic swing brake

9. BOOM:

a. Telescopic boom
b. 180 degree boom rotation
c. 30' reach at ground level from center pivot to buck cutting edge

10. BUCKET:

a. 60" ditching bucket provided with machine
b. Quick attach type

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

TELESCOPIC EXCAVATOR, TRACK TYPE - 45,000 LB. OPERATING WEIGHT
SPECIFICATION #44

2017 Gradall 4200 III

The Gradall 4200 III purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$289,707.00	$289,707.00	$289,707.00	$289,707.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

COMPACTION VIBRATORY ROLLER (SINGLE DRUM) 30,000 LBS
SPECIFICATION #46

2017 Volvo SD-75B

The Volvo SD-75B purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$79,775.00	$80,000.00	$80,000.00	$80,000.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

47" SMALL DOUBLE DRUM ROLLER - 5,400 LBS.
SPECIFICATION #47

2017 Hyundai HR30T-9

The Hyundai HR30T-9 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$38,190.00	-- No bid --	-- No bid --	-- No bid --

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE
    a. 60 h.p. diesel engine
    b. Water cooled
    c. Engine enclosure
    d. 15 gal. fuel tank
2. HIGH PRESSURE WATER PUMP
    a. 4000 psi at 18 gpm
    b. Pressure relief valve
    c. Triplex type pump
    d. Low water shutdown
    e. Multi-flow type system [pressure change without changes to engine rpm]
3. CONTROLS
    a. Located next to hose reel
    b. Ignition
    c. Throttle
    d. Gauge package [tachometer, hourmeter, oil pressure, volts, and low oil / high temp shutdown]
    e. Water control valve
4. WATER TANK
    a. 700 gal capacity
    b. High density polyethylene with baffles
    c. Sight gauge
    d. 2 1/2" overhead tank fill , anti siphon , air gap type
    e. Strainer
    f. Tank drain
5. HOSE REEL
    a. 800 ' capacity of 1/2" high pressure sewer hose
    b. Hydraulic power in and out
6. HOSE REEL DRIVE HYDRAULIC SYSTEM

a. Hydraulic pump 8 gpm
b. 15 gal hydraulic reservoir
c. Spin on type hydraulic filter

7. TRAILER

a. 12000 lb gvw
b. 6" x 3/16" frame
c. Tandem axle
d. 2 5/16" hitch
e. Tongue jack
f. 235 / 80 r 16" tires
g. Fenders
h. Breakaway switch
i. Lighting as required by Federal and State laws
j. Reflective striping
k. Toolbox with locking system
l. LED directional arrowstick
m. Warning beacon [tank mounted]

8. EQUIPMENT FURNISHED

a. 500' of 1/2 " high pressure sewer hose
b. 100' of 1/4" hose and nozzle for small pipe
c. Washdown gun and 25 ' of hose with quick dissconnects
d. Tiger tail hose protecter
e. Nozzles to be furnished, 15 degree, 35 degree, chisel point, grenade flushing type, skid assembly, and rotater nozzle

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

TRAILER MOUNTED SEWER CLEANER
SPECIFICATION #49

2017 Vactor RamJet 4018

The Vactor RamJet 4018 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$62,404.00	$62,404.00	$62,404.00	$62,404.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 Vermeer LP873SDT
2017 X-Vac X800

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. WEIGHT:
    a. 6,190 lbs. (without trailer)
2. ENGINE:
    a. 36 hp diesel engine
    b. Water cooled
    c. Fully enclosed sound attenuated engine enclosure (including vacuum pump and high pressure water pump)
    d. 15 gallon fuel tank
3. VACUUM PUMP:
    a. 580 CFM at 15 inches of mercury
    b. Mounted inside engine enclosure
    c. Washable filtration cylinders
    d. Reverse pressure (to clear hose and offload liquids)
4. HIGH PRESSURE WATER SYSTEM:
    a. 400 PSI at 4 GPM water pump
    b. Low water automatic shutdown
    c. Two 100 gallon poly water tanks
    d. 50' high pressure water hose on hose reel
    e. 5' and 3' wand and control handle
5. CONTROLS:
    a. Lockable and waterproof
    b. Curbside located
    c. Oil pressure, water temperature, fuel and vacuum gauge
    d. Electronic throttle
6. TANK:
    a. Full open rear door
    b. Door hydraulically opened
    c. Twin dump cylinders

d. 6" stainless steel portal shutoff
e. 800 gallon debris tank capacity

7. BOOM:

a. 4" pickup hose
b. Hydraulically powered in/out and up/down
c. Boom cradle
d. 360 degree movement
e. 2 dielictric 3" suction wands
f. 33' rubber suction hose

8. TRAILER:

a. 7,000 lb. dexter torsion anxles
b. 14,000 lb. GVWR
c. 10,000 lb. jack stand
d. I beam construction
e. Pintle hitch
f. Electric brakes with safety breakaway
g. LT235/85R16 tires
h. Stop/tail/turn lights

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

BASE PRICE:	$75,008.00	$75,008.00	$75,008.00	$75,008.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

NOTE TO PURCHASERS: This is an INCOMPLETE UNIT. This is a bid award on a combination Sewer Cleaning/Vacuum Unit to be mounted on an appropriate sized cab & chassis truck. Agencies purchasing this unit will need to provide a cab & chassis truck of appropriate size, GVW, and, options necessary to have the selected combination Sewer Cleaner/Vacuuming Unit to be mounted on, or have the truck provider assist in ordering the correctly outfitted truck. Listed above you will find the model numbers of the units that will be included in the years contract. All items factory installed unless otherwise noted.

1. AIR/VACUUM SYSTEM:

    a. Positive displacement vacuum pump or centrifugal compressor
    b. 3500 CFM @ 14.5 inches of mercury, minimum
    c. Muffler
    d. Vacuum relief valves
    e. Centrifugal separator with clean out
    f. PTO or hydrostatic drive

2. DEBRIS TANK:

    a. 10 cu. yard capacity
    b. 45 degree hydraulic dump
    c. Top hinged
    d. Hydraulic door locks
    e. Sight glass or indicator
    f. Drain valve with hose
    g. Check ball system or vacuum breaker

3. BOOM ASSEMBLY:

    a. 270 degree boom working area
    b. Hydraulic up/down
    c. Clean out port
    d. Transport cradle
    e. 8" boom hose
    f. Pendant control

4. WATER PUMP:

    a. 2500 PSI, 80 GPM
    b. Pressure relief valve
    c. Wash down gun with relief valve

5. WATER TANK:

    a. 1000 gallon capacity
    b. Curb side fill
    c. Level indicators

6. HOSE REEL:

    a. 800' of 1" hose capacity
    b. 400' of 1", 2500 PSI hose supplied
    c. Power in/out
    d. Reel speed control system
    e. Position lock system
    f. Engine and hose reel controls
    g. Level wind

7. DRIVE SYSTEM:

    a. Hydrostatic, split PTO, or auxiliary engine

8. MISCELLANEOUS:

    a. Nozzles 15 degree and 30 degree for jet
    b. Wash down gun
    c. 8" intake tube 20' minimum
    d. Flexible hose guide
    e. Hose storage rack

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

10 CUBIC YARD COMBINATION SEWER CLEANING/VACUUMING MACHINE
SPECIFICATION #51

2017 Aquatech B-10

The Aquatech B-10 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$189,125.00	$189,125.00	$189,125.00	$189,125.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #51

2017 Super Products Camel 1200

The Super Products Camel 1200 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$199,845.00	$199,845.00	$199,845.00	$199,845.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #52

2017 Elgin Pelican
2017 Global M3

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. 4 cylinder diesel engine 74 HP minimum.
    b. 120 AMP alternator
    c. Fuel water separator
    d. 35 gallon fuel tank capacity
2. TRANSMISSION:
    a. Hydrostatic drive type
    b. 35 gallon reservoir
    c. Capable of 20 MPH minimum
3. CAB:
    a. Sealed type cab with filtered intake.
    b. Tilt and telescoping steering column
    c. Tinted glass
    d. Sound suppressed
    e. Intermittent windshield wipers with washer
    f. Full gauge and warning lights for engine monitoring
    g. Climate controlled cab, heater, defroster and air conditioned
    h. If cab is not center mounted, it must have dual controls for operating on either right or left hand side.
4. FRAME:
    a. 116" wheelbase
    b. Rail type channel frame
5. SAFETY ITEMS:
    a. Dual west coast mirrors with spot mirrors
    b. Headlights, turn, brake and hazard lights
    c. Worklights for gutter brooms
    d. Cab mounted warning strobe light with protective cage
    e. Backup alarm
    f. Rearview backup camera
6. BRAKES/STEERING:

a. Hydraulic power assisted service bakes
b. Parking brake
c. Turning radius 15' maximum

7. DEBRIS HOPPER:

a. 3.5 yard capacity minimum
b. 9'6" minimum dump height

8. CONVEYOR:

a. Rubber belt type with flights
b. Hydraulic drive

9. MAIN BROOM:

a. 32" diameter minimum
b. 56" width tube type
c. Hydraulic drive

10. GUTTER BROOMS:

a. Right & left side brooms to have adjustable down pressure located in cab.
b. 36" diameter minimum
c. Segmented type broom
d. Hydraulic drive

11. WATER SPRAY SYSTEM:

a. 220 gallon water tank
b. Run dry type water pump
c. 15' hydrant fill hose
d. Water spray jets adjacent to all brooms
e. Water filter

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. 3 WHEEL MECHANICAL BROOM STREET SWEEPER
SPECIFICATION #52

2017 Elgin Pelican

The Elgin Pelican purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$199,275.00	$199,275.00	$199,275.00	$199,275.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. CAB & CHASSIS:

a. Engine:
b. 6 cylinder diesel 200 HP minimum
c. Transmission:
d. Automatic transmission to meet the correct engine size and GVW of vehicle. Hydrostatic drive is acceptable.
e. Engine Equipment:
f. Alternator - 12V / 130 AMP
g. Fuel water separator
h. Fuel tank – 50 gallon
i. Cab:
j. Dual operating position type cab to include: Steering, controls, etc for sweeping from either side.
k. Rubber floor mats
l. Air ride seating
m. Pressurized cab with heat and air conditioning
n. Instrumentation for truck - oil pressure, water temperatures, voltmeter gauges
o. Instrumentation for sweeper-tachometer, hour meter, oil pressure, coolant temperature gauges
p. Frame:
q. Rail type 80,000 psi
r. Size – 10.9" x 3.5" x .34"
s. Frame overhang
t. Wheelbase 130" minimum
u. Front steel bumper
v. Safety:
w. Dual West Coast bright finish heated mirrors with LH & RH remote
x. Intermittent windshield wipers
y. Daytime running lights
a`. Backup alarm
aa. Auto shutdown
ab. Axles:
ac. Front axle: 11,900 lb. GVW
ad. Rear axle: 21,000 lb. GVW
ae. Single speed rear axle
af. 22.5 x 8.25 steel wheels - disc type
ag. 11R x 22.5 14-ply radial tires

ah. Brakes:
ai. Antilock brakes
aj. Front air brakes - 15 x 4 drum
ak. Rear air brakes 16.5 x 7 drum
al. Automatic slack adjusters - front and rear
am. Air dryer - frame mounted

2. MOUNTED SWEEPER BODY (STANDARD EQUIPMENT):

a. Engine:
b. 4 cylinder diesel - 47 horsepower, governed at 2800 RPM
c. Spin-on oil filter
d. Alternator – 12V / 60AMP
e. Side Brooms:
f. Right & left side gutter brooms (tilt control in cab)
g. Hydraulically raised & lowered
h. 42" diameter – segment type
i. Adjustable down pressure (Manual) – optional down pressure pump
j. Main Broom:
k. Length - 58" minimum
l. Diameter - 35" minimum
m. Hydraulic motor - direct or chain drive and reversible
n. Full floating trailing arms w/shocks
o. Lift Control – inside cab
p. Sweeper Body:
q. Overall height – 10' with strobe
r. Lift capacity – 11,000 lbs minimum
s. 4.5 cubic yard hopper
t. Dump height - 10' minimum
u. Lift design – hydraulic 2-stage scissors
v. Hopper inspection door
w. Work lights – 1 on each gutter broom and one in rear
x. Hydraulic System:
y. Hydraulic pump capacity minimum – 24gpm@2600rpm
a`. Pump: dual tandem gear
aa. Reservoir – 21 gallons
ab. Spin-on 10 micron hydraulic pump
ac. Externally mounted reservoir level indicator
ad. Water Spray System:
ae. Water tank construction – polyethylene and removable
af. Water tank capacity - 280 gallons minimum
ag. Fill hose 2 1/2" x 16' with NST coupler
ah. Diaphragm pump type with run dry capability
ai. Pump capacity – 3.0 GPM minimum
aj. Minimum of 9 spray nozzles – 2 min per gutter broom, 3 min for main broom
ak. Water filter – 80 micron mesh cleanable
al. Conveyor/Elevator System:
am. Minimum of 9 flights – replaceable
an. Belt material – rubber reinforced fabric
ao. Belt speed – variable with auxiliary engine RPM
ap. Drive – reversible with direct drive
aq. Elevator jam warning light & buzzer in cab
ar. Conveyer flush – built in

CABOVER MECHANICAL BROOM STREET SWEEPER
SPECIFICATION #53

2017 Johnston ES351

The Johnston ES351 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$279,150.00	$279,150.00	$279,150.00	$279,150.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1. OPERATING WEIGHT:
    a. 8800 LBS. GVWR
    b. Empty weight-5900 LBS
2. ENGINE/TRANSMISSION:
    a. 78 hp
    b. Hydrostatic drive
3. BRAKES/TIRES
    a. Drum type brakes [power assist]
    b. Front tire size 6.50 R10 Radial
    c. Rear tire size 225/75 R10 Radial
4. SWEEPER DIMENSIONS:
    a. Height: 72"
    b. Width: 52"
    c. Length: 162"
5. HOPPER:
    a. 2.3 cubic yard capacity
6. GUTTER BROOMS:
    a. Equipped with left and right side gutter brooms
    b. Front mounted 33.5" diameter
    c. Overall sweeping width 122"
7. WATER SYSTEM
    a. 66 gal recirculation water system capacity
    b. 40 gal clean water system capacity
8. LIGHTING / SAFETY
    a. Lighting package to enable vehicle to operate on the road
    b. Work lights for operation of vehicle at night
    c. Amber warning beacon

d. Intermittent wipers

9. COMFORT ITEMS:

a. Cab to be air conditioned and heated
b. Suspension type operator seat

10. INSTRUMENTATION:

a. Full instrumentation to monitor operation of vehicle

11. FAN UNIT:

a. Centrifugal type fan
b. Wear resistant blades

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. CAB & CHASSIS:

a. Engine:
b. 6 cylinder diesel, 200 HP minimum.
c. Transmission:
d. Allison 2000 series, 5-speed automatic
e. Engine Equipment:
f. Alternator: 12 volt 100 amp
g. Fuel water separator
h. Spin-on filters
i. Cab:
j. Cab over, steel cab, with rust preventative coating
k. Dual operating position type cab to include: steering, controls, etc for sweeping from either side
l. Rubber floor mats
m. Air ride suspension seats, both sides
n. Pressurized cab with heat and air conditioning
o. Instrumentation for truck - oil pressure, water temperature, voltmeter gauges
p. Instrumentation for sweeper – tachometer, houmeter, oil pressure, coolant temperature gauges
q. Frame:
r. Rail type 80,000 psi 12.69 section modulus
s. Wheelbase - 152" minimum
t. Front steel bumper
u. Fuel tank - 50 gallon
v. Safety:
w. West coast mirrors with lower mounted convex mirrors.
x. Intermittent windshield wipers
y. Daytime running lights
a`. Backup alarm
aa. Auto shutdown system for sweeper power plant
ab. Axles:
ac. Front axle: 11,900 lb. GVW
ad. Rear axle: 21,000 lb. GVW
ae. Single-speed rear axle

af. 22.5 x 8.25 steel wheels - disc type
ag. 11R x 22.5 14 ply tires
ah. Brakes:
ai. Antilock brakes
aj. Front - 15 x 4 drum
ak. Rear - 16.5 x 7 drum
al. Automatic slack adjusters - front and rear
am. Air dryer

2. MOUNTED SWEEPER BODY:

a. Engine:
b. 4 cylinder turbocharged diesel 99 HP minimum
c. Spin-on oil filter
d. Dual element air cleaner
e. Alternator - 12 volt 65 amp minimum
f. Blower:
g. Direct belt drive
h. Blower rating - 20,000 cfm
i. Blower housing construction of abrasion resistant steel
j. Blower housing rubber lined
k. Pickup Head:
l. 90" OD
m. Hose size – 14" pressure, 12" suction
n. Hydraulically raised and lowered
o. Side Brooms:
p. Right and left side gutter brooms
q. Hydraulically raised and lowered
r. 42" diameter - segment type
s. Adjustable downward pressure
t. Sweeper Body:
u. 7 yd. volume metric capacity
v. 50 degree dump angle or raker bar
w. Centrifical dust separator
x. Hopper dump door to hydraulically open/close, lock and unlock
y. Hopper screen - hinged, quick release
a`. Hydraulic System:
aa. Hydraulic pump capacity - 7.7 gpm at 2500 rpm
ab. Direct drive hydraulic pump
ac. Reservoir - 23 gal.
ad. Spin-on 10 micron hydraulic filter
ae. Water Spray Dust Control System:
af. Water tank construction - polyethylene
ag. 220 gallon capacity
ah. Fill hose - 16' long
ai. Diaphragm pump type with run dry capability
aj. Pump capacity - 5 gpm
ak. Pump pressure - 25 psi
al. 7 spray nozzles, 4" pickup head, 1" suction tube - 2 on each side of broom
am. Filter - 80 mesh cleanable

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

REGENERATIVE AIR STREET SWEEPER SPECIFICATION #55

2017 Schwarze A7 Tornado

The Schwarze A7 Tornado purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$229,936.00	$229,936.00	$229,936.00	$229,936.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SELF PROPELLED HYDROSTATIC BROOM - CENTER SLUNG
SPECIFICATION #56

2017 Blaw-Knox CB-90

The Blaw-Knox CB-90 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	★Central	Southern
BASE PRICE:	$60,022.00	$61,000.00	$61,000.00	$61,000.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$7,890.00	$7,640.00	$7,740.00	$7,990.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

8'6" X 25' DECK OVER FLATBED TRAILER - 16,000 LB GVWR
SPECIFICATION #58

2017 Eager Beaver B8-DOW

The Eager Beaver B8-DOW purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$11,790.00	$11,790.00	$11,790.00	$11,790.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

8'6" X 25' DECK OVER FLATBED TRAILER - 16,000 LB GVWR
SPECIFICATION #58

2017 Econoline DP1025DE Tag Trailer

The Econoline DP1025DE Tag Trailer purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$8,710.00	$8,710.00	$8,710.00	$8,710.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

8'6" X 25' DECK OVER FLATBED TRAILER - 16,000 LB GVWR
SPECIFICATION #58

2017 Interstate 16BST

The Interstate 16BST purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$11,645.00	$11,645.00	$11,050.00	$11,050.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

8'6" X 25' DECK OVER FLATBED TRAILER - 16,000 LB GVWR
SPECIFICATION #58

2017 Towmaster TC-16

The Towmaster TC-16 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$14,562.00	$14,562.00	$14,562.00	$12,950.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

14,000 LB. GVWR PULL BEHIND DUMP TRAILER
SPECIFICATION #59

2017 All Steel DT7147T-24

The All Steel DT7147T-24 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$8,100.00	$7,850.00	$7,950.00	$8,200.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

48' WASTE TRAILER WITH WALKING FLOOR
SPECIFICATION #60

2017 Mac Trailer TNSP48MF

The Mac Trailer TNSP48MF purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	★Northern	★Central	★Southern
BASE PRICE:	$68,190.00	$68,190.00	$68,190.00	$68,190.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ARTICULATED OFF ROAD DUMP TRUCK - 50,000 LB. PAYLOAD CAPACITY
SPECIFICATION #61

2017 Terex TA300

The Terex TA300 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$371,778.00	$371,778.00	$371,778.00	$371,778.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 Morbark M15RX
2017 Vermeer BC1500

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. DIMENSIONS:

    a. Weight - 6800 lbs.
    b. Width - 72"
    c. Height - 100"
    d. Length - 176"
    e. 15" chipping capacity

2. ENGINE:

    a. 122 hp diesel engine
    b. Over center type clutch
    c. Heavy duty air cleaner
    d. Spin on type filters

3. CHASSIS:

    a. Main frame constructed of rectangular tubing or "z" section.
    b. 7000 lb. axle torsion type
    c. Electric brakes with breakaway switch
    d. ST 235/80R16 tires load range E
    e. Steel wheels
    f. Drop leg jack
    g. 2 1/2" diameter lunette or 2 5/16" ball hitch
    h. Adjustable height hitch
    i. Safety chains
    j. 6 way light connector
    k. All wiring in conduit to lights
    l. Four function rear lights

4. FEED SYSTEM:

    a. Infeed throat opening - 20" x 15"
    b. Serrated infeed rollers
    c. Feed rollers hydraulically driven
    d. Feed table height - 27"
    e. Feed table length - 30"

f. Safety control bar a round infeed opening for emergency stop.

5. CHIPPER DRUM OR DISC

a. Drum type:
b. Size - 22" diameter x 22" width
c. 2 knife pockets 180 degrees apart
d. Dual edge reversible knives
e. Extreme duty bearings
f. Adjustable bedknife (reversible)
g. Disc type:
h. 37" x 2" diameter disc
i. 4 knives reversible

6. CHIPPER HOUSING:

a. Easy access door for knife changes
b. Drop down door for anvil adjustment or clean out
c. Chipper housing to be constructed for maximum safety and operator protection

7. DISCHARGE CHUTE:

a. Rotation of 360 degrees
b. Adjustable chip deflector
c. Locking pin for chute rotation

8. MISCELLANEOUS:

a. 26 gallon fuel tank
b. Engine shutdown system
c. Locking tool box
d. Vandalism protection

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

BRUSH CHIPPER - TRAILER MOUNTED
SPECIFICATION #63

2017 Bandit 1390XP

The Bandit 1390XP purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$50,960.00	$50,960.00	$50,960.00	$50,960.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SPECIFICATION #64

2017 Vermeer SC362
2017 Toro STX 38EFI

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. ENGINE:
    a. 35 H.P. gasoline engine
    b. 6 gallon fuel tank
    c. Positive feed oil system with spin on filter
    d. heavy duty air filter
    e. 12 volt starting/charging system
2. GROUND DRIVE:
    a. Hydraulic Ground Drive
    b. 2 speed travel
    c. Hydraulic brake system
    d. Hydraulic steering system
    e. Hydraulic system spin on filter
    f. 4 gallon hydraulic reservoir
3. CUTTER DRIVE:
    a. Electric drive clutch
    b. Adjustable V belt drive
4. CUTTER WHEEL:
    a. 17" diameter
    b. 16 dual cutting edge teeth
    c. Teeth pocket mounted
    d. Cutter wheel guard
5. CONTROLS:
    a. Hourmeter
    b. Low-oil shutdown
    c. Boom swing left and right
    d. Boom up and down
    e. Travel forward and reverse
    f. Steering
    g. Operator presence shutdown
6. APPROXIMATE DIMENSIONS:

a. Weight - 1320lbs
b. Length - 110"
c. Width - 49"
d. Height - 53"

7. CUTTING DIMENSIONS:

a. Above ground - 24"
b. Below ground - 15"

CUSHION TIRE LIFT TRUCK - 4,000 LB. CAPACITY
SPECIFICATION #66

2017 Hyster S40-FT

The Hyster S40-FT purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	Southern
BASE PRICE:	$20,802.50	$20,802.50	$20,802.50	$20,802.50

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

SCISSOR LIFT - SELF PROPELLED
SPECIFICATION #67

2017 Haulotte Optimum 1930 E

The Haulotte Optimum 1930 E purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$13,192.00	$13,192.00	$13,192.00	$13,192.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

BASE PRICE:	$59,995.00	$59,995.00	$59,995.00	$59,995.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

INCLUDED DELIVERY TO THE PURCHASER. OFFLOADING OF THE EQUIPMENT IS UPON THE RECEIVING PURCHASER.

1. GENERATOR REQUIREMENTS:
    a. Standby duty rated at 125.0 kW, 156.3 KVA, 8 power factor.
    b. 480 volts
    c. 3 phase, 60 hertz, 1800 rpm
    d. Directly connected to the engine flywheel housing with flex coupling.
    e. Generator shall meet performance class G3 of IEC.
    f. Unit shall be in compliance with and be UL 2200 labeled.
2. ENGINE:
    a. Water cooled diesel engine, sized for generator set.
    b. Emission compliant engine.
3. CONTROLS:
    a. Solid state, microprocessor based generator controls.
    b. Controls shall provide all operating, monitoring and control functions for generator set.
4. ENCLOSURE/SILENCER:
    a. Complete diesel engine generator set including control panel, engine starting batteries and fuel oil tank shall be enclosed in a factory assembled water protective, sound attenuated enclosure.
    b. Critical grade silencer.
    c. Companion flanges.
    d. Flexible stainless steel exhaust.
5. FUEL TANK:
    a. Double wall sub-base tank integral to enclosure.

b. 24 hour capacity at 100% at full load.
c. Rupture basin with 110% capacity.
d. Locking fuel caps.
e. Mechanical fuel level gauge.
f. Low fuel level alarm contact.
g. Fuel tank rupture alarm contact.
h. Must meet UL 142 and FDEP standards.

6. BATTERY CHARGER:

a. Current limiting battery charger to automatically charge batteries.
b. Charger shall be dual charge rate with automatic switching to boost rate when required.
c. Charger shall be mounted on genset package.

7. START UP AND TESTING:

a. Vendor must coordinate all start up and testing activities with the engineer and owner. After installation is completed by others and normal power is available, the vendor must perform a one (1) day start-up including the use of building load. The start-up technician will instruct all necessary personnel how to operate and maintain the equipment in accordance to the manufacturer's requirements.

8. CONDITIONS:

a. In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacture for this model and shall include but not be limited to the following necessary items:
b. Initial filling of oil and antifreeze.
c. Shrink wrap applied to the product to ensure a clean finish.
d. During the start-up, the technician shall record the following information and provide to the owner for his records:
e. Record Operating Voltage, Hz, Ph, and connected load (Amperage)
f. Package information consisting of Make of generator (Cat, Wacker, or Tradewinds), Model (TJ125 TP20, DP125, etc.), Serial number of complete package, and Start-up date.
g. Record engine and generator serial numbers.
h. One complete set of operation and maintenance manuals.
i. Two (2) year or 1500 hour standard standby generator warranty. Labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

125KW GENERATOR PACKAGE
SPECIFICATION #70

2017 Caterpillar D125-8

The Caterpillar D125-8 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$40,618.00	$40,618.00	$40,618.00	$41,000.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

125KW GENERATOR PACKAGE
SPECIFICATION #70

2017 Tradewinds TP125

The Tradewinds TP125 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$38,290.00	$38,290.00	$38,290.00	$38,290.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 Tradewinds TP150
2017 Wacker G180

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

THE TRAILER MUST HAVE A VIN AND A CERTIFICATE OF ORIGIN

1. GENERATOR REQUIREMENTS:

    a. Standby duty rated at 150kwe, 187kva, 8 power factor.
    b. Prime power duty rating 135kwe, 168kva, 0.8 power factor.
    c. Main Breaker shall be equipped with shunt trip.
    d. Generator end shall be Direct coupled to the engine flywheel with a flexible coupling.
    e. Generator shall meet performance class G3 of IEC.
    f. Jacket water heater.

2. ENGINE:

    a. 6 cylinder, water cooled, 1800rpm, diesel engine.
    b. Current emission compliant diesel engine.
    c. Spin on fuel and oil filters.

3. VOLTAGE CHANGE OVER SWITCH & DISTRIBUTION:

    a. Manual 3 position voltage change over switch to select each voltage as specified when the unit is not running.
    b. 1ph 120/240, 3ph 120/240, 3ph 120/208, and 3ph 277/480.
    c. A five point connection shall be provided for ease of connection of load leads.
    d. One 50amp, 120/240vac, 1 ph, twist lock receptacle.
    e. One 30amp, 120/240vac, 1 ph, RV type receptacle.
    f. Two 20amp, 120/240vac, 1 ph, duplex receptacle.
    g. Two 20amp, 120/240vac, 1ph, duplex GFI receptacle.
    h. Each receptacle shall be protected by a individual circuit breaker.
    i. A receptacle shall be provided to power both the jacket water heater and on board battery charger.
    j. Two thumb screw type connection points shall be provided for remote auto start.

4. CONTROLS:

    a. Solid state, microprocessor based generator controls.

b. Controls shall provide all operating, monitoring and control functions for the generator set. Controls shall provide for auto start/stop functions.
c. A emergency stop push button will be installed.
d. A voltage adjustment shall be provided in the panel to adjust voltage in all voltage positions.
e. A switch shall be provided in the panel to turn all power off in the panel if not being used.

5. ENCLOSURE:

a. Complete diesel engine generator set including control panel, engine starting batteries and fuel tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure. The sound attenuated enclosure noise level is not to exceed 73 – 75dba @ 21 feet.
b. Oil and water drain lines shall be provided and extend to the enclosure wall with valves for easy service.
c. Critical grade silencer.
d. Companion flanges.
e. Flexible exhaust-flex.
f. Keyed alike lockable doors.

6. IN BASE FUEL TANK TRAILER:

a. Trailer shall be DOT approved with proper serial number data plate indicating weight capacity minimum of 10,000lbs.
b. Trailer will have dual axles with torque springs to reduce overall height of package.
c. Standard 7 or 5 pin vehicle hitch receiver to be supplied.
d. Trailer will have two rear level jacks with sand shoes and front leveling jack.
e. Trailer will have hydraulic brakes.
f. Trailer will have all necessary safety equipment to include but not be limited to an adjustable and removable pintle hitch, 30 inch safety chains, fenders, lights per DOT, and break away cable.
g. Tires will be minimum load range type "D" (8 ply rating) with matching steel rims. Rims are to be finish painted.
h. Minimum 8 hour capacity at 75% load rating to determine single wall tank size.
i. A mechanical fuel gauge will be provided.
j. Locking fuel cap.
k. Low fuel level alarm.
l. All necessary vents and caps will be provided along with suction, return, and drain points.

7. BATTERY CHARGER:

a. Battery will be installed in holding container with battery cables.
b. Current limiting battery charger to automatically charge batteries.
c. Charger shall be dual charge rate with automatic switching to boost rate when required.
d. Charger mounted inside generator set package.
e. Fully charged battery will be provided at time of delivery and start-up.

8. START UP & COMMISSIONING:

a. One (1) day start-up including operational test of equipment showing proper connection of cables with safety issues performed by a factory trained technician. The start up technician will instruct personnel how to operate and maintain the equipment in accordance with the manufacturer's requirements.

9. CONDITIONS:

a. In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacturer for this model and shall include but not be limited to the following items:
b. All product shall be new and of current design.
c. Initial filling of oil and antifreeze. (diesel fuel by others)
d. During start-up, the technician shall record the following information and provide to owner for his records:
e. Operating Voltage, Hertz, Phase, and connected load (Amperage). [if any]
f. Package information consisting of Make of generator (Cat, Wacker, or Tradewinds), Model (TJ125 TP20, DP125, etc.), Serial number of complete package, and Start-up date.
g. Written Information consisting of make, model, serial number, and start-up date.
h. Record Engine and Generator Serial numbers.
i. One complete set of operation and maintenance manuals.
j. Two (2) year or 1500 hour standard mobile generator warranty will apply. Generator to be transported to authorized servicing dealer for warranty repair during normal business hours.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

150KW MOBILE GENERATOR PACKAGE
SPECIFICATION #71

2017 AKSA AT150

The AKSA AT150 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$48,450.00	$48,450.00	$48,450.00	$48,450.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

150KW MOBILE GENERATOR PACKAGE
SPECIFICATION #71

2017 Hipower HRJW-175-T6

The Hipower HRJW-175-T6 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$55,548.48	$55,548.48	$55,548.48	$55,548.48

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

150KW MOBILE GENERATOR PACKAGE
SPECIFICATION #71

2017 Wacker G180

The Wacker G180 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$95,275.00	$95,275.00	$100,490.00	$100,490.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

LISTED ABOVE YOU WILL FIND THE MODEL NUMBERS OF THE VEHICLES THAT WILL BE INCLUDED IN THIS YEAR'S CONTRACT. ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE NOTED.

1. GENERATOR REQUIREMENTS

    a. Standby duty rated at 500kwe, 625kva, 0.8 power factor
    b. 480 volts
    c. Voltage options are: 120/240, 120/208 or 277/480 3ph
    d. Directly connected to the engine flywheel housing with a flex coupling
    e. Generator shall meet performance class G3 of IEC
    f. Unit shall be compliance with UL 2200 specifications

2. ENGINE

    a. 6 cylinder, water cooled, 1800rpm, diesel engine
    b. Emission compliant engine to stationary standby regulations

3. CONTROLS

    a. Solid state, microprocessor based generator controls
    b. Controls shall provide all operating, monitoring and control functions for the generator set.
    c. Control panel is NFPA110 Compliant

4. ENCLOSURE/SILENCER

    a. Complete diesel engine generator set including control panel, engine starting batteries and fuel oil tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure with oil and water drain lines
    b. Enclosure shall be constructed from aluminum, preferably out of .125 thickness and 5058 marine grade aluminum.
    c. Critical grade silencer (25DB Reduction)
    d. Companion flanges
    e. Flexible stainless steel exhausts flex.

5. FUEL TANKS

    a. Double wall sub-base diesel fuel tank shall be integral to the enclosure
    b. 24 hour capacity at 75% load rating
    c. Rupture basin will be of 110% capacity

d. Locking fuel caps
e. All necessary vents and caps will be provided
f. Mechanical fuel level gauge
g. Low fuel level alarm contact
h. Fuel tank rupture basin alarm contact
i. Must meet UL 142 and FDEP standards

6. BATTERY CHARGER

a. Current limiting battery charger to automatically charge batteries
b. Charger shall be dual charge rate with automatic switching to boost rate when required.
c. Charger shall be mounted on genset package.

7. DELIVERY

a. Net cost includes delivery of equipment to governmental site location.
b. Coordination and offloading of the equipment at the governmental site location will be the responsibility of the purchasing agency.

8. START UP AND COMMISSIONING

a. Vendor must coordinate all start up and testing activities with the engineer and owner. After installation has been completed, approved by the local electrical inspector, and normal power is available, the vendor will perform a One (1) day start-up including the use of building load. The start up technician will instruct all necessary personnel how to operate and maintain the equipment in accordance to the manufacturer's requirements.

9. CONDITIONS

a. In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacture for this model and shall include but not be limited to the following necessary items:
b. Initial filling of oil and antifreeze
c. Shrink Wrap applied to the product to ensure a clean finish
d. During the start-up, the technician shall record the following information and provide to the owner for his records:Record Operating Voltage, Hz, Ph, and connected load (Amperage); Package Information consisting of Make, Model, Serial number, and Start-up Date; Record Engine and Generator Serial numbers.
e. One complete set of operation and maintenance manuals.
f. Two (2) years or 1000 hours standard standby generator warranty, whichever occurs first. Labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

DISCLOSURE: THE FLORIDA SHERIFFS ASSOCIATION WORKING IN CONJUNCTION WITH MANUFACTURERS, DEALERS AND DISTRIBUTORS OF VEHICLES/EQUIPMENT DOES THEIR BEST TO ENSURE MODEL NAMES, NUMBERS AND CODES REPRESENT THE LATEST INFORMATION AVAILABLE AT THE TIME THE BID DOCUMENTS ARE PREPARED. HOWEVER, DO TO THE NATURE OF THE BUSINESS, IT IS RECOMMENDED THAT YOU CONFIRM THIS INFORMATION WITH YOUR DEALER REPRESENTATIVE AT THE TIME YOU ARE REQUESTING A CONFIRMING QUOTE.

SPECIFICATION #72

2017 AKSA APD-ULJ500

The AKSA APD-ULJ500 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$86,040.00	$86,040.00	$86,040.00	$86,040.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

500KW GENERATOR PACKAGE
SPECIFICATION #72

2017 Tradewinds TP500

The Tradewinds TP500 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$102,752.00	$102,752.00	$102,752.00	$102,752.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

LISTED ABOVE YOU WILL FIND THE MODEL NUMBERS OF THE VEHICLES THAT WILL BE INCLUDED IN THIS YEAR'S CONTRACT. ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE NOTED.

THE TRAILER MUST HAVE A VIN AND A CERTIFICATE OF ORIGIN.

1. GENERATOR REQUIREMENTS

    a. Standby duty rated at 500kwe, 625kva, 0.8 power factor.
    b. Prime power duty rating 450kwe, 563kva, 0.8 power factor.
    c. Main Breaker shall be equipped with shunt trip.
    d. Generator end shall be Direct coupled to the engine flywheel with a flexible coupling.
    e. Generator shall meet performance class G3 of IEC.

2. ENGINE

    a. 6 cylinder, water cooled, 1800rpm, diesel engine.
    b. Current emission compliant diesel engine.
    c. Spin on fuel and oil filters.
    d. Jacket water heater with service valves to ensure coolant does not need to be drained if heater needs service.
    e. 120vac, 1ph, 60hz input 10 amp, 24vdc, output automatic battery charger.
    f. Standard 4D lead acid batteries with battery rack and cables.

3. VOLTAGE CHANGE OVER SWITCH AND DISTRIBUTION

    a. Manual 2 position voltage change over switch to select each voltage as specified when the unit is not running
    b. 3ph 120/208, and 3ph 277/480
    c. Load leads shall be attached to the generator using two (2) forms and shall be rated for 2000 amps. Generator will be equipped with both:c-1. Five (5) compression lugs per phase rated for 400 amps each
    d. A 20 amp, 120vac, 1ph, male receptacle shall be provided to power the jacket water heater.
    e. A 20 amp, 120vac, 1ph, male receptacle shall be provided to power the battery charger.
    f. Two thumb screw type connection points shall be provided for remote auto start.

4. CONTROLS

    a. Solid state, microprocessor based generator controls
    b. Controls shall provide all operating, monitoring and control functions for the generator set. Controls shall provide for auto start/stop functions.
    c. An emergency stop push button will be installed.

d. A voltage adjustment shall be provided in the panel to adjust voltage in all voltage positions.
e. A switch shall be provided in the panel to turn all power off in the panel if not being used.
f. A front face mounted circuit breaker shall be provided to protect the panel from any D.C. spikes.

5. ENCLOSURE

a. Complete diesel engine generator set including control panel, engine starting batteries and fuel tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure. The sound attenuated enclosure noise level is not to exceed 80 dba @ 21 feet.
b. Enclosure shall be constructed from aluminum, preferably out of .125 thickness and 5058 marine grade aluminum.
c. Oil and water drain lines shall be provided and extend to the enclosure wall with brass ball valves for easy service.
d. Critical grade silencer (25db reduction).
e. e.Companion flanges.
f. f.Flexible exhaust-flex.
g. g.Keyed-alike lockable doors.

6. IN BASE FUEL TANK TRAILER

a. Trailer shall be DOT approved with proper serial number data plate indicating weight capacity minimum of 20,000lbs.
b. Trailer will have dual axles with torque springs to reduce overall height of package.
c. Standard 7 pin vehicle wiring connector to be supplied.
d. Trailer will have two rear level jacks with sand shoes and front leveling jack.
e. Trailer will have hydraulic brakes.
f. Trailer will have all necessary safety equipment to include, but not be limited to, an adjustable and removable pintle hitch, 36 inch safety chains, fenders, lights per DOT, and break away cable.
g. Tires will be minimum load range type "D" (8 ply rating) with matching steel rims. Rims are to be finish painted.
h. h.Minimum 8 hour capacity at 75% load rating to determine single wall tank size.
i. A mechanical fuel gauge will be provided.
j. Locking fuel cap.
k. Low fuel level alarm.
l. All necessary vents and caps will be provided along with suction, return, and drain points.

7. BATTERY CHARGER

a. Battery will be installed in holding container with battery cables.
b. Current limiting battery charger to automatically charge batteries.
c. Charger shall be dual charge rate with automatic switching to boost rate when required.
d. Charger mounted inside generator set package.
e. Fully charged battery will be provided at time of delivery and start-up.
f. 120 volt shore power connector for battery charger.

8. START UP AND COMMISSIONING

a. One (1) day start-up including operational test of equipment showing proper connection of cables with safety issues performed by a factory trained technician. The start up technician will instruct personnel how to operate and maintain the equipment in accordance with the manufacturer's requirements.

9. CONDITIONS

a. In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacturer for this model and shall include, but not be limited to, the following items:
b. All product shall be new and of current design.
c. Initial filling of oil and antifreeze (diesel fuel by others).
d. During start-up, the technician shall record the following information and provide to owner for his records:i.Operating Voltage, Hertz, Phase, and connected load (Amperage-if any).ii.Written Information consisting of make, model, serial number, and start-up date.iii.Record Engine and Generator Serial numbers.
e. One complete set of operation and maintenance manuals.
f. Two (2) years or 1000 hours standard mobile generator warranty will apply, whichever occurs first. Generator to be transported to authorized servicing dealer for warranty repair during normal business hours.

DISCLOSURE: THE FLORIDA SHERIFFS ASSOCIATION WORKING IN CONJUNCTION WITH MANUFACTURERS, DEALERS AND DISTRIBUTORS OF VEHICLES/EQUIPMENT DOES THEIR BEST TO ENSURE MODEL NAMES, NUMBERS AND CODES REPRESENT THE LATEST INFORMATION AVAILABLE AT THE TIME THE BID DOCUMENTS ARE PREPARED. HOWEVER, DO TO THE NATURE OF THE BUSINESS, IT IS RECOMMENDED THAT YOU CONFIRM THIS INFORMATION WITH YOUR DEALER REPRESENTATIVE AT THE TIME YOU ARE REQUESTING A CONFIRMING QUOTE.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

500KW MOBILE GENERATOR PACKAGE SPECIFICATION #73

2017 Hipower Generator (HRMW 580 T6)

The Hipower Generator (HRMW 580 T6) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$134,102.63	$134,102.63	$134,102.63	$134,102.63

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

T200CORD-FS [1]	Additional Options - Specify *200amp, single power cord, 30 feet in length rated for 600v, SO type cable with generator connection (cam lock connector) at one end and bare wire at other end.* [1]	$1,982.00[1]
T400CORD-FS [1]	Additional Options - Specify *400amp, single power cord, 30 feet in length rated for 600v, SO type cable with generator connection (cam lock connector) at one end and bare wire at other end.* [1]	$2,480.00[1]
TLIT-FS [1]	Additional Options - Specify *Qty. 1, 1500 watt, Halogen telescoping aluminum light mounted to side of portable generator and prewired to load center mounted inside with breaker* [1]	$1,280.00[1]
TILT-5-FS [1]	Additional Options - Specify *Qty. 1, 150 watt, HID on one telescoping aluminum light mounted to side of portable generator and prewired to load center mounted inside with breaker* [1]	$2,180.00[1]
THREEL100-FS [1]	Additional Options - Specify *12 volt, power rewind cable reel for 5 conductor, 100 amp, 600 Volt, TYPE W cable, 75 foot length. Reel to be used with any above package and includes mounting, wiring of DC motor, and all required accessories. Does not include cable.* [1]	$5,894.00[1]
THREEL200-FS [1]	Additional Options - Specify *12 volt, power rewind cable reel for 5 conductor, 200 amp, 600 Volt, TYPE W cable, 75 foot length. Reel to be used with any above package and includes mounting, wiring of DC motor, and all required accessories. Does not include cable.* [1]	$9,840.00[1]
T1200-FS [1]	Additional Options - Specify *TWO (2) TIER compliant diesel engines capable of producing: 120/208, 120/240, or 277/480vac, 3pf, rated for 600kwe standby individually and 1200kwe together. Both generators will parallel and close to a dead bus within a single vertical cabinet consisting of two (2) main breakers and one (1) bus breaker rated for supplied voltage. Main panel will allow for one or both generators to power the load based upon connected load. Buss will be wired outside of ISO container to underside or curbside. A 1000 gallon, double wall steel fuel tank will be provided with an electric fuel pump and day tank controls. Container will also be provided with necessary mufflers, flexes, fuel lines, internal lighting, and stairs. Total unit will be mounted in a 40 ISO container with a street legal trailer and have all of the necessary* [1]	$49,856.00[1]
ALU-OVER-FS [1]	Additional Options - Specify *Oversized (gold wing) aluminum cable storage box with keyed alike doors and capable of holding 2,000 feet of 4/0 welding cable with ends.* [1]	$3,800.00[1]
COMP-400-FS [1]	Additional Options - Specify *Compression lug connection box, 400amp phenolic board, latched door with snap action shut off switch.* [1]	$4,889.00[1]
COMP-800-FS [1]	Additional Options - Specify *Compression lug connection box, 800amp phenolic board, latched door with snap action shut off switch.* [1]	$7,304.00[1]
COMP-1200-FS [1]	Upgrade Equipment - Specify *Compression lug connection box, 1200amp phenolic board, latched door with snap action shut off switch.* [1]	$9,437.00[1]
COV-FS [1]	Upgrade Equipment - Specify *Aluminum cover for power connectors. Gas spring lid with snap action limit switch to shut unit off if open, rodent prevention brush, with a lockable latch.* [1]	$3,507.00[1]
W-4001-OPP-FS [1]	Upgrade Equipment - Specify *Flexible Power Cable, 4/0, 1 Conductor, 600/2000V, 90 C, 400amp. Price Per Foot* [1]	$22.00[1]
TBREAKER-FS [1]	Upgrade Equipment - Specify *Upgrade generator circuit breaker to 240vac, 3ph system* [1]	$7,800.00[1]
TBREAKER2-FS [1]	Upgrade Equipment - Specify *upgrade generator circuit breaker to 100% rated breaker with shunt trip added.* [1]	$12,840.00[1]

600 AMP AUTOMATIC TRANSFER SWITCH
SPECIFICATION #74

2017 ASCO Series 300
2017 AKSA 300 Series
2017 Caterpillar CTG Series
2017 GE Zenith ZTG600
2017 Generac GTS600
2017 Tradewinds TT600

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

1. AUTOMATIC TRANSFER SWITCH:

    a. Maximum voltage rating of 600Vac, 60hz
    b. 1ph or 3ph
    c. Open transition (break-before-make) transfer logic
    d. Transfer switch must meet the related industry standards:
    e. UL 1008 - Automatic transfer switches for use in emergency systems
    f. CSA - Automatic transfer switches
    g. NEMA - Industrial control and systems AC transfer switch equipment
    h. IEC - Automatic transfer switching equipment

2. RATING:

    a. 600 amp, 3 pole, 277/480vac, 60hz
    b. Enclosure type: NEMA 3r

3. FUNCTIONAL:

    a. The automatic transfer switch shall automatically transfer the load to the generator supply in the event of a utility supply failure and return the load to the utility supply upon restoration. The automatic transfer switch power switching devices shall be mechanically and electrically interlocked to prevent the utility and generator supplies from being interconnected.
    b. All timers should be field adjustable to ensure proper field site compatibility.

4. AUTOMATIC SEQUENCE OF OPERATION:

    a. When the voltage on any phase of the utility supply is below present levels of rated voltage for a preset time delay, a contact shall close to initiate start of the standby generator.
    b. The load shall transfer to the generator supply when the generator voltage and frequency have reached acceptable present levels and the warm-up time delay has expired.
    c. When the utility supply is restores to the above present levels of rated voltage on all phases, load transfer from generator to utility supply shall be initiated following expiry of the utility return timer.
    d. Once the transfer mechanism operates and opens the generator power switching device, the transfer mechanism shall stop in the neutral position (i.e. with the both power switching devices open) for the duration of the neutral delay timer setting to allow load voltage to decay prior to reconnecting the utility supply.

e. The load shall be re-connected to the utility supply once the neutral delay timer expires and the transfer mechanism continues operation and closes the utility power switching device.
f. The load shall immediately retransfer to the utility supply (if within acceptable limits) should the generator supply fail prior to the expiry of the utility transfer delay.
g. The generator set shall continue to operate following a load transfer for a cool down delay period, and then a contact shall open to stop the generator set.
h. An "on load" test mode may be initiated which shall cause a simulated utility failure condition and transfer the load to the generator set. The transfer sequence shall be the same as for a utility power failure except a neutral delay sequence shall occur when transferring from utility to a generator source.
i. The load shall immediately retransfer to the utility supply (if within acceptable limits) should the generator supply fail during an "on load" test mode.

5. FACTORY TESTING:

a. A certified factory test report shall be shipped with each switch at time of shipment.
b. The automatic transfer switch shall be factory tested prior to delivery to the purchaser. The following test shall be conducted by qualified factory personnel:
c. Visual Inspection
d. Mechanical Tests
e. Electrical Tests
f. Final Inspection

6. FIELD TESTING AND COMMISSIONING:

a. The automatic transfer switch shall be field tested once installed at the project site to confirm proper operation of the system. Schedule and witness testing activities shall be coordinated with the project engineer, site contractor, and owner as required in advance of the testing date. A qualified local factory-trained field representative shall conduct the necessary test to ensure proper operation of the switch.
b. Visual Inspection: Electrical and Mechanical inspection to verify the installation is correct as recommended by the transfer switch manufacturer and as per National Electric Code (NEC) requirements.
c. Mechanical Tests: As a minimum, the following mechanical tests shall be performed on the transfer switch:
d. Power conductor torque verification
e. Verification of mechanical interlock
f. Manual ATS Mechanism Operation
g. All Mechanical Fasteners/Wire Connections Tight
h. Confirmations of correct transfer switch voltage, current and withstand ratings as is required for the application.
i. Meggar testing the power cabling to the transfer switch.
j. Verification of correct power cabling phasing and phase rotation prior to energization.
k. Confirmation of settings for all timers & voltages sensors.
l. Full Function test-normal operation – 3 complete cycles of failing the utility supply, and transfer load to/from the generator set.
m. Verification of all test modes operates correctly.

7. CONDITIONS:

a. In addition to equipment specified, each automatic transfer switch shall be equipped with all necessary equipment as specified by the manufacturer for this model and shall include but not be limited to the following necessary items:
b. Shrink Wrap applied to the product to ensure a clean finish.
c. One complete set of operation and maintenance manuals.
d. A two (2) year or 1500 hour from date of standard standby warranty will apply from date of successful start-up. Labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

600 AMP AUTOMATIC TRANSFER SWITCH
SPECIFICATION #74

2017 ASCO Series 300

The ASCO Series 300 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$4,270.00	$4,270.00	$4,270.00	$4,270.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

600 AMP AUTOMATIC TRANSFER SWITCH
SPECIFICATION #74

2017 Tradewinds TT600

The Tradewinds TT600 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$5,257.00	$5,257.00	$5,257.00	$5,257.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2017 Wacker Neuson APT6

Listed above you will find the model numbers of the vehicles that will be included in this year's contract. All items factory installed unless otherwise noted.

THE TRAILER MUST HAVE A VIN AND A CERTIFICATE OF ORIGIN

1. DESIGN REQUIREMENTS:
    a. Discharge size: 6 inches
    b. Suction size: 6 inches
    c. Capable of 1750 GPM minimum
    d. Capable of 160 ft. Total Dynamic Head (TDH) minimum
    e. Duty Point, Maximum: 1,000 gallons per minute minimum (GPM) at 120 ft. Total Dynamic Head (TDH)
    f. Impeller Diameter: Manufacturer's standard for pump
    g. Operating Speed Maximum: 2,200 RPM
    h. Solids Handling Size, Maximum: 3 inches
2. ENGINE:
    a. Diesel engine, appropriate to pump size at continuous duty.
    b. Emission compliant engine
    c. Industrial grade exhaust muffler and rain cap
    d. Oil and water drain lines with ball valves
    e. Low water level shutdown switch
    f. 12vdc system with battery rack and cables
    g. 12vdc battery charger
    h. 50 gallon minimum fuel tank with low fuel level alarm and shutdown.
3. PUMP:
    a. Check valve
    b. Impellers
    c. Self priming system
4. CONTROLS:
    a. Solid state, microprocessor based pump controls.
    b. Controls shall provide all operating, monitoring and control functions for the pump set.
    c. Controller will also provide 2 fully programmable contacts for input and output signals accordingly.
    d. Controller will provide remote start stop control with adjustable ramp (speed) time control.

e. UL 508 R and CSA C22.2 No. 14 approved.

5. TRAILER:

a. The manufacturer shall mount the diesel engine and pump unit with the above 50 gallon subbase tank on a street legal D.O.T. approved trailer. This trailer will be able to be rated for a safe travel at speeds of 60 mpg and not be limited to the following specifications:
b. Trailer design shall be such that the County/City may easily remove the entire engine, fuel tank and pump from the trailer.
c. 12vdc electric system
d. Lunette or military type towing ring with safety chains.
e. Hydraulic brakes with reverse dump solenoid.
f. Single point lifting bar.
g. License plate bracket
h. Sand shoe type support stands front and rear.
i. Torque spring axles to meet load of trailer.
j. Full size spare tire.

6. START UP AND COMMISSIONSING:

a. Vendor must coordinate all start up and testing activities with the engineer/owner. After field delivery of the pump and trailer, an authorized factory representative shall perform the initial start up and field testing of the pump and trailer. If conditions permit, a site will be determined where connection will be made by the County/City to test the pump package. If a site cannot be prepared a standard operational test will be performed.
b. At the same time the start up test is performed, the factory representative will provide all necessary operation, field maintenance and minor repair training as necessary. This will also include safety procedures and hazard assessment.

7. CONDITIONS:

a. In addition to equipment specified, each pump package shall be equipped with all standard equipment as specified by the manufacturer for this model and shall include but not be limited to the following necessary items:
b. Initial filling of oil and antifreeze.
c. During the start up, the authorized factory representative shall record and provide the County/City with the engine and pump serial numbers for the owner records. At this time the warranty will begin.
d. One complete set of operations and maintenance manuals.
e. Two (2) year or 1500 hour standard standby pump package warranty. Labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

Disclosure: The Florida Sheriffs Association working in conjunction with manufacturers, dealers and distributors of vehicles/equipment does their best to ensure Model names, numbers and codes represent the latest information available at the time the bid documents are prepared. However, do to the nature of the business, it is recommended that you confirm this information with your dealer representative at the time you are requesting a confirming quote.

6 INCH MOBILE PUMP PACKAGE
SPECIFICATION #75

2017 Godwin CD150M

The Godwin CD150M purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$37,650.00	$37,650.00	$37,650.00	$37,650.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

6 INCH MOBILE PUMP PACKAGE
SPECIFICATION #75

2017 Holland Pumps PT6TPC

The Holland Pumps PT6TPC purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$39,550.00	$39,100.00	$39,100.00	$39,100.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

6 INCH MOBILE PUMP PACKAGE
SPECIFICATION #75

2017 Thompson 6JSCEN

The Thompson 6JSCEN purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	$37,750.00	$37,750.00	$37,750.00	$37,750.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES

6 INCH MOBILE PUMP PACKAGE
SPECIFICATION #75

2017 Tradewinds TPK064750

The Tradewinds TPK064750 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	$32,852.00	$32,852.00	$32,852.00	$32,852.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1.00 BID CORRESPONDENCE

All correspondence regarding this bid should be directed to the Florida Sheriffs Association using the information shown above. Please be sure to reference the bid number and your contact information.

The contact person(s) for this bid is

Annette Grissom, FSA Cooperative Bid Coordinator
E-mail: agrissom@flsheriffs.org
Phone: 850-877-2165 ext. 231
Fax: 850-878-5115

Andrew Terpak, Business Operation Manager
E-mail: dterpak@flsheriffs.org
Phone: 850-877-2165 ext. 227
Fax: 850-878-5115

All written (hard) copy communication or document submittals for this Invitation to Bid should be directed to:

Florida Sheriffs Association
Attn: Cooperative Bid Coordinator
2617 Mahan Drive
Tallahassee, FL 32308
850-877-2165

The Bid number should be referenced on the outside of the box as well as the contents.

1.01 PURPOSE

The Florida Sheriffs Association and the Florida Association of Counties invite interested vendors, including Motor Vehicle Manufacturers and Dealers/Certified Representatives to submit responses in accordance with these solicitation documents. The Florida Sheriffs Association will serve as the "Contract Administrator" in the solicitation process and the administration of the resulting contract. The purpose of this bid is to establish a twelve (12) month contract, beginning October 1st and ending September 30th, annually with manufacturer's authorized dealers for the purchase of vehicles and equipment on a "no trade-in basis".

Trade-ins are not addressed in this contract. If an agency has a desire to offer vehicles/equipment for trade to the dealer, the agency and dealer may do so at their sole discretion, separate and apart from this contract.

1.02 TERM OF CONTRACT

This contract shall remain in effect for one (1) year from date of contract execution by the FSA Cooperative Purchasing Program Administrator, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, for up to two (2) additional years, on a year to year basis.

Contract extensions will only be executed when conditions indicate it is in the best interest of the FSA and the customers.

In the event that the contract is held beyond the term herein provided it shall only be from a month-to-month basis only and shall not constitute an implied renewal of the contract. Said month to month extension shall be upon the same terms of the contract and at the compensation and payment provided herein.

1.03 ESTIMATED QUANTITIES (Vehicles and Equipment)

In FY 2015-16 eligible users purchased approximately 8,500 rolling inventory from the vehicle and equipment bid awards. These estimated figures are given only as a guideline for preparing your bid and should not be construed as representing projected figures.

Estimated quantities or estimated dollars, if provided, are for FSA guidance only. No guarantee is expressed or implied as to quantities or dollars that will be used during the contract period. The FSA is not obligated to place any order for a given amount subsequent to the award of this bid solicitation.

1.04 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff of the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the Sheriff's Offices from the provisions of the Florida Statute requiring among other things, sealed and competitive bids procedures.

It is our practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Nothing in this proposal in any way obligates the participating Sheriff's Offices for any payment for any activity or costs incurred by any vendor in responding to this proposal.

1.05 COOPERATIVE PURCHASING

Pursuant to their own governing laws, and subject to the agreement of the Vendor, other entities may be permitted to make purchases at the terms and conditions contained in General Conditions Section 1.09 Eligible Customers of Contract.

Non-Customer purchases are independent of the agreement between Customer and Vendor, and Customer shall not be a party to any transaction between the Vendor and any other purchaser.

1.06 FUNDING

Funds expended for the purposes of the contract must be appropriated by the individual participating agency for each fiscal year included within the contract period. Therefore, the contract shall automatically terminate without penalty or termination of costs if such funds are not appropriated.

1.07 CURRENCY Rev2/16

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollar.

1.08 GENERAL DEFINITIONS

The following terms are defined as the following

(a) "FSA Cooperative Purchasing Program Administrator" means the Florida Sheriffs Association in its role in administering the solicitation and contract administration process for the Florida Sheriffs Association and the Florida Association of Counties or their designee.

(b) "Fleet Advisory Committee (FAC)" means an employee of Sheriffs Offices and other local governmental agencies in the State of Florida and/or any other person who FSA identifies as subject matter expert who will assist with the development of bid specifications and evaluation of bid responses.

(c) "Vendor" means the bidder that has been awarded and agrees to provide products, vehicles, trucks, or equipment, which meet the requirements, specifications, terms and conditions of theagreement contract, to eligible customers, as defined herein.

(d) "Customer" means an eligible customer as defined in General Conditions Section 1.09 Eligible Customers of Contract.

(e) "Bid" shall mean a competitive bid procedure established through the issuance of an invitation to bid. The term "bid" as used herein, shall not include request for proposals, request for qualifications, request for letters of interest, or the solicitation of purchase orders based on oral or written quotations.

(f) "Bidder" means a person or enterprise that submits a formal offer to the FSA Cooperative Purchasing Program Administrator in accordance with these Contract Terms and Conditions.

(g) "Dealer(s)" A manufacture's certified representative authorized by the manufacturer to market, sell, provide, and service the vehicles/equipment included in the FSA Cooperative Purchasing Program. Dealers may be Vendor owned and controlled, in whole or in part or independently owned and controlled.

(h) "Manufacturer" The original producer or provider of Vehicles/Equipment responsive to this Bid.

(i) "Factory" refers to the manufacturer; the assembly line.

(j) "Dealer Option" a product or service provided by the dealer or other third party; not the factory.

(k) "Non-Scheduled Options" Any optional new or unused component not specified, feature or configuration not included in the base representative vehicle model specifications or options.

(l) "Up fitter" An individual or business who installs non-factory options on a vehicle or equipment; not the factory.

(m) "Sub-Vendor or 3rd party" Refers to an individual or business firm contracting to perform part or another's entire contract.

(n) "MSRP(s)" an acronym for Manufacturer's Suggested Retail Price, which represents the Manufacturer's recommended retail selling price, list price, published price, or other usual and customary price that would be paid by the purchaser. The following are acceptable sources of current MSRPs and MSRP Lists for use in submission of the bid solicitation and the resulting contract:

1. Manufacturer's Computer Printouts; Ford - "Dora"; General Motors - "GM Autobook"; or approved equivalent)
2. Chrome Systems, Inc.'s PC Carbook (e.g., PC Carbook Plus and PC Carbook Fleet Edition)
3. Manufacturer's Annual U.S. Price Book
4. Manufacturer's official website
5. Edmunds (No subscription req'd)

Note: Some of above resources above require a paid subscription.

(o) "Recognized MSRP" recognized MSRP occurs when an FSA requested option does not exist to the base vehicle model as a free flow option contained in the manufacturer's order guide. This MSRP is generated by the creation of a new model that includes the requested FSA option content.

(p) "Published Pricing" the published price that a company will sell a commodity for, when the commodity is not traded on an official exchange.

(q) "Balance Out" a term used by manufacturers to notify dealers the factory has reached maximum capacity for orders. Vehicle manufacturer's use this term when referring to any given model year for production.

1.09 ELIGIBLE CUSTOMERS OF CONTRACT

Bids will be extended and guaranteed to any and all units of local governments/political subdivisions including but not limited to county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida, and the state universities and colleges. In addition, bids will be extended and guaranteed to any other entities approved by manufacturers to participate in this contract. The participating agencies cannot guarantee any order other than those ordered through each individual agency.

All agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All awarded Vendors/Dealers are governed by their manufacturer's agreement. Reference Funding Section 1.06

The State of Florida, Department of Management Services, Division of State Purchasing administers statewide contracts and agreements for use by Florida State agencies, local governments, educational institutions, and other entities as defined in 60A-1.005, Florida Administrative Code.

Out of State Sales are permitted under this contract however, again ALL agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All contractor/dealers are governed by their manufacturer's agreement. All contractor/dealers referencing this contract for the purpose of facilitating sales (purchase authority) outside the State of Florida must accept the terms and conditions of this contract.

60A-1.005 Eligible Users.
The following entities are eligible users:
(1) All governmental agencies, as defined in Section 163.3164, F.S., which have a physical presence within the State of Florida;
(2) Any independent, nonprofit college or university that is located within the State of Florida and is accredited by the Southern Association of Colleges and Schools. *Rulemaking Authority 287.042(12) FS. Law Implemented 287.012(12) FS. History–New 8-24-04*

1.10 LEGAL REQUIREMENTS

Federal, State, county laws, ordinances, rules and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the bidder will in no way be a cause for relief from responsibility.

1.11 PATENTS & ROYALTIES

The bidder, without exception, shall indemnify and save harmless the FSA and its employees from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The FSA or Customer.

If the bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

1.12 FEDERAL AND STATE STANDARDS

It is the intent of FSA that all specifications herein are in full and complete compliance with all federal and State of Florida laws, requirements, and regulations applicable to the type and class of commodities and contractual services being provided. This includes, but is not limited to, Federal Motor Vehicle Safety Standards (FMVSS), Occupational Safety and Health Administration (OSHA), EPA Emission Standards, Fire Apparatus Vehicle Standards, Federal Ambulance Standards (KKK-A-1822F), Federal Motor Vehicle Safety Standards (FMVSS), National Highway Traffic Safety Administration (NHTSA) and State of Florida laws, requirements, and regulations that apply to the type and class of commodities and contractual services being provided.

In addition, if any applicable federal or State legislation becomes effective during the term of the Contract, regarding the Commodities and contractual services' specifications, safety, and environmental requirements shall immediately become a part of the Contract. The Awarded Vendor/Dealer shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Awarded Vendor/Dealer shall contact the Business Operation Manager immediately.

The bidder warrants that the product supplied to the FSA or Customer shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered as a breach of contract. Any fines levied because of inadequacies to comply with these requirements shall be borne solely by the bidder responsible for same.

1.13 UNDERWRITERS' LABORATORIES

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be U.L. listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.14 AMERICAN WITH DISABILITIES ACT

To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, and/or any accommodation to review any document or participate in any FSA sponsored proceeding, please contact FSA HR Director at 850-877-2165 (voice), 850-878-8665 (fax) five days in advance to initiate your request. TTY users may also call 711 (Florida Relay Service).

1.15 REASONABLE ACCOMMODATION

In accordance with the Title II of the Americans with Disabilities Act, any person requiring an accommodation at the Bid opening because of a disability must contact the FSA Human Resources at (850) 877-2165.

1.16 MINORITY BUSINESS ENTERPRISE (MBE)

The Florida Sheriffs Association Policy is that Minority Business Enterprises (MBE) shall have the opportunity to participate in competitive bids. Such process would be for supplying goods and services to FSA and Customers.

1.17 ANTI-DISCRIMINATION

The bidder certifies that he/she is in compliance as applicable by State Law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.18 BEST COMMERCIAL PRACTICES

The apparent silence of this specification and any supplemental specifications as to any details or the omission from it of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices, size, and design are to be used.

All workmanship is to be first quality. All interpretations of this specification shall be upon the basis of this statement.

1.19 PUBLIC ENTITY CRIMES (PEC)

In accordance with the Public Entity Crimes Act (Section 287.133) a person or affiliate who has been placed on the convicted vendor list maintained by the State of Florida Department of Management Services following a conviction for public entity crimes may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a Vendor, supplier, Sub-Vendor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Sec. 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.20 TAX EXEMPTION

All State and Federal tax exemptions applicable to the units of local government of the State of Florida will apply, and appropriate certifications furnished. Customers shall comply with all federal, state and local tax requirements.

The Florida Sheriffs Association is a 501c3 Organization and exempt from all Federal Excise and State Taxes. State Sales Tax and Use Certificate Number is 59-0708112.

1.21 TAXES

Customers making purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the Vendor to verify that the Customer is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number.

1.22 SPECIAL CONDITIONS

Any and all Special Conditions that may vary from these General Conditions shall have precedence.

1.23 BID CLARIFICATION

Any questions or clarifications concerning this Invitation to Bid shall be submitted in writing by mail or facsimile to the Florida Sheriffs Association, Cooperative Bid Coordinator 1st Floor, 2617 Mahan Drive, Tallahassee FL 32308 and a copy to COOP@flsheriffs.org with the bid title/number shall be referenced on all correspondence. All questions must be received no later than ten (10) calendar days prior to the scheduled bid opening date.

All responses to questions/clarifications will be sent to all prospective bidders in the form of an addendum. NO QUESTIONS WILL BE RECEIVED VERBALLY OR AFTER SAID DEADLINE.

1.24 COMMUNICATIONS

Communications between a proposer, bidder, lobbyist or consultant and FSA is limited to matters of process or procedure. Requests for additional information or clarifications must be made in writing to the FSA Cooperative Bid Coordinator no later than Ten (10) calendar days prior to the scheduled Bid opening date.

The FSA will issue replies to inquiries and any other corrections or amendments it deems necessary in written addenda issued prior to the deadline for responding to the Bid.

Bidders should not rely on representations, statements, or explanations other than those made in this Bid or in any written addendum to this Bid. Bidders should verify with the FSA Cooperative Bid Coordinatorprior to submitting a bid that all addenda have been received. Reference Bidder Instructions Section 2.28, entitled "Cone of Silence" which sets forth the policies and procedures relative to oral and written communications.

1.25 INTERPRETATIONS

Unless otherwise stated in the bid, any questions concerning conditions and specifications should be submitted in writing to the FSA Cooperative Contract Bid Coordinator at 2617 Mahan Drive, Tallahassee, FL 32308 or by e-mail to: COOP@flsheriffs.org

1.26 CLARIFICATION AND ADDENDA TO BID SPECIFICATIONS

If any person contemplating submitting a Bid under this Solicitation is in doubt as to the true meaning of the specifications or other Bid documents or any part thereof, the Bidder must submit to the FSA Cooperative Bid Coordinator at least ten (10) calendar days prior to scheduled Bid opening, a request for clarification. All such requests for clarification must be made in writing and the person submitting the request will be responsible for its timely delivery.

Any interpretation of the Bid, if made, will be made only by Addendum duly issued by the FSA. The FSA shall issue an Informational Addendum if clarification or minimal changes are required.

The FSA shall issue a Formal Addendum if substantial changes which impact the technical submission of Bids are required. In the event of conflict with the original Contract Documents, Addendum shall govern all other Contract Documents to the extent specified. Subsequent addendum shall govern over prior addendum only to the extent specified.

The Bidder shall be required to acknowledge receipt of the Formal Addendum by signing in the space provided on the Bid Form. Failure to acknowledge Addendum shall deem its Bid non-responsive; provided, however, that the FSA may waive this requirement in its best interest. The FSA will not be responsible for any other explanation or interpretation made verbally or in writing by any other FSA representative.

1.27 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the bidder or Vendor, which offer shall be deemed accepted upon approval by the FSA and in case of default on the part of successful bidder or Vendor, after such acceptance, the FSA may procure the items or services from other sources and hold the bidder or Vendor responsible for any excess cost occasioned or incurred thereby.

1.28 ASSIGNMENT

The Vendor shall not assign, transfer, convey, sublet or otherwise dispose of this contract, including any or all of its right, title or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the FSA.

1.29 METHOD OF AWARD

Award of this contract will be made to a primary bidder. FSA will also identify the second lowest and best bidder per specification and zone to be utilized in the event the primary bidder is unable to fulfill their obligations.

The FSA reserves the right to make multiple awards if deemed in the best interest of the FSA. Reference Contract Conditions Section 3.19, Basis for Award.

1.30 AUTHORITY TO RESOLVE PROTESTED BIDS AND PROPOSED AWARDS

(a) Right to protest. Any actual bidder, qualified proposer, or interested parties (hereinafter collectively referred to as the "bidder) who has a substantial interest in, and is aggrieved in connection with the solicitation or proposed award of, a request for proposals ("RFP"), request for qualifications ("RFQ"), request for letters of interest ("RFLI) or invitation to bid for goods and/or services ("herein after collectively referred to as the bid") may protest to the FSA Cooperative Purchasing Program Administrator.. Protest arising from the decisions and votes of any evaluation or selection committee shall be limited to protest based upon deviation(s) from established purchasing procedures set forth by FSA policy and procedures and specification, requirements and/or terms set forth in any bid.

(1) Any protest concerning the bid specifications, requirements, and/or terms must be made within three (3) business days (for the purpose of this section "business day" means a day other than Saturday, Sunday or a national holiday), from the time the facts become known and, in any case, at least two (2) business days prior to the opening of the bid. Such protest must be made in writing to the FSA Cooperative Purchasing Program Administrator and such protest shall state the particular grounds on which it is based and shall include all pertinent documents and evidence. No protest shall be accepted unless it complies with the requirements of this section. Failure to timely protest bid specifications, requirements and /or terms is a waiver of the ability to protest the specifications, requirements and/or terms.

(2) Any protest after the bid opening, including challenges to actions of any evaluation or selection committee as provided in subsection (a) above shall be submitted in writing to the FSA Cooperative Purchasing Program Administrator. FSA will allow such bid protest to be submitted anytime until two (2) business days following the release of the Administrator's written recommendation to the FSA for award of the bid in question. Such protest shall state the particular grounds on which it is based and shall include all pertinent grounds on which it is based, and shall include all pertinent documents and evidence. No bid protest shall be accepted unless it complies with the requirements of this section. All actual bidders shall be notified in writing (which may be transmitted by electronic communication, such as facsimile transmission and/or e-mail), following the release of the Administrator's written recommendation to the FSA.

(b) Any bidder who is aggrieved in connection with the solicitation or proposed award of a purchase order based on an oral or written quotation may protest to the FSA Cooperative Purchasing Program Administrator anytime during the procurement process, up to the time of the award of the purchase order, but not after such time, Such protest shall be made in writing and state the particular grounds on which it is based and shall include all pertinent documents and evidence. No bid protest shall be accepted unless it complies with the requirements of this section.

(c) The FSA may request reasonable reimbursement for expenses incurred in processing any protest hereunder, which expenses shall include , but not limited to staff time, legal fees and expenses (including expert witness fees), reproduction of documents and other out of pocket expenses.

(d) Authority to resolve protest. The FSA Cooperative Purchasing Program Administrator shall have the authority to settle and resolve a protest concerning the solicitation or award of the bid.

(e) Responsiveness. Prior to any decision being rendered under this section with respect to a bid protest, the FSA Cooperative Purchasing Program Administrator and the FSA legal counsel, or their respective designees, shall certify whether the submission of their bidder to the bid in question is responsive. The parties to the protest shall be bound by the determination of the FSA Cooperative Purchasing Program Administrator and the FSA legal counsel with regard to the issue of responsiveness.

(f) Decision and appeal procedures. If the bid protest is not resolved by mutual agreement, the FSA Cooperative Purchasing Program Administrator and FSA Legal counsel, or their respective designees, shall promptly issue a decision in writing. The decision shall specifically state the reasons for the action taken and inform the protestor of his or her right to challenge the decision.

(g) Any person aggrieved by any action or decision of the FSA Cooperative Purchasing Program Administrator, FSA legal counsel, or their respective designees, with regard to any decision rendered under this section may file an appeal. Reference General Conditions Section 1.30(h).

(h) All appeals arising under or relating to this Agreement are to be settled by binding arbitration in the State of Florida. Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within 72 hours of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within 10 days of the FSA bid protest decision.

Any person who files for arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to $5,000.00. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA bear the cost of their own attorney fees. For the purpose of arbitration, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

(i) The arbitration shall be conducted on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of cost and expenses, and reasonable attorneys' fees. Any such arbitration shall be conducted by an arbitrator experienced in the industry and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be employed by or affiliated with a competing organization or entity.

Any action not brought in good faith shall be subject to sanction's including damages suffered by the FSA and the legal counsel's fees incurred by the FSA in defense of such wrongful action.

(j) Distribution. A copy of each decision by the FSA Cooperative Purchasing Program Administrator and the FSA Legal counsels shall be mailed or otherwise furnished immediately to the protestor.

(k) Stay of procurements during protest. In the event of a timely protest under this section, the contract administration shall not proceed further with the solicitation or with the award pursuant to such bid unless a written determination is made by the FSA Cooperative Purchasing Program Administrator, that the award must be made without delay in order to protect a substantial interest of the FSA.

(l) The institution and filing of a protest under this article is an administrative remedy that shall be employed prior to the institution and filing of any civil action against the FSA concerning the subject matter of protest.

(m) Protest not timely made under this section shall be barred. Any basis or ground for a protest not set forth in the letter of protest required under this section shall be deemed waived.

(n) At the time of the FSA Cooperative Bid Coordinator's recommendation for award a bid is presented at a meeting with the FSA Cooperative Purchasing Program Administrator shall report any legal issues relative to any bid protest filed in connection with the bid in question.

(o) The determination of the FSA Cooperative Purchasing Program Administrator and the FSA legal counsel with regards to all procedural and technical matters shall be final.

1.31 DEMONSTRATION OF COMPETENCY

Pre-award inspection of the Bidder's facility may be made prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods and/or services as described in this Bid.

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the FSA.

The FSA may consider any evidence available regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience) with the FSA in making the award in the best interest of the FSA.

The FSA may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier which is the actual source of supply. In these instances, the FSA may also require material information from the source of supply regarding the quality, packaging, and characteristics of the products to be supplied to the FSA through the designated representative. Any conflicts between this material information provided by the source of supply and the information contained in the Bidder's Bid may render the Bid non-responsive.

The FSA may, during the period that the Contract between the FSA and the successful Bidder is in force, review the successful Bidder's record of performance to insure that the Bidder is continuing to provide sufficient financial support, equipment and organization as prescribed in this Solicitation. Irrespective of the Bidder's performance on contracts awarded to it by the FSA, the FSA may place said contracts on probationary status and implement termination procedures.

If the FSA determines that the successful Bidder no longer possesses the financial support, equipment and organization which would have been necessary during the Bid evaluation period in order to comply with this demonstration of competency section.

1.32 VENDOR ABILITY TO PERFORM:

The Vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Vendor's ability to satisfy its Contract obligations. The Vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statues, or on any similar list maintained by any other state or the federal government. Reference General Conditions Section 1.48 Non Performance. The Vendor shall immediately notify the FSA and Customer in writing if its ability to perform is compromised in any manner during the term of the contract.

1.33 QUALITY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest grade workmanship, meeting or exceeding federal safety standards.

1.34 NON-CONFORMANCE TO CONTRACT CONDITIONS

Items may be tested for compliance with specifications. Item delivered, not conforming to specifications may be rejected and returned at vendor's expense. These items and items not delivered as per delivery date in bid and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the bidder.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the vendor list.
- All FSA departments and Customers being advised not to do business with vendor.

1.35 WAIVER OF INFORMALITIES

The FSA reserves the right to waive any informalities or irregularities in this bid solicitation.

1.36 GRATUITIES

Proposers shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid.

1.37 TIE BIDS

Please be advised that in accordance with Florida Statues Section 287.087, regarding identical tie bids, preference will be given to vendors certifying that they have implemented a drug free work place program. A certification form will be required at the time of bid submission.

Whenever two or more bids which are equal with respect to price, quality and service are received for the procurement of commodities or contractual services preference shall be given to businesses with qualifying drug-free workplace programs.

In case of tie bids and both businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder Within (A SPECIFIC ZONE)
- Bidder Within the (STATE of FLORIDA)
- Dealers track record with Customer Service
- Coin Toss

1.38 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables Florida Sheriffs Association (hereafter known as 'FSA') to readily identify Vendor's Sales.

FSA and its authorized representatives shall have the right to audit, to examine, and to make copies of or extracts from all financial and related records (in whatever form they may be kept, whether written, electronic, or other) relating to or pertaining to this Contract or Agreement and all government sales and eligible users info for review and kept by or under the control of the Vendor, including, but not limited to those kept by the Vendor, its employees, agents, assigns, successors, and Sub-Vendors. Such records shall include, but not be limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; memoranda; and correspondence.

Vendor shall, at all times during the term of this Contract or Agreement and for a period of Three (3) years after the completion of this Contract or Agreement, maintain such records, together with such supporting or underlying documents and materials. The Vendor shall at any time requested by FSA, whether during or after completion of this Contract or Agreement, and at Vendor's own expense make such records available for inspection and audit (including copies and extracts of records as required) by FSA. Such records shall be made available to FSA (subject to a three day written notice) during normal business hours.

FSA at their option may select the Vendor's office, place of business or offsite location for the audit; and/or option to have the Vendor provide financial records, together with the supporting or underlying documents and records, via e-mail or phone for audit at a time and location that is convenient for FSA.

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assigns, successors, and Sub-Vendors and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and

any Sub-Vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA.

Costs of any audits conducted under the authority of this right to audit and not addressed elsewhere will be borne by FSA unless certain exemption criteria are met. If the audit identifies under reporting, overpricing or overcharges (of any nature) by the Vendor to FSA in excess of three (3) percent (3%) of the total contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000.00. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments and/or payments that must be made as a result of any such audit or inspection of the Vendor's invoices and/or records shall be made within a reasonable amount of time (not to exceed 90 days) from presentation of FSA's findings to Vendor.

1.39 FINANCIAL RESPONSIBILITY

Bidder affirms by his or her signature on the contract signature page that he or she:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid, and has the adequate facilities and personnel to fulfill such requirements;
- Accepts the financial responsibility associated with this bid, and declares that he or she has the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- In assessing financial responsibility, Vendor shall consider items such as the specifications bid, the zones bid, and the quantity of specifications bid, as well as timing of payment from customers, which can be 45 days from receipt of invoice;
- Assumes full responsibility that all vehicles delivered to the customer are free and clear of all outside liens, encumbrances, security interests apart from the dealer floor plan or other dealer inventory finance security interest.

1.40 LAWS, PERMITS AND REGULATIONS

The bidder shall obtain and pay for all licenses, permits and inspection fees (including all levels of governmental fees) required for this project; and shall comply with all laws, ordinances, regulations and building code requirements applicable to the work contemplated herein.

1.41 LIABILITY, INSURANCE, LICENSES AND PERMITS

Where bidders are required to enter or go onto FSA or Customer property to deliver materials or perform work or services as a result of a bid award, the successful bidder will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all work complies with all applicable County and Municipal code requirements. The bidder shall be liable for any damages or loss to the FSA or Customer occasioned by negligence of the bidder (or agent) or any person the bidder has designated in the completion of the contract as a result of his or her bid.

1.42 BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE

Bid Bonds, when required, shall be submitted with the bid in the amount specified in Special Conditions. After acceptance of bid, the FSA will notify the successful bidder to submit a performance bond and certificate of insurance in the amount specified in Special Conditions.

Agencies may request a performance bond from an Awarded Vendor. Performance Bonds are recommended with pre-payment and will be at the expense of the requesting agency. Agencies should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.43 ELIMINATION FROM CONSIDERATION

This bid solicitation shall not be awarded to any person or *dealer* who is in arrears to the FSA upon any debt, taxes or contracts which are defaulted as surety or otherwise upon any obligation to the FSA.

1.44 COLLUSION

Bids from related parties: Where two (2) or more related parties each submit a bid or bid for any contract, such bids or bids shall be presumed to be collusive**.**

The foregoing presumption may be rebutted by presentation of evidence as to the extent of ownership, control and management of such related parties in the preparation and submittal of such bids or bids.

Related parties mean bidders or proposers or the principals thereof which have a direct or indirect ownership interest in another bidder or proposer for the same contract or in which a parent company or the principals thereof of one (1) bidder or proposer have a direct or indirect ownership interest in another bidder or proposer for the same contract. Bids or bids found to be collusive shall be rejected.

Bidders or Proposers who have been found to have engaged in collusion will be considered non-responsible, and will be suspended or barred, and any contract resulting from collusive bidding may be terminated for default.

Notes: Dealerships and their representatives may submit multiple bids without conflict of "Collusion" as long as the bid submitted is not from the same manufacture and product line. Dealerships which share the same ownership may submit multiple bids also without conflict of collusion as long as the bidders are not in the same region, with the same manufacturer and product line. Vendors/Dealers Reference Contract Terms Section 3.07 Collusion 2nd Ref.

1.45 DEFAULT

Failure or refusal of a bidder to execute a contract upon award, or withdrawal of a bid before such award is made, may result in forfeiture of that portion of any bid surety required equal to liquidated damages incurred by the FSA thereby, or where surety is not required, failure to execute a contract as described above may be grounds for removing the bidder from the bidder's list.

1.46 DISPUTES

In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the FSA shall be final and binding on both parties. In the event of a conflict between the documents, the order of priority of the documents shall be as follows:

Any agreement resulting from the award of this Bid (if applicable); then Addenda released for this Bid, with the latest Addendum taking precedence;

- then The Bid;
- Then Awardee's Bid.

1.47 PROTESTS AND ARBITRATION

Any person who proposes to file an action protesting a decision or intended decision pertaining to this bid or the resulting contract should refer to 1.38 Authority to Resolve Protested Bids and Proposed Awards.

Additionally, the person or entity filing such protest shall post with the Florida Sheriffs Association at the time of filing the formal written protest or within the 10 business day period allowed for filing the formal written protest, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to $5,000.00, which bond or security will be conditioned upon the payment of all cost which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. For the purpose of bid protests, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within 72 hours of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within 10 business days of the FSA bid protest decision. Any person who files for arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to $5,000.00. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA bear the cost of their own attorney fees.

For the purpose of arbitration, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.48 NON-PERFORMANCE

Vendor shall at all times during the contract term remain responsive and responsible. In determining Vendor's responsibility as a vendor, the FSA Cooperative Purchasing Program Administrator shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Vendor's capability to fully satisfy the requirements of the solicitation and the contract.

Vendors that are not in compliance with any of the provisions of this contract can be assessed fines (see schedule of fines below), suspended and or terminated from the contract and future competitive bid solicitations at the discretion of the FSA Cooperative Purchasing Program Administrator.

In some instances, Vendors may be required to develop corrective action plans to address contract compliance. In situations where there is evidence the dealer, Vendor, fleet sales manager or other representative has demonstrated egregious breaches of the contract or trust to both with the FSA and the customer, the contract will automatically be terminated and the dealer and their representative will be removed from future solicitations for a period up to three (3) years.

Failure to abide by corrective action plans will result in the dealer and the dealer representative to be terminated from the contract and future competitive bid solicitations at the discretion of the FSA Cooperative Purchasing Program Administrator.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year and/or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the Customer, any misrepresentation of optional equipment or service as being "factory" that fails to meet the definition as described in this document, and any other practice deemed to be outside of the intent of the contract.

Any Vendor, who is presented with a valid purchase order as a result of a bid award for this contract, is required and bound by this contract to accept such purchase order(s) and deliver the product(s); regardless if the vehicle(s) or equipment is a base model or includes options at a higher cost. The Vendor must deliver this vehicle regardless of profit or loss based on their respective bid. Failure to deliver said vehicles or equipment will result in the ordering agency and the FSA seeking damages for the difference of cost to issue the exact same order with another Vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order.

All terms and conditions are applicable throughout the term of the contract and not any given "Year, Make or Model".

Schedule of Fines – The list of fines are a minimum result of non-compliance.

Failure to submit quarterly report on time	$25.00 per day
Lost Purchase Order* (PO) – 1st Offense	$100.00 per incident
Lost Purchase Order* (PO) – 2rd Offense	$250.00 per vehicle
Lost Purchase Order* (PO) – 3rd Offense	Removal from the Contract
Failure to place order within ten (10) business days	$100.00 per day
Failure to issue acknowledgment of Purchase Order to Agency and/or FSA within the 14 calendar days as per 3.54 of the terms and conditions	$100.00 per P.O
Failure to Report Sales	.0075 plus 1.5% each month following the delivery date.

*Each report of a lost purchase order will be handled on a case by case basis.

1.49 CANCELLATION

In the event any of the provisions of this bid are violated by the Vendor, the Business Operation Manager shall give written notice to the Vendor stating the deficiencies and unless deficiencies are corrected within ten (10) business days, recommendation will be made to the FSA for immediate cancellation. The FSA reserves the right to terminate any contract resulting from this invitation at any time and for any reason, upon giving thirty (30) days prior written notice to the other party.

1.50 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.51 TERMINATION FOR DEFAULT

If through any cause within the reasonable control of the successful bidder, it shall fail to fulfill in a timely manner, or otherwise violate any of the covenants, agreements, or stipulations material to the Agreement, the FSA shall thereupon have the right to terminate the services then remaining to be performed by giving written notice to the successful bidder of such termination which shall become effective upon receipt by the successful bidder of the written termination notice.

In that event, the FSA shall compensate the successful bidder in accordance with the Agreement for all services performed by the bidder prior to termination, net of any costs incurred by the FSA as a consequence of the default.

Notwithstanding the above, the successful bidder shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the Agreement by the bidder, and the FSA may reasonably withhold payments to the successful bidder for the purposes of set off until such time as the exact amount of damages due the FSA from the successful bidder is determined.

1.52 TERMINATION FOR CONVENIENCE OF FSA

The FSA, for its convenience, can terminate the contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective thirty (30) days following receipt by bidder of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balanced of the Agreement or cancellation charges.

Any payments to the Vendor shall be only to the total extent of the FSA liability for goods or services delivered prior to the date of notice to terminate the contract.

1.53 INTELLECTUAL PROPERTY Rev 2/16

Except for the rights expressly granted to the End User under this Agreement, the Florida Sheriffs Association will retain all right, title and interest in and to the Licensed Technology, including all worldwide Technology and intellectual property and proprietary rights.

2.01 BIDDER QUALIFICATIONS

In order for bids to be considered, new bidders to the Florida Sheriffs Cooperative Contract must submit with their bid, evidence that they are qualified to satisfactorily perform the specified service. Evidence shall include all information necessary to certify that the bidder maintains a permanent place of business; is an authorized distributor of the items specified in their proposal; has not had just or proper claims pending against him or his firm; and has provided similar type products. The evidence will consist of listing of contracts for similar services that have been provided to public and private sector clients, within the last three (3) years, and letter from the manufacturer that bidder is an authorized distributor for the proposed manufacturer.

2.02 LICENSING/FACILITIES

Bidders are required to possess a Florida Motor Vehicle Dealers License in order to bid and all bidders must maintain a repair/warranty facility within the State of Florida to provide sales and service for the vehicles and equipment bid.

FSA Cooperative Purchasing Program Administrator reserves the right to periodically request additional or updated information from a dealer regarding the repair/warranty facility during the solicitation and the term of the contract, if awarded. The FSA Cooperative Purchasing Program Administrator may also exercise discretion in examining such facility as deemed necessary.

2.03 INSURANCE AND INDEMNIFICATION: (Reference Contract Check List for applicability to this contract)

Vendor shall be fully liable for the actions of its agents, employees, partners, or Sub-Vendors and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by bidder, its agents, employees, partners, or Sub-Vendors; provided, however, that the bidder shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the Florida Sheriffs Association, and participating agencies.

Vendor's obligations under the above paragraph with respect to legal action are contingent upon the Florida Sheriffs Association, participating agencies giving the bidder (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at bidder's sole expense. Vendor shall not be liable for any cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies in any legal action without bidder's prior written consent, which shall not be unreasonably withheld.

The Vendor shall be responsible for his work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular project.

The Vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the Vendor is acting as an independent Vendor.

The Vendor, at all times during the full duration of work under this contract, including extra work in connection with this project shall meet the following requirements:

Maintain Automobile Liability Insurance including Property Damage covering all owned, non-owned or hired automobiles and equipment used in connection with the work.

No change or cancellation in insurance shall be made without thirty (30) days written notice to the Business Operation Manager.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of at least B+: VI or better per Best's Key Rating Guide, latest edition.

Original signed Certificates of Insurance, evidencing such coverage's and endorsements as required herein shall be filed with and approved by the Business Operation Manager prior to execution of a contract with the Florida Sheriffs Association.

The certificate must state Bid Number and Title. Upon expiration of the required insurance, the Vendor must submit updated certificates of insurance for as long a period as any work is still in progress.

It is understood and agreed that all policies of insurance provided by the Vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract.

All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure. No deductibles will be allowed in any policies issued on this contract unless specific safeguards have been established to assure an adequate fund for payment of deductibles by the insured and approved by the Business Operation Manager.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

"The Vendor hereby agrees to indemnify and hold harmless the FSA, a 501c3, its officers, agents, and employees from all claims for bodily injuries to the public in and up to the amount of $1,000,000.00 for each occurrence and for all damages to the property of others in and up to the amount of $1,000,000.00 for each occurrence per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the Vendor, his agents, servants, or employees, or through the mere existence of the project under contract".

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The Vendor will notify his insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract, and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The Vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The Vendor will secure and maintain policies of Sub-Vendors. All policies shall be made available to the FSA upon demand. Compliance by the Vendor and all Sub-Vendors with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the Vendor and all Sub-Vendors of their liabilities and obligations under any Section or Provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the Sub-Vendor and of persons employed by them as he is for acts and omissions of persons directly employed by him.

Insurance coverage required in these specifications shall be in force throughout the contract term. Should any awardee fail to provide acceptable evidence of current insurance within seven days of receipt of written notice at any time during the contract term, the FSA shall have the right to consider the contract breached and justifying the termination thereof. If bidder does not meet the insurance requirements of the specifications; alternate insurance coverage, satisfactory to the Business Operation Manager, may be considered.

It is understood and agreed that the inclusion of more than one insured under these policies shall not restrict the coverage provided by these policies for one insured hereunder with respect to a liability claim or suit by another insured hereunder or an employee of such other insured and that with respect to claims against any insured hereunder, other insured's hereunder shall be considered members of the public; but the provisions of this Cross Liability clause shall apply only with respect to liability arising out of the ownership, maintenance, use, occupancy or repair of such portions of the premises insured hereunder as are not reserved for the exclusive use of occupancy of the insured against whom claim is made or suit is filed.

2.04 SPECIFICATIONS

All units covered by this specification and the detailed specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with ALL standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the bid document. Bidders must supply a unit that either meets or exceeds all the requirements included in the applicable detailed specifications.

All bidders will be required to bid on the models listed in each designated specification.

All bidders will be required to provide any information requested on the price sheets, such as manufacturer and model number of various components, or may have their bid rejected.

All equipment, options, and features provided must be designed, constructed, and installed to be fully suitable for their intended use and service.

It is important to note "Full Size" spare tires are not standard with all vehicles regardless of Manufacturer, Make or Model. It is the end users responsibility to ensure your vehicle order meets your agencies specifications.

2.05 CUSTOMER SERVICE

Excellent customer service is the standard of the FSA. As Vendors of the FSA, all employees will be required to adhere to the FSA's "Service Excellence" standards and expected to conduct themselves in a professional, courteous and ethical manner in all situations.

The successful bidder's employees must work as a cooperative team of well-trained professionals, and must serve the public with dignity and respect. All business transactions with the FSA will be conducted with honesty, integrity, and dedication.

2.06 FIXED PRICES

If the bidder is awarded a contract under this bid solicitation, the prices quoted by the bidder on the Bid Forms shall remain fixed and firm during the initial term of this contract.

2.07 REFERENCES

Bidders shall furnish the names, addresses, telephone numbers, and address of a minimum of five (5) firms or government organizations for which the Vendor is currently providing or has provided similar services on company letterhead. Two (2) of the references must be government related. A dealer participating for the first time in government fleet sales/bidding may be considered exempt if they can demonstrate they have the appropriate facility, staffing and financial resources to support the contract should they receive an award. Reference Bidder Instructions Section 2.01 Bidder Qualifications.

2.08 SEALED BIDS

One Original and one copy (on a thumb drive) of the Bid as well as any other pertinent documents must be returned in order for the bid to be considered for award. All bids are subject to the conditions specified hereon and on the attached Special Conditions, Specifications and Bid Form.

The completed bid must be submitted in a sealed envelope clearly marked with the Bid Title to the attention of FSA Cooperative Bid Coordinator, Florida Sheriffs Association, 1st Floor, 2617 Mahan Drive, Tallahassee FL 32308. Facsimile, electronic, or faxed bids will not be accepted.

2.09 NO BID

If not submitting a bid, respond by returning the enclosed "NO BID" form questionnaire, and explain the reason. Repeated failure to bid without sufficient justification shall be cause for removal of a supplier's name from the bid mailing list.

2.10 SPECIFICATION EXCEPTIONS, OMISSION AND ERRORS

Specifications are based on the most current manufacturer literature available. Bidders should immediately notify the FSA Cooperative Purchasing Program Administrator of any defects in the specifications or required submittal documents. All notifications of defect must be in writing and timely submitted.

Bidders are required to indicate in their bid submissions those options which "require" additional equipment or model upgrade to obtain the original option. Bidder must also identify those options that are available as a part of a package or group. The factory codes listed in the "Prices" section of the Special conditions must be used.

Failure of a bidder to comply with these provisions will result in bidders being held responsible for all cost required to bring the vehicle into compliance with the contract specifications.

Bidders are strongly encouraged to thoroughly review the qualification requirements set forth, specifically the minimum specifications found in Bidder Instructions Section 2.04, identified by the words "must", "shall", and "will". Bidders who fail to satisfy the requirements set forth, may be deemed nonresponsive and receive no further consideration.

Should your proposed bid not be able to meet one (1) or more of the requirements set forth in this ITB and you are proposing alternatives to said requirements, you must notify the FSA Cooperative Bid Coordinator's Office in writing at least five (5) days prior to the deadline for submission of bids. The FSA reserves the right to revise the scope of services via addendum prior to the deadline for receipt of bids to receive full consideration.

Exceptions to the specifications at the time of the bid shall be listed on the Bid Form and shall reference the section and with a written explanation for the request for exception. **Any exceptions to the General or Special Conditions shall be cause for the bid to be considered non-responsive.**

2.11 COMPLETE INFORMATION REQUIRED ON BID FORM

All bids must be submitted on the attached Bid Form and all blanks filled in. To be considered a valid bid, the ORIGINAL AND ONE (1) ELECTRONIC COPY of the Bid Form pages and all required submittal information must be returned, properly completed and sealed envelope as outlined in the first paragraph of General Conditions.

2.12 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices and extensions and all instructions pertaining to supplies and services. Failure to do so will be at the bidder's risk.

2.13 SAMPLES

Samples of items, when required, must be furnished free of expense and, if not destroyed, will, upon request, be returned at the bidder's expense. Bidders will be responsible for the removal of all samples furnished within (30) days after bid opening. All samples will be disposed of after thirty (30) days. Each individual sample must be labeled with bidder's name. Failure of bidder to either deliver required samples or to clearly identify samples may be reason for rejection of the bid. Unless otherwise indicated, samples should be delivered to the Florida Sheriffs Association, Attention: Cooperative Bid Coordinator, 2617 Mahan Drive, Tallahassee FL 32308.

2.14 EQUIVALENTS

The term "Approved Equivalent" is used to allow a bidder to bid components or equipment that are equal to the components or equipment described in the detailed specifications. The FSA Cooperative Purchasing Program Administrator shall have the sole authority to determine approved equivalents or qualified product specifications.

Brand Names: Catalog numbers, manufacturers' and brand names, when listed, are informational guides as to a standard of acceptable product quality level only and should not be construed as an endorsement or a product limitation of recognized and legitimate manufacturers. Bidders shall formally substantiate and verify that product(s) offered conform with or exceed quality as listed in the specifications.

If bidder offers a make or model of equipment or supplies other than those specified in the following, it must be so indicated in the bid submittal.

Bidder shall indicate on the bid form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Other than specified items offered requires complete descriptive technical literature marked to indicate detail(s) conformance with specifications and MUST BE INCLUDED WITH THE BID. Specific article(s) of equipment/supplies shall conform in quality, design and construction with all published claims of the manufacturer. NO BIDS WILL BE CONSIDERED WITHOUT THIS DATA.

Lacking any written indication of intent to quote an alternate brand or model number, the bid will be considered as a bid in complete compliance with the specifications as listed on the attached form.

Dealers offering alternate makes, manufacturers of vehicles or equipment not specifically identified in the bid cannot utilize or publish the offering as an "OPTION" within the bid specification and detail. Offerings of this nature will cause the bid to be rejected.

2.15 REQUESTS FOR ADDITIONAL INFORMATION OR CLARIFICATION

Bidders are encouraged to examine the specifications carefully. In case doubt should arise as to the meaning or intent of any items contained in the specifications, inquiry should be made to the FSA Cooperative Purchasing Program Administrator prior to the Pre-Bid Conference via e-mail or at the pre-bid conference in person. Telephone clarifications will not be accepted, and no clarification will be accepted after the date listed in the Bid Calendar. ALL request for information from bidders and FSA responses will be will be posted on the FSA Cooperative Bid Award website by the date scheduled on the Bid Calendar.

The submission of a bid shall indicate that the bidder thoroughly understands the terms of the specifications.

2.16 WORKSHOPS – CONTRACT/SPECIFICATIONS

ALL prospective bidders are required to attend the MANDATORY* vehicle workshop(s). At this time prospective bidders will have the opportunity to offer input and recommendations regarding the content of the bid specification and to meet with committee members to answer any questions relative to this invitation to bid. Any suggested modifications may be presented in writing or discussed with the advisory committee at this meeting and may be considered in formulating the Bid.

ALL addendums to the contract initiated by the FSA will be posted on the Florida Sheriffs Association Cooperative Purchasing Program Award at http://www.flsheriffs.org. Prospective bidders should check the website periodically for any addendums to the solicitation documents.

**FSA reserves the right to grant exceptions based on the dealer/bidder has met all requirements as an approved vendor and agrees to sign a memo of understanding (MOU) that they understand all of the terms and conditions of the bid and agree to meet all of the terms and conditions without exception and further waive their right to protest the bid process, in its entirety or any portion thereof..*

2.17 PRE-BID CONFERENCE

ALL prospective bidders are required to attend the MANDATORY* Pre-Bid conference. At this meeting the bid specifications will be discussed and it is the final opportunity for prospective bidders to make any last request for modification, corrections, or addressing other concerns relating to the bid or the process.

**FSA reserves the right to grant exceptions based on the dealer/bidder has met all requirements as an approved vendor and agrees to sign a memo of understanding (MOU) that they understand all of the terms and conditions of the bid and agree to meet all of the terms and conditions without exception and further waive their right to protest any portion of the bid process.*

2.18 PRICES QUOTED

Deduct trade discounts and quote firm net prices. Give both unit price and extended total, when requested. Prices must be stated in units of quantity specified in the bidding specifications.

Dealers are to include a three quarters of one percent (.0075) FSA administrative fee to their base bid prices, at the time of bid submission. This FSA fee should also be included in all additional equipment items (add options) and should not be indicated as a separate line item on any purchase order. Cross-reference: Contract Conditions, FSA Administrative Fees for All Specifications, Section 3.35

In case of discrepancy in computing the amount of the bid, the UNIT PRICE quoted will govern. All prices must be F.O.B. destination, freight prepaid (unless otherwise stated in special conditions). The dealer has the authority to offer discounts for prompt payment.

Award, if made, will be in accordance with terms and conditions stated herein. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items. Cash or quantity discounts offered will not be a consideration in determination of award of bid(s).

2.19 OPTION PRICING

Prices for options submitted by the dealer, for Emergency Vehicle Lighting, shall include all applicable state and federal fees and charges not including installation. Motorcycle pricing will include installation. No additional charges or fees are admissible.

The bidder shall offer a discount which shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published catalog price for any factory add options included in the bid submission and in resulting customer orders, if awarded. The amounts of discounts for each particular add option shall be decided by the bidder.

When calculating upgrades, the total recognized MSRP (Refer General Conditions, General Definitions Section 1.08) for an item (that is not a manufacturer's free flow option for the base specification) is calculated as the differential between the dealer costs on the representative base vehicle versus total MSRP of the requested FSA option modifying the vehicle.

When add options listed are included in the base vehicle, bidder must submit options as "Included" or "STD". Bidder must use proper factory codes for all factory add options. Options available through the factory MUST be bid and supplied to Customer as "factory" options unless requested otherwise in writing by the Customer.

Products requiring certification should likewise require certification of options. If the options are not certified, this should be disclosed to the end user if purchasing non-certified options could result in the de-certification of the original product and/or warranty. All options must meet national safety standards.

Options are intended to add or delete equipment and/or features from the base vehicle specification, and to allow for an upgrade or downgrade to a manufacturer's model with a slightly different engine size or horsepower, and as such, should not be made available for purchase separate from the base vehicle. Bidders shall NOT use add or delete options to create a piece of equipment that is entirely different than the base unit called for in the specification, or any other options that do not meet the intention of options as stated above.

Bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part of another option.

The codes listed in the "Prices" section of the Special Conditions must be used. Any dealer found requiring a buyer to purchase an "upgrade package" in order to purchase an available stand-alone item will be in violation of this contract and required to make a reimbursement to the agency of the cost between the option and the upgrade package.

The use of "Options" to facilitate the sale of an alternate Manufacturer's product which is outside the scope of the written base specification will be construed as non-compliant and their bid will be rejected, in whole or part by the FSA Bid Coordinator.

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in the bid solicitation. For example, a Vendor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

2.20 SUBMITTAL OF BID

Bidders must submit their bid electronically via the Florida Sheriffs Association Cooperative Bid Award, located at http://www.flsheriffs.org.

Any bidder who offers emergency lighting and equipment (red, blue or any combination) to be installed on any vehicle or equipment, must provide evidence of EVT certification for installation. This includes any third party, up fitting. Example: a truck that may be used in the fire department to support the operation that requires public safety lighting and equipment.

Bidders must bid a requested FSA option first by offering the requested item if available from the factory. If this option is satisfied by the addition of a manufacturer's package that contains other items then it must be indicated in the comments

and verifiable via audit. Furthermore, if the package offered to satisfy the request requires another factory option then that also must be indicated and referenced in the available optional equipment spaces. If the item is a package and available as a free flowing option to the base vehicle then the manufacturer's MSRP governs and by definition becomes the ceiling price. If the item is a package that changes the manufacturer's model number then the recognized MSRP computation will govern and define the ceiling price.

Prices are to be rounded to the nearest dollar. Bids can be entered more than once; however, only the last bid entered into the system will be considered in the award process. Bids not submitted within the system will be rejected.

Each bidder is responsible for ensuring that his bid is submitted before the deadline outlined in the Bid Calendar. Late bids will not be considered and the system will not accept bids after the due date and time specified in the Bid Calendar. Reference: Bidder Instructions Section 2.23, Late Bids.

In addition to submitting the bid via the FSA Cooperative Bid Award system, one original and one (1) exact copy (includes divider tabs) of the bid package in separate 3-ring VIEW binders (not report folders) must be delivered or mailed to the attention of:

FSA Cooperative Bid Coordinator
Florida Sheriffs Association
2617 Mahan Drive
Tallahassee, Florida 32308
FLEET@flsheriffs.org

The electronic cover sheet must be completed with dealership name, contact person, telephone number and mobile phone number, and bidder shall check the appropriate box indicating whether the submittal is an Original or Copy. The cover sheet must be placed in the front cover of the view binder.

Separate bid packages must be submitted for each individual dealership for which a bid was submitted through FSA Cooperative Bid Award. The bid package must include:

- A printed copy of the submitted bid (printed after final bid submission takes place)
- Manufacturer's print-out (Ford - "Dora"; General Motors - "GM Autobook"; or approved equivalent) for each vehicle on which a bid is submitted. The Manufacturer's print-out shall indicate an order code for the Manufacturer's base model, all standard equipment, and any optional components required to provide the base vehicle as outlined in the bid solicitation. Dealer installed aftermarket components are required to meet the base vehicle specified must be identified, in writing, on the printout.
- For specifications or units that do not produce a manufacturer's print-out, bid package must include manufacturer's documentation that includes standard equipment and such other information that provides verification that such item meets the base specification.
- Pricing Sheet for Emergency Vehicle Lighting (if applicable)
- Contract Signature page. Bidder must complete the Signature Page in its entirety, and must indicate by signature on the form that bidder has read and understands the provisions contained in this Invitation to Bid.
- Bidder will check the appropriate box indicating whether the submittal is an Original or Copy. All bids must show the company name and be manually signed (no rubber stamps, facsimile signatures, etc.) in ink by a dealer principal and an employee who has the authority for bid submission if such employee is not a dealer principal. Unsigned bids will be rejected.

- The bid package must be received at the Florida Sheriffs Association according to the date and time specified in the Bid Calendar. Failure to meet all submission requirements by the dates indicated in the Bid Calendar will result in rejection of the bid. Reference: Bidder Instructions Section 2.23, Late Bids.

- By virtue of its bid submission, Vendor acknowledges its obligation to sell vehicles in all zones for which it is awarded.

2.21 EXECUTION OF BID

Bid must contain a manual signature of an authorized representative in the space provided on the Bid signature page. Failure to properly sign bid shall invalidate same and it shall NOT be considered for award. All bids must be completed in pen and ink or typewritten. No erasures are permitted. If a correction is necessary, draw a single line through the entered figure and enter the corrected figure above it. Corrections must be initialed by the person signing the bid. Any illegible entries, pencil bids or corrections not initialed will not be tabulated. The original bid conditions and specifications CANNOT be changed or altered in any way. Altered bids will not be considered. Clarification of bid submitted shall be in letter form, signed by bidders and attached to the bid.

2.22 MODIFICATION/WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid up until the bid due date and time.

Modifications received after the bid due date and time will not be considered.

Bids shall be irrevocable until contract award unless withdrawn in writing prior to the bid due date or after expiration of 120 calendar days from the opening of Bids without a contract award.

Letters of withdrawal received after the bid due date and before said expiration date and letters of withdrawal received after contract award will not be considered.

2.23 LATE BIDS

At time, date and place above, bids will be opened. Any bid or bids received after time and date specified will be returned to the bidder unopened. The responsibility for submitting a bid before the stated time and date is solely and strictly the responsibility of the bidder/proposer. The FSA is not responsible for delays caused by mail, courier service, including U.S. Mail or any other occurrence. Any reference to time will be based on Eastern Standard Time (EDST)

2.24 BID OPENING

Bids shall be opened and publicly read on the date, time and place specified on the Bid Calendar and will be evaluated thereafter. All bids received after the date, time, and place shall be returned, unopened.
Although prices will not be read, bidders may attend, but it is not a requirement.

The FSA Cooperative Bid Coordinator will electronically post the initial bid tabulation results and any and all awards on the FSA Cooperative Bid Award website according to the time outlined in the Bid Calendar.

If the posting of the initial bid tabulation results is delayed, in lieu of posting the notice on the date indicated on the Bid Calendar, the FSA Cooperative Bid Coordinator will post a notice of the delay and a revised date for posting of results.

2.25 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, your bid must conform in all material respects to the requirements stated in their Bid.

2.26 BID TABULATIONS

Bidders desiring a copy of the bid tabulation may request same by enclosing a self- addressed stamped envelope with the bid.

2.27 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA has the right to accept or reject any and all bids, or separate portions thereof, and to waive any irregularity, technicality or omission if the FSA determines that doing so will serve in the FSA's best interest. The FSA may also reject any Response not submitted in the manner specified by the solicitation documents.

2.28 CONE OF SILENCE

This invitation to bid is subject to the "Cone of Silence" in accordance with FSA policy. During this period all questions / communication will only be accepted in writing directly to the FSA Cooperative Purchasing Program Administrator. All questions and communication and their associated responses will be posted to the FSA Cooperative Bid Award website.

3.01 GENERAL REQUIREMENTS FOR ALL VEHICLES

The requirements specified herein apply to ALL vehicles purchased under the terms and conditions of this contract. This specification is not complete without the specific requirements described in the detailed specifications for the particular vehicle to be purchased. In the event there is a conflict between the requirements of this specification and those of the enclosed detailed specifications, the requirements as stated in the detailed specifications over and above the vehicle standard equipment for the vehicle to be purchased shall apply.

Vendor/Dealers may offer demonstration vehicles that have never been titled, if acceptable to purchaser. These vehicles are to include the original manufacturer's warranty and may include additional discounts. It is determined that Fire/EMS related vehicles qualify as new/demonstrator vehicles if they comply with the above and are 2-3 model years from the newest available year model and have no more than 24,000 miles on the odometer. Heavy equipment qualifies as new/demonstrator equipment if they comply with the above and the engine hours do not exceed 1250 hours. *This is not applicable to sedans and light trucks*.

3.02 CONDITION AND PACKAGING

It is understood and agreed that any item offered or shipped as a result of this bid shall be the latest new and current model offered (most current production model at the time of this bid). If the production year has been exhausted any time during the contract, vendor may offer the current production model at the time of the purchase at no extra cost. Exceptions to this section include, but are not limited to: Changes to federal emissions standards resulting in additional production costs.

3.03 PRODUCTION CUTOFF

Vendor shall notify the FSA Cooperative Purchasing Program Administrator, in writing, no less than sixty (60) calendar days prior to the close of "Fleet Final Order Date". Reference Definitions, 1.08 (q) Balance Out.

Purchase Orders received by the Vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase Orders issued and received after the cutoff date will be subject to availability.

If a purchase order has been timely received by the Vendor and the manufacturer and the manufacturer fails to produce/deliver the production year vehicle, the Vendor must provide the next year's equivalent model at current contract prices.

Purchase Orders received by the Vendor after the cutoff date, the Vendor and manufacturer at their sole discretion may choose to provide next year's model at current year's prices until the end of the contract term.

3.04 DETERMINATION OF AWARD

The FSA shall award the contract to the lowest and best bidder. In determining the lowest and best bidder, in addition to price, there shall be considered the following:

- The ability, capacity and skill of the bidder to perform the Contract.
- Whether the bidder can perform the Contract within the time specified, without delay or interference.
- The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- The quality of performance of previous contracts.
- The previous and existing compliance by the bidder with laws and ordinances relating to the Contract.

3.05 FACILITIES

The FSA reserves the right to inspect the bidder's facilities at any time with prior notice.

3.06 SUBSTITUTIONS

The FSA WILL NOT accept substitute shipments of any kind. Bidder(s) is expected to furnish the brand quoted in their bid once awarded. Any substitute shipments will be returned at the bidder's expense.

3.07 COLLUSION

Dealerships and their representatives may submit multiple bids without conflict of "Collusion" as long as the bid submitted is not from the same manufacture and product line. Dealerships which share the same ownership may submit multiple bids also without conflict of collusion as long as the bidders are not in the same region, with the same manufacturer and product line. Reference General Conditions 1.44 Collusion for extended definition.

3.08 OPTION TO RENEW WITH PRICE ADJUSTMENT

The contract could be extended for an additional two (2) years, on a year to year basis, if mutually agreed by upon both parties. Prior to completion of each exercised contract term, the FSA may consider an adjustment to price due to increases or decreases on the Consumer Price Index; but in no event will the prices be increased or decreased by a percentage greater than the percentage change reflected in the Nationally published Consumer Price Index-Goods and Services, computed 60 days prior to the anniversary date of the contract.

It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's request or adjustment should be submitted 60 days prior to expiration of the then current contract term.

The vendor adjustment request must clearly substantiate the requested increase. If no adjustment request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period will not be considered.

The FSA reserves the right to accept the renewal adjustment or to allow the contract to terminate and re-advertise for bids, whichever is in the best interest of the FSA.

3.09 VEBA

The VEBA System is being replaced and VEBA is sun-downing with an estimated timeframe of Fall 2016. All references of VEBA are replaced with FSA Cooperative Bid Award.

3.10 AMENDMENTS TO SOLICITATION DOCUMENTS

The FSA Cooperative Purchasing Program Administrator retains the right to issue amendments to the solicitation as appropriate and necessary. Notice of any amendment will be posted on the FSA Cooperative Bid Award website. Bidders are responsible for monitoring the FSA Cooperative Bid Award website for new or updated information concerning the bid.

3.11 ADDITIONS AND DELETIONS to the Bid Award

The FSA reserves the right to add or delete any items from this bid or resulting contract(s) when deemed to be in the best interest of FSA and the participating eligible users.

The FSA reserves the right to add additional manufacturer lines and brands to the bid award as they become available and are not in conflict with any already awarded dealer representing or competing with the same manufacturer and brands. These Manufacturers/Dealers may be considered as additional providers of good and/or services to the contract after having met all of the criteria necessary to be an approved vendor and their product or service meets the minimum specifications of the original bid.

FSA reserves the right to remove, discontinue or suspend the sale or offering of any product or commodity within the bid document or existing contract, at its discretion.

This decision to take action may be based upon and not limited to:

- Slow or No Sales
- Product Recalls and Other Safety Issues
- Dealer/Manufacturer Performance
- Lack of Relevance of Products/Commodities

If an FSA awarded dealer terminates a product line (Manufacturer or Brand), the dealer is required to notify the FSA Cooperative Bid Coordinator within ten (10) business days of the decision not to retain the Manufacturer or Brand.

In the event a manufacturer reassigns the product line to an alternate dealer, the manufacturer and the dealer is required immediately to notify the FSA in writing of the change within ten (10) business days confirming the reassignment. If the vendor/dealer is not already an approved FSA vendor, the vendor is required to apply to the FSA to become an approved vendor PRIOR to conducting any qualified sales. The dealer and the manufacturer are required to honor the contract pricing and all of the applicable terms and conditions throughout the remaining term of the contract.

3.12 HYBRIDS and other ALTERNATIVE FUELED VEHICLES

The Florida Sheriffs Association and the Florida Association of Counties encourage the purchase of alternative fueled vehicles. Bidders shall provide prices for any standard production, special productions, limited production or experimental vehicles available from the vehicle manufacturer for any of the classes of vehicles specified in this bid. State the production status of the vehicle and enclose any and all available literature and information for each specification bid.

3.13 POLICE RATED VEHICLES/MOTORCYCLES (PPV)

Vehicles in this category have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation. These vehicles were historically referred to as “Pursuit Rated”.

These evaluations are not designed to recommend a particular product but to serve as a resource of information on vehicles which are currently being offered for police service. To see the full detailed report click or copy the links below.

The importance with which each individual phase is weighted in these evaluations is a subjective decision which should be made by each agency based upon that agency’s needs.

For the purposes of this bid specification the following recognized authorities are as follows;

STATE OF MICHIGAN Department of State Police and
Department of Technology, Management and Budget
Police Vehicle Evaluation Program
http://www.michigan.gov/documents/msp/2016_MY_Police_Vehicle_Evaluation_Test_Book_516080_7.pdf

Excerpt from the State of Michigan General introduction.
"We recommend you review the information contained in this report and then apply it to the needs of your agency. This report is not an endorsement of products, but a means of learning what's available for your officers so they can do their job effectively and safely. If anything in this report requires further explanation or clarification, please call or write."

LASD LAW ENFORCEMENT VEHICLE TEST AND EVALUATION PROGRAM

Vehicles: http://www.la-sheriff.org/s2/static_content/srvc/documents/2016_Vehicle_Test_Booklet.pdf
Motorcycles: http://www.la-sheriff.org/s2/static_content/srvc/documents/2016-Motorcycle-Test-Booklet.pdf

Preface from LASD Evaluation Report
The Los Angeles County Sheriff's Department first implemented its police vehicle testing program in 1974. Since that time, our department has become nationally recognized as a major source of information relative to police vehicles and their use. It is our goal to provide law enforcement agencies with the information they require to successfully evaluate those vehicles currently being offered for police service. The Los Angeles County Sheriff's Department is proud to publish this information, via the internet, to all law enforcement agencies. Since the inception of our vehicle testing program in 1974, we have continually refined our efforts in this area in order to provide the law enforcement community with the most current information available. During the 1997 model year testing, the Sheriff's department expanded its existing criteria to include an urban or "city street" pursuit course. This course consists of multiple city block distances punctuated by the various types of turns normally found in most inner city environments. The "city street" course is designed to simulate the conditions encountered by most officers working in typical urban communities. The test is only conducted on vehicles offered with a factory "Police Package". Since many law enforcement agencies buy "non-pursuit" vehicles, we also test vehicles offered in a "Special Service" configuration when offered by the manufacturers. These vehicles are tested in a similar fashion as "Police Package" vehicles however we do not subject them to the city street pursuit course. The booklet is not intended as a recommendation for any specific vehicle contained within. The Sheriff's Department conducts the vehicle testing program in order to accomplish two primary goals. To provide law enforcement agencies with the data necessary to assist those in the vehicle selection process, and to provide the various vehicle manufacturers with the input necessary to better meet the needs of law enforcement. We recognize the fact that individual agency needs can be influenced by cost, operational considerations and other factors. Our testing process is designed to address the law enforcement officer's operational requirements in terms of vehicle performance, vehicle safety, and comfort. Each test is designed and executed to simulate actual field conditions as closely as possible. The vehicles being tested are driven on city streets and interstates, as well as the performance track, by law enforcement personnel. The maneuvers duplicated during the electronic test procedures are those encountered in actual patrol and emergency operations which the law enforcement officer may encounter in the field. Interpretation of test results is the responsibility of each agency. The importance with which each individual phase is weighted is a subjective decision which should be made by each agency based upon that agency's needs.

3.14 SPECIAL SERVICE VEHICLES (SSV):

Vehicles in this category, in some cases have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation (see Section 3.13, above). These vehicles are often referred to as "Special Service Vehicle" and often used in Public Safety applications and other areas of government. Please refer to manufactures published information for detailed information regarding these vehicles.

3.15 CAB AND CHASSIS PURCHASES

Cab and Chassis can be purchased from the dealer without any required additional fitting by the dealer. However, the dealer upon sale of an incomplete chassis is not required to register/title the incomplete vehicle unless the up fitting is completed by the dealer or the dealers licensed and certified up fitter. If an agency chooses to up fit the chassis utilizing a 3rd party vendor and the work is outside of the scope of the purchase order issued to the dealer by the agency, then the 3rd party vendor is liable to perform all the prerequisites of the state and issue the appropriate registration/title to the agency upon completion of the work.

FSA highly recommends that all up fitting of cab and chassis be performed by vendors who are licensed/certified to perform such work to avoid unnecessary exposure to any possible future liability as a result of the up fitting. Reference F.S. 319.21(2)

3.16 FACTORY INSTALLED

Aftermarket parts, modifications and factory produced parts and components ordered as parts and installed by the dealer, or a Vendor, do not meet the requirements of "Factory Installed" components, and will be rejected for noncompliance with the requirements of the specification.

In the event a component(s) that does not meet the specifications is found to be installed on a vehicle before or after the vehicle has been accepted by the customer, the Vendor shall be required to replace the vehicle with a vehicle that meets the required specifications, INCLUDING ALL FACTORY INSTALLED COMPONENTS. In the alternative, the customer shall decide whether they will accept dealer installed components.

- All specified as "factory installed" is to be installed on the vehicle at the primary site of assembly and is to be the manufacturer's standard assembly-line product. No aftermarket and no dealer installed equipment will be accepted as "factory installed". Vendors found supplying aftermarket or dealer installed equipment where "factory installed" are specified may be required to retrieve all vehicles delivered and reorder new vehicles meeting the specifications.

- ALL factory ordered options are to be "OEM and factory installed" unless otherwise noted by the awarded dealer and acknowledged in writing by both the dealer and the customer. Verbal agreements will not be recognized; if any exception to the delivered product is taken be the dealer or the customer.

3.17 DEALER/VENDOR INSTALLED EQUIPMENT

All dealer installed accessories (roll bar, trailer hitch, etc.) shall be installed according to the manufacturer's specifications.

All such accessories must be manufactured by a recognized manufacturer of the product provided, unless the accessory is not available from a recognized manufacturer. *Dealer is required to disclose "Make/Model" of product being offered* and the location, design, and model must be approved by the customer prior to installation. Dealer *must also disclose the warranty of any item that less than or exceeds factory vehicle factory warranty coverage.*

An awarded Vendor that employs or subcontracts technicians to install emergency equipment on vehicles purchased on this contract are required to utilize technicians that are certified in Law Enforcement Vehicle Installation through EVT Certification Commission, Inc. or an approved equivalent.

The Florida Sheriffs' Association Cooperative Purchasing Program Administrator may at any time during the contract period request proof of the required certification.

Any awarded Vendor that violates this provision will be considered in default of the contract. The contract may then be terminated upon ten day written notice of said violation.

3.18 BID EVALUATION CRITERIA

Eligible responsive bids will be evaluated to determine if all contract bid requirements are met. Bids that do not meet all contract requirements of this solicitation or fail to provide all required information, documents, or materials may be rejected as nonresponsive.

Bidder must have the necessary facilities, personnel and expertise, and must be prepared, if requested by the FSA Cooperative Purchasing Program Administrator, to present evidence of such experience, including evidence of EVT certified technicians to perform installation of emergency lighting for applicable specifications.

The FSA Cooperative Purchasing Program Administrator reserves the right to investigate or inspect at any time during the bid award process and the contract period as to, whether the product, qualifications, or facilities offered by Bidder meet the contract requirements.

Bidders whose bids, past performance, or current status do not reflect the capability, integrity or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsive. In determining past performance, the FSA Cooperative Purchasing Program Administrator will give strong consideration to the nature and number of complaints received from Customers regarding a previously awarded dealer. The FSA Cooperative Purchasing Program Administrator may use discretion in determining which bids meet the contract requirements of this solicitation, and which respondents are responsive and responsible.

The FSA Cooperative Purchasing Program Administrator may use discretion in accepting or rejecting any and all bids, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if determined that doing so will serve the best interest of the local government agencies of the State of Florida. The FSA Cooperative Purchasing Program Administrator may reject any responses not submitted in the manner specified by solicitation documents

3.19 BASIS FOR AWARD

The FSA Cooperative Purchasing Program Administrator shall award the bid to the lowest and best responsive bidder by specification, by manufacturer and by zone to bidders who have met the qualifications based on facilities, financial resources, and can demonstrate their ability to perform the work in a satisfactory manner.

Bidders, who routinely demonstrate significant deficiencies in providing excellent customer service during the contract period prior to the issuance of this bid, may have their bid rejected or limited to the number of regions they can be awarded in this bid cycle. For purpose of this contract the term “significant” as determined by the Florida Sheriffs Association. In cases where the manufacturer is the core of the issue then the dealer must provide evidence of timely communication to the complainant and the FSA.

Bidders are hereby advised that the FSA Cooperative Purchasing Program Administrator may use discretion in rejecting any bid proposal not considered to be competitive in nature based on the best pricing information available.

The FSA Cooperative Purchasing Program Administrator may use discretion in rejecting any or all bids, in whole or in part, and/or make or limit awards either as individual items or as a total combined bid, whichever they consider to be in the best interest of the local governmental agencies of the State of Florida, and to waive any informality in any proposal.

The add options in the bid shall be for informational purposes only and will not serve as a basis for bid protest. Reference: Bidder Instructions, Section 2.19 Option Pricing, for additional criteria.

3.20 BID WITHDRAWAL

Bidder warrants by virtue of bidding the prices quoted in their bid response will be good for an evaluation period of sixty (60) calendar days from the date of bid opening unless otherwise stated. Bidders will only be allowed to withdraw their bids after the opening time and date at the discretion of the FSA Cooperative Purchasing Program Administrator and in the best interest of FSA.

3.21 ZONE BIDDING

Bidders are allowed to condition their bid for award in one or more geographic zones depicted on the zone map included. (Addendum A) A Space is provided for bidder to indicate zone bidding. Absence of any indication to the contrary, ALL bids will be considered statewide.

3.22 PRE-DELIVERY SERVICES

Bidder's attention is directed to the pre-delivery service requirements as detailed. To assure proper pre-delivery service, the Vendor shall provide, at time of delivery, a completed copy of the manufacturer's standard retail sale pre-delivery inspection form (examples are listed below).

- CHRYSLER NEW PREPARATION, INSPECTION AND ROAD TEST
- FORD PRE-DELIVERY SERVICE RECORD
- GM NEW VEHICLE INSPECTION PROCEDURE
  (Or manufacturer's latest pre-delivery form)

3.23 NON-SCHEDULED OPTIONS

FSA endeavors to include many non-scheduled options, factory and aftermarket, in the bid document. However, it should be understood that this category is enormous in capacity and not feasible for complete listing.

Should an agency request a non-scheduled option, not included in the contract, the awarded vendor may provide this non-scheduled option. The agency has the opportunity to request the vendor's demonstration of discount pricing for any non-scheduled option during the quote process. At no time should the non-scheduled option exceed MSRP or Published Price.

Non-scheduled options should be listed as a separate line item and noted as such on the purchase order, with prices. All non-scheduled options are covered under these terms and conditions.

3.24 DELIVERY TIME

Vendors shall specify on the attached Bid Form, the estimated delivery time (in calendar days) for each item. Agency should consult the vendor regarding vehicle production schedules that may be available on-line.

Delivery time may become a basis for making an award. Delivery shall be within the normal working hours of the user, Monday through Friday, excluding holidays.

3.25 VEHICLE DELIVERY

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean, and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- Standard Dealer and Manufacturer protocol for new vehicle delivery plus;
- Cleaning of vehicle, if necessary, and removal of all unnecessary tags, stickers, papers, etc. DO NOT remove window price sticker or supplied line sheet;
- Speedometer must be correct regardless of the tires provided by the vehicle manufacturer or axle ratio furnished;
- Owner's manual and warranty manual to accompany each vehicle;

- Manufacturer's suggested retail price list sheet (window sticker) form MUST be in the vehicle when it is delivered to the purchasing agency. Vehicles that are missing this form, or have forms that have been altered, will not be accepted.

3.26 ORDER, DELIVERY AND LIQUIDATED DAMAGES

A. Order

1) Eligible customers shall issue a purchase order to the Vendor, and such purchase order shall bear the contract or bid number, specification number, customer's federal identification number and contact information (phone number and email address) shall be placed by the customer directly with the Vendor, and shall be deemed to incorporate the contract solicitation terms and conditions. Required delivery or due dates should be discussed with the dealer at the time of the quote. It is important to note that dealers do not have ANY control over production delays in schedules from the manufacturer.

   While it is recommended that an agency purchase from the "zone" which is closest to their location, it is not mandatory to do so, when the agency needs determine an alternative vendor in another zone, is a better fit. Vehicles purchased from vendors awarded in the Police, Administrative, Utility Vehicles, Trucks & Vans contract (FSAXX-VELXX.X), outside an awarded zone may, upon mutual agreement between the vendor and the purchaser, charge an "Out-of-Zone" fee.

2) Purchasing agency is required to forward an executed copy of the purchase order to the Florida Sheriffs Association, Cooperative Bid Coordinator (by email, fax or hard copy) at the same time the purchase order is released to the Vendor.

3) If a Vendor receives a purchase order for a specification for which they were not awarded, the Vendor must notify the customer and return the purchase order to the customer within three (3) business days.

4) All vehicles ordered prior to manufacturer's close of production and in accordance with the contract shall be supplied in the manufacturer's next model run of that class vehicle even if it requires supplying a later model at the original bid prices.

5) Vendor shall place order with manufacturer within ten (10) business days after receipt of purchase order. Vendor shall assure that all orders are placed in full compliance with the specifications and purchase order.

6) It is the Vendor's responsibility to insure that the vehicle ordered by the customer is fully compatible with all ordered options and that the vehicle complies with all applicable manufacturer and industry standards. The Vendor's acceptance of a customer's order will indicate that the Vendor agrees to deliver a vehicle that will be fully compatible with all of its options.

7) Any changes that are required to bring a vehicle into compliance with its various options due to an incorrect order will be accomplished at the Vendor's expense.

8) A "Confirmation of Order" form shall be completed and returned to the customer placing order(s) against this contract, (a sample copy of the confirmation form is included) within fourteen (14) calendar days after receipt of purchase order without prompting or notification by the customer. (Refer to Addendum "C")

   Any additional information needed to complete this form should be obtained by contacting the customer. The form may be modified to accommodate each customer individually as necessary.

B. Delivery

1) Vendor shall complete delivery of the vehicle to the customer within fourteen (14) calendar days after receipt of the vehicle(s) from the manufacturer or equipment supplier. Vehicles originating as an incomplete vehicle would be exempt.

2) Receipt of a vehicle by the Vendor is defined as acceptance of the vehicle(s) from a common carrier at the Vendor's place of business or any third party's place of business.

3) Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws and ordinances. Any delivery accomplished by driving a police rated vehicle must use an "OUT OF SERVICE" cover on light bars. All deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchasing agency. Incomplete vehicles would be exempt.

4) At the purchaser's option, a vehicle with more than 350 odometer miles may be rejected or $0.51 cents per mile in excess of 350 miles may be deducted from the invoice, unless previously approved by the purchasing agency. This requirement also applies to redelivery of vehicles which were rejected upon delivery.

5) Warranty Start Date - If the purchaser needs to reset the warranty start date because of an extended delivery date, they must do so by contacting the dealer in writing. Incomplete vehicles or vehicles delivered to an up fitter would not qualify for a revised start date unless the vehicle is in the control of the dealer during the up fit. In any event, all warranties shall begin at the time of delivery and final acceptance by the purchaser.

6) All bids are F.O.B. to the agency. If the dealer, at the request of the purchasing agency delivers vehicles or equipment to an alternate location other than home base and is outside the scope of the purchase order, this will conclude the dealer's responsibility for delivery. Any exception is invalid unless the agreement, quote, purchase order, or other written document states otherwise.

7) Vendor shall notify agency personnel designated on purchase order no less than 24 hours prior to delivery during mutually agreeable dates and times. Transport deliveries must be unloaded and inspected by receiving agency. Deliveries not complying with these requirements may be rejected and will have to be redelivered at Vendor's expense.

8) All vehicles must contain no less than 1/4 tank of fuel as indicated by fuel gauge at time of delivery, except for vehicles and equipment with tanks over thirty five (35) gallons in capacity, which must contain a minimum of ten (10) gallons of fuel.

C. Liquidated Damages

1) Should the Vendor fail to comply with the requirements in Section 3.26.B.6 above, the agency may invoke liquidated damages of $20.00 per day per unit for each day beyond the specified delivery requirements.

2) Force Majeure. Liquidated damages shall not be assessed for a delay resulting from the Vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the Vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Vendor's control, or for any of the foregoing that Sub-Vendors or suppliers if no alternate source of supply is available to the Vendor. In case of any delay the Vendor believes is excusable, they shall notify the customer in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose,

3) If the vendor could reasonably foresee that a delay could occur as a result, or if delay is not reasonably foreseeable, within five (5) days after the date the vendor first had reason to believe that a delay could result. The foregoing shall constitute the Vendor's sole remedy or excuse with respect to delay.

3.27 ACCEPTANCE

It is the purchaser's responsibility to thoroughly inspect each vehicle prior to acceptance. Copies of the bid specifications and purchase order for the vehicle will be delivered with the vehicle. Purchasers are to inspect the vehicle and compare bid specifications, purchase order and manufacturer's window sticker or manufacturer's invoice to ensure vehicle meets or exceeds the requirements of the technical bid specifications and purchase order. Purchasers are to inspect the vehicle for physical damage.

Delivery of a vehicle to a customer does not constitute acceptance for the purpose of payment. Final acceptance and authorization of payment shall be given only after a thorough inspection indicates that the vehicle meets contract specifications and the requirements listed below.

Should the delivered vehicle differ in any respect from specifications, payment will be withheld until such time as the Vendor completes the necessary corrective action. Units shall be delivered with each of the following documents completed/included:

a. Copy of "Customer's Purchase Order"
b. Copy of the applicable "Vehicle Specification"
c. Copy of "Manufacturer's Invoice" or "Window Sticker". Copy of manufacturer's invoice if vehicle model is not delivered with a window sticker. Prices may be deleted from manufacturer's invoice.
d. Copy of "Pre-Delivery Service Report"
e. "Warranty Certification"
f. Owner's manual
g. DHSMV 82040, "Application for Certificate of Title and/or Vehicle Registration" (for signature of authorized representative). This document will not be included if the Vendor/dealer is providing the tag and title.

Deliveries that do not include the above forms and publications will be considered and incomplete and will be refused.

3.28 INSPECTION, ACCEPTANCE & TITLE

Inspection and acceptance will be at destination unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the successful bidder until acceptance by the buyer unless loss or damage result from negligence by the buyer. Reference: 3.31 Invoicing and Payments

It is the expressed responsibility of the purchaser to inspect a vehicle within 3 business days after acceptance for any damages. When the vehicle requires delivery to an alternate location, other than that of the agency, for further modification or up-fitting, will not preclude the 3 day requirement for inspection. If the materials or services supplied to the FSA are found to be defective or not conform to specifications, the FSA reserves the right to cancel the order upon written notice to the seller and return product at bidder's expense.

3.29 EQUITABLE ADJUSTMENT

The FSA Cooperative Purchasing Program Administrator may make an equitable adjustment in the contract terms or pricing in the contract at its discretion. Adjustments to pricing may occur for various reasons, such as pricing or availability of supply (i.e. material surcharge) is affected by extreme and unforeseen volatility in the marketplace, that is, by

circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Vendor's control, (2) the volatility affects the marketplace or industry, not just the particular contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Vendor that continued performance of the contract would result in a substantial loss.

When requesting an adjustment, including but not limited to price increases, the following must be submitted to the FSA Cooperative Purchasing Program Administrator:

- A letter of request from the Vendor, including the specification number and model listed in the contract, along with the requested changes;
- When requested adjustment is based on production cutoff of a currently listed model, a letter of affirmation from the manufacturer;
- When requested adjustment includes model changes, manufacturer's documentation of items included in the proposed model in order to determine that the proposed model meets the base specification;
- Currently published MSRP Listing

3.30 DISCOUNTS

Discounts must be a whole, positive percentage with no decimal place (%; e.g. 10%). Discount ranges are not acceptable. Discounts shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published price for any vehicle, equipment and factory add options.

The dealer has the authority to offer additional discounts based on quantity, as well as additional manufacturer/dealer discounts.

3.31 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and customer placing orders against this contract. Vendors must invoice each customer independently from the Florida Sheriffs Association, the Florida Association of Counties and the Florida Fire Chief's Association for vehicle(s) purchased from this contract.

The Vendor shall be paid upon submission of properly certified invoices to the purchaser at the prices stipulated on the contract at the time the order is placed, after delivery and acceptance of goods. Upon receipt of goods, a customer has three (3) working days to inspect and approve the goods and services. The Local Government Prompt Payment Act (as stated in Sections 218.70–218.80, Florida Statutes); will apply to ensure timely payment of Vendor invoices.

The invoice(s) shall indicate the following but is not limited to these requirements:

Shipping location, purchase order number, contract number, quantity shipped, price, date, make, model and serial number of vehicle(s).

3.32 PAYMENT

Invoices for payment will be submitted by the agency after the items awarded to a vendor have been received, inspected, and found to comply with award specifications, free of damage or defect and properly invoiced.

3.33 WARRANTY, REPAIRS AND SERVICE

Failure by any manufacturer's authorized representative to render proper warranty service/ adjustments, including providing a copy of the warranty work order to the customer, shall subject that representative and the Vendor to

suspension from the approved vendor listing until satisfactory evidence of correction is presented to the FSA Cooperative Purchasing Program Administrator.

3.34 INADEQUATE SERVICE

When equipment requires service or adjustments upon delivery, the Vendor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized dealer, or others, to remedy the defect. Such service or adjustments shall be initiated by the Vendor within forty-eight (48) hours (not including weekends and holidays) after notification by a customer. Delivery will not be considered complete until all service and/or adjustments are satisfactory and the equipment redelivered.

The provisions of the delivery paragraph shall remain in effect until the redelivery is accomplished. The cost of any transportation required shall be the responsibility of the Vendor until the equipment is satisfactory and accepted by the customer.

3.35 FSA ADMINISTRATIVE FEES FOR ALL SPECIFICATIONS rev 2/16

Dealers are to include a three quarters of one percent (.0075) FSA Administrative Fee to their base bid prices, at the time of bid submission. This FSA Fee should also be included in all additional equipment items (add options) and should not be indicated as a separate line item on any purchase order. Cross-reference: Prices Quoted - 2.18

FSA Administrative Fees are based on the total purchase order amount of the new vehicle or equipment, excluding trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the FSA Fee calculation. No other administrative fee(s) will be applicable to any transaction relative to the contract.

Trade-In Example for FSA Fee:

*Vehicle Equipment Total:	$25,000.00	*This Amount Used to Calculate FSA Administrative Fee
Less Trade-In Allowance:	-$2,000.00	Not Considered in Calculation
Purchase Order Total:	$23,000.00	Not Considered in Calculation

3.36 CONTRACTING VENDORS' QUARTERLY REPORTS AND FSA ADMINISTRATIVE FEE SUBMISSION REQUIREMENTS REV 02/16

A. Purchase Order Copies:

- Due **upon receipt** by the dealer and are considered late within five (5) business days.
- Scan a complete copy of the purchase order as a .pdf, naming the document in the example file name format.

Examples:

County=Florida County, County of PO 12345	*ABC County BCC PO 12345*
City=Florida City, City of PO 12345	*ABC, City of PO 12345*
Sheriff=Sheriff Agency of PO 12345	*ABC County SO PO 12345*
Education= Institution Name PO12345	*ABC County College PO 12345*

- Place the following in the subject line of the e-mail: Example: PDF Document Title. Forward purchase order copy by email to COOP@flsheriffs.org .

B. Quarterly Activity Reports:

- Quarterly Activity Reports are due **quarterly** (see schedule below) no later than the 20th of the month following the end of the quarter and should be sent by email to COOP@flsheriffs.org . See Addendum "D"

- All awarded Vendors MUST file a signed and dated quarterly activity report with their fee submission. Should there be no activity during a given quarter, Vendor is required to submit a quarterly activity report, and must indicate "NO SALES THIS QUARTER" on the report.

Schedule:	October 1 – December 31	January 1 – March 31
	April 1 – June 30	July 1 – September 30

- No copies of purchase orders are necessary for the quarterly report. They should already be on file pursuant to Purchase order copies section A above.

- Quarterly Activity Reports must be complete with the name of the dealer and the date: Example Spomot Motors, October 30, 2016 in the document header. It is no longer necessary to indicate the quarter on the top of the report, as it is included on the report.

- Checks for the FSA Administrative Fee should be received by the FSA no later than the 15th of the month following the close of the quarter. *Ref. Section 3.35 above.*

- Quarterly Activity Reports which do not adhere to the required format and/or not supported by complete, legible copies of all purchase orders in their entirety, previously submitted, pursuant to Purchase order copies to FSA, *section 3.36 (A)* above, will be returned to the reporting dealership for correction of cited deficiencies.

After receipt of payment from contract purchases, all administrative fees shall be payable by the Vendor to the FSA no later than 15 days after the end of each quarter. All fees payable to the FSA during any given quarter will be accompanied and supported by a detailed Quarterly Activity Report as defined above. By submission of these Quarterly Activity Reports and corresponding fee submissions, the Vendor is certifying the accuracy of such reports and deposits. All reports and fee submissions shall be subject to audit by the FSA or their designee.

Vendors failing to submit FSA Administrative Fees and Quarterly Activity Reports will incur a $25 per day late fee for every day that fees and reports are past due, beginning on the eleventh (21st) day of the month following the end of the quarter. *Ref. General Conditions Section 1.48 Non-Performance: Schedule of Fines*

Such late fees are to be included in Vendor's Administrative Fee submission; however, any applicable late fees that are not included in the Administrative Fee submission will be returned to the Vendor as an incomplete report. Late fees that are outstanding more than 45 days can result in disqualification as a bidder in future years' solicitation.

There will not be reminders concerning the Quarterly Activity Reports or the Administrative Fee sent by FSA. The quarterly activity report and administrative fees are the contractual responsibility of each Awarded Vendor. All participating Vendors will be responsible for making sure that the FSA Cooperative Purchasing Program Administrator has the correct contact e-mail address for the person responsible for all quarterly reports. This information must be submitted to the FSA Cooperative Bid Coordinator at COOP@flsheriffs.org .

Failure to submit Administrative Fees with accompanying Quarterly Activity Reports within 30 calendar days following the end of each quarter will result in the dealer being found in default. All re-procurement cost may be charged against the defaulting dealer and may result in immediate cancellation of your contract and removal from the vendor list.

Sample Quarterly Report:

[INSERT DEALERSHIP NAME HERE] *(Insert Tab-Header Edit)*

Reports are due no later than the 15th of the month following quarter end. Fees are due by the 20th of the month following quarter end.

3.37 DEALER CONTACT INFORMATION

The Awarded Vendor/Dealer will maintain correct contact information with FSA at all times. If a change occurs during any given period of a contract, FSA must be advised and a Florida Sheriffs Association Vendor Change Document completed, signed by an authorized representative of the Vendor/Dealer company and submitted via e-mail though FLEET@flsheriffs.org. (Refer to Addendum "B")

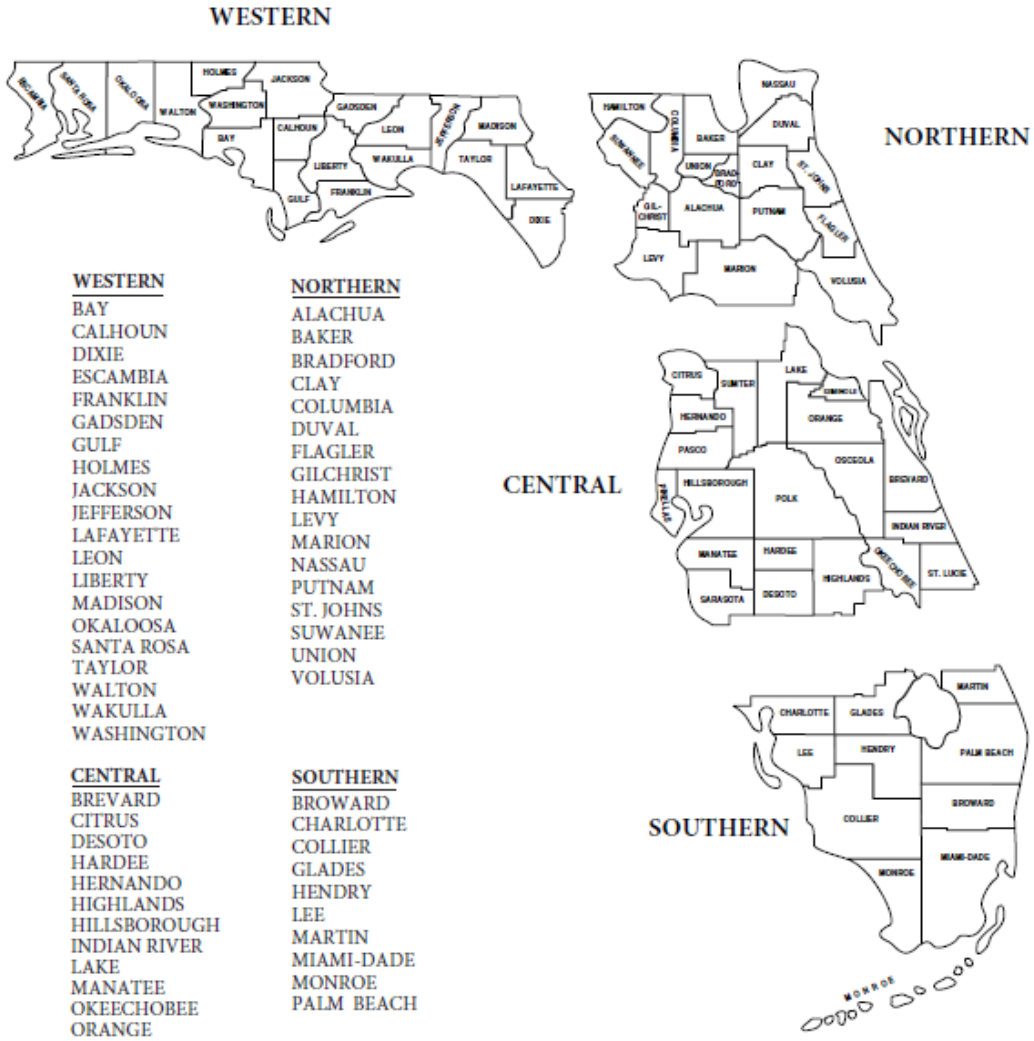

Request a copy of the Vendor Change Document from the FSA Bid Coordinator when necessary.

3.38 STATEMENT OF AUTHORITY

Each person signing the Contract warrants that he/she is duly authorized to do so and to bind the respective party to the Contract.

RESOLUTION NO. 2017-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, AMENDING THE CITY OF COCOA BUDGET FOR FISCAL YEAR 2017; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Cocoa adopted the final budget for the fiscal year commencing on October 1, 2016, and ending on September 30, 2017, at a special meeting held on September 14, 2016; and

WHEREAS, in accordance with Article XII, Section 5 of the City of Cocoa Charter, whereby the Council may, at any time by resolution, transfer any unused and unencumbered appropriation or portion thereof from one office or department to another; and

WHEREAS, the City Council deems it to be in the best interest of the City of Cocoa to amend its budget as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1. The 2016-2017 fiscal year budget shall be amended as detailed in the attached sheets.

SECTION 2. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 3. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on the 11th day of July, 2017.

CITY COUNCIL AGENDA ITEM

Memo Date: June 26, 2017
Agenda Date: July 11, 2017
Prepared By: Michael Giorgio, Division Manager
Through: Everett Wegerif P.E. Public Works Director/City Engineer
Requested Action:
Approve entering into a co-operative purchase agreement with, and issuing a Purchase Order to Goodson Paving,(DBA Good IV) in the amount of $282,387.90 for the annual paving of various city streets, Project # PW08SP, utilizing Brevard County Bid # B-4-15-57 which was awarded June 10, 2015 and renewed June 22, 2017 thru June 21, 2018

BACKGROUND:

The City of Cocoa Public Work Department maintains approximately 79 miles of paved streets throughout the city. Funds are budgeted annually to mill and repave streets based on the age and condition of the asphalt. One of the factors used is a pavement roadway assessment study as well as the amount of repairs made and utility work complete. A pavement assessment study completed IN 2015 by Kisinger, Campo & Associates indicated for Fiscal Year 2016/2017 that the following streets be addressed based on condition: Westminster Rd. Parapet Dr. Archer Ct. Norwood Circle, Sentry Dr. Scotland Road, Arrowsmith Dr. Spring Circle and Stonemont Dr. as well as Lake Dr. from S.R. 520 to the city limit.
Goodson Paving was selected for this work because the lower priced vender did not submit a quote

for this work when requested.

STRATEGIC PLAN CONNECTION:

Image: Newly paved streets are safer for vehicle traffic as well as enhancing the physical appearance of the City.

BUDGETARY IMPACT:

Budgeted	Yes
Amount Requested	$ 282,387.90
Account Number	001-3510-541-63-00_
Account Name	Infrastructure (PW08SP)

PREVIOUS ACTION:

Council has approved the roadway paving project in past years

RECOMMENDED MOTION:

Approve entering into a co-operative purchase agreement with, and issuing a Purchase Order to Goodson Paving,(DBA Good IV) in the amount of $282,387.90 for the annual paving of various city streets, Project # PW08SP, utilizing Brevard County Bid # B-4-15-57 which was awarded June 10, 2015 and renewed June 22, 2017 thru June 21, 2018.

Mr. Travis Goodson
Good IV - TLC, Inc.
5020 Nova Avenue
Rockledge, FL 32955
Email: goodsonpaving@bellsouth.net

Dear Mr. Goodson:

This letter is to notify you of the intent to renew **B-4-15-57, Asphaltic Concrete.** The effective dates of this renewal will be **06/22/17** to **06/21/18**.

If Good IV - TLC, Inc. is interested in continuing this bid under the same terms, prices and conditions, please respond by signing to the understanding of the renewal for B-4-15-57, Asphaltic Concrete. A new purchase order will be issued to you to cover the renewal period, if so agreed upon.

Additionally, the County would like to secure pricing on additional items, included in the attached. Please complete the attached form and return with your renewal if interested.

I, Travis Goodson, of Good IV - TLC **agree** to renew subject contract through 6/21/18, under the same terms, pricing and conditions, and to provide new items at rates bid on attached.

If Good IV - TLC, Inc. is not interested in renewing this contract, please complete and sign the following statement:

I, _____, of _____ **do not agree** to renew subject contract.

_____ 5-17-17
Authorized Vendor Signature — Date

If renewing, you are required to submit your updated insurance certifications naming the Board of County Commissioners as the other insured. These certificates are required to be returned with your acceptance of this notice. Brevard County reserves the right to re-bid all items on this bid if renewals are not received on all items.

Brevard County looks forward to continuing this relationship with your company. As always, if you have any questions, contact Jon McLester at (321) 617-7390. Please email your response to Karen DiNatale at karen.dinatale@brevardfl.gov. Your attention to this matter is greatly appreciated.

Sincerely,

Jonathan McLester, Purchasing Supervisor

GENERAL CONDITIONS

1. **SUBMISSION OF BIDS:** All bids shall be submitted in a sealed envelope. The bid number, title, and opening date shall be clearly displayed on the outside of the sealed envelope. The delivery of said bid to Purchasing Services prior to the specified opening date and time is solely and strictly the responsibility of the bidder. Any bids received in Purchasing after the specified date and time will not be accepted. An original and one copy of the bid must be submitted unless otherwise noted.
2. **EXECUTION OF BID:** Bid must contain a manual signature of authorized representative in the space(s) provided. Bids must be typed or printed in ink. Use of erasable ink is not permitted. All corrections made by bidder to any bid entry must be initialed. The company name and FEID number shall appear in the space(s) provided.
3. **BID OPENING:** Bid opening shall be public on the date and time specified. Sealed bids or proposals received by an agency pursuant to invitations to bid or requests for proposals are exempt from the provisions of s. 119.07 (1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of a decision or intended decision pursuant to s. 120.57(3)(a) or within 30 days after bid or proposal opening, whichever is earlier in accordance with Florida Statute 119.071(1)(b) 2. The names of the firms submitting a competitive solicitation will be read aloud at the time of the opening. No details of the competitive solicitation will be released. Bid must be submitted on forms provided by the County. No other forms will be accepted. Telephone and telegraph bids will not be considered. No bid may be modified after opening. No bid may be withdrawn after opening for a period of ninety (90) days unless otherwise specified.
4. **BID TABULATIONS:** Bid tabulations are posted on Demand Star web page and available for download at: www.demandstar.com.
5. **CLARIFICATION/CORRECTION OF BID ENTRY:** The County of Brevard reserves the right to allow for the clarification of questionable entries and for the correction of OBVIOUS MISTAKES.
6. **INTERPRETATION:** No interpretation of the meaning of the specifications, or other contract documents will be made orally to any bidder. Every request for such interpretation must be in writing, addressed to Purchasing Services at 2725 Judge Fran Jamieson Way, Bldg. C, 3rd Floor, Suite 303 Viera, FL 32940, or faxed to the attention of the Procurement Analyst, at (321) 617-7391. To be given consideration, such requests must be received at least five (5) business days prior to the date fixed for the opening of the bid. Any and all such interpretation and supplemental instructions will be in the form of a written addendum, which, if issued will be sent to all prospective proposers at the respective addresses furnished for such purposes. Failure of any bidder to receive any such addendum or interpretation shall not relieve said bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the contract documents, whether or not the successful bidder received a copy of such addendum, it being understood that all bidders are responsible to verify that they have received any such addenda prior to submitting their bid.
7. **EEO STATEMENT:** Vendors must ensure that employees and applicants for employment are not discriminated against for reasons of race, color, age, religion, sex, national origin, or handicapped status. Minority and female-owned businesses are encouraged to participate. Brevard County is an equal opportunity employer.
8. **PRICING:** Firm prices shall be proposed and include FOB DESTINATION, all packing, handling, shipping charges, fuel surcharges and delivery, unless otherwise indicated, to any point within the County of Brevard to a secure area or inside delivery. All prices, costs, and conditions shall remain firm and valid for 90 days from the date of opening. The obligations of Brevard County under this award are subject to the availability of funds lawfully appropriated for its purpose by the State of Florida and/or the Board of County Commissioners.
9. **ADDITIONAL TERMS & CONDITIONS:** The County of Brevard reserves the right to reject bids containing any additional terms or conditions not specifically requested in the original conditions and specifications.
10. **TAXES:** The County of Brevard is exempt from Federal Excise Taxes and all sales taxes.
11. **DISCOUNTS:** All discounts EXCEPT THOSE FOR PROMPT PAYMENT shall be considered in determining the lowest net cost for bid evaluation purposes.
12. **MEETS SPECIFICATIONS:** All equipment and accessories furnished under these specifications shall be new, the latest model in current production, and shall be of good quality, workmanship and material. The bidder represents that all equipment offered under these specifications shall meet or exceed the minimum requirements specified. Delivery specifications shall be strictly adhered to. The bidder shall be responsible for performing the work necessary to meet County standards in a safe, neat, good and workmanlike manner.
13. **BRAND NAME OR EQUAL:** If items called for by this invitation have been identified in the specifications by a "Brand Name OR EQUAL" description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be acceptable. Bids offering "equal" products will be considered for award if such products are clearly identified in the bid and are determined by the County to meet fully the salient characteristics requirements listed in the specifications. Unless the bidder clearly indicates in his bid that he is offering an "equal" product, the bid shall be considered as offering the same brand name product referenced in the specifications. If the bidder proposes to furnish an "equal" product, the brand name if any, or the product to be furnished shall be inserted in the space provided or such product shall be otherwise clearly identified. The evaluation of bids and the determination as to equality of the product offered shall be the responsibility of the County and will be based on information furnished by the bidder. Purchasing Services is not responsible for locating or securing any information, which is not identified in the bid and reasonably available to Purchasing Services. To ensure that sufficient information is available the bidder shall furnish as a part of the bid, or prior to bid opening, as indicated, all descriptive material necessary for Purchasing Services to determine whether the product offered meets the salient characteristics required by the specifications and establish exactly what the bidder proposes to furnish and what the County would be binding itself to purchase by making an award.

14. **SILENCE OF SPECIFICATIONS:** The apparent silence of the specifications and any supplemental specifications as to any details or the omission from same of any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and only materials of first quality be provided. All interpretations of this specification shall be made upon the basis of this statement.
15. **ASSIGNMENT:** Any purchase order issued pursuant to this bid and the moneys, which may become due hereunder is not assignable except with the prior written approval of the Purchasing Manager.
16. **INDEMNIFICATION:** The successful bidder agrees to indemnify and hold harmless the County and their employees from all claims, losses and expenses, including attorneys' fees, arising out of or resulting from the performance, failure in the performance of, or defect in, the products or services to be contracted, provided such claim, damage, loss or expense (1) is attributable to bodily injury, sickness, disease, death, or personal injury, or to property damage, including loss of use resulting therefrom, and (2) is caused in whole or in part by any negligent act or omission of the vendor, any subcontractor or any of their employees, or arises from a job-related injury. The successful bidder acknowledges adequate consideration for this indemnification provision.
17. **PATENTS AND ROYALTIES:** The bidder, without exception shall indemnify and save harmless the County of Brevard and its employees from liability of any nature of kind including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the County of Brevard. If the bidder uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any involved in the work.
18. **TRAINING:** If specified, supplier(s) may be required at the convenience of the County, to provide employees training in the operation and maintenance of any items(s) purchased from this bid.
19. **ACCEPTANCE:** Items may be tested for compliance with specification. Items delivered not conforming to specifications may be rejected and returned at vendor's expense. Those items not delivered as per delivery date in bid and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the vendor. Any violations of these stipulations may also result in the vendor name being removed from the bid list and the vendor disqualified from doing business with the County of Brevard.
20. **SAFETY WARRANTY:** The selling dealer, distributor, supplier, and manufacturer shall be responsible for having compiled with all Federal, State and local standards, regulations, and laws concerning the equipment specified and the use thereof, applicable and effective on the date of manufacture including safety and environmental standards as apply to both private industry and governmental agencies.
21. **WARRANTY:** The bidder agrees that, unless otherwise specified, the supplies and/or services furnished under this bid shall be covered by the most favorable commercial warranty the bidder gives to any customer for comparable quantities of such supplies and/or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County of Brevard by any other provision of this bid.
22. **AWARDS:** As the best interest of the County may require, the right is reserved to make award(s) by individual items, group of items, all or none, or a combination thereof; on a geographical basis and/or on a countywide basis with one or more suppliers; to reject any and all bids or waive any minor irregularly or technicality in bids received. Bidders are cautioned to make no assumptions unless their bid has been evaluated as being responsive and qualified. All awards made as a result of this bid shall conform to applicable ordinances of the County of Brevard. The Board may return, for full credit, any unused items received which fail to meet the Board's performance standards. Brevard County reserves the right to cancel an awarded bid upon due cause, i.e. vendor misrepresentation, vendor negligence, non-performance, etc. via written notice.
23. **Unless otherwise noted in the bid document, vendors shall submit *one bid only.***
24. **DEFINITIONS:**

    COUNTY - The term COUNTY herein refers to the County of Brevard, Florida, and its duly authorized representatives.

    BIDDER - The term BIDDER used herein refers to the dealer/ manufacturer/business organization submitting a bid to the County in response to this invitation.

    VENDOR - The term VENDOR used herein refers to any dealer/manufacturer/business organization that will be awarded a contract pursuant to the terms, conditions and quotations of the bid.

    USING AGENCY - The term USING AGENCY used herein refers to any department, division, agency, commission, board, committee, authority or other unit in the County Government using supplies or procuring contractual services as provided for in the Purchasing Ordinance of the County of Brevard.

    HEAVY DUTY - The item(s) to which the term HEAVY DUTY is applied shall exceed the usual quality and/or capacity supplied with standard production equipment and shall be able to withstand unusual strain, exposure, temperature, wear and use.

    QUALIFIED BIDDER OR PROPOSER - The best bidder or proposer who has the capability in all respects to fully perform the bid or RFP requirements, and has the financial stability, honesty, integrity, skill, business judgment, experience, facilities, and reliability necessary to assure good faith performance of the contract, as determined by reference to the Contractor's Qualification Statement, evaluations by County staff of the bidder or proposer or its subcontractors' past performance for the Board, an any other information required by Board policies.

    RESPONSIVE BIDDER OR PROPOSER - A bidder or proposer who has submitted a bid or proposal, which conforms in all respects to the requirements of the bid package or request for proposal, including, but not limited to, submission of the bid or proposal on required forms with all required information, signatures, and notarizations at the place and time specified.

DUE CAUSE – An applicable reason affecting and concerning the ability and fitness of the contractor(s) to perform to the specifications and requirements of the contract.

25. **CONFLICT OF INTEREST**: The award hereunder is subject to provisions of State Statutes and County Ordinance. All Bidders must disclose with their bid the name of any officer, director, or agent who is also an employee of Brevard County. Further, all proposers must disclose the name of any County employee who owns, directly or indirectly, any interest in the proposer's firm or any of its branches.
26. **PURCHASING AGREEMENTS WITH OTHER GOVERNMENTAL ENTITIES:** Brevard County permits the awarded vendor(s) to extend the pricing, terms and conditions of this solicitation to other governmental entities at the vendor's discretion. Each governmental entity that utilizes this solicitation or resulting contract will be responsible for execution of its own requirements with the awarded vendor(s).
27. **DRUG-FREE WORKPLACE:** Whenever two or more bids/ proposals which are equal with respect to price, quality, and service are received by Brevard County for the procurement of commodities or contractual services, a bid/proposal received from a business that has implemented a drug-free workplace program (per Florida Statutes Section 287.087) shall be given preference in the award process.
28. **LOBBYING STATEMENT:** All firms are hereby placed on notice the County Commission and staff shall not be contacted about this Bid. Firms and their agents are hereby placed on notice that they are not to contact members of the County Commission or staff (with the exception of designated liaison). Public meetings and public deliberations of the Selection Committee are the only acceptable forum for the discussion of merits of products/services requested by the Request of Bid; and written correspondence in regard to Bids may be submitted to the County Manager. Each Bid will have one non-voting staff member designated who will serve as the liaison. Failure to adhere to these requirements could result in Board action to disqualify your firm from consideration of award.
29. **PUBLIC ENTITY CRIMES:** All bidders are hereby placed on notice that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO (currently $35,000) for a period of thirty six (36) months from the date of being placed on the convicted vendor list.
30. **DISCRIMINATION:** An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases or real property to a public entity, may not award or perform work as a contractor, supplier, and may not transact business with any public entity.
31. **LICENSE/CERTIFICATIONS AND PERMITS:** The successful vendor will be required to secure, at its expense and show proof of the proper business tax receipt and/or any other license/certification required of the applicable service/work being performed. Prior to award, the apparent low bidder will be required to provide proof of license and/or certification within two (2) business days of the posted awarded recommendation and submit copies of license/certifications to the Purchasing Office. The Brevard County Contractor Licensing and Regulations Section is responsible for the county licensing of trades: General Building, drywall, plumbing, electric, HVAC, roofing, etc. If you have questions concerning the licensing requirements for a Brevard County contractor's license, please Contact the Brevard County Licensing Regulation and Enforcement Office at (321) 633-2058, option 0, for any questions.
    The awarded contractor shall fully comply with all federal and state laws, county and municipal ordinances and regulations in any manner affecting the performance of the work. The successful vendor is responsible for obtaining all permits necessary to construct the project. Brevard County does not exempt itself from permitting requirements. The Owner shall pay all Brevard County permit, inspection and impact fees required for the project or services required under this contract; all other fees for permits required by agencies/municipalities other than Brevard County shall be the responsibility of the awarded Contractor. A copy of issued permit shall be provided to the User Department of the County for their records.
32. **ERRORS:** In the event of extension error(s), the unit price will prevail. In the event of addition error(s), the extended totals will prevail. In either case, the bidder's total offer will be adjusted accordingly.
33. **CANCELLATION AND RE-INSURANCE:** If any insurance should be canceled or changed by the insurance expiring during the period of this bid award, the vendor shall be responsible for securing other acceptable insurance to provide the coverage specified in the bid to maintain continuous coverage during the life of the award.
34. **INCURRED COST:** Brevard County is not liable for any cost incurred by any vendor prior to an award. Costs for developing a response to this request for bid are entirely the obligation of the bidder and shall not be chargeable in any manner to Brevard County.
35. **MATERIALS/SUPPLIES:** No materials or supplies for the work shall be purchased by the vendor or by any sub-contractor subject to any chattel mortgage or under a conditional sale or other agreement by which an interest is retained by the seller.
36. **SUBCONTRACTORS:** The vendor shall be fully responsible for all acts and omissions of his sub-contractors and of persons and organizations directly or indirectly employed by them and of persons and organizations for whose acts and omissions of persons directly employed by him.
37. **VERBAL INSTRUCTIONS:** No negotiations, decisions, or actions shall be initiated or executed by the vendor as a result of any discussions with any County employee. Only those communications, which are in writing from an authorized County representative, may be considered. Only written communications from vendors, which are assigned by a person

designated as authorized to bind the company, will be recognized by the County as duly authorized expressions on behalf of the company.

38. **FAX:** Bids that are received by fax are not acceptable and will be rejected
39. **LITIGATION VENUE:** All litigation shall take place either in the State Courts of Florida, wherein venue shall lie in Brevard County, Florida; or, in the Federal Courts wherein venue shall lie in the Central District in and for the State of Florida. The vendor expressly waives venue in any other location.
40. **ADDITION, DELETION OR MODIFICATION OF SERVICES:** The County reserves the right at its sole discretion to increase, decrease, or delete any portion of this agreement/contract at any time without cause, and if such right is exercised by the County, the total fee shall be reduced by a prorate basis. If work has already been accomplished on the portion of the contract to be increased, decreased, or deleted, the contractor shall be paid for the correct portion on the basis of the estimated percentage agreed upon by the County, the contractor, and the contract manager upon completion of such portion.
41. **OPERATION DURING DISPUTE:** In the event the County has not canceled the contract in accordance with the terms of the contract, and there remains a dispute between the bidder and the County, the bidder agrees to continue to operate and perform under the terms of the contract while such dispute is pending, and further agrees that, in the event a suit is filed for injunction or other relief, it will continue to operate the system until the final adjudication of such suit by the court.
42. **CONTRACT TERMINATION:** The contract resulting from this bid shall commence upon issuance and acceptance of the fully executed contract. The County user agency shall issue orders against the contract on an as needed basis. The contract may be canceled by the vendor, for good cause, upon ninety (90) days prior written notice. The County retains the right to terminate the contract, in part or in its entirety, with or without good cause, upon thirty (30) days prior written notice or as stated herein. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.
43. **SPECIAL ACCOMMODATIONS:** In accordance with the Americans with Disabilities Act and Section 286.26, F.S., persons with disabilities needing special accommodations to participate should contact the County Manager's Office no later than 48 hours prior to any meeting at 633-2001 for assistance.
44. **BIDDER RESPONSIBILITIES:** Bidders, by submitting a bid, certify that it understands all planning, coordinating, and implementation of the described services shall be done through personal contact between the bidder and the contract manager, and that telephone contact and mail correspondence may, in some cases, not be appropriate. County approved representatives of the bidder shall be available to meet with the contract manager, as may be required, to accomplish the County's objectives as effectively and efficiently as possible, during all phases of this agreement/contract/ bid.
45. **SUPERVISION OF CONTRACT PERFORMANCE:** The bidder's performance of the contract will be notified by the contract manager. The bidder shall be notified of lack of performance in writing by the contract manager. If at any time during the term of the contract, performance satisfactory to the contract manager shall not have been made, the bidder, upon written notification by the contract manager, shall within three (3) days increase the force, tools and equipment as needed to properly perform the contract. The failure of the contract manager to file such notification shall not relieve the bidder of the obligation to perform the work at the time and in the manner specified by the contract. If the bidder does not increase the force or neglects to do the work properly, the contract manager can withhold a percentage of payment or withhold the entire dollar amount due as per the contract.
46. **MISUNDERSTANDING:** To prevent misunderstanding and any litigation, the contract manager shall decide any and all questions, which may arise concerning the quality and acceptability of the work, and services performed the sufficiency of performance, the interpretation of the provisions of the contract, and the acceptable fulfillment of the contract on the part of the bidder. The contract manager will determine whether or not the amount, quantity, character and quality of the work performed are satisfactory, which determination shall be final, conclusive and binding upon both the bidder and the County. The contract manager shall make such explanation as may be necessary to complete, explain, or make definite the provisions of the contract, and his findings and conclusions shall be final and binding upon both parties.
47. **GREEN PROCUREMENT POLICY:** The Board of County Commissioners approved a "green procurement" policy in March 2004 to establish procurement requirements that promote the purchase and use of Environmentally Preferred Products as defined by the United States Environmental Protection Agency. Environmentally Preferred Products (EPP) are those products and services that have a reduced effect on the human health and the environment when compared to other products and services that serve the same purpose. EPP produces encourage (1) waste reduction; (2) reduced exposure to hazardous materials; (3) natural resource conservation; and (4) energy efficiency.
48. **MONITORING OF WORK:** The bidder shall provide the contract manager with every reasonable opportunity to ascertain whether or not the work, as performed, is in accordance with the requirements of the contract. The bidder shall designate, in writing, a person to serve as liaison between the bidder and the County.
49. **PROMPT PAYMENT:** For payment promptness, Brevard County shall remit payment in accordance with the Florida Prompt Payment Act, Florida Statutes section 218.70, et seq. Brevard County does not expect to be billed in excess of the ordered quantity and will not pay for any quantity above the ordered quantity. Any order placed as a result of this quotation will be subject to Billing Instructions and Conditions on the face of the Brevard County Purchase Order form. Bidders may offer cash discounts for prompt payment but they will not be considered in determination of award. If a bidder offers a discount, it is understood that the discount time will be from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last.

    Requests for final payment for any work or services for which a permit is required shall include a copy of all required permits and copies of all required inspection reports. Failure to provide proof of acquisition of all required permits and successful completion of all required inspections shall represent an incomplete invoice and will delay payment.

50. **RIGHT TO AUDIT RECORDS:** In performance of this Agreement, the Contractor shall keep books, records, and accounts of all activities related to the Agreement, in compliance with generally accepted accounting procedures. All documents, papers, books, records and accounts made or received by the contractor in conjunction with the Agreement and the performance of this Agreement shall be open to inspection during regular business hours by an authorized representative of the office and shall be retained by the contractor for a period of three (3) years after termination of this Agreement, unless such records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1) Florida Statutes.

51. **UNAUTHORIZED ALIEN WORKS:** Brevard County will not accept bids from vendors who knowingly employ unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a (e) (Section) 274A (e) of the Immigration and Nationality Act "INA". The County shall consider a vendor's intentional employment of unauthorized aliens as grounds for immediate termination of any awarded bid.

52. **FLORIDA PUBLIC RECORDS LAW:**

Both parties understand that the County is subject to the Florida Public Records Law, Chapter 119, Florida Statutes and all other applicable Florida Statutes. If the materials provided by the Contractor do not fall under a specific exemption, under Florida or federal law, materials provided by the Contractor to the County would have to be provided to anyone making a public records request. It will be the bidder's duty to identify the information that it deems is exempt under Florida/federal law, and identify the statute by number that exempts that information.

Should any person or entity make a public request of the County which requires or would require the County to allow inspection or provide copies of records which the Contractor maintains are exempt from Public Records Law or are confidential, it shall be the Contractors obligation to provide the County within 24 hours (not including weekends and legal holidays), of notification by the County to the Contractor of the request, of the specific exemption or confidentiality provision so the County will able to comply with the requirements of Fla. Stat. 119.07(1)(e) and (f). Should the County face any kind of legal action to require or enforce inspection or production of any records provided by the Contractor to the County which the Contractor maintains are exempt or confidential from such inspection/production as a public record, then the Contractor shall hire and compensate attorney(s) who shall represent the interest of the County as well as the Contractor in defending such action. The Contractor shall also pay any costs to defend such action and shall pay any costs and attorneys fees which may be awarded pursuant to Fla. Stat. 119.12.

All material submitted becomes the property of the County and may be returned only at the County's option. The County has the right to use any or all ideas presented in any reply to this ITB. Selection or rejection of any proposal does not affect this right.

53. ~~**LOCAL PREFERENCE:**~~

~~The Board of County Commissioners of Brevard County, Florida amended the Resolution for a local business preference policy. Businesses located within Brevard County will be given preference through the current procedures established by the resolution as amended. Businesses with an established and permanent physical location within Brevard County having a responsive and responsible bid within 5% of the lowest responsive and responsible non-local bid shall be given an opportunity to match the low bid. It is understood that the preference applied with the bid is for the Brevard County Board of County Commissioners only, and is valid only for the bid specified. The bidder also understands that failure to maintain the requirements of the Local Vendor Eligibility through completion of the awarded bid or contract may be grounds for immediate termination and may be used for consideration in future awards. Local Preference Resolution is available for review on Purchasing Services website: http://www.brevardcounty.us/CentralServices/Purchasing.~~

54. **PREFERENCE GIVEN TO COMMODITIES MANUFACTURED, GROWN OR PRODUCED IN FLORIDA:**

In accordance with Florida Statute 287.082, whenever two or more competitive sealed bids are received, one or more of which relates to commodities manufactured, grown, or produced within this state, and whenever all things stated in such received bids are equal with respect to price, quality, and service, the commodities manufactured, grown, or produced within this state shall be given preference.

55. **COUNTY SEAL:**

Use of the County Seal without the express approval of the Board of County Commissioners is a violation of section 165.043 Florida Statutes punishable as a misdemeanor.

56. **TIE BIDS:** Award of all tie quotes/bids shall be made by the Purchasing Manager in accordance with State Statutes, which allows a firm certified as a Drug-Free Workplace to have precedence. When evaluation of vendor responses to solicitations results in identical offers, with regards to bids or quotations, or identical ranking with regards to proposals, from two or more vendors, the County shall determine the order of award using the following criteria in order of preference listed below. (from highest priority to lowest priority):

a. For tie bids, quotations or proposals, priority shall be given to the vendor certifying that he/she is a Drug-Free Workplace as defined within §287.087, Florida Statutes;
b. Should a tie still exist, <u>in the case of proposals only</u>, priority shall be given until the tie is broken, to the vendor with the highest total of raw scores for each evaluation criteria, progressing from the highest weighted criteria to the lowest rated criteria. If multiple evaluation criteria have identical weights, the combined total weights of the identically weighted criteria shall be used;
c. Should a tie still exist for bids, quotations or proposals, priority shall be given to the vendor having a verified business establishment within the boundaries of Brevard County, Florida;
d. In the event that a tie still exists after progressing through a-c, the decision shall be made by lot or coin toss. The drawing of lots or coin toss shall be conducted in the presence of the effected bidders if they elect to be present.

57. VENDOR COMPLAINTS AND DISPUTES:

Brevard County encourages prompt and fair handling of all complaints and disputes with the business community. In order to resolve disputed matters in an equitable manner, the following procedures are adopted:

I. Posting of Award Notices

A. FORMAL SEALED BIDS/QUOTES: No later than three (3) business days after a bid opening the Purchasing Manager or his/her designee shall post a tabulation of competitive sealed bids/quotes on a bulletin board located in or near the Purchasing Services Office. The apparent low bid/quote will be the intended award recommendation. If after posting the tabulation, the apparent low bid/quote is found to be non-responsive to the specifications, the formal award evaluation will be posted. The time for filing a protest will begin the date of the later posting.

B. FORMAL SEALED PROPOSALS: No later than three (3) business days after the selection committee recommendations are finalized, the Purchasing Manager or his/her designee shall post the selection committee's rankings and recommended award for bids.

II. Proceedings

A. Any bidder, quoter, or proposer who is allegedly aggrieved in connection with the solicitation or pending award of a contract must file a formal written protest with the Purchasing Manager within five (5) business days of the posted award recommendation.

B. The formal written protest shall reference the bid/quote/proposal number, and shall state with particularity the facts and laws upon which the protest is based, including full details of adverse affects and the relief sought.

C. Within seven (7) calendar days of receipt of the formal written protest, the Purchasing Manager will arrange a meeting of the Protest Committee and the affected parties. The Protest Committee shall consist of two (2) Department Directors or designees, both of whom must be from an organizational group which the user department or group is not assigned; one (1) Assistant County Manager, who must be from an organizational group which the user department or group is not assigned under. The Purchasing Manager shall act as a non-voting Hearing Coordinator and the County Attorney or designee may be requested to attend as a non-voting member. The Purchasing Manager or designee record the meeting and provide any information as the committee may request. The purpose of the meeting of the Protest Committee is to provide an opportunity to: (1) review the basis of the protest, (2) evaluate the facts and merits of the bid protest, and (3) if possible, to reach a resolution of the protest that is acceptable to the affected parties. For the purpose of the Protest Committee hearing, resolution shall mean that the Protestor finds the decision of the Protest Committee acceptable.

D. In the event the matter is not resolved with the Protestor's acceptance of the Protest Committee's decision, the Purchasing Manager will schedule the recommended award including the details of the protest and the Protest Committee's recommendation before the Board of County Commissioners via Board Agenda. The County Manager, prior to approval and placement on the Board agenda, may elect to resolve the matter before presentation to the Board. In the event that the County Manager cannot bring the matter to resolution, a copy of the Agenda Report shall be furnished immediately to all affected parties. The affected parties may appear before the Board of County Commissioners as a final means of administrative remedy.

III. Stay of Procurements during Protests

Failure to observe any or all of the above procedures shall constitute a waiver the right to protest a contract award. In the event of a timely protest under the procedure, the County shall not proceed further with solicitation or with the award until a recommendation is made by the Committee, or a written determination is made by the County Manager that the award must be made without delay in order to protect the public interest. Invoice disputes between an awarded vendor and user agency will follow the guidelines set forth in AO-33, *Prompt Payment of Invoices.*

RE: City of Cocoa 2017 Milling & Paving (#6587) - REVISED

PROPOSAL - REVISED

Scope of Work:

Milling and paving with SP-9.5 asphalt on various streets located in Cocoa, FL. This estimate is based on quantities provided by the City of Cocoa. Payment for these items of work will be made on actual construction quantities determined upon completion of work.

Westminister Rd., Parpet Dr., Archer Ct., Norwood Circle, Sentry Dr., Scotland Rd., Arrowsmith Dr., Spring Circle, Stonemont Dr.

Milling	29,728 SY @ $2.45		=$ 72,833.60
Pave w/1.0"SP-9.5	2,230 TN @ $76.05		=$169,591.50
Striping	1 LS @ $3,470.00		=$ 3,470.00
		TOTAL	**=$245,895.10**

Lake Drive

Milling	2,542 SY @ $3.40		=$ 8,642.80
Pave w/1.0"SP-9.5	200 TN @ $76.05		=$ 15,210.00
Striping (Temp. & Thermo)	1 LS @ $12,640.00		=$ 12,640.00
		TOTAL	**=$ 36,492.80**

Notes:

1. Payment is to be made within 30 days after completion of work. City of Cocoa agrees to pay all costs associated with collection including costs and attorney fees (including those incurred in appellate and bankruptcy proceedings). Past due invoices shall bear interest at 1.5% per month or the highest rate allowable by law, whichever is less.
2. Prices will be honored for 30 days from the date of this proposal.
3. New asphalt pavement takes approximately 60 days to cure. During this period it is possible for pavement scuffing (i.e. tire marks) to occur as a result of vehicles making hard turns or rapid starting and stopping. This scuffing is more likely to occur in warmer months and will become less visible over time as the pavement lightens in color.
4. Asphalt prices for this proposal are based on the current Brevard County Contract #B-4-1-57.

Exclusions are as follows:

Fees, Bonds or Permits
Weekend, Holiday, or Night Work
Testing
Saw Cutting
Utility Risers
Survey or Layout
Thermoplastic Striping

CITY COUNCIL AGENDA ITEM

Memo Date: June 29, 2017
Agenda Date: July 11, 2017
Prepared By: Gene Prince. Fire Chief
Through: John A. Titkanich Jr., City Manager
Requested Action:
To Approve a Resolution amending the FY2017 budget to include the revenue for the trade in value of $8,400.00 from DXE Medical Inc. for three Phillips MRX Monitors.

BACKGROUND:

We have reached an agreement with DXE Medical Inc. for the trade in for three Phillips MRX Monitors at $2,800.00 each, for a total of $8,400.00. These monitors were replaced several years ago and were used as backups. The monitors are now passed their useful life and are no longer supported with parts on the primary and secondary markets. The trade in will be used to acquire medical training props and to supplement our EMS 1st Responders Consumable Supplies line item in the Fiscal Year 2017 budget.

RESOLUTION NO. 2017-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, AMENDING THE CITY OF COCOA BUDGET FOR FISCAL YEAR 2017; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Cocoa adopted the final budget for the fiscal year commencing on October 1, 2016, and ending on September 30, 2017, at a special meeting held on September 14, 2016; and

WHEREAS, in accordance with Article XII, Section 5 of the City of Cocoa Charter, whereby the Council may, at any time by resolution, transfer any unused and unencumbered appropriation or portion thereof from one office or department to another; and

WHEREAS, the City Council deems it to be in the best interest of the City of Cocoa to amend its budget as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1. The 2016-2017 fiscal year budget shall be amended as detailed in the attached sheets.

SECTION 2. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 3. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on the 11th day of July, 2017.

CITY COUNCIL AGENDA ITEM

Memo Date: June 26, 2017
Agenda Date: July 11, 2017
Prepared By: Steven Biel, Senior Planner
Through: Nancy A. Bunt, Acting Community Services Director
Requested Action:
Approve Second Reading of Ordinance 08-2017, amending the Future Land Use Map designation of the subject property from Low Density Residential to Medium Density Residential and Conservation and a Development Agreement related to the subject property.

BACKGROUND:

Applicant: Kimberly B. Rezanka
96 Willard St., Suite 302
Cocoa, FL 32922

Owner: 2075 W. King Street Land Trust
2720 Park Street, Unit 205
Jacksonville, FL 32205

Location: South side of W. King Street, approximately 0.25 miles east of S. Range Road. The

Property Appraiser identifies the parcel as Tax Account Number 2423993.

Request: **LARGE-SCALE COMPREHENSIVE PLAN MAP AMENDMENT** consistent with Florida Statute, Chapter 163. The property owner is requesting approval to amend the Future Land Use Map designation of a portion of one parcel (102.0 acres of the total 130.66-acre parcel) from "Low Density Residential" to "Medium Density Residential," and further designate those portions of the subject property identified as wetlands to the "Conservation" Future Land Use designation.

The first reading on this Agenda Item was presented to City Council on April 25, 2017 as a transmittal hearing regarding a FLUM Amendment to the City Comprehensive Plan requiring notification to the state planning agency and other reviewing agencies pursuant to the Community Planning Act. City Council approved the first reading of Ordinance 08-2007 and staff transmitted the ordinance according to the Act. The City did not receive any comments from the state land planning agency and reviewing agencies, see attached letter dated May 30, 2017. Additionally, attached is the school impact analysis from Brevard County Public Schools which provided a nonbinding review; a Concurrency Determination must be performed by the school district prior to a Final Development Order and the issuance of a Concurrency Evaluation Finding of Nondeficiency by the City.

The applicant, Kimberly B. Rezanka, on behalf of the property owner, 2075 W. King Street Land Trust, is requesting to amend the Future Land Use Map designation of approximately 102.2 acres of the overall 130.66-acre subject parcel from "Low Density Residential" to "Medium Density Residential" as depicted on Exhibit A.

Currently, the subject parcel has two future land use and zoning designations. The northern portion of the parcel, fronting on W. King Street (SR 520), is approximately 1,300 feet wide by 950 feet deep, totaling approximately 28.46 acres. This portion of the parcel has a "Commercial" future land use designation and is zoned C-W (Wholesale Commercial). No changes are proposed to the Commercial Future Land Use designated portion of the property.

The southern portion of the property measures approximately 3,300 feet wide by 1,340 feet deep. This portion of the parcel currently has a future land use designation of "Low Density Commercial" with an RR-1 (Rural Residential) zoning designation.

The reason for the proposed change to the Medium Density Residential Future Land Use designation is to rezone the property to RU-2-15 Residential to allow for the property owner to construct an adult congregate living facility (ACLF) on the westerly section of the 102.02-acre portion of the property. The current Future Land Use and zoning designations of "Low Density Residential" and RR-1 Residential, do not allow for RU-2-15 zoning nor an ACLF use.

In addition to this application, the applicant has submitted an application to rezone the property from the existing RR-1 Residential zoning designation to RU-2-15 Residential zoning designation, which allows for an ACLF use by Special Exception approval.

It should be noted the applicant during the first public hearing agreed to enter into a Development Agreement, based on public concerns the use could be changed to multi-family and or other more intense uses, to limit the development as an ACLF and to ensure compatibility with neighboring properties. The agreement also provides for the buffer wall along the west and southern boundaries of the property. The Development Agreement is attached for City Council review and consideration.

The following table summarizes the current FLUM and Zoning designations for the adjacent parcels:

Overview of Surrounding Area:			
	Future Land Use	**Zoning**	**Existing Use**
North	Commercial	C-W	Vacant, Space Coast Honda, & County Sch Bus Facility
South	Very Low Density Residential (City); RE (County)	RU-1-7 (City); AU (County)	Single-family Residential & Vacant
East	Low Density Resident (City); RES 4 (County	RU-1-7 (City); AU (County)	Vacant
West	NC - Neighborhood Commercial (County)	RR-1 & GU (County)	Single-family Residen & Vacant

Consistency with Code of the City of Cocoa

Planning & Zoning staff has addressed the criteria contained in Chapter 15, Article II, Sections 15-10 and 15-11 below:

a. Whether the proposal favorably or unfavorably impacts the city's budget, or the economy of the region;

Applicant Response: *The proposal should have no impact upon the City's budget. However, the proposed developments will positively impact the City's and region's economies. The commercial uses and the ACLF will bring jobs, increase tax revenue and more consumer spending.*

Staff Response: The proposed amendment would have no negative impact on the city's budget or the regional economy. The Medium Density Residential allows for multi-family and single-family development. ACLF use is permitted by Special Exception approval by the Board of Adjustment. The purpose of the request is to allow for rezoning of the property to RU -2-15 Residential and then subsequently submit a Special Exception application for the ACLF use. Additionally, if approved, it will provide a use that enhances the economy of the region through the provision of an additional ACLF facility serving residents of the City and region.

b. Whether the proposal will diminish the service level of public facilities;

Applicant Response: *The proposal will not diminish the service level of public facilities and there is adequate capacity for all public facilities.*

Staff Response: The future land use amendment will not negatively impact or diminish the service level of public facilities.

Potable Water: The subject property can be served by the City of Cocoa Utilities Department for water service and reclaimed service. Level of service would not be diminished as a result of the amendment.

Sanitary Sewer: The subject property is served by the City of Cocoa Utilities Department for sanitary sewer service. Level of service would not be diminished as a result of the amendment.

Solid Waste: As the property is currently vacant, there is no solid waste service to the parcel. If the property is developed in the future, a private hauler would provide service.

Transportation: The subject property would be accessed from an existing entrance on W. King Street (SR 520). The City of Cocoa Comprehensive Plan 2010-2020, Volume 1 Goals, Objectives, & Policies, Map M-II-2: Functional Roadway Classification Map identifies W. King Street as an arterial road and is functioning at a "C" level of service. If the proposed future land use amendment is approved by City Council, the expected effect to W. King Street would be neutral. Therefore, the level of service would not be diminished as a result of the amendment.

c. Whether the proposal favorably or unfavorably impacts the environment, or the natural or historical resources of the city or the region;

Applicant Response: *The proposal will favorably impact the environment as the improvements will be constructed to comply with all regulations of the DEP, SJRWMD and the City. The proposal will have no impact upon the natural or historical resources of the City or region.*

Staff Response: The westerly portion of the property contains wetlands as identified on Map M-XII-1: Wetlands, of the Comprehensive Plan Conservation Element. In accordance with Future Land Use Element Policy 1.1.2.13: Conservation; The Conservation Future Land Use Category is intended to protect environmentally sensitive natural resource systems. The conservation land use category identifies lands that are environmentally fragile natural resources for long term preservation. The following criteria shall be used for designating properties as Conservation on the Future Land Use Map:

A. Any Future Land Use Map amendment adopted after December 1, 2003, shall assign the Conservation Future Land Use category to wetlands within the area of the subject amendment.
B. The boundaries of the Conservation Future Land Use category may be adjusted to be consistent with a wetland jurisdictional line determination by the SJRWMD without the need for a comprehensive plan amendment. In those areas initially presumed but later determined not to be classified as a wetland will take on the future land use category assigned to the upland portion of the development site.
C. At the time of development, wetlands within the Conservation Future Land Use category shall be encumbered by a perpetual conservation easement.
D. Allowable uses, intensities, and impacts within the Conservation Future Land Use category shall be in conformance with those uses, intensities, and impacts listed in the Conservation Element.

Any future development of the subject site shall be in accordance with above-mentioned policy.

Furthermore, Conservation Element Policy 12.1.6.15: Wetlands and wetland functions shall be protected and conserved by restricting direct and indirect development impacts.

E. *Upland buffers.*

1. *General.* Upland buffers are considered an integral component of a functioning wetland and shall be afforded the same types and levels of protection as the wetland itself. Upland buffers shall not be developed, cleared, or landscaped that would decrease their effectiveness in supporting wetland functions, and shall not include turfed, landscaped, or impervious surfaces.
2. *Minimum width.* Where wetlands exist, upland buffers shall be provided at a minimum width of fifteen (15) feet and an average width of twenty-five (25) feet beyond the perimeter of the wetland.
3. *Encroachment.* Encroachment into upland buffers for the purpose of hydrologic connection of drainage systems and creation of mitigation areas shall be permitted and shall not require additional buffering compensation.
4. *Additional requirement.* The City may require the extension of upland buffers beyond the twenty-five (25) feet if necessary to connect isolated wetlands with other protected wetlands existing within one-hundred (100) feet depending on the existence of listed species and habitat valuation.
5. *Average width exception.* Uplands buffer widths may be adjusted downward below the required minimum average on a case-by-case basis if the developable portion of the existing lots of record as of December 1, 2003 does not have sufficient size or dimensions to allow for a reasonable use of the property based on the designated future land use category. In this instance, the remaining upland buffers shall be enhanced with native species to minimize development impacts and enhance the functioning value of the wetlands buffer area.
6. *Passive recreation.* The City may approve, as appropriate, minimal use in clearing for nature trails and other passive recreational uses compatible with the purpose of the buffer zone.

d. Whether the proposal is consistent with goals, policies, and objectives of the state comprehensive plan set forth in Chapter 187, Florida Statutes, and the East Central Florida Comprehensive Regional Policy Plan, Florida Administrative Code;

Applicant Response: *The proposal is consistent with the goals of the state comprehensive plan because the proposed development is not contrary to the public interest and is consistent with private property rights. This is a redevelopment project which will efficiently and effectively create a mixed-use project of commercial development and a transitional use from the commercial uses to nearby residential uses.*

Staff Response: State Comprehensive Plan, Chapter 187.201(15) LAND USE.--

(a) *Goal.*--In recognition of the importance of preserving the natural resources and enhancing the quality of life of the state, development shall be directed to those areas which have in place, or have agreements to provide, the land and water resources, fiscal abilities, and service capacity to accommodate growth in an environmentally acceptable manner.

The subject property has availability to water and sewer and would have a minimal impact to

the transportation corridors in the area. There would be no need for the City to extend any additional services to the site.

East Central Florida Regional Planning Commission Strategic Regional Policy Plan (now called East Central Florida 2060 Plan):

> Chapter 5 - Transportation, Policy 5.25: Non-urban arterial roads should be protected by access management policies that limit curb cuts to preserve their capacity.

As previously noted, the subject property has an existing entrance from W. King Street. Future development may or may not include additional entrances.

> Chapter 4 - Economic Development, Policy 4.3: Support emerging economic centers that are located in the most appropriate areas, such as along transit corridors or in existing or planned employment centers.

The subject property is located on W. King Street, which as noted above, is classified as an arterial roadway. The subject property is also within 1.75 miles of access to Interstate 95.

e. Whether the proposal will favorably or unfavorably affect the city's ability to provide adequate public facilities, and whether the proposal will reduce the level of service for affected public facilities below the level of service set in the comprehensive plan;

Applicant Response: *The proposal will not diminish the service level of public facilities and there is adequate capacity for all public facilities.*

Staff Response: A preliminary concurrency review has not been completed. However, the requested future land use, and subsequent rezoning, would provide tax revenue to the City to support the services and facilities that may be required of the use. A final concurrency evaluation will be required prior to the issuance of a development permit. As discussed previously in Section B, it is not anticipated that there will be any reduction in the level of service or in the ability of the City to provide adequate public facilities as a result of the amendment.

f. Whether the proposal is incompatible with surrounding neighborhoods and land uses;

Applicant Response: *The proposal is compatible with surrounding residential uses and commercial uses. It removes an excavation operation and replaces that use with a less intense use of a quiet ACLF.*

Staff Response: This portion of W. King Street is primarily of a commercial nature. The portion of the subject property under consideration for the future land use change, and subsequent rezoning, is nearly 1,000 feet to the south of W. King Street. Uses to the west boundary of the subject amendment area are large-lot residential in nature. There is one large lot residential property located at the southwest corner of the amendment area. The existing home on the property is approximately 430 feet from the subject property. The remaining lands on the subject amendment site are largely undeveloped and appear to be undevelopable due to the presence of wetlands. See Map M-XII-1.

Any proposed use on the property would be subject to the City's land development regulations as provided by the site plan approval process and special exception approval as required. As noted above the applicant during the first public hearing agreed to enter into a Development Agreement, based on public concerns the use could be changed to multi-family and or other more intense uses, to limit the development as an ACLF and to ensure compatibility with neighboring properties. The agreement also provides for the buffer wall along the west and southern boundaries of the property.

The RU-2-15 Residential zoning category is the most intensive zoning category allowed in the Medium Density Residential Future Land Use designation. Impacts to the surrounding neighborhood would be minimal, if any, due to the physical constraints, lack of functional connection and relationship to surrounding property owners, and the allowable zoning and uses within the Medium Density Residential Future Land Use category.

g. Whether the proposal will have a favorable or adverse effect on the ability of people to find adequate housing reasonably accessible to their places of employment; and

Applicant Response: *The proposal will have no impact on adequate housing.*

Staff Response: The proposed Future Land Use amendment to Medium Density Residential would allow for additional housing opportunities in the City. The Medium Density Residential Future Land Use designation allow multi-family developments as well as assisted living facility type developments, by special exception, that are not currently permitted under the Low Density Residential Future Land Use designation and allowable zoning districts.

According to the City's Comprehensive Plan Data & Analysis, October 2010, the City contains only 172.5 acres of Medium Density Residential, or 2.0% of the total current Future Land Use designations. Low Density Residential accounts for over 15% of all Future Land Use designations in the City. In order to accommodate future projected population growth the City must reduce the deficit in the housing stock by providing for additional opportunities. However, considering the intended use as an ACLF, if approved by special exception, the use will have neither a favorable or adverse effect on the ability of people to find adequate housing reasonably accessible to their place of employment.

h. If the amendment being requested is consistent with all the elements of the comprehensive plan.

Applicant Response: *The amendment is consistent with the elements of the City's Comprehensive Plan, Policy 1.1.2.4 for MDR is met as the Property has access to a major collector street or one higher. The development will not impact the five residents to the west, not have a negative impact on the character of the area, or impact the environment. Policy 1.1.4 encourages redevelopment, a goal of this project, and the Property is in the Diamond Square Redevelopment Area.*

Staff Response: The proposed Future Land Use amendment shall comply with the following goals, objectives and policies of the City's Comprehensive Plan:

Future Land Use Element

Goal 1.1: Create and maintain a broad range of land use activities that maximize the City's potential as a growth center while protecting the public health, safety, welfare, and appearance through the thoughtful planned use and development of the land and public facilities.

Objective 1.1.1: Future Land Use Categories Established. The City hereby establishes land use categories and a Future Land Use Map (FLUM) that provide for compatible and coordinated land uses, allowing for the protection of natural resources and historic resources as well as maximizing economic development opportunities.

Policy 1.1.2.4: Medium Density Residential (MDR). Medium density residential areas shall be regarded as areas of moderate density detached and attached housing. The following criteria shall be used for determining appropriate locations for medium density residential areas.

A. Medium density residential areas shall have access to a minor collector street, and preferably, to a major collector street or one of higher functional classification.

The proposed amendment area has direct access to SR 520, which has a functional classification of "Arterial" as shown on Map M-II-2 Functional Roadway Classification Map of the Transportation Element.

B. These areas should have convenient access to community services.

SR 520 is a major east-west transportation corridor in the City. The road provides direct access to major shopping destinations such as Wal-Mart and Cocoa Village as well as several service related facilities in the community.

C. New Developments approved in accordance with the comprehensive plan shall provide amenities to include open space and buffering as required in the City's Land Development Regulations.

Any new development shall comply with all Comprehensive Plan objectives and policies related to environmental and open space protection and buffering requirements as well as all Land Development Regulations.

Conservation Element

The subject portion of the property is located within the AE Zone (100-year floodplain). Therefore, the following Objectives and Policies apply:

Objective 12.1.9: Floodplain Management. The City shall protect the flood storage and conveyance functions of the 100-year floodplain.

Policy 12.1.9.1: In order to reduce the adverse consequences of floodplain

development and simultaneously encourage the conservation of natural habitats, the City's Flood Damage Prevention ordinance shall be updated to as needed to maintain compliance with the National Flood Insurance Program and to discourage construction in the floodplain, unless the proposed construction is expressly authorized by this Comprehensive Plan. Developmental plans shall preserve the natural functions of floodplains when practical. The provisions of compensatory storage for fill placed within the floodplain shall be allowed only when the applicant demonstrates the absence of adverse consequences of compensatory storage and demonstrates compliance with other applicable provisions of this Comprehensive Plan.

Policy 12.1.9.2: Developers shall be encouraged to incorporate those portions of sites that are within the 100-year floodplain as open space preservation.

Policy 12.1.9.3: The City shall promote wetlands preservation and non-structural floodplain management by encouraging the use of isolated wetlands as detention areas, where such use is consistent with good engineering practice and does not significantly degrade the ecological value of wetlands. Pre-treatment of stormwater run off by diversion of the "first flush" shall be required prior to discharge to wetland detention areas.

As previously noted in Section c. of this report, development on the subject property shall be in accordance with the goals, objectives and policies contained in the Conservation Element of the Comprehensive Plan; specifically related to Policy 12.1.6.15 regarding wetland protection as well as Future Land Use Element Policy 1.1.2.13. In addition, all future development activities on the subject property must comply with Chapter 6, Division 3, Flood Damage Prevention, of the Cocoa City Code. This may require a separate floodplain development permit approval in addition to a building permit, as determined by the floodplain administrator. Sec. 6-323.

Because the subject property is severely environmentally constrained and the wetland areas are recommended for a Conservation designation, it appears that much of the subject property east of the pond will be undevelopable. Accordingly, the proposed comprehensive plan change to Medium Density Residential is not inconsistent with Policies 12.1.9.1 and 12.1.9.2, which encourage the 100-year floodplain to remain as open space. Much of the subject property east of the pond will remain available only for open space and conservation-related uses. Any adverse consequences of compensatory storage for development along the western side of the pond will be addressed at the site planning and development stage.

Housing Element

Objective 3.1.1. Housing Supply. Assist the private sector to create additional units and preserve existing units to satisfy the projected demand of dwelling units of various types, sizes and costs by 2020 which will be needed to house the City's anticipated population through the planning horizon.

Policy 3.1.1.1: The City's Future Land Use Map shall provide adequate lands to accommodate the projected housing growth.

Policy 3.1.1.2: The City shall continue to provide land use designations and zoning districts on the Future Land Use and Official Zoning Maps to ensure a variety of housing types including single family, duplex, and multifamily are allowed within the City.

Goal 3.6: The City shall encourage the provision of housing opportunities for people with special needs such as the homeless, the elderly, and the physically and/or mentally disabled.

STRATEGIC PLAN CONNECTION:

PREVIOUS ACTION:

City Council approved the First Reading of Ordinance 08-2017 at its April 24, 2017 meeting.
The Planning & Zoning Board unanimously recommended approval at its April 12, 2017 meeting.

RECOMMENDED MOTION:

Approve Second Reading of Ordinance 08-2017, amending the Future Land Use Map designation of the subject property from Low Density Residential to Medium Density Residential and Conservation and a Development Agreement related to the subject property.

ORDINANCE NO. 08-2017

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA, RELATING TO COMPREHENSIVE PLANNING; PROVIDING FOR ADOPTION OF AN AMENDMENT TO THE FUTURE LAND USE MAP FOR ONE (1) PARCEL OF REAL PROPERTY WITHIN THE CITY OF COCOA CONSISTING OF APPROXIMATELY 102.2 TOTAL ACRES, MORE OR LESS, GENERALLY LOCATED ON THE SOUTH SIDE OF W. KING STREET, APPROXIMATELY 0.25 MILES EAST OF S. RANGE ROAD, IN COCOA, SAID PORTION OF THE PARCEL BEING MORE PARTICULARLY DEPICTED AND LEGALLY DESCRIBED ON EXHIBIT "A" ATTACHED HERETO; CHANGING THE FUTURE LAND USE MAP DESIGNATION ON THE PORTION OF THE PARCEL FROM "LOW DENSITY RESIDENTIAL" TO "MEDIUM DENSITY RESIDENTIAL" AND FURTHER DESIGNATE THOSE PORTIONS OF THE SUBJECT PROPERTY IDENTIFIED AS WETLANDS TO THE "CONSERVATION" FUTURE LAND USE DESIGNATION; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT ORDINANCES AND RESOLUTIONS; INCORPORATION INTO THE COMPREHENSIVE PLAN; SEVERABILITY, AND AN EFFECTIVE DATE AND LEGAL STATUS OF THE PLAN AMENDMENT.

WHEREAS, section 163.3161 et. seq., Florida Statutes, established the Community Planning Act, which was formerly known as the Local Government Comprehensive Planning and Land Development Regulation Act; and

WHEREAS, the Community Planning Act requires each municipality in the State of Florida to prepare, adopt, and update a Comprehensive Plan; and

WHEREAS, in accordance with the provisions of the Community Planning Act, the Local Planning Agency of the City of Cocoa held a duly noticed public hearing on April 12, 2017, in accordance with the procedures established in Chapter 163, Part II, Florida Statutes, on the proposed comprehensive plan amendment; and

WHEREAS, the Local Planning Agency recommended the City Council adopt the comprehensive plan amendment set forth in this Ordinance; and

WHEREAS, the City Council of the City of Cocoa held two duly noticed public hearings on the proposed amendment set forth hereunder and considered findings and advice of staff, citizens, and all interested parties submitting written and oral comments and supporting data and analysis, and after complete deliberation, hereby approves and adopts the Comprehensive Plan Amendment set forth hereunder; and

WHEREAS, the City Council of the City of Cocoa hereby finds that this Ordinance is in the best interests of the public health, safety, and welfare of the citizens of Cocoa.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COCOA HEREBY ORDAINS, AS FOLLOWS:

Section 1. Recitals. The foregoing recitals are true and correct and are fully incorporated herein by this reference.

Section 2. Authority. This Ordinance is adopted in compliance with, and pursuant to, the Community Planning Act, sections 163.3161 et. seq., Florida Statutes.

Section 3. Purpose and Intent. It is hereby declared to be the purpose and intent of this Ordinance to adopt a comprehensive plan amendment incorporating the revisions stated herein as part of the City of Cocoa Comprehensive Plan.

Section 4. Adoption of Amendment to the Future Land Use Map. The City of Cocoa's Comprehensive Plan, Future Land Use Map, is hereby amended by changing the designation of a portion of the real property legally described and depicted on **Exhibit "A"** from "Low Density Residential" to "Medium Density Residential" and further designating those portions of the subject property identified as wetlands as "Conservation." Exhibit "A" is attached hereto and fully incorporated herein by this reference.

Section 5. Repeal of Prior Inconsistent Ordinances and Resolutions. All prior inconsistent ordinances and resolutions adopted by the City Council, or parts of prior ordinances and resolutions in conflict herewith, are hereby repealed to the extent of the conflict.

Section 6. Severability. If any section, subsection, sentence, clause, phrase, word or provision of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, whether for substantive, procedural, or any other reason, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions of this Ordinance.

Section 7. Incorporation into Comprehensive Plan. Upon the effective date of the Comprehensive Plan Amendment adopted by this Ordinance, said Amendment shall be incorporated into the City of Cocoa Comprehensive Plan and any section or paragraph number or letter and any heading may be changed or modified as necessary to effectuate the foregoing.

Section 8. **Effective Date.** The effective date of the Comprehensive Plan Amendment adopted by this Ordinance shall be thirty-one (31) days after the state land planning agency notifies the City that the plan amendment package is complete pursuant to section 163.3184(3)(c)(4.), Florida Statutes. If the plan amendment is timely challenged, the plan amendment shall not become effective until the state land planning agency or the Administration Commission enters a final order determining the adopted amendment to be in compliance. No development orders, development permits, or land use dependent on this plan amendment may be issued or commenced before it has become effective. After and from the effective date of this plan amendment, the Comprehensive Plan Amendment set forth herein shall amend the City of Cocoa Comprehensive Plan and become a part of that plan and the plan amendment shall have the legal status of the City of Cocoa Comprehensive Plan, as amended.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on the _____ day of _____, 2017.

BINDING DEVELOPMENT AGREEMENT

THIS AGREEMENT, entered into this _____ day of July, 2017, between the CITY OF COCOA, FLORIDA, a political subdivision of the State of Florida (hereinafter referred to as "City") and **2075 W. King Street Land Trust** (hereinafter referred to as "Developer/Owner").

RECITALS

WHEREAS, Developer/Owner owns property (hereinafter referred to as the "Property") in Brevard County, Florida, as more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference; and

WHEREAS, Developer/Owner has requested, and the City Council of Cocoa approved on July 11, 2017, Developer/Owner's application to amend the Comprehensive Plan Future Land Use Map designation on the Property from Low Density Residential to Medium Density Residential and Conservation and the zoning map classification from RR-1 to **RU-2-15** for purposes of developing an **Adult Congregate Living Facility** on the Property (collectively referred to as "Zoning Approvals"); and

WHEREAS, as part of its plan for development of the Property, Developer/Owner wishes to mitigate negative impact on abutting land owners and affected facilities or services; and

WHEREAS, the City is authorized to regulate development of the Property, and this Agreement is entered into pursuant to the Florida Municipal Home Rule Powers Act; and

WHEREAS, this Agreement was approved by the City Council as a condition of the Zoning Approvals and shall constitute a binding development permit and govern the future development of the Property along with other applicable provisions of the City of Cocoa Code ("City Code").

NOW, THEREFORE, the parties agree as follows:

1. The foregoing recitals are hereby incorporated herein as a material part of this Agreement. The City shall not be required or obligated in any way to construct or maintain or participate in any way in the construction or maintenance of the improvements. It is the intent of the parties that the Developer/Owner, its grantees, successor or assigns in interest or some other association and/or assigns satisfactory to the City shall be responsible for the maintenance of any improvements.

2. Developer/Owner shall provide a six foot (6') buffer wall on the western and southern boundary of the Property. Said wall shall be permitted and constructed in accordance with the City Code. Upon construction, the wall shall be maintained and kept in good order. The buffer wall shall be in addition to landscape requirements otherwise contained in the City Code.

3. The City and Developer/Owner agree that the Property shall be developed as an Adult Congregate Living Facility (ACLF) in accordance with all applicable requirements of the City Code unless this Agreement is amended in accordance with Paragraph 12 below.

4. The Developer/Owner shall limit ingress and egress to SR 520.

5. Developer/Owner shall comply with all regulations and ordinances of Cocoa, Florida including, but not limited to, the City Code. This Agreement constitutes Developer/Owner's agreement to meet additional standards or restrictions in developing the Property. This Agreement provides no vested rights against changes to the Comprehensive Plan or land development regulations as they may apply to the Property.

6. This Agreement shall be binding and shall inure to the benefit of the successors or assigns of the parties and shall run with the subject Property unless or until rezoned and be binding upon any person, firm or corporation who may become the successor in interest directly or indirectly to the subject Property, and be subject to the above referenced conditions as approved by the City Council on July 11, 2017.

7. Violation of this Agreement will also constitute a violation of the Zoning Classification and this Agreement may be enforced by the Ordinances of Cocoa, Florida, as may be amended.

8. Conditions precedent. All mandatory conditions set forth in this Agreement mitigate

the potential for incompatibility and must be satisfied before Developer/Owner may implement the approved use(s), unless stated otherwise. The failure to timely comply with any mandatory condition is a violation of this Agreement, constitutes a violation of the Zoning Classification and is subject to enforcement action as described in Paragraph 8 above.

9. The Developer/Owner hereby agrees and makes the following representations and warranties to the City:

(a) Developer/Owner is lawfully seized of the Property in fee simple and has full and lawful authority to execute this Development Agreement and bind the Property as set forth herein.

(b) The Property is free of all other encumbrances, including mortgages and liens.

This Agreement shall be recorded by the City. This Agreement will, when duly executed and delivered by the City and Developer/Owner and recorded in the Public Records of Brevard County, Florida, constitute a legal, valid and binding obligation enforceable against the parties hereto and the Property in accordance with the terms and conditions of this Agreement.

10. The City and Developer/Owner hereby each represent and warrant to the other that it has the power and authority to execute, deliver and perform the terms and provisions of this Agreement and has taken all necessary action to authorize the execution, delivery and performance of this Agreement. Developer/Owner represents that it has voluntarily and willfully executed this Agreement for purposes of binding the Property to the terms and conditions set forth in this Agreement.

11. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The parties agree that venue shall be exclusively in Brevard County, Florida, for all state disputes or actions which arise out of or are based upon this Agreement, and in Orlando, Florida, for all federal disputes or actions which arise out of or are based upon this Agreement.

12. This Agreement shall not be modified or amended except by written agreement duly executed by both parties hereto (or their successors or assigns) and approved by the City Council.

13. This Agreement and all attached exhibits hereto supersedes any other agreement, oral or written, regarding the Property and contains the entire agreement between the City and

Developer/Owner as to the subject matter hereof. The Exhibits attached hereto and referenced herein are hereby fully incorporated herein by this reference.

14. If any provision of this Agreement shall beheld to be invalid or unenforceable to any extent by a court of competent jurisdiction, the same shall not affect in any respect the validity or enforceability of the remainder of this Agreement.

15. This Agreement shall become effective upon approval by the City Council and execution of this Agreement by both parties hereto. This Agreement is not binding upon the City unless approved by the City Council and executed by the Mayor.

16. The relationship of the parties to this Agreement is contractual and Developer/Owner is an independent contractor and not an agent of the City. Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the parties, and neither party is authorized to, nor shall either party act toward third persons or the public in any manner, which would indicate any such relationship with the other.

17. Notwithstanding any other provision set forth in this Agreement, nothing contained in this Agreement shall be construed as a waiver of the City's right to sovereign immunity under Section 768.28, or other limitations imposed on the City's potential liability under state or federal law. As such, the City shall not be liable, under this Agreement for punitive damages or interest for the period before judgment. Further, the City shall not be liable for any claim or judgment, or portion thereof, to any one person for more than two hundred thousand dollars ($200,000.00), or any claim or judgment, or portion thereof, which, when totaled with all other claims or judgments paid by the State or its agencies and subdivisions arising out of the same incident or occurrence, exceeds the sum of three hundred thousand dollars ($300,000.00).

18. Developer/Owner agrees and acknowledges that the City hereby reserves all police powers granted to the City by law. In no way shall this Agreement be construed as the City bargaining away or surrendering its police powers.

19. The parties hereby agree and acknowledge that they have both participated equally in the drafting of this Agreement and no party shall be favored or disfavored regarding the interpretation to this Agreement in the event of a dispute between the parties.

20. This Agreement is not a third-party beneficiary contract and shall not in any way whatsoever create any rights on behalf of any third party.

21. Strict compliance shall be required with each and every provision of this Agreement. The parties agree that failure to perform the obligations provided by this Agreement shall result in irreparable damage and that specific performance of these obligations may be obtained by a suit in equity.

22. In connection with any arbitration or litigation arising out of this Agreement, each party shall bear their own attorney's fees and costs.

23. Nothing herein shall limit the City's authority to grant or deny any development permit applications or requests subsequent to the effective date of this Agreement. The failure of this Agreement to address any particular City, County, State and/or Federal permit, condition, term or restriction shall not relieve Developer/Owner or the City of the necessity of complying with the law governing said permitting requirement, condition, term or restriction. Without imposing any limitation on the City's police powers, the City reserves the right to withhold, suspend, or terminate any and all certificates of occupancy for any building or unit if Developer/Owner is in breach of any term and condition of this Agreement.

24. Should either party desire to declare the other party in default of any term and condition of this Agreement, the non-defaulting party shall provide the defaulting party a written notice of default. The written notice shall, at a minimum, state with particularity the nature of the default, the manner in which the default can be cured, and a reasonable time period of not less than thirty (30) days in which the default must be cured. No action may be taken in a court of law on the basis that a breach of this Agreement has occurred until such time as the requirements of this paragraph have been satisfied.

25. Unless termination of this Agreement is expressly authorized elsewhere in this Agreement, this Agreement may be terminated by mutual written agreement of the parties.

IN WITNESS THEREOF, the parties hereto have caused these presents to be signed all as of the date and year first written above.

RE: Proposed King Street ACLF - Comprehensive Plan Amendment, Rezoning, and Special Exception
Land Use Amendment and Rezoning PZ-17-00500002
School Impact Analysis – Capacity Determination CD-2017-05

Dear Mr. Biel,

We received a completed *School Facility Planning & Concurrency Application* for the above referenced development on June 8, 2017. The subject property consists of one parcel, tax account number 2243993 and Parcel ID 24-36-31-00-265, containing approximately 102.2 acres in Cocoa, Florida. The proposed Land use change would result in an increase in the number of residential units permitted by 6 dwelling units. The School Concurrency Determination of this proposed development has been undertaken based on the proposed development of 100 multi-family residential units. The following information is provided for your use.

The calculations used to analyze the prospective student impact are consistent with the methodology outlined in Section 13.2 of the *Interlocal Agreement for Public School Facility Planning & School Concurrency (ILA-2014)*. The following capacity analysis is performed using capacities/projected students as shown in years 2017-18 to 2021-22 of the *Brevard County Public Schools Financially Feasible Plan for School Years 2016-2017 to 2021-22* which is attached for reference.

At this time, the concurrency service area for the elementary school level is projected to have insufficient capacity to accommodate the potential residential development resulting from the King Street ACLF. Because there is a shortfall of available capacity in the concurrency service area of the King Street ACLF, the capacity of adjacent concurrency service areas must be considered, per Interlocal Agreement Section 13.2(e). The adjacent Elementary School Concurrency Service Areas are those of Cambridge Elementary, Tropical Elementary, Golfview Elementary and Saturn Elementary. A table of capacities of the *Adjacent School Concurrency Service Areas* that could accommodate the impact of the Avery Springs Subdivision is shown:

CITY OF COCOA
NOTICE OF COMPREHENSIVE PLAN CHANGE

Notice is hereby given that the City Council of the City of Cocoa, Florida will hold a public hearing at the Cocoa City Hall Council Chambers, 65 Stone Street, Cocoa, Florida, at 6:00 p.m. on Tuesday, July 11, 2017 in order to consider the following:

PZ-17-00500002 – FUTURE LAND USE MAP AMENDMENT
ORDINANCE NO. 08-2017

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA, RELATING TO COMPREHENSIVE PLANNING; PROVIDING FOR ADOPTION OF AN AMENDMENT TO THE FUTURE LAND USE MAP FOR ONE (1) PARCEL OF REAL PROPERTY WITHIN THE CITY OF COCOA CONSISTING OF APPROXIMATELY 102.2 TOTAL ACRES, MORE OR LESS, GENERALLY LOCATED ON THE SOUTH SIDE OF W. KING STREET, APPROXIMATELY 0.25 MILE EAST OF S. RANGE ROAD, IN COCOA, SAID PARCEL BEING MORE PARTICULARLY DEPICTED AND LEGALLY DESCRIBED ON EXHIBIT "A" ATTACHED HERETO; CHANGING THE FUTURE LAND USE MAP DESIGNATION ON THE PARCEL FROM "LOW DENSITY RESIDENTIAL" TO "MEDIUM DENSITY RESIDENTIAL" AND FURTHER DESIGNATE THOSE PORTIONS OF THE SUBJECT PROPERTY IDENTIFIED AS WETLANDS TO THE "CONSERVATION" FUTURE LAND USE DESIGNATION; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT ORDINANCES AND RESOLUTIONS; INCORPORATION INTO THE COMPREHENSIVE PLAN; SEVERABILITY, AND AN EFFECTIVE DATE AND LEGAL STATUS OF THE PLAN AMENDMENT.

All persons and parties are hereby advised that if they should decide to appeal any decision made by the City Council with respect to any matter considered at this hearing, they will need a record of the proceedings and that for such purpose, affected persons may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

The facility where this public hearing will be held is accessible to the physically handicapped. Interested parties are hereby advised that they may appear at said meeting and be heard with respect to the application. Written comment from the public with regard to the application will also be accepted.

Information pertaining to the above may be inspected at the Planning & Zoning Division beginning the Friday before the meeting, between 8:00 a.m. and 5:00 p.m., Monday through Friday, or by phoning (321) 433-8535.

Rick Scott
GOVERNOR

FLORIDA DEPARTMENT of ECONOMIC OPPORTUNITY

Cissy Proctor
EXECUTIVE DIRECTOR

May 30, 2017

The Honorable Henry U. Parrish III
Mayor, City of Cocoa
65 Stone Street
Cocoa, Florida 32922

Dear Mayor Parrish:

The Department of Economic Opportunity has completed its review of the proposed comprehensive plan amendment for the City of Cocoa, Amendment No. 17-1ESR, which was received on May 1, 2017. We have reviewed the proposed amendment pursuant to Sections 163.3184(2) and (3), Florida Statutes (F.S.), and identified no comments related to important state resources and facilities within the Department's authorized scope of review that will be adversely impacted by the amendment if adopted.

Pursuant to Section 163.3184(3)(b), F.S., other reviewing agencies have the authority to provide comments directly to the City. If other reviewing agencies provide comments, we recommend the City consider appropriate changes to the amendment based on those comments. If unresolved, such reviewing agency comments could form the basis for a challenge to the amendment after adoption.

The City should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. Also, please note that Section 163.3184(3)(c)1, F.S., provides that if the second public hearing is not held within 180 days of your receipt of agency comments, the amendment shall be deemed withdrawn unless extended by agreement with notice to the Department and any affected party that provided comment on the amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment.

An equal opportunity employer/program. Auxiliary aids and service are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TTD equipment via the Florida Relay Service at 711.

If you have any questions concerning this review, please contact Dan Pennington, at (850) 717-8524, or by email at dan.pennington@deo.myflorida.com.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning and Growth

FOR EXPEDITED STATE REVIEW

Section 163.3184(3), Florida Statutes

NUMBER OF COPIES TO BE SUBMITTED: Please submit three complete copies of all comprehensive plan materials, of which one complete paper copy and two complete electronic copies on CD ROM in Portable Document Format (PDF) to the Department of Economic Opportunity and one copy to each entity below that provided timely comments to the local government: the appropriate Regional Planning Council; Water Management District; Department of Transportation; Department of Environmental Protection; Department of State; the appropriate county (municipal amendments only); the Florida Fish and Wildlife Conservation Commission and the Department of Agriculture and Consumer Services (county plan amendments only); and the Department of Education (amendments relating to public schools); and for certain local governments, the appropriate military installation and any other local government or governmental agency that has filed a written request.

SUBMITTAL LETTER: Please include the following information in the cover letter transmitting the adopted amendment:

_____ Department of Economic Opportunity identification number for adopted amendment package;

_____ Summary description of the adoption package, including any amendments proposed but not adopted;

_____ Identify if concurrency has been rescinded and indicate for which public facilities. (Transportation, schools, recreation and open space).

_____ Ordinance number and adoption date;

_____ Certification that the adopted amendment(s) has been submitted to all parties that provided timely comments to the local government;

_____ Name, title, address, telephone, FAX number and e-mail address of local government contact;

_____ Letter signed by the chief elected official or the person designated by the local government.

ADOPTION AMENDMENT PACKAGE: Please include the following information in the amendment package:

_____ In the case of text amendments, changes should be shown in strike-through/underline format.

_____ In the case of future land use map amendments, an adopted future land use map, **in color format,** clearly depicting the parcel, its future land use designation, and its adopted designation.

_____ A copy of any data and analyses the local government deems appropriate.

Note: If the local government is relying on previously submitted data and analysis, no additional data and analysis is required;

_____ Copy of the executed ordinance adopting the comprehensive plan amendment(s);

Suggested effective date language for the adoption ordinance for expedited review:

> The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the Department of Economic Opportunity notifies the local government that the plan amendment package is complete. If timely challenged, this amendment shall become effective on the date the Department of Economic Opportunity or the Administration Commission enters a final order determining this adopted amendment to be in compliance. No development orders, development permits, or land uses dependent on this amendment may be issued or commence before it has become effective. If a final order of noncompliance is issued by the Administration Commission, this amendment may nevertheless be made effective by adoption of a resolution affirming its effective status, a copy of which resolution shall be sent to the Department of Economic Opportunity.

_____ List of additional changes made in the adopted amendment that the Department of Economic Opportunity did not previously review;

_____ List of findings of the local governing body, if any, that were not included in the ordinance and which provided the basis of the adoption or determination not to adopt the proposed amendment;

_____ Statement indicating the relationship of the additional changes not previously reviewed by the Department of Economic Opportunity in response to the comment letter from the Department of Economic Opportunity.

CITY COUNCIL AGENDA ITEM

Memo Date: June 26, 2017
Agenda Date: July 11, 2017
Prepared By: Steven Biel, Senior Planner
Through: Nancy A. Bunt, Acting Community Services Director
Requested Action:
Approve the second reading of Ordinance 09-2017, amending the zoning designation of the subject property from RR-1 (Rural Residential) to RU-2-15 (Multiple Family Residential).

BACKGROUND:

Applicant: Kimberly B. Rezanka
96 Willard St., Suite 302
Cocoa, FL 32922

Owner: 2075 W. King Street Land Trust
2720 Park Street, Unit 205
Jacksonville, FL 32205

Location: South side of W. King Street, approximately 0.25 miles east of S. Range Road. The Property Appraiser identifies the parcel as Tax Account Number 2423993.

Request: **ZONING MAP AMENDMENT** consistent with Appendix A, Zoning, Article XXII, to change the Zoning Map designation of a portion of one parcel (102.2 acres of the total 130.66-acre parcel) from RR-1 (Rural Residential) to RU-2-15 (Multiple Family

Dwelling).

The applicant, Kimberly B. Rezanka, on behalf of the property owner, 2075 W. King Street Land Trust, is requesting to amend the Zoning Map designation of approximately 102.2 acres of the overall 130.66-acre subject parcel from RR-1 (Rural Residential) to RU-2-15 (Multiple Family Residential) as depicted on Exhibit A. The reason for the requested change is the property owner intends to construct an adult congregate living facility (ACLF) on the subject property. The RU-2-15 zoning designation allows ACLF uses by Special Exception approval. The current zoning designation of RR-1 Residential does not allow for an ACLF use.

The applicant has also submitted an application to amend the Comprehensive Plan to change the future land use designation from “Low Density Residential” to “Medium Density Residential” and “Conservation.” Action on the rezoning will be subsequent to action taken on the amendment to the Comprehensive Plan. Again, the requested rezoning only applies to the 102.2-acre portion of the subject parcel depicted on Exhibit A.

The provisions of the RU-2-15 Residential district are intended to apply to an area of medium density residential development with a variety of housing types. Lots and other restrictions are intended to promote and protect medium density residential development, maintaining an adequate amount of open space for such development.

As noted in the comprehensive plan amendment staff report, the subject parcel has two future land use and zoning designations. The northern portion of the parcel (28.46 acres), along W. King Street, is approximately 1,300 feet wide by 950 feet deep, totaling approximately 28.46 acres. This portion of the parcel has a “Commercial” future land use designation and is zoned C-W (Wholesale Commercial).

It should be noted the applicant during the first public hearing for the comprehensive plan amendment agreed to enter into a Development Agreement, based on public concerns the use could be changed to multi-family and or other more intense uses, to limit the development as an ACLF and to ensure compatibility with neighboring properties. The agreement also provides for the buffer wall along the west and southern boundaries of the property.

The southern portion of the property measures approximately 3,300 feet wide by 1,340 feet deep. This portion of the parcel currently has a future land use designation of “Low Density Residential” with a RR-1 (Rural Residential) zoning designation.

The following table summarizes the current FLUM and Zoning designations for the adjacent parcels:

Future Land Use:	Current: Low Density Residential Proposed: Medium Den		
Zoning District(s):	Current: RR-1 (Rural Residential) Proposed: RU-2-15 (M		
Existing Land Use:	Vacant		
Council District:	District 1 - Councilmember Whipple, Jr.		
Overview of Surrounding Area:			
	Future Land Use Designations	**Zoning Districts**	**Land Uses**
North	Commercial	C-W	Vacant, Space Coa Honda, & County School Bus Facility

South	Very Low Density Residential (City	RU-1-7 (City); AU (County)	Single-family Residential & Vaca
East	Low Density Residential (City); RE	RU-1-7 (City); AU (County)	Vacant
West	NC - Neighborhood Commercial (C	RR-1 & GU (Count	Single-family Residential & Vaca

II. Rezoning Analysis

Consistency with Code of the City of Cocoa

In accordance with Appendix A of the City of Cocoa, Article XXII, Section 1(G), the following criteria are to be considered in the review of an application for a rezoning:

a. The proposed change is contrary to the established land use pattern.

Applicant Response: *The proposed change is not contrary to established land patterns. Applicant seeks a change of the zoning from RR-1 to RU-2-15. The change is necessary to allow the redevelopment of the existing excavation/borrow pit that exists on the western portion of the land. Additionally, despite the Property being over 100 acres, very little uplands exist for development. This zoning change is appropriate because it will serve as a transitional use between the commercial properties to the north and the residential uses to the west (and potentially to the south and east).*

The property for which the amendment is sought is adjacent to commercial land to the north. Despite low density residential zoning to the east, south, and west, there are only five (5) developed lots to the west, a couple of which also have agricultural uses. The properties to the east and west and undeveloped, include a former borrow pit, and appear to be used for grazing or other agricultural uses. To the north is (1) the School Board Transportation Dept., with school bus storage, (2) the remainder of applicant's land to be developed with mini-warehouses and vehicle sales, and (3) vehicle sales (Cocoa Honda and Cocoa Hyundai).

This amendment is compatible because it provides for low impact uses and because this is an underdeveloped area with no "residential neighborhoods".

Staff Response: The proposed rezoning for the 102.2-acre portion of the subject parcel is approximately 1,000 feet from the south side of W. King Street. The land use pattern along the southern and northern side of W. King Street, in the general vicinity of the subject parcel, consists of commercial, retail, and light industrial-type uses. The north side of W. King Street is located in Brevard County. Directly north of the subject parcel, on the north side of W. King Street, there are five vacant parcels. The parcels to the south and west consist of single-family residences and vacant parcels.

Staff believes that the 102.2-acre portion of the subject property is setback at least 1,000 feet from W. King Street and would not be impacted by the established uses along W. King Street. Required landscaping/buffering requirements for the ACLF would be reviewed during the Special Exception review by the Board of Adjustment and site plan review by the Planning & Zoning Board. It should also be noted that the development agreement requires a buffer wall, and this would be in addition to the landscape requirements set forth in the Code.

b. The proposed change would create an isolated district unrelated to adjacent and nearby districts.

Applicant Response: *This rezoning will not create an isolated zone, but will create a transitional zone for intense commercial use to low intensity commercial to residential.*

Staff Response: The proposed ACLF could be considered a low impact use and could be viewed as a transition between the commercial, retail, and light industrial uses along W. King Street and the residential zoning to the south. ACLFs are permitted by Special Exception approval by the Board of Adjustment in the RU-2-15 zoning district. Staff believes the RU-2-15 zoning designation would be the most appropriate zoning designation with the limited residential uses adjacent to the subject property. Moreover, there is no practical or functional relationship to the surrounding properties.

c. The proposed change would materially alter the population density pattern and thereby increase or overtax the load on public facilities such as schools, utilities, streets, access, etc.

Applicant Response: *The rezoning will not materially alter population, increase the load on public facilities, or decrease the transportation LOS (Level of Service). Please see CPA application for traffic counts and trip analysis of ACLF's (Exhibit C).*

Staff Response: Rezoning the 102.2-acre portion of the subject parcel would not materially alter the population, increase the load on public facilities, or decrease the transportation level of service, or add any burden to schools or utilities as an ACLF use is considered a low impact use and would be occupied by the elderly.

Furthermore, the majority of the 102.2-acre portion of the property is undevelopable due to wetland conditions and the large lake that was once a borrow pit. Development density and intensity on the property would be low due to these physical constraints.

d. Existing district boundaries are illogically drawn in relation to existing conditions on the property proposed for change.

Applicant Response: *The existing boundaries are not "illogically drawn", but are no longer valid based upon the lack of residential development that has occurred in the area since the zoning classification was adopted. The area has trended toward commercial use, including excavation and borrow pits.*

Staff Response: Staff believes the boundaries are logically drawn in relation to the existing uses in the area.

e. The proposed change would be contrary to the Future Land Use Map and would have an adverse effect on the Comprehensive Plan.

Applicant Response: *The rezoning would not be contrary to the land use plan or adversely impact the Comprehensive Plan. Please see Comprehensive Plan Addendum for additional information.*

Staff Response: The FLUM designation for the subject lot is proposed to be amended to "Medium Density Residential." The proposed rezoning would be consistent with the following Future Land Use Element of the Comprehensive Plan:

> **Policy 1.1.2.4: Medium Density Residential (MDR).** Medium density residential areas shall be regarded as areas of moderate density detached and attached housing. The following criteria shall be used for determining appropriate locations for medium density residential areas.
>
> A. Medium density residential areas shall have access to a minor collector street, and preferably, to a major collector street or one of higher functional classification.
>
> *The proposed amendment area has direct access to SR 520, which has a functional classification of "Arterial" as shown on Map M-II-2 Functional Roadway Classification Map of the Transportation Element.*
>
> B. These areas should have convenient access to community services.
>
> *SR 520 is a major east-west transportation corridor in the City. The road provides direct access to major shopping destinations such as Wal-Mart and Cocoa Village as well as several service related facilities in the community.*
>
> C. New developments approved in accordance with the comprehensive plan shall provide amenities to include open space and buffering as required in the City's Land Development Regulations.
>
> *Any new development shall comply with all Comprehensive Plan objectives and policies related to environmental and open space protection and buffering requirements as well as all Land Development Regulations.*

f. Changed or changing conditions make the passage of the proposed amendment necessary.

Applicant Response: *Yes, the land use patterns in the area have changed, necessitating the rezoning requested.*

Staff Response: The intent of the rezoning request is to be able to provide an ACLF use on the westerly section of the 102.2-acre portion of the subject property. Staff believes there is a need for the proposed ACLF use to serve the elderly community in the City as the overall population of the Baby Boomer generation continues to age.

g. The proposed change will adversely influence living conditions in the neighborhood.

Applicant Response: *Living conditions for the five developed residential properties to the west will not change. There is no neighborhood. All traffic will enter the property from SR 520.*

Staff Response: As there is already a mix of residential, commercial, and light industrial uses in the area, the proposed rezoning would not adversely influence living conditions in the immediate area. Through the site plan review process, landscaping/buffer requirements would minimize any potential effects in the immediate area, particularly the limited residential uses to the west and south. Additionally, as previously noted the applicant during the first public hearing agreed to enter into a Development Agreement, based on public concerns the use could be changed to multi-family and or other more intense uses, to limit the development as an ACLF and to ensure compatibility with neighboring properties.

h. The proposed change will create or excessively increase traffic congestion or otherwise affect public safety.

Applicant Response: *The rezoning will not create excessive traffic or affect public safety. This amendment will not impact transportation level of service for the applicable roadway segment to the extent that the existing levels are degraded. It is clear from the City Comprehensive Plan and the most recent traffic counts (portions of both included with the CPA application), that the level of service of SR 520 in this traffic segment continues to operate at a Level C, above the minimum LOS (Level of Service) of D. There are many SCAT stops along SR 520 for employees of SCAT, but it is doubtful that the ACLF residents will utilize SCAT.*

Staff Response: It is not anticipated that the proposed rezoning would create or excessively increase traffic congestion or otherwise affect public safety. As previously stated, the overall development potential for the site is low due to the physical constraints of the property such as existing wetlands on the eastern portion of the property and the large lake on the western portion.

i. The proposed change will create a drainage problem.

Applicant Response: *The rezoning will not create a drainage problem. The property to be redeveloped to current DEP, SJRWMD, and City stormwater codes, which will improve the property and nearby properties.*

Staff Response: No drainage problems are anticipated as a result of the rezoning. Any new construction would be required to comply with all applicable regulations and permitting requirements.

j. The proposed change will seriously reduce light and air to adjacent areas.

Applicant Response: *The rezoning will have no reduction of light or air to adjacent areas.*

Staff Response: Any proposed use associated with the rezoning, or any new construction, would be required to meet the requirements of the City Code to ensure light and air to adjacent areas are not reduced.

k. The proposed change will adversely affect property values in the adjacent areas.

Applicant Response: *The proposed change will likely enhance the property values in the adjacent areas.*

Staff Response: It is not anticipated that property values would be affected by the proposed rezoning. The proposed zoning will require adequate buffering to protect the adjacent residential properties.

l. The proposed change will be a deterrent to the improvement or development of adjacent property in accord with existing regulations.

Applicant Response: *The proposed change will not be a deterrent to the improvement or development of adjacent property per existing regulations. The proposed ACLF will be low intensity and unobtrusive, so the surrounding residentially zoned properties will not be deterred from building single family homes.*

Staff Response: It is not anticipated that the proposed rezoning would be a deterrent to the improvement or development of adjacent property. Development of the property would be severely restricted by its physical constraints and conditions. Appropriate buffering to adjacent properties would be required to ensure no negative impacts.

m. The proposed change will constitute a grant of special privilege to an individual owner as contrasted with the public welfare.

Applicant Response: *The proposed change will not grant a special privilege to the applicant. The change will allow for positive redevelopment of an old borrow pit.*

Staff Response: The proposed change will not constitute a grant of special privilege to the property owner of the subject property as contrasted with the public welfare.

n. There are substantial reasons why the property cannot be used in accord with existing zoning.

Applicant Response: *There are substantial reasons why the property cannot be developed as an ACLF. The only principal use allowed is one-acre single family homes. There exists insufficient uplands to make creation of a subdivision feasible. Additionally, the cost to develop such a subdivision would be insurmountable. An ACLF cannot be constructed under current zoning.*

Staff Response: The 102.2-acre portion of the subject property requesting the rezoning is currently zoned RR-1 and only allows for 1-acre single-family dwellings. The applicant is proposing to construct an ACLF, which is prohibited in the RR-1 zoning district. The property is not conducive to subdividing into 1-acre lots due to an existing borrow pit and wetlands on the property. Staff believes the proposed ACLF would be a better use for the property.

o. Whether the change suggested is out of scale with the needs of the neighborhood of the city.

Applicant Response: *Because of the adjacent commercial uses, and lack of residential homes in the area, the proposed change is not out of scale with the needs of the area. There is no neighborhood.*

Staff Response: The proposed rezoning is not out of scale with the needs of the area and would provide a transition between commercial, retail, and light-industrial uses along W. King Street and residential uses to the south and west of the 102.2-acre portion of the subject property.

p. It is impossible to find other adequate sites in the city for the proposed use in districts already permitting such use.

Applicant Response: *There are no other adequate sites in the City for the proposed use in districts already permitting such use. There is no Neighborhood Commercial designated land, with related C-N zoning, for miles from this property. Nor is there sufficient Commercial designated property of adequate size to allow an ACLF along SR 520. This is clear from Map M-I-6: Vacant Land by FLU Category.*

Staff Response: The property owner is proposing to develop the 102.2-acre portion of the subject property with an ACLF, in which the City is supportive of. As noted above, ACLFs are permitted by Special Exception approval in the RU-2-15 zoning district.

Consistency with Comprehensive Plan Policies and Objectives

The proposed RU-2-15 zoning designation is consistent with the allowable uses under the “Medium Density Residential”

Future Land Use per the City of Cocoa Comprehensive Plan.

Concurrency Management/Adequate Public Facilities

Section 15-22 of the City Code provides for a concurrency management system to ensure public facilities and services needed to support development are available concurrent with the impacts of such development and that development orders and development permits are not issued in a manner that will not result in a reduction in the levels of service below the adopted level of service standards adopted by the City for public facilities and services, as contained in the City's adopted Comprehensive Plan.

PREVIOUS ACTION:

On April 25, 2017 City Council approved the first reading of Ordinance 09-2017, amending the zoning designation of the subject property from RR-1 (Rural Residential) to RU-2-15 (Multiple Family Residential). The Planning & Zoning Board unanimously recommended approval at its April12, 2017 meeting.

RECOMMENDED MOTION:

Approve the second reading of Ordinance 09-2017, amending the zoning designation of the subject property from RR-1 (Rural Residential) to RU-2-15 (Multiple Family Residential).

ORDINANCE NO. 09-2017

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COCOA, BREVARD COUNTY, FLORIDA, CHANGING THE ZONING MAP DESIGNATION OF ONE (1) PARCEL OF REAL PROPERTY TOTALING 102.2 ACRES, MORE OR LESS, AND GENERALLY LOCATED ON THE SOUTH SIDE OF W. KING STREET, APPROXIMATELY 0.25 MILES EAST OF S. RANGE ROAD, IN COCOA, FLORIDA, MORE PARTICULARLY DEPICTED ON EXHIBIT "A" ATTACHED HERETO, FROM RR-1 (RURAL RESIDENTIAL) TO RU-2-15 (MULTIPLE FAMILY DWELLING); PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT ORDINANCES AND RESOLUTIONS, SEVERABILITY, AND AN EFFECTIVE DATE.

WHEREAS, the City Council is granted the authority, under Section 2(b), Article VIII, of the State Constitution, to exercise any power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the Planning and Zoning Board and City Staff of the City of Cocoa have recommended approval of this Ordinance; and

WHEREAS, the City Council of the City of Cocoa held a duly noticed public hearing on the proposed zoning change set forth hereunder and considered findings and advice of staff, citizens, and all interested parties submitting written and oral comments and supporting data and analysis, and after complete deliberation, hereby finds the requested change consistent with the City of Cocoa Comprehensive Plan and that sufficient, competent, and substantial evidence supports the zoning change set forth hereunder; and

WHEREAS, the City Council hereby finds that this Ordinance serves a legitimate government purpose and is in the best interests of the public health, safety, and welfare of the citizens of Cocoa, Florida.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COCOA ORDAINS, AS FOLLOWS:

Section 1. Recitals. The foregoing recitals are true and correct and are fully incorporated herein by this reference.

Section 2. Zoning Map Amendment. That the Official Zoning Map of the City of Cocoa, as described in City of Cocoa Code, Article VIII, Section 1, is hereby amended to include

a change of classification from Rural Residential ("RR-1") to Multiple-Family Dwelling ("RU-2-15") for a portion of the real property depicted and legally described on **Exhibit "A,"** attached and incorporated herein by this reference. City Staff is hereby directed to promptly amend the Official Zoning Map upon the effective date of this Ordinance.

Section 3. Repeal of Prior Inconsistent Ordinances and Resolutions. All prior inconsistent ordinances and resolutions adopted by the City Council, or parts of prior ordinances and resolutions in conflict herewith, are hereby repealed to the extent of the conflict.

Section 4. Severability. If any section, subsection, sentence, clause, phrase, word or provision of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, whether for substantive, procedural, or any other reason, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions of this Ordinance.

Section 5. Effective Date. This ordinance shall become effective immediately upon the effective date of Ordinance No. 08-2017 as adopted by the City Council of the City of Cocoa, Florida. If Ordinance No. 08-2017 does not become effective, then this Ordinance shall become null and void.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on the ____ day of _____, 2017.

CITY COUNCIL AGENDA ITEM

Memo Date: June 29, 2017
Agenda Date: July 11, 2017
Prepared By: Lora Howell, Deputy Finance Director
Through: John A. Titkanich, Jr., AICP, ICMA-CM, City Manager
Teri Butler, CGFO, Finance Director

Requested Action:
Approve Resolution No. 2017-64 establishing the Rolled-back Rate, adopt a Tentative Proposed Millage Rate, and set the date, time, and place for the first Public Hearing to consider the FY2018 Budget.

BACKGROUND:

Florida Statues 200.065 TRIM (Truth-In Millage) Compliance Regulations provides that municipalities shall adopt a Proposed Millage Rate, establish the Rolled-back rate, and set the date, time, and place of the first two public hearings. At the public hearings, City Council will consider the Proposed Millage Rate and the Tentative Budget.

Annually, by July 1st, the Brevard County Property Appraiser certifies to each taxing authority the taxable value of real property within the jurisdiction of the taxing authority (City). The Certification of Taxable Value (DR-420 Form) provided by the Property Appraiser reflects this year's property calculation on which next fiscal year's ad valorem revenues will be calculated. In addition, the Property Appraiser also certifies the Tax Increment Adjustment Worksheet (DR-420TIF Forms) for each Community Redevelopment Agencies (CRA) in the City. By August 4th of each year, the City shall advise the Property Appraiser of the Proposed Millage Rate, the current year's Rolled-back Rate and the date, time, and place of the first Budget Public Hearing. The attached resolution allows the City to comply with the statutory requirements.

The City of Cocoa's current millage rate is 5.9790. The City Council has the following options to adopt a proposed millage rate.

- 10.5887 is the Maximum Millage Rate that is 10% over the majority vote maximum millage rate and requires a two-thirds (2/3) vote of the City Council; however, s. 200.081, Florida Statutes limits a municipality to a maximum of 10 mills, except for voter approved levies.
- 9.6261 is the Majority Vote Maximum Millage Rate, adjusted for the change in per capita Florida personal income (1.0311) and requires a majority vote of the City Council.
- 5.9790 is the Current Millage Rate that can be maintained with a majority vote of the City Council.
- 5.9219 is the Rolled-back Rate that requires a majority vote of the City Council.
- Any Rate up to the Maximum Millage Rate (10 mills) is allowed by state law.

Please Note: The Proposed Millage Rate established by the City Council will allow the Council to adopt a millage rate during the Public Hearing at or below the rate voted this evening. This rate can be reduced, but cannot be increased.

The City of Cocoa's current year gross taxable value for FY2018 is $888,479,522, which is $29,921,108 or approximately 3.49% higher than last fiscal year's final gross taxable value. The projected Ad Valorem tax revenue for FY2018 is $5,312,219, and staff is recommending maintaining the millage rate at the current rate of 5.9790 which is consistent with the City Council's plan to achieve long term fiscal sustainability.

The City is required to budget a minimum of 95% of $5,312,219 which equals $5,046,608 resulting in an increase of $176,886 in revenue over the FY2017 budget.

STRATEGIC PLAN CONNECTION:

Fiscal Sustainability - Through our strategic planning process the City committed to developing a financially sustainable revenue base and control expenses to support and deliver high quality municipal services. Toward that end, the City retained Stantec (Burton & Associates) to develop a long term financial analysis model, of which the analysis indicated the need for the City to maintain its current millage, as one of many recommendations, to place the City on a path of fiscal sustainability over the short-term (5 years) and long term (10 years).

BUDGETARY IMPACT:

As presented above, the City is required to budget a minimum of 95% of $5,312,219 which equals $5,046,608 resulting in an increase of $176,886 in revenue over the FY2017 budget. Of note, payment to the three (3) CRA's with a 5.9790 millage rate budgeted at 95% is as follows:

Cocoa/Downtown	$653,817
Diamond Square	$ 83,265
U.S. 1 Corridor	$ 99,509

Total Dedicated to the CRA's: $836,591

PREVIOUS ACTION:

N/A

RECOMMENDED MOTION:

Approve Resolution No. 2017-64 establishing the Rolled-back Rate, adopt a Tentative Proposed Millage Rate, and set the date, time, and place for the first Public Hearing to consider the FY2018 Budget.

RESOLUTION NO. 2017-64

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, ESTABLISHING THE ROLLED-BACK MILLAGE RATE; ADOPTING A PROPOSED TENTATIVE MILLAGE RATE; AND SETTING THE DATE, TIME AND PLACE OF A PUBLIC HEARING TO CONSIDER THE PROPOSED TENTATIVE MILLAGE RATE AND TENTATIVE BUDGET FOR FISCAL YEAR 2018; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Florida Statute 200.065 expressly provides that municipalities shall adopt a Proposed Tentative Millage rate; and

WHEREAS, Florida Statute 200.065 requires that within 35 days of certification of value, each taxing authority shall advise the property appraiser of its proposed tentative millage rate, of its rolled-back millage rate and of the date, time and place at which public hearings will be held to consider the proposed tentative millage rate and tentative budget; and

WHEREAS, Florida Statute 200.65 provides that at the time of the adoption of the proposed tentative millage rate, the municipality shall set the date, time and place for a public hearing to consider the proposed tentative millage and the tentative budget; and

WHEREAS, Florida Statute 200.65 further requires that within 80 days of the certification of value, but not earlier than 65 days after the certification the governing body of each taxing authority shall hold a public hearing on the tentative budget and proposed tentative millage rate.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1. The rolled-back millage rate to be used for millage calculation for the City of Cocoa, Florida for Fiscal Year 2018 is set at 5.9219 mils.

SECTION 2. The proposed tentative millage rate for the City of Cocoa, Florida for the Fiscal Year 2018 is 5.9790 mils which is 0.96% greater than the computed rolled-back rate of 5.9219.

SECTION 3. A public hearing shall be held in the City of Cocoa City Council Chambers located at 65 Stone Street, Cocoa, Florida on September 5, 2017 at 5:30 p.m. to consider the proposed tentative millage rate and the tentative budget for Fiscal Year 2018.

SECTION 4. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 5. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED BY THE City Council of the City of Cocoa, Florida, in a regular meeting assembled on the 11th day of July, 2017.

CITY COUNCIL AGENDA ITEM

Memo Date: June 29, 2017
Agenda Date: July 11, 2017
Prepared By: Tammy B. Gemmati, PHR, Administrative Services Director
Through: John A. Titkanich, Jr., AICP, ICMA-CM
Requested Action:
Consider approving the Second Addendum to the City Manager's Employment Agreement.

BACKGROUND:

On January 8, 2013, City Council approved the initial employment agreement for John Titkanich as City Manager. The initial agreement, covering the period of February 25, 2013 through February 26, 2016. On August 26, 2014, the first addendum to the Agreement was approved by Council extending the agreement through September 30, 2017.

Section 4, of the existing City Manager's Employment Agreement requires City Council, at a public meeting, to decide whether to offer the City Manager a renewal of the agreement. A discussion was held at the May 23, 2017 regular City Council Meeting and it was unanimously determined that the City Manager's employment should be continued.

The City Attorney and City Manager have worked together to mutually review the terms and conditions of the existing agreement and has finalized a new agreement for City Council consideration. The terms of the new agreement are substantially similar to the current contract. The only material modification to Section 5(b) to increase the City's retirement contribution into ICMA 457 from five percent (5%) of annual salary to seven one-half percent (7.5%), which represents and additional $4,112.52 in deferred compensation during the first year of the Agreement. Additionally,

the terms of the agreement provide for a (3) three year term with an unlimited number of (3) three year automatic renewals subject to the City Council's review and consideration as explained below.

The Second Addendum provides that on or before the first regular City Council meeting six (6) months prior to the expiration of any term of the Agreement, the City Manager shall present the automatic renewal, at a City Council meeting for the City Council's review and consideration and the City Manager shall also state whether he desires to discontinue the automatic renewal provision. If City Council does not affirmatively vote, by a simple majority vote, to discontinue the automatic renewal provision at the City Council meeting, the Agreement is automatically renewed upon the expiration of the current term for an additional three year term. If the City Council votes to discontinue the automatic renewal provision, the Agreement will expire at the end of the current term. Any vote taken to discontinue the automatic renewal provision is at the City Council's discretion by simple majority vote.

Additionally, at the May 23, 2017 regular City Council meeting, the City Manager provided each Council Member a memorandum regarding performance evaluation for this past fiscal year's performance which will aid in the formulation of the budget. The form included four main areas for rating and an overall score section. A summary of the performance rating scores received include:

Member	Fiscal Management	Council Relations	Employee Relations	City Management	Average
Parrish	4	4	4	4	**4.00**
Boisvert	5	5	5	5	**5.00**
Whipple	4	4	3.95	3.95	**3.975**
Warner	5	4	4	4	**4.25**
Blanco	5	4	4	5	**4.50**
Total Avg.	**4.60**	**4.20**	**4.19**	**4.39**	**4.345**

The City Manager's current salary, as of October 1, 2016, is $154,460.80. After reviewing and averaging all scores, the ratings support a salary increase of 6.5% (3.5% Base Increase and 3% Performance Increase), which equals $10,039.95 and bringing the City Manager's new salary to $164,500.75.

The only other modification clarifies an ambiguity in the existing Agreement related to the City Manager's entitlement to vacation time provided to the Management Employees upon termination of the Agreement. The City Manager is entitled to all accrued vacation upon termination and accrued vacation is not subject to the cap of 720 hours for sick leave.

STRATEGIC PLAN CONNECTION:

BUDGETARY IMPACT:

Budgeted N/A

If not budgeted, is amendment/transfer attached? N/A

PREVIOUS ACTION:

City Council approved the initial City Manager's Employment Agreement on January 9, 2013, with an effective date of February 23, 2013.

City Council approved a First Addendum to City Manager's Employment Agreement on August 26, 2014.

City Council provided direction as to whether City Council intends to renew the City Manager's Employment Agreement on May 23, 2017.

RECOMMENDED MOTION:

Consider approving the Second Addendum to the City Manager's Employment Agreement.

CITY MANAGER'S
EMPLOYMENT AGREEMENT

THIS AGREEMENT, made this 9 day of January, 2013, between the **CITY OF COCOA, FLORIDA,** a Florida municipal corporation (hereinafter referred to as the "Employer") and **JOHN TITKANICH** (hereinafter referred to as the "Executive").

WHEREAS, Employer is a Florida municipal corporation organized and existing under the laws of the State of Florida; and

WHEREAS, Employer is desirous of establishing, in writing, the duties and responsibilities of the respective parties and memorializing the terms and conditions of employment in a written agreement to be executed by and between the parties; and

WHEREAS, the Executive has professional experience in the field of service required by this Agreement, is fully qualified to hold the position of City Manager and is desirous of becoming the City Manager; and

WHEREAS, the Employer has determined this Agreement to be in the best interest of the Employer.

NOW THEREFORE, in consideration of the mutual promises herein contained, it is hereby agreed as follows:

1. **Employment and Duties**. Employer employs the Executive in the capacity of City Manager of Cocoa, Florida. The Executive agrees to perform such duties as set forth in the Charter and Ordinances of the City of Cocoa, as said Ordinances and Charter may be amended from time to time, together with such other duties as may be properly and legally assigned to him from time to time by the Cocoa City Council. Executive also agrees to perform such duties prescribed by the laws of the State of Florida and United States of America, including regulations of other appropriate administrative agencies, relating to the City of Cocoa and the position of City Manager. All such duties shall be performed within the time frames or deadlines expressly imposed by law, applicable policy, rule, or established by the City Council. Absent a legally or City Council imposed deadline, the Executive shall perform his duties within a reasonable period of time and with due regard for promptness, diligence, and professionalism.

The Executive shall request of the City Council from time to time such decisions or actions of the City Council which the Executive may determine are reasonably necessary for the successful accomplishment of his duties as City Manager. And, the Executive shall assign or devote such resources and personnel in a manner in his judgment to best serve the interest of the City of Cocoa, Florida, consistent with the policies and direction of the City Council.

2. **Performance**. The Executive agrees to devote his entire time and attention to the business of the Employer, and shall not render any services of a professional or business nature to any other person or organization without the Employer's prior written consent. However, this paragraph shall not be construed to prohibit or restrict Executive from serving on non-profit boards or providing other charitable or civic services to the community, provided such service is without compensation. Furthermore, Employer agrees that Executive shall be permitted to continue to serve as the 2012/2013 President of the Florida Brownfields Association. In addition, the Executive may during off-duty hours undertake teaching; provided that said teaching shall not interfere with the Executive's duties and responsibilities as the Executive.

3. **Term**. The term of this Agreement shall commence on **February 25, 2013** and shall continue and terminate on midnight **February 26, 2016,** unless sooner terminated as provided herein.

4. **Contract Renewal**. On or before the first City Council meeting six months prior to the expiration of this Agreement, the City Council shall, at a public meeting decide whether to offer the Executive a renewal of the contract, effective beginning immediately upon the expiration of the current term. If City Council decides to renew the contract, then said renewal shall be subject to the opening of negotiations on all terms and conditions under this Agreement and a final binding contract being reached prior to the expiration of the current term.

5. **Compensation**. For his services to the Employer, the Executive shall be compensated as follows:

(a) **Salary**. The Executive shall receive a starting salary of One Hundred Fifteen Thousand and No/100 Dollars ($115,000.00), payable in installments at the same time as other Executives of the Employer are paid, less appropriate deductions for employment taxes, income tax and other lawful withholdings. Said salary shall be increased by Fifteen Thousand ($15,000.00) at the first anniversary of this Agreement and an additional Seven Thousand Five Hundred ($7,500.00) at the second anniversary. The Executive's annual base salary may also be adjusted in such amounts and to such an extent as the City Council may determine desirable on the basis of an annual performance evaluation of the City Manager. The Executive may also receive merit increases in salary or performance bonuses at the discretion of the City Council from time-to-time. The Executive shall also receive the same cost of living adjustment (COLA) that may be provided to other City management personnel.

(b) **Retirement Plan**. Employee shall be entitled to the same retirement benefits as Employer's department directors. In addition, the Employer agrees to contribute on behalf of Employee, on an annual basis, into an ICMA 457 qualified retirement plan at a rate of five percent (5) of annual salary. Within sixty (60) days of the effective date of this Agreement, Employer shall add such amendments to its current pension plan to effectuate the foregoing ICMA Plan, if necessary.

(c) **Flexible Benefit Spending Account**. The Employer agrees to contribute

an additional Twenty-Five and No/100 Dollars ($25.00) per week above the Employer's standard non-union employee contribution for said Flexible Benefit Spending Account.

6. **Conditions of Employment**. The Executive, on condition of his employment by the Employer, agrees to the following:

(a) **Hours of Work**. The Executive agrees that, subject to Executive's inability to work due to sickness or injury, at all times during the term of this Agreement, he will arrange to be available to perform the duties of his employment not only during the regular business hours of the Employer, but also at such other times as the Employer shall from time to time reasonably request and that he shall not be entitled to any compensation in addition to that provided for herein for services rendered by him outside of the City's regular business hours, or on Saturdays, Sundays or holidays. Additionally, the Employer recognizes that as the chief executive officer of the City, the Executive shall be permitted a reasonable amount of flex time, from time to time, in order to reasonably accommodate and balance both his work and personal responsibilities.

(b) **Vacation, Sick Leave, Holidays and Other Benefits**. Executive shall be entitled to vacation time, and sick leave, holidays and other benefits (except retirement) provided to the other of Employer's Management Employees. Accrued vacation and sick time may be carried forward from year-to-year up to a cap of 720 hours for each.

(c) **Insurance**. Employer shall provide such health and life insurance upon the life of the Executive and his dependents as provided to the other of Employer's Management Employees.

(d) **Professional Association Dues**. Employer shall pay the dues for Executive's membership and professional associations as approved by the City Council.

(e) **Professional Development**. Employer hereby agrees to budget for and pay for travel and subsistence expenses of Executive for professional and official travel to include FCCMA, Florida League of Cities annual conferences and any other conferences or seminars approved by the City Council. In addition, during the first year of this Agreement, the Employer agrees that Executive may attend, and the Employer shall pay for travel and subsistence expenses of Executive to attend, the Florida Brownfield's Association 2013 Annual Conference and the Environmental Protection Agency/ICMA 2013 National Brownfields Conference. The City Council will also agree to pay for trips to Tallahassee and Washington, D.C. when such trips are deemed necessary to support the City's federal and state legislative agenda. The payment of such expenses shall be in accordance with Section 2-76 of the City Code, Reimbursement Policy For Travel Expenses, as amended from time to time, or as otherwise approved by the City Council.

(f) **Computer Equipment and Cell Phone**. Employer shall provide the Executive with adequate computer equipment and a cell phone in order for him to adequately perform the responsibilities of City Manager.

(g) **Residency.** Pursuant to Article IV, Section 1(b) of the City Charter, the Executive shall either be a resident of the City of Cocoa, or as expressly authorized by the City Council by this paragraph, reside within 15 miles of the City limits, and so remain through the tenure of holding the office of the city manager.

7. **Automobile**. The Employer shall provide the Executive with the use of a City owned automobile in the discharge of his employment duties pursuant to this Agreement, or at Executive's request, an automobile allowance equal to Six Hundred and no/100 Dollars ($600.00) per month. Any official travel on City business over fifty (50) miles (one way) shall be reimbursed according to the City's Travel Policy. To the extent that the use of the automobile constitutes income or a taxable benefit to the Executive, Executive agrees to account for such income or benefit per IRS regulations. If a City owned automobile is provided pursuant to this paragraph, the Executive may use said automobile for personal use within the State of Florida.

8. **Indemnification**. Employer shall defend, indemnify and hold Executive harmless against any and all civil claims, demands, actions, suits, expenses and losses, including reasonable attorney's fees, arising out of the action or omission of Executive within the scope of his duties as City Manager, except for acts or omissions acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. ("Covered Loss"). Criminal litigation shall not be included in this indemnity clause. The Employer may, at Employer's option, provide for legal representation of Executive through the City Attorney or outside counsel of its choice or may choose to reimburse the Executive for legal fees incurred as a result of a Covered Loss. If the City provides legal representation in an action which is not a Covered Loss, Executive shall reimburse Employer for the value of the services provided by outside counsel or the City Attorney.

9. **Termination and Severance Pay**.

(a) The Executive shall serve at the pleasure of the Employer. The City Council reserves the right at any time in its sole discretion and for any reason whatsoever, or for no reason, to terminate Executive's employment pursuant to the terms and conditions of the City Charter at a duly held public meeting. However, if the Executive is terminated at the pleasure of the City Council pursuant to this subparagraph (a), without cause, the Executive shall receive lump sum severance pay in the amount of twenty (20) weeks salary. Under no circumstances will severance pay exceed twenty weeks in accordance with the maximum severance pay limitations set forth in section 215.425, Florida Statutes. In addition, Executive shall receive a lump sum cash settlement representing payment for one hundred percent (100%) of all unused vacation and accrued sick leave through the termination date, not to exceed 720 hours for sick leave. Payment of the severance pay and unused sick and vacation shall be made within ten (10) calendar days of the Executive and the City executing and delivering the general release described in the subsequent paragraph to each other.

Executive agrees that the City Council shall have the sole and absolute discretion to decide upon such termination under this subparagraph (a) and upon such termination and as consideration of the severance pay provided above, Executive and the City shall, execute and deliver to each other a reciprocal general release indemnifying and holding harmless each other for all acts and omissions related to the Executive's employment with the City (whether accrued or subsequently accruing) from the beginning of time until the date of the release. The general release shall be prepared by the City Attorney and in a form agreeable to the City and Executive, and the indemnity to the City shall include not only the City, but the City's council members, Executives, and attorneys in their official and individual capacities. The Executive and the City shall not unreasonably withhold approval and execution of the general release.

(b) If the Executive is terminated by the City Council because of: (1) conviction of a felony; (2) misfeasance or malfeasance; (3) failure to carry out the duties assigned under this Agreement; or (4) conviction of a violation of the Florida Ethics Laws or any illegal act involving personal gain to his; then the Executive shall only receive compensation for one hundred percent (100%) of his unused vacation and sick leave accrued through the termination date not to exceed seven hundred twenty (720) hours of sick leave. Executive shall not be entitled to any additional compensation or severance pay. If City Council terminates Executive for cause pursuant to this subparagraph (b), the Executive's sole legal remedy is an action in the court of appropriate jurisdiction and venue. If said court fails to reverse the City Council's decision, Executive agrees that he will accept the payments provided in this subparagraph (b) in full satisfaction of the Employer's obligations under this Agreement and in full release of any and all claims against the Employer, and its City Council, Executives, and City Attorney, both individually and in their official capacity, under this Agreement. However, if said court determines that the City Council did not properly terminate Executive for cause under this Agreement, the parties agree that such termination from employment shall be deemed a termination without cause, and the provisions of paragraph 9(a) shall apply in their entirety, and the court may also grant such other relief deemed lawful and appropriate.

(c) The Executive may terminate this Agreement at any time upon giving Employer at least ninety (90) days written notice in advance. The Executive shall receive compensation for one hundred percent (100%) of his unused vacation and sick leave accrued through the termination date not to exceed seven hundred twenty (720) hours of sick leave. Executive shall not be entitled to any additional compensation or severance pay.

(d) In the event Employer at any time during the term of this Agreement reduces the salary or other financial benefits of Executive in a greater percentage than that applicable to an across-the-board reduction for all Executives of the Employer or, in the event Employer refuses, following written notice to comply with any other written provision benefitting Executive herein, or the Executive resigns following an unambiguous and clear consensus or suggestion of a majority of the City Council (as required by City Charter to terminate the Executive), at a particular duly held City Council meeting, that he resign for no cause, then in that event Executive may at his option resign at that meeting and be deemed to have been "terminated" for purposes of applying paragraph 9 (a).

(e) In the event of the death of the Executive during the term of this Agreement, this Agreement shall automatically terminate and the Employer shall pay to his surviving spouse, if any, or if the Executive does not have a surviving spouse, to the estate of the Executive or beneficiary(ies) designated in writing by Executive, an amount equal to the portion of the Executive's salary to which he was entitled through the date of this death, plus any other death benefits provided to other Employer's Management Executives, if any.

10. **Lifetime Health Insurance**. The parties acknowledge that Executive is eligible, as a member of the City's Executive Management Team, for one hundred percent (100%) City paid health (including dental and vision) insurance for his lifetime upon retirement pursuant to the benefits policy adopted by the City Council and in effect during the time Executive was the Community Development Director of the City including Resolutions No. 2008-133 and No. 2009-150. The eligibility criteria for lifetime health insurance benefits requires the Executive to retire with at least 10 consecutive years of full-time service with the City, of which at least five (5) years are as part of the City's Executive Management Team, and be of at least 55 years of age upon retirement from the City. Employer agrees that should the Executive be terminated in accordance with paragraph 9 (a) or 9 (c) of this Agreement, and Executive is no longer employed with the City of Cocoa after said termination, Executive shall receive the one hundred percent (100%) lifetime health insurance benefit regardless if Executive is not age fifty-five (55). Executive shall not be eligible for the one hundred percent (100%) lifetime health insurance benefit, prior to meeting the eligibility requirements, if he is terminated pursuant to paragraph 9 (b) of this Agreement. This paragraph shall not be construed to provide Executive with any benefit greater than other eligible members of the City's Executive Management Team that received or could receive the one hundred percent (100%) lifetime health insurance benefit in accordance with the terms and conditions of the aforementioned resolutions, except that Executive could receive said benefit prior to age 55 if he is terminated pursuant to paragraph 9 (a) or 9 (c) of this Agreement.

11. **Evaluation**.

(a) The City Council shall review and evaluate Executive's performance during each anniversary of the term of this Agreement. Said review and evaluation shall be in accordance with specific criteria developed jointly by Employer and Executive.

(b) Annually, the City Council and Executive shall define such goals and performance objectives that they deem necessary for the proper operation of the City and in the attainment of City Council policy objectives, and shall further establish relative priority among those various goals and objectives that shall be reduced to writing. They shall generally be within the time limitations as specified and the annual operating and capital budgets and appropriations provided.

12. **General Provisions**.

(a) The text herein constitutes the entire Agreement between the parties, and it may not be modified except by written Agreement signed by both parties.

(b) If any provision or portion of this Agreement is found to be unenforceable, then the remainder of this Agreement shall not be affected and shall remain in full force and effect.

(c) This Agreement shall be binding upon and inure to the benefit of the heirs at law and executors of Executive.

(d) This Agreement shall be interpreted and governed by the laws of Florida. Venue for any action hereunder shall be in Brevard County, Florida, or if a federal action is commenced, in the Federal Court in Orange County, Florida.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year written above.

FIRST ADDENDUM TO
CITY MANAGER'S
EMPLOYMENT AGREEMENT

THIS FIRST ADDENDUM, made this 26 day of August, 2014, between the **CITY OF COCOA, FLORIDA**, a Florida municipal corporation (hereinafter referred to as the "Employer") and **JOHN A. TITKANICH** (hereinafter referred to as the "Executive").

WHEREAS, the Employer and Executive entered into that certain City Manager's Employment Agreement, dated January 9, 2013 ("Agreement"); and

WHEREAS, Employer and Executive are desirous of amending the Agreement as more specifically set forth herein; and

WHEREAS, the Employer has determined this Agreement to be in the best interest of the Employer.

NOW THEREFORE, in consideration of the mutual promises herein contained, it is hereby agreed as follows:

1. Section 3. **Term** is hereby amended so that the term of the Agreement shall continue and terminate on midnight **September 30, 2017**, unless sooner terminated as provided herein.

2. Section 5 (a) and (b) under the paragraph heading **Compensation** are hereby amended and replaced with the following:

For his services to the Employer, the Executive shall be compensated as follows:

(a) **Salary**. Effective October 1, 2014, the Executive shall receive a salary of One Hundred Thirty-Seven Thousand Five Hundred and No/100 Dollars ($137,500.00), payable in installments at the same time as other Executives of the Employer are paid, less appropriate deductions for employment taxes, income tax and other lawful withholdings. Said salary shall be increased by Seven Thousand Five Hundred ($7,500.00) on October 1, 2015. Thereafter, on October 1, 2016, the Executive's salary shall be increased by three and one-half percent (3.5%), plus an additional performance increase of not to exceed three percent (3%) of the previous year's salary based on a performance evaluation conducted by Employer prior to the end of the previous City fiscal year. The performance evaluation shall be conducted by the City Council and each Council member shall determine and rank whether the Executive's performance meets (1%), is above (2%), or exceeds expectation (3%). The additional performance salary increase shall equal the average of the individual council rankings. Nothing contained herein shall prohibit the City Council from providing other merit increases in salary or performance bonuses at the sole discretion of the City Council from time-to-time. The Executive shall also receive the same cost of living adjustment (COLA) that may be provided to other City management personnel.

(b) **Retirement Plan**. Employee shall be entitled to the same retirement benefits as Employer's department directors. In addition, the Employer agrees to contribute on behalf of Employee, on an annual basis, and at a rate of five percent (5) of Executive's annual salary, into an ICMA 457 qualified retirement plan or the City's Nationwide 457 qualified retirement plan depending on which plan is chosen by the Executive. Employer shall add such amendments to its current pension plan to effectuate the foregoing ICMA or City's Nationwide Plan, if necessary.

3. All other terms and conditions of the Agreement not modified by this First Addendum shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year written above.

CITY MANAGER'S
EMPLOYMENT AGREEMENT

THIS AGREEMENT, made this 9 day of January, 2013, between the **CITY OF COCOA, FLORIDA,** a Florida municipal corporation (hereinafter referred to as the "Employer") and **JOHN TITKANICH** (hereinafter referred to as the "Executive").

WHEREAS, Employer is a Florida municipal corporation organized and existing under the laws of the State of Florida; and

WHEREAS, Employer is desirous of establishing, in writing, the duties and responsibilities of the respective parties and memorializing the terms and conditions of employment in a written agreement to be executed by and between the parties; and

WHEREAS, the Executive has professional experience in the field of service required by this Agreement, is fully qualified to hold the position of City Manager and is desirous of becoming the City Manager; and

WHEREAS, the Employer has determined this Agreement to be in the best interest of the Employer.

NOW THEREFORE, in consideration of the mutual promises herein contained, it is hereby agreed as follows:

1. **Employment and Duties.** Employer employs the Executive in the capacity of City Manager of Cocoa, Florida. The Executive agrees to perform such duties as set forth in the Charter and Ordinances of the City of Cocoa, as said Ordinances and Charter may be amended from time to time, together with such other duties as may be properly and legally assigned to him from time to time by the Cocoa City Council. Executive also agrees to perform such duties prescribed by the laws of the State of Florida and United States of America, including regulations of other appropriate administrative agencies, relating to the City of Cocoa and the position of City Manager. All such duties shall be performed within the time frames or deadlines expressly imposed by law, applicable policy, rule, or established by the City Council. Absent a legally or City Council imposed deadline, the Executive shall perform his duties within a reasonable period of time and with due regard for promptness, diligence, and professionalism.

The Executive shall request of the City Council from time to time such decisions or actions of the City Council which the Executive may determine are reasonably necessary for the successful accomplishment of his duties as City Manager. And, the Executive shall assign or devote such resources and personnel in a manner in his judgment to best serve the interest of the City of Cocoa, Florida, consistent with the policies and direction of the City Council.

2. **Performance**. The Executive agrees to devote his entire time and attention to the business of the Employer, and shall not render any services of a professional or business nature to any other person or organization without the Employer's prior written consent. However, this paragraph shall not be construed to prohibit or restrict Executive from serving on non-profit boards or providing other charitable or civic services to the community, provided such service is without compensation. Furthermore, Employer agrees that Executive shall be permitted to continue to serve as the 2012/2013 President of the Florida Brownfields Association. In addition, the Executive may during off-duty hours undertake teaching; provided that said teaching shall not interfere with the Executive's duties and responsibilities as the Executive.

3. **Term**. The term of this Agreement shall commence on **February 25, 2013** and shall continue and terminate on midnight **February 26, 2016**, unless sooner terminated as provided herein.

4. **Contract Renewal**. On or before the first City Council meeting six months prior to the expiration of this Agreement, the City Council shall, at a public meeting decide whether to offer the Executive a renewal of the contract, effective beginning immediately upon the expiration of the current term. If City Council decides to renew the contract, then said renewal shall be subject to the opening of negotiations on all terms and conditions under this Agreement and a final binding contract being reached prior to the expiration of the current term.

5. **Compensation**. For his services to the Employer, the Executive shall be compensated as follows:

(a) **Salary**. The Executive shall receive a starting salary of One Hundred Fifteen Thousand and No/100 Dollars ($115,000.00), payable in installments at the same time as other Executives of the Employer are paid, less appropriate deductions for employment taxes, income tax and other lawful withholdings. Said salary shall be increased by Fifteen Thousand ($15,000.00) at the first anniversary of this Agreement and an additional Seven Thousand Five Hundred ($7,500.00) at the second anniversary. The Executive's annual base salary may also be adjusted in such amounts and to such an extent as the City Council may determine desirable on the basis of an annual performance evaluation of the City Manager. The Executive may also receive merit increases in salary or performance bonuses at the discretion of the City Council from time-to-time. The Executive shall also receive the same cost of living adjustment (COLA) that may be provided to other City management personnel.

(b) **Retirement Plan**. Employee shall be entitled to the same retirement benefits as Employer's department directors. In addition, the Employer agrees to contribute on behalf of Employee, on an annual basis, into an ICMA 457 qualified retirement plan at a rate of five percent (5) of annual salary. Within sixty (60) days of the effective date of this Agreement, Employer shall add such amendments to its current pension plan to effectuate the foregoing ICMA Plan, if necessary.

(c) **Flexible Benefit Spending Account**. The Employer agrees to contribute

an additional Twenty-Five and No/100 Dollars ($25.00) per week above the Employer's standard non-union employee contribution for said Flexible Benefit Spending Account.

6. **Conditions of Employment**. The Executive, on condition of his employment by the Employer, agrees to the following:

(a) **Hours of Work**. The Executive agrees that, subject to Executive's inability to work due to sickness or injury, at all times during the term of this Agreement, he will arrange to be available to perform the duties of his employment not only during the regular business hours of the Employer, but also at such other times as the Employer shall from time to time reasonably request and that he shall not be entitled to any compensation in addition to that provided for herein for services rendered by him outside of the City's regular business hours, or on Saturdays, Sundays or holidays. Additionally, the Employer recognizes that as the chief executive officer of the City, the Executive shall be permitted a reasonable amount of flex time, from time to time, in order to reasonably accommodate and balance both his work and personal responsibilities.

(b) **Vacation, Sick Leave, Holidays and Other Benefits**. Executive shall be entitled to vacation time, and sick leave, holidays and other benefits (except retirement) provided to the other of Employer's Management Employees. Accrued vacation and sick time may be carried forward from year-to-year up to a cap of 720 hours for each.

(c) **Insurance**. Employer shall provide such health and life insurance upon the life of the Executive and his dependents as provided to the other of Employer's Management Employees.

(d) **Professional Association Dues**. Employer shall pay the dues for Executive's membership and professional associations as approved by the City Council.

(e) **Professional Development**. Employer hereby agrees to budget for and pay for travel and subsistence expenses of Executive for professional and official travel to include FCCMA, Florida League of Cities annual conferences and any other conferences or seminars approved by the City Council. In addition, during the first year of this Agreement, the Employer agrees that Executive may attend, and the Employer shall pay for travel and subsistence expenses of Executive to attend, the Florida Brownfield's Association 2013 Annual Conference and the Environmental Protection Agency/ICMA 2013 National Brownfields Conference. The City Council will also agree to pay for trips to Tallahassee and Washington, D.C. when such trips are deemed necessary to support the City's federal and state legislative agenda. The payment of such expenses shall be in accordance with Section 2-76 of the City Code, Reimbursement Policy For Travel Expenses, as amended from time to time, or as otherwise approved by the City Council.

(f) **Computer Equipment and Cell Phone**. Employer shall provide the Executive with adequate computer equipment and a cell phone in order for him to adequately perform the responsibilities of City Manager.

(g) **Residency.** Pursuant to Article IV, Section 1(b) of the City Charter, the Executive shall either be a resident of the City of Cocoa, or as expressly authorized by the City Council by this paragraph, reside within 15 miles of the City limits, and so remain through the tenure of holding the office of the city manager.

7. **Automobile**. The Employer shall provide the Executive with the use of a City owned automobile in the discharge of his employment duties pursuant to this Agreement, or at Executive's request, an automobile allowance equal to Six Hundred and no/100 Dollars ($600.00) per month. Any official travel on City business over fifty (50) miles (one way) shall be reimbursed according to the City's Travel Policy. To the extent that the use of the automobile constitutes income or a taxable benefit to the Executive, Executive agrees to account for such income or benefit per IRS regulations. If a City owned automobile is provided pursuant to this paragraph, the Executive may use said automobile for personal use within the State of Florida.

8. **Indemnification**. Employer shall defend, indemnify and hold Executive harmless against any and all civil claims, demands, actions, suits, expenses and losses, including reasonable attorney's fees, arising out of the action or omission of Executive within the scope of his duties as City Manager, except for acts or omissions acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. ("Covered Loss"). Criminal litigation shall not be included in this indemnity clause. The Employer may, at Employer's option, provide for legal representation of Executive through the City Attorney or outside counsel of its choice or may choose to reimburse the Executive for legal fees incurred as a result of a Covered Loss. If the City provides legal representation in an action which is not a Covered Loss, Executive shall reimburse Employer for the value of the services provided by outside counsel or the City Attorney.

9. **Termination and Severance Pay**.

(a) The Executive shall serve at the pleasure of the Employer. The City Council reserves the right at any time in its sole discretion and for any reason whatsoever, or for no reason, to terminate Executive's employment pursuant to the terms and conditions of the City Charter at a duly held public meeting. However, if the Executive is terminated at the pleasure of the City Council pursuant to this subparagraph (a), without cause, the Executive shall receive lump sum severance pay in the amount of twenty (20) weeks salary. Under no circumstances will severance pay exceed twenty weeks in accordance with the maximum severance pay limitations set forth in section 215.425, Florida Statutes. In addition, Executive shall receive a lump sum cash settlement representing payment for one hundred percent (100%) of all unused vacation and accrued sick leave through the termination date, not to exceed 720 hours for sick leave. Payment of the severance pay and unused sick and vacation shall be made within ten (10) calendar days of the Executive and the City executing and delivering the general release described in the subsequent paragraph to each other.

Executive agrees that the City Council shall have the sole and absolute discretion to decide upon such termination under this subparagraph (a) and upon such termination and as consideration of the severance pay provided above, Executive and the City shall, execute and deliver to each other a reciprocal general release indemnifying and holding harmless each other for all acts and omissions related to the Executive's employment with the City (whether accrued or subsequently accruing) from the beginning of time until the date of the release. The general release shall be prepared by the City Attorney and in a form agreeable to the City and Executive, and the indemnity to the City shall include not only the City, but the City's council members, Executives, and attorneys in their official and individual capacities. The Executive and the City shall not unreasonably withhold approval and execution of the general release.

(b) If the Executive is terminated by the City Council because of: (1) conviction of a felony; (2) misfeasance or malfeasance; (3) failure to carry out the duties assigned under this Agreement; or (4) conviction of a violation of the Florida Ethics Laws or any illegal act involving personal gain to his; then the Executive shall only receive compensation for one hundred percent (100%) of his unused vacation and sick leave accrued through the termination date not to exceed seven hundred twenty (720) hours of sick leave. Executive shall not be entitled to any additional compensation or severance pay. If City Council terminates Executive for cause pursuant to this subparagraph (b), the Executive's sole legal remedy is an action in the court of appropriate jurisdiction and venue. If said court fails to reverse the City Council's decision, Executive agrees that he will accept the payments provided in this subparagraph (b) in full satisfaction of the Employer's obligations under this Agreement and in full release of any and all claims against the Employer, and its City Council, Executives, and City Attorney, both individually and in their official capacity, under this Agreement. However, if said court determines that the City Council did not properly terminate Executive for cause under this Agreement, the parties agree that such termination from employment shall be deemed a termination without cause, and the provisions of paragraph 9(a) shall apply in their entirety, and the court may also grant such other relief deemed lawful and appropriate.

(c) The Executive may terminate this Agreement at any time upon giving Employer at least ninety (90) days written notice in advance. The Executive shall receive compensation for one hundred percent (100%) of his unused vacation and sick leave accrued through the termination date not to exceed seven hundred twenty (720) hours of sick leave. Executive shall not be entitled to any additional compensation or severance pay.

(d) In the event Employer at any time during the term of this Agreement reduces the salary or other financial benefits of Executive in a greater percentage than that applicable to an across-the-board reduction for all Executives of the Employer or, in the event Employer refuses, following written notice to comply with any other written provision benefitting Executive herein, or the Executive resigns following an unambiguous and clear consensus or suggestion of a majority of the City Council (as required by City Charter to terminate the Executive), at a particular duly held City Council meeting, that he resign for no cause, then in that event Executive may at his option resign at that meeting and be deemed to have been "terminated" for purposes of applying paragraph 9 (a).

(e) In the event of the death of the Executive during the term of this Agreement, this Agreement shall automatically terminate and the Employer shall pay to his surviving spouse, if any, or if the Executive does not have a surviving spouse, to the estate of the Executive or beneficiary(ies) designated in writing by Executive, an amount equal to the portion of the Executive's salary to which he was entitled through the date of this death, plus any other death benefits provided to other Employer's Management Executives, if any.

10. **Lifetime Health Insurance**. The parties acknowledge that Executive is eligible, as a member of the City's Executive Management Team, for one hundred percent (100%) City paid health (including dental and vision) insurance for his lifetime upon retirement pursuant to the benefits policy adopted by the City Council and in effect during the time Executive was the Community Development Director of the City including Resolutions No. 2008-133 and No. 2009-150. The eligibility criteria for lifetime health insurance benefits requires the Executive to retire with at least 10 consecutive years of full-time service with the City, of which at least five (5) years are as part of the City's Executive Management Team, and be of at least 55 years of age upon retirement from the City. Employer agrees that should the Executive be terminated in accordance with paragraph 9 (a) or 9 (c) of this Agreement, and Executive is no longer employed with the City of Cocoa after said termination, Executive shall receive the one hundred percent (100%) lifetime health insurance benefit regardless if Executive is not age fifty-five (55). Executive shall not be eligible for the one hundred percent (100%) lifetime health insurance benefit, prior to meeting the eligibility requirements, if he is terminated pursuant to paragraph 9 (b) of this Agreement. This paragraph shall not be construed to provide Executive with any benefit greater than other eligible members of the City's Executive Management Team that received or could receive the one hundred percent (100%) lifetime health insurance benefit in accordance with the terms and conditions of the aforementioned resolutions, except that Executive could receive said benefit prior to age 55 if he is terminated pursuant to paragraph 9 (a) or 9 (c) of this Agreement.

11. **Evaluation**.

(a) The City Council shall review and evaluate Executive's performance during each anniversary of the term of this Agreement. Said review and evaluation shall be in accordance with specific criteria developed jointly by Employer and Executive.

(b) Annually, the City Council and Executive shall define such goals and performance objectives that they deem necessary for the proper operation of the City and in the attainment of City Council policy objectives, and shall further establish relative priority among those various goals and objectives that shall be reduced to writing. They shall generally be within the time limitations as specified and the annual operating and capital budgets and appropriations provided.

12. **General Provisions**.

(a) The text herein constitutes the entire Agreement between the parties, and it may not be modified except by written Agreement signed by both parties.

(b) If any provision or portion of this Agreement is found to be unenforceable, then the remainder of this Agreement shall not be affected and shall remain in full force and effect.

(c) This Agreement shall be binding upon and inure to the benefit of the heirs at law and executors of Executive.

(d) This Agreement shall be interpreted and governed by the laws of Florida. Venue for any action hereunder shall be in Brevard County, Florida, or if a federal action is commenced, in the Federal Court in Orange County, Florida.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year written above.

SECOND ADDENDUM TO
CITY MANAGER'S
EMPLOYMENT AGREEMENT

THIS SECOND ADDENDUM, made this ____ day of July, 2017, between the **CITY OF COCOA, FLORIDA**, a Florida municipal corporation (hereinafter referred to as the "Employer") and **JOHN A. TITKANICH** (hereinafter referred to as the "Executive").

WHEREAS, the Employer and Executive entered into that certain City Manager's Employment Agreement, dated January 9, 2013, as amended by that certain First Addendum to City Manager's Employment Agreement, dated August 26, 2014 (hereinafter collectively referred to as "Agreement"); and

WHEREAS, Employer and Executive are desirous of amending the Agreement as more specifically set forth herein; and

WHEREAS, the Employer has determined this Agreement to be in the best interest of the Employer.

NOW THEREFORE, in consideration of the mutual promises herein contained, it is hereby agreed as follows:

1. Section 3. **Term** is hereby amended so that the term of the Agreement shall continue and terminate on midnight **September 30, 2020**, unless sooner terminated as provided herein.

2. Section 4. **Contract Renewal**. is hereby amended and replaced with the following:

Provided that neither party gives the other a termination notice, or the City Council decides otherwise as stated in this Section, there shall be an unlimited number of (3) three year automatic renewals of this Agreement. On or before the first regular City Council meeting six months prior to the expiration of any term of this Agreement, the Executive shall present the automatic renewal for the City Council's review and consideration, and Executive shall also state whether he desires to discontinue the automatic renewal provision. At this City Council meeting, the City Council shall have the discretion, by majority vote, to discontinue the automatic renewal provision set forth in this Section. If the City Council determines that the automatic renewal provision should be discontinued, this Agreement shall expire at the end of the current term, and there shall be no severance pay made except Executive shall receive, upon expiration of the current term of this Agreement, compensation for one hundred percent (100%) of his unused vacation and sick leave accrued through the expiration date not to exceed seven hundred twenty (720) hours of sick leave. If the City Council does not affirmatively vote to discontinue the automatic renewal provision at this City Council meeting, this Agreement shall automatically renew upon the expiration of the current term.

3. Section 5 (b) under the paragraph heading **Compensation** is hereby amended and replaced with the following:

(b) **Retirement Plan**. Employee shall be entitled to the same retirement benefits as Employer=s department directors. In addition, the Employer agrees to contribute on behalf of Employee, on an annual basis, and at a rate of seven and one-half percent (7.5%) of Executive's annual salary, into an ICMA 457 qualified retirement plan or the City's Nationwide 457 qualified retirement plan depending on which plan is chosen by the Executive. Employer shall add such amendments to its current pension plan to effectuate the foregoing ICMA or City's Nationwide Plan, if necessary.

4. Section 6 (b) under the paragraph heading **Conditions of Employment** is hereby amended and replaced with the following:

(b) **Vacation, Sick Leave, Holidays and Other Benefits**. Executive shall be entitled to vacation time, and sick leave, holidays and other benefits (except retirement) provided to the other of Employer's Management Employees. Accrued vacation and sick time may be carried forward from year-to-year up to a cap of 720 hours of sick leave.

5. All other terms and conditions of the Agreement not modified by this Second Addendum shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year written above.

CITY COUNCIL AGENDA ITEM

Memo Date: June 2, 2017
Agenda Date: June 13, 2017
Prepared By: Everett Wegerif P.E. Public Works Director/City Engineer
Through:
Requested Action:
Approve entering into, and authorize the City Manager to execute, a Development Agreement and Covenant with the developer of the Dollar General site at Barbara Jenkins St and Fiske Blvd. for connection to the Diamond Square Regional Stormwater Facility.

BACKGROUND:

In accordance with Section 22-88 of the City Code, Public Works Stormwater staff has been working to acquire, design, permit, and construct a Stormwater Treatment Facility to enhance the ability to redevelop properties in the Diamond Square Redevelopment Area. Based on the City Council's prior authorization, the Property for the Stormwater Facility has been acquired from the State of Florida, and construction is now substantially complete.

Properties south of SR 520 between Fiske Blvd. and Blake Avenue will be served by this system and are required to use the system in lieu of any on-site stormwater systems. The benefitted properties are not required to have on-site stormwater treatment systems because stormwater will be handled by the Stormwater Facility

The Dollar General Site developer has provided site plans to construct a Dollar General Store and connect to the regional stormwater Facility. In accordance with Resolution 2017-18, adopted February 28, 2017, a Development Agreement and Covenant to allow connection to the regional

system has been prepared by the City Attorney for consideration by the council. The developer is required to pay $50,626 for the 0.92 acre site to offset the facility development costs.

STRATEGIC PLAN CONNECTION:

The Diamond Square Regional stormwater project proposed will encourage redevelopment and revenue generation in an economically depressed area within the Diamond Square Redevelopment Area by providing off-site stormwater management. Additionally, this project will further the City's compliance with mandated water quality improvement regulations such as the City's Total Maximum Daily Load reduction and the City's National Pollution Discharge Elimination permit.

BUDGETARY IMPACT:

There are no expenditures that are associated with this action. The future payment will be credited to the Stormwater Utility as revenue when it is received.

PREVIOUS ACTION:

Council approved Resolution 2017-18 on February 28, 2017.

RECOMMENDED MOTION:

Approve entering into, and authorize the City Manager to execute, a Development Agreement and Covenant with the developer of the Dollar General site at Barbara Jenkins St and Fiske Blvd. for connection to the Diamond Square Regional Stormwater Facility.

CITY OF COCOA

DIAMOND SQUARE MASTER STORMWATER FACILITY

DEVELOPMENT AGREEMENT AND COVENANT

THIS AGREEMENT ("Agreement") is made and entered into as of this _____ day of _____, 20____, ("Effective Date") by and between the **CITY OF COCOA, FLORIDA**, a Florida municipal corporation (the "City"), whose address is, 65 Stone Street, Cocoa, Florida, 32922, and **DOLLAR GENERAL [INSERT LEGAL NAME]**, a Florida _____, ("Developer"), whose address is _____.

RECITALS:

WHEREAS, the Parties acknowledge and agree that the City has constructed a master stormwater retention facility ("Stormwater Facility") within the City of Cocoa Diamond Square Redevelopment Area ("Redevelopment Area"); and

WHEREAS, the Stormwater Facility is intended to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities for the benefit of the City and certain surrounding real properties located within the Redevelopment Area; and

WHEREAS, the City constructed the Stormwater Facility, in part, for purposes of promoting economic development and redevelopment activities that are approved by the City within the Redevelopment Area; and

WHEREAS, in furtherance of these activities approved by the City, the City shall require certain private properties surrounding the Stormwater Facility that develop or redevelop to utilize a portion of the stormwater retention capacity of the Stormwater Facility under terms and conditions established by the City; and

WHEREAS, Developer owns real property within the Redevelopment Area, legally described herein, that is capable of receiving stormwater services and benefits at the Stormwater Facility; and

WHEREAS, Developer desires to receive stormwater services from the City and utilize a portion of the available capacity of the proposed Stormwater Facility under the terms and conditions set forth in this Agreement and the ordinances, rules and regulations adopted by the City, specifically Sec. 22-88 of the Cocoa City Code and Resolution 2017-18, adopted February 28, 2017 by the Cocoa City Council; and

WHEREAS, Developer agrees that Developer's real property will receive a special benefit from the future utilization of the Stormwater Facility; and

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions and restrictions contained herein, together with other good and valuable consideration, the receipt and sufficiency is acknowledged, the undersigned parties agree as follows:

1.0 GENERAL.

1.1 **Recitals.** The foregoing recitals are hereby acknowledged by City and Developer as true and correct, and are fully incorporated herein by this reference as a material part of this Agreement.

1.2 **Definitions.** In addition to the definitions set forth in the recitals, the following words shall have the meaning ascribed to them herein unless the context clearly indicates otherwise:

(a) "Developer's Property" shall mean that certain real property, which is 1.68 acres in total, which the Developer owns and is legally described and depicted on **Exhibit "A,"** which is attached hereto and fully incorporated herein by this reference.

(b) "Stormwater Property" shall mean that certain real property that the City owns and upon which has constructed the Stormwater Facility and legally described and depicted on **Exhibit "B"**, which is attached hereto and fully incorporated herein by this reference.

2.0 STORMWATER RETENTION FACILITY.

2.1 **Use of Stormwater Retention Facility Mandatory; Covenant.**

(a) Developer acknowledges that the City has acquired, designed, permitted and constructed a master stormwater retention facility on the Stormwater Property in accordance with the terms and conditions of St. John's River Water Management District Permit No. 147672-1 and any other federal, state, or local permitting agency ("Stormwater Facility").

(b) Developer's use of the Stormwater Facility shall be mandatory and governed by the stormwater ordinances, rules and regulations adopted by the City, specifically Sec. 22-88 of the Cocoa City Code and Resolution 2017-18, adopted February 28, 2017 by the Cocoa City Council. The City shall have the right to enforce said ordinances, rules and regulations against the Developer and Developer's Property.

(c) The mandatory use of the Stormwater Facility shall be a covenant running with the land, specifically Developer's Property, binding upon the Developer's successors and assigns in perpetuity, unless and until one of the events described in Section 4.2 occurs. This Agreement shall be fully executed and recorded by the City against the Developer's Property in the Official Records of Brevard County, Florida. Further, mandatory use of the Stormwater Facility shall be a condition of final site plan approval of Developer's Property.

2.2 Developer's Payment of the Capacity Charge.

(a) In consideration of Developer's right to utilize the Stormwater Facility in perpetuity, Developer agrees to pay the City a one-time lump sum capacity charge in the amount of Fifty thousand and Six-hundred Twenty-six and 00/100 Dollars ($50,626.00). The Stormwater Facility benefits a total of 15.17 acres, and the total cost of the Stormwater Facility project is estimated to be $834,770.00. Thus, the distributed cost per benefitted acre is $55,028. The portion of Developer's Property that it intends to develop at this time is a total of 0.92 acres, requiring Developer to pay the Capacity Charge in the amount underlined above. Should the Developer ever desire to develop the remaining 0.76 acres of the Developer's Property, Developer or his or her successor in interest shall be required to pay a further Capacity Charge calculated on a similar basis.

(b) The payment of the Capacity Charge is not refundable except that the City shall fully refund the Capacity Charge paid by the Developer if the Developer terminates this Agreement pursuant to Section 4.2(d) below, and provided that the termination occurs prior to connection to the Stormwater Facility. Notwithstanding the foregoing, the City agrees to refund a proportionate amount of the Capacity Charge if the total project cost of the Stormwater Facility is lower than the estimated value provided in Section 2.2(a) above.

(c) The Capacity Charge shall be paid to the City as a condition of site plan approval and prior to connection to the Stormwater Facility.

(d) If the Developer fails to pay the Capacity Charge within ninety (90) days from the date of the conditional site plan approval, pursuant to Appendix A, Article XIII, Sec. 1 of the Cocoa City Code, the conditional approval shall be automatically withdrawn and the application shall stand as denied. Further, the City shall suspend any pending or future City review and approval of any development permit or building permit applications related to Developer's Property until the Capacity Charge is fully paid.

2.3 Developer's Payment of Stormwater Fees and Assessments; Operation and Maintenance Charges.

Nothing herein is intended to exempt the Developer from the payment of City stormwater fees or special assessments lawfully imposed by the City on the Developer's Property for future maintenance and repair of the Stormwater Facility and Stormwater Property. Developer agrees to pay all such fees and assessments as lawfully imposed by the City. Said fees or special assessments will be invoiced in accordance with law and established City policy on the monthly water bill issued by the City or on the annual uniform non-ad valorem assessment roll.

3.0 DEVELOPER'S REDEVELOPMENT PROJECT.

3.1 Approved Development Plan. The Parties acknowledge that the Developer is seeking to permit a redevelopment project on Developer's Property as depicted on **Exhibit "C,"** which is hereby incorporated herein by this reference ("Development Plan"). The Parties

acknowledge that the Development Plan contemplates and proposes that one hundred percent (100%) of the stormwater storage and treatment needs required by the Development Plan for the Developer's Property will be conveyed to the Stormwater Property for storage and treatment in accordance with any terms and conditions set forth in a final development permit issued by the City. The Developer will design and construct outfall infrastructure to connect Developer's Property to the City's rights of ways in accordance with the final Stormwater Facility design so that all stormwater drains into the Stormwater Facility in accordance with City and SJRWMD criteria and standards.

3.2 Development Permits. Nothing herein shall limit the City's authority to grant or deny any development permit applications or requests related to Developer's Property subsequent to the effective date of this Agreement. The failure of this Agreement to address any particular City, County, State and/or Federal permit, condition, term or restriction related to Development Plan and Developer's Property shall not relieve Developer or the City of the necessity of complying with the law governing said permitting requirement, condition, term or restriction. Without imposing any limitation on the City's police powers, the City reserves the right to withhold, suspend, or terminate any and all certificates of occupancy for any building or unit related to the Development Plan and Developer's Property if Developer is in material breach of any term and condition of this Agreement, and such breach has not been cured by the Developer pursuant to the default provision set forth in Section 4.2(e) herein. However, the City agrees that once the Developer Property commences use of the Stormwater Facility, the City shall not terminate Developer's right to continue to utilize the Stormwater Facility for the benefit of the Developer Property unless temporarily required in furtherance of the City's exercise of its lawful police powers to protect the public health, safety and welfare and environment or in accordance with Section 4.2(a) below.

4.0 TERM; TERMINATION OF AGREEMENT.

4.1 Term. This Agreement shall remain in effect in perpetuity unless and until one of the events listed in Section 4.2 below shall occur.

4.2 Termination. Unless otherwise specifically provided elsewhere under this Agreement, this Agreement may be terminated under the following circumstances and conditions:

(a) The City determines that the Stormwater Facility is no longer capable of being used for stormwater storage and treatment, either because significant damage and/or destruction by natural events has occurred or significant repairs or upgrades are necessary to maintain compliance with stormwater regulations and permits applicable to the City and such repairs or upgrades are so costly as to outweigh other stormwater storage and treatment solutions, as determined in the City's sole discretion;

(b) The Parties may terminate this Agreement by mutual written agreement, executed in the same formalities as this Agreement;

(c) The Developer's site plan has expired without options to extend such approval;

(d) The Developer may unilaterally terminate this Agreement, without penalty, if the Developer determines, for any reason, to cease pursuing the permitting of the redevelopment project referenced in Section 3.0 of this Agreement;

(e) Either party may terminate this Agreement for cause related to a breach of a material provision of this Agreement. However, should either party desire to declare the other party in default of any term and condition of this Agreement, the non-defaulting party shall provide the defaulting party a written notice of default. The written notice shall, at a minimum, state with particularity the nature of the default, the manner in which the default can be cured, and a reasonable time period of not less than thirty (30) days in which the default must be cured. No action may be taken in a court of law on the basis that a breach of this Agreement has occurred until such time as the requirements of this paragraph have been satisfied.

5.0 SEVERABILITY. Should any paragraph/section or any part of any paragraph/section of this Agreement be rendered void, invalid, or unenforceable by any court of law, for any reason, the Parties agree to meet to discuss the impact of the court's decision and determine whether it is feasible for both Parties to continue with this Agreement without the benefit of the provision(s) deemed void, invalid, or unenforceable. If either party determines that it is not feasible to continue with this Agreement under such circumstances, the party shall have the right to terminate this Agreement by providing written notice to the other party, without penalty.

6.0 CHOICE OF LAW; VENUE. This Agreement has been made and entered into in the State of Florida, County of Brevard, and the laws of such state shall govern the validity and interpretation of this Agreement and the performance due hereunder. The Parties agree that venue shall be exclusively in Brevard County, Florida, for all state court actions or disputes which arise out of or based upon this Agreement, and in Orlando, Florida for all federal court actions or disputes which arise out of or are based upon this Agreement.

7.0 INTEGRATION; MODIFICATION. The drafting, execution, and delivery of this Agreement by the Parties have been induced by no representations, statements, warranties, or agreements other than those expressed herein. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the reimbursement required by Developer hereunder. Modifications of this Agreement shall only be made in writing signed by both parties.

8.0 ATTORNEY'S FEES. Should either party bring an action to enforce any of the terms of this Agreement, each party shall bear its own costs and expenses of such action including, but not limited to, reasonable attorney's fees, whether at settlement, trial or on appeal.

9.0 HEADINGS; SECTIONS; DAYS. All headings in this Agreement are for convenience only and shall not be used to interpret or construe its provisions. The words "section" and "paragraph" (and "subsection" and "subparagraph") are sometimes used interchangeably herein to reference provisions of this Agreement. Whenever this Agreement references the term

"days," the term "days" shall mean calendar days, and if the deadline falls on a national holiday or weekend, the deadline shall be the next calendar business day.

10.0 WAIVER. Any waiver by either party of any breach or violation of the other party's responsibilities and obligations under this Agreement shall not be construed as a continuing waiver or consent to any subsequent breach or violation.

11.0 NO JOINT VENTURE. No provision contained herein shall be construed as creating a joint venture between the Parties.

12.0 NOTICES. Any notice, request, instruction, or other document to be given as part of this Agreement shall be in writing and shall be deemed given under the following circumstances: when delivered in person; or three (3) business days after being deposited in the United States Mail, postage prepaid, certified or registered; or the next business day after being deposited with a recognized overnight mail or courier delivery service; or when transmitted by facsimile or telecopy transmission with receipt acknowledged upon transmission; and addressed as follows (or to such other person or at such other address, of which any party hereto shall have given written notice as provided herein):

For City:

City of Cocoa
John A. Titkanich, Jr., City Manager
65 Stone Street
Cocoa, Florida 32922

Phone: 321-433-8660
Fax: 321-433-8690

For Developer:

_____
_____
_____

Either party may change the notice address by providing the other party written notice of the change.

13.0 INDEMNIFICATION AND HOLD HARMLESS. Developer covenants and agrees that it will indemnify and hold harmless the City and all of its officers, agents and employees from any claim, loss, damage, cost, charge or expense arising out of any negligent act, action, or omission by Developer relating to the performance of this Agreement, whether direct or indirect, and whether to any person or property to which the City or said parties may be subject, except that Developer will not be liable under this paragraph for damages arising out of any injury or damage to persons or person resulting from the negligence or intentionally wrongful acts or omissions of the City or any of their respective officers, agents or employees. Notwithstanding anything to the contrary herein, in no event will Developer be responsible for consequential or incidental type damage, and the City waives the right to recover such damages against Developer.

14.0 ASSIGNMENT. This Agreement shall not be assigned by Developer without the prior written consent of the City, provided no consent shall be required to assign this Agreement

to any successor fee simple owner of the Developer Property following completion of the Stormwater Facilities.

15.0 NO THIRD PARTY RIGHTS. This Agreement is not a third-party beneficiary contract and shall not in any way whatsoever create any rights on behalf of any third party with the exception of any permitted assignee under Section 14 and any tenant of the Developer Property following completion of the Stormwater Facilities.

16.0 RECORDATION. This Agreement shall be recorded in the Public Records of Brevard County, Florida, by the City, with recording expenses paid by the Developer.

17.0 SOVEREIGN IMMUNITY. The City intends to avail itself of the benefits of Section 768.28, Florida Statutes and any other statutes and common law governing sovereign immunity to the fullest extent possible. Neither this provision nor any other provision of this Agreement shall be construed as a waiver of the City's right to sovereign immunity under Section 768.28, Florida Statutes, or other limitations imposed on the City's potential liability under state or federal law. Developer agrees that City shall not be liable under this Agreement for punitive damages or interest for the period before judgment. Further, City shall not be liable for any claim or judgment, or portion thereof, to any one person for over two hundred thousand dollars ($200,000.00), or any claim or judgment, or portion thereof, which, when totaled with all other claims or judgments paid by the State or its agencies and subdivisions arising out of the same incident or occurrence, exceeds three hundred thousand dollars ($300,000.00). Nothing in this Agreement is intended to inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the doctrine of sovereign immunity or by operation of law. This paragraph shall survive termination of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year written below for each signatory.

CITY COUNCIL AGENDA ITEM

Memo Date: June 27, 2017
Agenda Date: July 11, 2017
Prepared By: George R. Toler, Engineering Supervisor
Through: John A. Walsh, P.E., Utilities Director
Requested Action:
To Approve an Interlocal Agreement with Brevard County to Relocate/Replace Water Mains within the Cone Road Improvements Project; To Approve a Resolution Amending the FY2017 Budget; To Authorize the City Manager to Execute the Interlocal Agreement and Approve the Payment of the Construction Estimate Cost up to $85,342

BACKGROUND:

Brevard County is planning a sewer system, water quality, and drainage improvements project known as “Cone Road Improvements”. The City of Cocoa has water mains within the project limits. The project requires water main relocations in several areas due to conflicts with the new sanitary sewer and storm drainage facilities. The areas of conflict are on Cone Road, Merritt Island, at the intersections of Azalea Drive and South Plumosa Street; also at the intersection of Manor Drive and Oleander Drive. The City will own, operate, and maintain the relocated/replaced water mains after the project has been constructed, inspected, and formally accepted by the City.

Staff feels it is in the best interest of the City to let the County relocate/replace the water mains as part of the Cone Road Improvements project. This will promote efficiency, prevent unnecessary

duplication of effort, prevent unnecessary delays to the contractor, and reduce inconvenience to the City's water customers and citizens of Brevard County.

The estimated cost for the water main relocations plus a 10% contingency is $85,342. A copy of the engineer's estimate is attached to the Interlocal Agreement as Exhibit "A". Once the agreement has been approved by City Council it will be forwarded to the City Manager for signature. Upon receipt of the final construction bid from Brevard County, the City Manager will approve the payment of construction costs up to the authorized a maximum of $85,342. If the final approved construction costs exceed $85,342, then Staff will bring a new agenda item identifying the final costs and the funding to City Council for approval.

RECOMMENDED MOTION:

To Approve an Interlocal Agreement with Brevard County to Relocate/Replace Water Mains within the Cone Road Improvements Project; To Approve a Resolution Amending the FY2017 Budget; To Authorize the City Manager to Execute the Interlocal Agreement and Approve the Payment of the Construction Estimate Cost up to $85,342.

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COCOA, FLORIDA, AMENDING THE CITY OF COCOA BUDGET FOR FISCAL YEAR 2017; PROVIDING FOR THE REPEAL OF PRIOR INCONSISTENT RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Cocoa adopted the final budget for the fiscal year commencing on October 1, 2016, and ending on September 30, 2017, at a special meeting held on September 14, 2016; and

WHEREAS, in accordance with Article XII, Section 5 of the City of Cocoa Charter, whereby the Council may, at any time by resolution, transfer any unused and unencumbered appropriation or portion thereof from one office or department to another; and

WHEREAS, the City Council deems it to be in the best interest of the City of Cocoa to amend its budget as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COCOA, as follows:

SECTION 1. The 2016-2017 fiscal year budget shall be amended as detailed in the attached sheets.

SECTION 2. All prior resolutions or prior resolutions inconsistent with this resolution are hereby repealed to the extent of the conflict.

SECTION 3. This resolution shall become effective immediately upon its adoption by the City Council of the City of Cocoa, Florida.

ADOPTED by the City Council of the City of Cocoa, Florida, in a regular meeting assembled on this 11th day of July, 2017.

INTERLOCAL AGREEMENT

This INTERLOCAL AGREEMENT, made and entered into _____ day of _____, 2017 by and between the Board of County Commissioners, Brevard County, Florida, hereinafter referred to as "COUNTY" and the City of Cocoa, Brevard County, Florida, a political subdivision of the State of Florida, hereinafter referred to as "CITY".

WITNESSETH:

WHEREAS, the COUNTY plans to construct sewer system, water quality and drainage improvements, and sidewalk installation within the Cone Road Commercial Park within Merritt Island; and

WHEREAS, the CITY desires to have their existing utilities (potable water mains) removed and relocated, that in certain locations conflict with the COUNTY's construction of the sewer system, water quality and drainage improvements and sidewalk installation, hereinafter referred to as the PROJECT; and

WHEREAS, the COUNTY desires to work with the CITY to remove and relocate the water mains that are in conflict within the PROJECT area; and

WHEREAS, the PROJECT will be performed in conjunction with the construction of the sewer system, water quality and drainage improvements, and sidewalk installation to promote efficiency, to prevent unnecessary duplication of effort, and to prevent further inconvenience to the citizens of Merritt Island, Brevard County; and

NOW THEREFORE, the COUNTY and CITY covenant and agree that they have full power and authority to enter into this Agreement and bind their respective governmental entities as follows:

1. The above recitals are true and correct and by this reference are hereby incorporated into and made an integral part of this Agreement.

2. Statutory Authority: This Agreement shall be considered an Interlocal Agreement pursuant to authority of Florida Statutes, Chapter 163 Part 1, 2013.

3. Project: The CITY and the COUNTY agree that the construction of the PROJECT shall be in conjunction with the COUNTY'S sewer system, water quality and drainage improvements, and sidewalk installation. The PROJECT shall be performed by the Contractor awarded the construction contract of the COUNTY'S Cone Road Drainage and Sidewalk/Infrastructure Project.

4. Approval of Plans: The CITY shall have the opportunity to review and approve all plans and specifications prior to any construction being undertaken by the COUNTY. The COUNTY shall be responsible for ensuring that any plans which are submitted to the CITY shall be submitted in a timely fashion. Whenever plans are submitted to the CITY for review, the CITY shall return said plans in "marked up" form with comments to the COUNTY within fourteen (14) calendar days. If the CITY does not return the "marked up" plans and comments within fourteen (14) calendar days, the CITY's right to approve is forfeited and the COUNTY shall continue with the PROJECT using its best judgment.

5. Financial Contribution to the PROJECT: The CITY shall deposit funds with the COUNTY, within Fourteen (14) calendar days of the COUNTY'S acceptance of the award amount, in the amount of the actual bid cost plus 10% or $85,342.00, whichever is less, which includes a 10% contingency of the PROJECT, as depicted on Exhibit "A", which is attached hereto and deemed fully incorporated herein by this reference. If the award amount of the PROJECT is greater than $85,342.00, the CITY shall deposit the difference with the COUNTY within thirty (30) calendar days of contract execution with the Contractor by the COUNTY.

6. CITY'S Separate Financial Responsibility: The CITY shall be financially responsible for any and all costs in excess of the PROJECT Cost Estimate, Exhibit "A" for the construction of the PROJECT; and any additional engineering costs, permit costs/fees, contractor supervision, technical services incurred as a result of the construction of the PROJECT.

   The CITY may review and approve change orders prior to COUNTY execution. The COUNTY will provide change orders to the CITY, and the CITY shall provide any review comments or approval within five (5) calendar days. If the CITY does not provide review comments or approval within five (5) calendar days from the date of receipt of the change order to the CITY, the COUNTY may proceed in the best interest of the PROJECT and approve the change order.
   The CITY has the right to refuse any costs that it deems inappropriate and provide that portion of the PROJECT itself. Nothing herein shall release the CITY from Financial responsibility for payment of costs incurred by the COUNTY as a result of construction of the PROJECT described herein.

7. Lead Agency: The CITY agrees that the COUNTY shall be the lead agency to perform all work on the PROJECT. The COUNTY shall have the authority to enter into appropriate contract (s) with contractor (s) to perform work on the PROJECT in compliance with Florida Statutes.

8. Review Meetings: The CITY shall have the right to have a representative present at any construction site meetings which shall be set at such time and place as the COUNTY deems appropriate. The COUNTY shall provide five (5) day advance notice of date, time, and location unless an emergency meeting is required, in which case all best efforts shall be made to contact the CITY's designated representative on the PROJECT.

9. Notices: All notices required under the agreement shall be in writing and delivered to the parties by United States mail, as follows:

    a. CITY Representative
        George R. Toler
        Engineering Supervisor
        351 Shearer Blvd.
        Cocoa, FL 32922

    b. COUNTY Representative
        Tammy Thomas-Wood
        Support Services Manager
        2725 Judge Fran Jamieson Way, Suite A-201
        Viera, FL 32940

10. Final Approval: The CITY shall approve the construction of the PROJECT if the work is in substantial compliance with the plans previously approved by the CITY and provided to the COUNTY. The CITY shall not unreasonably withhold final approval.

11. Precedence: The COUNTY and the CITY agree that the COUNTY'S roadway drainage improvements have precedence over the PROJECT.

12. Repairs and Maintenance: Upon acceptance of the PROJECT by the CITY, the CITY shall thereafter maintain the utilities and make all necessary changes, repairs and replacements to such utilities and any improvements to it. Upon acceptance by the CITY, the COUNTY shall have no further responsibility for any further construction or modifications/changes or maintenance/repair of the utilities.

13. Responsibilities; Contractor Indemnity and Insurance

    (a) The COUNTY and CITY shall each be responsible for their own actions and the actions of their respective employees and contractors in connection with this Agreement. Nothing in this Agreement, express or implied, is intended to be nor shall be constructed as a waiver or limitation of the COUNTY'S or the CITY'S right to sovereign immunity under Section 768.28, Florida Statutes or other applicable provisions of law.

    (b) The COUNTY shall require any third party contractor performing work referenced in the Agreement including, but not limited to the work required to complete the PROJECT, to maintain general liability insurance with at least one million dollars ($1,000,000.00) of insurance coverage. The COUNTY shall require any such third party contractor (s), in the construction contract, to indemnify and hold harmless the COUNTY and the CITY from and against any claims, liability, damages, expenses, proceedings, judgements, and causes of action of any kind and/or nature arising out of or connected with the third party contractor's performance of work contemplated by the Agreement ("Claims"). In

additions, the third party contractor shall, prior to commencing any work under the construction contract, provide a current certificate of insurance and endorsement listing the COUNTY and the CITY as additional named insureds under the general liability policy to cover any such Claims.

14. Attorney's Fees: In the event of any legal action to enforce the terms of this Agreement, each party shall bear its own attorney's fees and costs.

15. Default: Either party to this Agreement, in the event of any act of default by the other, shall have all remedies available to it under the laws of the State of Florida.

16. Severability: If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceable shall not affect the other parts of this Agreement if the rights and obligations of the parties contained herein are not materially prejudiced and if the intentions of the parties can still be accomplished.

17. Entirety: This Agreement represents the understanding and agreement of the parties in its entirety. There shall be no amendments to the Agreement unless such amendments are in writing and signed by both parties.

18. Effective Date: The effective date of the Agreement shall be the date on which the last signature required to execute this Agreement is attached.

19. No Third Party Beneficiaries: This Agreement is solely for the benefit of the formal parties to this Agreement and no right or cause of action shall accrue by reason hereof to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement, express or implied, is intended to be nor shall be a conferring upon or giving any person or entity any right, remedy or claim by reason of this Agreement or any provisions or conditions hereof, including any provisions or conditions hereof that may be implied or suggested in equity, and only the express parties to this Agreement and their respective designated representatives, successors and assigns shall have any rights under this Agreement.

20. Applicable Law: This Agreement and the provisions herein shall be construed, controlled and interpreted according to the laws of Florida.

21. Binding Effect: Each party represents to the other it has undertaken all necessary actions to execute this Agreement and has the legal authority to enter this Agreement and to undertake all obligations imposed on it.

22. Recording: Upon execution of the Agreement, the CITY shall record a fully executed original of this Agreement in the Public Records of Brevard County, Florida, and shall return a recorded Agreement to the COUNTY'S Representative.

23. Venue: Venue for any action brought by any party to this agreement to interpret, construe or enforce this agreement shall be in a court of competent jurisdiction in and for Brevard County, Florida.

24. Termination Clause: The COUNTY or the CITY shall have the right to terminate this Agreement by furnishing written notice as provided in paragraph (9). However, paragraphs (5) and (6) of this Agreement shall be adhered to in so far as the COUNTY shall be compensated for any portion of the PROJECT that has been completed through this Agreement prior to any termination.

IN WITNESS WHEREOF, we have set our hands and seals.

CITY COUNCIL AGENDA ITEM

Memo Date: June 27, 2017
Agenda Date: July 11, 2017
Prepared By: Tammy B. Gemmati, PHR, Administrative Services Director
Through: John A. Titkanich, Jr., AICP, City Manager
Requested Action:
Approve the proposed fiscal year 2018 benefit renewal for medical, dental, vision, flexible spending, and life insurances with associated providers and authorize the City Manager to sign related agreements.

BACKGROUND:

Medical Health Plan

The City transitioned to a self-funded medical plan for fiscal year 2016. By making this change, the City was able to avoid a potential fifteen percent (15%) increase in the medical plan versus only a five percent (5%) by being self-funded. Additionally, by being self-insured the City did not incur the Health Insurance Industry Fee, which was an estimated $109,658 savings, and is a requirement under fully-insured plans.

City Staff has worked with the City's Benefit Broker, Gehring Group to hold several Insurance Task Force (ITF) Meetings. This is a committee made of different departmental and union representatives with the purpose to bring forth any concerns related to the City's benefit plans and to make recommendations on the following plan renewal. ITF committee meetings were held on May 8, June 9, and June 22. During the initial meeting on May 8, Gehring Group reviewed a summary of medical claims data with the members and tasked everyone to get feedback from their groups related to the

City's health plan.

The City has three medical plan options, with the City contributions of 100% of the Employee Only Core Plan rate and 50% of the dependent coverage. Based on Medical Claims projections provided by Gehring, the claims experience in the Core Plan has been predominantly low but is trending higher in the Buy-Up Plans, especially in the Buy-Up Premier. These trends were shared with ITF committee members at the May 8 meeting. Members were in favor of seeing higher plan increases in the Buy-Up plans versus the Core because that is where the plan is being utilized the most and what is driving the rate increases.

At the June 9 meeting, Gehring provided three different proposed medical plan scenarios for Fiscal Year 2018, along with ideas on how to implement plan change recommendations that were submitted as part of feedback by the committee. A summary of the proposal options includes:

Option 1: 4.7% increase to all plans
Option 2: 2% increase to Core; 9% increase to BU Basic; 15% increase to BU Premier
Option 3: 0% increase to Core; 15% increase to BU Basic; 20% increase to BU Premier

The reasoning behind Option two and three having larger increases to the Buy-Up Plans is due to those plans having the higher claims experience. The committee members presented the options to the co-workers in their respective work areas and the consensus health plan increase among the group is option one, with a 4.7% increase to all plans.

City Staff is not in entire agreement with the ITF Committee recommendation because the majority of the City's employees/plan members are in the Core Plan, approximately 70% of enrollment, and the Core Plan has had a much lower claims experience. Therefore, Option Two would reward the Core Plan more. However, this option would also have a higher budgetary impact to the employee versus the City.

The financial impact of option one and two includes:

	Option 1		**Option 2**	
	Annual	Annual Increase	Annual	Annual Increase
City	$4,080,522	$183,175	$3,975,294	$77,947
Employee	$1,002,183	$44,988	$1,110,050	$152,856
Total	$5,082,705	$228,163	$5,085,344	$230,802

The ITF committee members also obtained medical plan feedback from their respective work areas and this feedback was evaluated by Gehring. The main plan concerns mentioned include:

- Billing concerns for radiology reads on advanced imaging
- Physical Therapy co-pays are high (currently treated as a specialist co-pay rate)

Last year the City was hit significantly with a high spike in claims and the City worked with Gehring and the ITF committee with options to help offset the increase by making minor plan changes. One

of the options that was presented last year was increasing the employee co-pays for advanced imaging (MRI, PET, CT). When the feedback was received regarding the high physical therapy co-pays, advanced imaging costs were presented to the Committee again. Gehring provided information from Cigna that it was possible to lower the physical therapy co-pay to a primary care rate ($50 to $25 per visit) if there was an increase to the advanced imaging cost from $50 to $100 co-pay. The plan impacts to both of these changes would virtually make it a wash. All members voted against this option and their recommendation was to not make changes to either benefit.

One of the main issues brought forward by the committee was some members being billed 20% co-insurance for radiology reads on advanced imaging. Further research showed that this billing issue was only arising when the imaging facility was using separate radiologists to perform the image reading. Gehring worked with Cigna to negotiate a plan change to have the radiology read included in the existing co-pay without any co-insurance. This is the only change that will happen to the plan for FY18.

A survey was conducted in the local area of advanced imaging plan coverage to see how the City compares to others. The survey results are:

Group	**Advance Imaging (MRI) Coverage**
Cocoa	$50 copay per scan/day
Brevard Public Schools	$500 Deductible + 20% Coinsurance
Cocoa Beach	$700 Deductible + 20% Coinsurance
Palm Bay	$750 Deductible + 10% Coinsurance
Rockledge	$250 Copay per scan
Satellite Beach	$100 Copay per scan
Titusville	$500 Deductible + 20% Coinsurance

As indicated in the survey, Cocoa's advanced imaging rates are much lower than the market. The costs associated with some advanced imaging tests can cost $2,000-3,000 and the City is paying the majority of these costs. City Staff recommends if the claims experience continues to rise next year, it would be in the best interest of the City to make modifications to this benefit.

Based on feedback from the Committee, there seems to be a lack of understanding of how the plan works and what it means to be self-funded. To rectify this concern, City Staff has modified the upcoming open enrollment schedule to build more plan education for employees. An example of this is educating employees on how to save the plan money by utilizing the health center instead of using the City's medical plan for a medical appointment or getting an advanced imaging test conducted at an imaging facility versus the hospital. Additionally, quarterly ITF committee meetings will be scheduled to provide additional support. The goal of the added committee meetings and plan education is to help make our employees better users of the medical plan to help contain the costs and reduce future rate increases.

To summarize, Staff recommends renewing our self-insured plan with accepting the Insurance Task Force recommendation with 4.7% increase to all plans. This increase equates to an estimated City annual increase of $183,175 and $44,988 increase for employees. This amount will vary based on enrollment, but as indicated in the above table, this option increases the City's costs by $105,228 over Option 2 costs. Again, both the City and our employees, regardless of plan, are subject to the 4.7% increase, notwithstanding the increase is largely related to the two (2) buy-up plans. If plan

costs continue to escalate in a similar fashion, the City may need to evaluate a more fair and equitable strategy to promote the interests of a majority of our employees who are in the Core Plan as well as the interests of the taxpayers. The issue of plan coverage, such as advanced imaging may also need to be addressed in future plan years given the substantially low cost employee's pay for an expensive procedure in comparison to surrounding local government plans

Medical Administrative Fee (Cigna) - There is one remaining year on the City's agreement with Cigna for administering the City's medical plan. The administrative fee covers claims processing and access to the plan's network. For the initial year of the agreement, the fee was $46.36 per employee per month. The administrative fee for FY18 will renew with no increase to the per employee per month fee.

Specific Stop Loss - Insurance policy to protect the City for medical and prescription claims costs for one individual that exceed $125,000 (deductible). The renewal for FY18 includes an approximate ten percent (10%) increase, from $132.76 per employee per month to $146.04 per employee per month. The estimated annual cost (based on current enrollment) is $753,566.

State Reserve Requirements - To ensure plan funding, the state of Florida (s.112.08, F.S.) requires self-funded groups to hold a minimum of sixty (60) days of claims and funds for potential incurred but not reported (IBNR) claims in reserves. This amount is set by the actuary and has been submitted to the State of Florida. The required amount for FY18 is $685,503.

Dental Plan - The initial rate proposal from Cigna proposed a 3.12% increase to the City's Dental Insurance Plan. After Gehring's negotiations, the final renewal resulted in no rate increase and no changes to the plan.

Vision Plan - Humana has presented an increase of 4.3%, which equates to $.26 monthly increase to the employee rate and $.76 family rate increase. The estimated annual increase is $2,947.

Basic Life/AD&D -The renewed rate will be with no increase, as last year's rate was guaranteed for 24 months.

Supplemental Life Insurance (Employee paid benefit) - The renewed rate will be with no increase, as last year's rate was guaranteed for 24 months.

Short-Term Disability (STD) (Employee paid benefit) - The renewed rate will be with no increase, as last year's rate was guaranteed for 24 months.

Long-Term Disability (LTD) (City paid benefit) - The renewed rate will be with no increase, as last year's rate was guaranteed for 24 months.

Employee Assistance Program (EAP) - The EAP is included again under Cigna at no cost.

Flexible Spending Account (FSA) - Staff recommends renewing with TASC again for the City's administrator for flexible spending. The renewal rate has not been formally received through Gehring but it is anticipated to be no more than ten percent increase. With the current rate for FY17 at $3.73 per employee per month and the current enrollment at 101 employees, Staff requests approval to renew the agreement with TASC for no more than $4.10 per employee per month. This estimates the total annual cost to be approximately $4,969.20.

STRATEGIC PLAN CONNECTION:

Containing the City's health insurance cost while maintaining the same levels of coverage helps attract and retain qualified employees long-term.

BUDGETARY IMPACT:

Budgeted: Included in Proposed FY18 Budget

Provider	Plan (# Members)	FY2017 Annual City Cost	FY2018 Annual City Cost	Difference
Cigna	Core (294)	$ 2,703,934	$2,831,018	$127,085
	Buy Up Basic (108)	$ 961,019	$1,006,186	$ 45,168
	Buy Up Premier (27)	$ 232,395	$ 243,317	$ 10,923
	Health Subtotal	**$ 3,897,347**	**$4,080,522**	**$183,176**
Cigna	Dental (545)	$ 290,959	$ 290,959	$ 0
Humana	Vision (560)	$ 55,027	$ 57,374	$ 2,347
Cigna	Basic Life/AD&D	$ 73,054	$ 73,054	$ 0
Cigna	Long Term Disability	$ 51,455	$ 51,455	$ 0
TASC	Flexible Spending Account (101)	$ 4,521	$ 4,969	$448
	Total City Plan Cost	**$ 4,372,363**	**$4,558,333**	**$ 185,971**
Cigna	Medical ASO Fees	$239,218	$ 239,218	$0
Cigna	Specific Stop Loss	$685,042	$753,566	$68,525
	Total Fixed Costs	**$924,259**	**$992,784**	**$68,525**
Total Expected Costs (fixed costs plus plan costs)		**$5,296,622**	**$5,551,117**	**$254,495**

The amounts above are estimates based on current enrollment of current employees and retirees. The medical plan includes current employees and retirees under age 65. These numbers do not include the City's Medicare Advantage Plan with United Healthcare which is on a calendar year renewal, which is usually brought to Council in the September timeframe. The City also has to reserve sixty (60) days of claims per Florida Statutes. The estimated amount for FY2018 is $685,503.

PREVIOUS ACTION:

At a regular Council meeting on July 12, 2016, Council approved the proposed fiscal year 2017 benefit renewal for medical, dental, vision, flexible spending, and life insurances with associated providers and authorize the City Manager to sign related agreements.

At the regular Council meeting on August 25, 2015, Council approved the proposed fiscal year 2016

benefit renewal for medical, dental, vision, flexible spending, and life insurances with associated providers and to authorize the City Manager to sign related agreements. In addition, Council approved Resolution 2015-051 for the City to absorb the Core Plan health insurance increase for PBA, IAFF, and general employees for fiscal year 2016 only.

At the regular Council meeting on April 14, 2015, Council approved to transition to a self-funded medical plan for FY2016 and to authorize the City Manager to work with the City's insurance broker to negotiate administrative and reinsurance agreements.

RECOMMENDED MOTION:

Approve the proposed fiscal year 2017 benefit renewal for medical, dental, vision, flexible spending, and life insurances with associated providers and authorize the City Manager to sign related agreements.
