5. Tree Canopy Survey and Tree City USA (requested)
6. Bryant/Abby on Stormwater Pond Clean Up, and Beemats (read written reports)

7. Discuss and Assign next Sustainability project/priorities, based on the plan's existing priorities (numbered priorities from plan):

Build Environment

- 4. Develop better understanding of the economic value of public greenspace and its relationship with property value, culture, community involvement, perceptions, health and well being, and neighborhood satisfaction.
- 5. Increase Safety of our parks by enhancing programming and increasing use.

Equity and Empowerment

- 3. Promote participation in the Mayor's Challenge
- 6. Conduct a comprehensive environmental justice assessment.

Health and Safety

- 1. Improve bicycle and pedestrian amenities in projects in high-density, mixed-use areas or near transit areas.
- 3. Analyze data available from the 2019 Community Health Needs Assessment Report and the Brevard County Community Health Improvement plan to identify gaps.

Natural Systems (especially as these two relate to Living Shorelines, and stormwater systems)

- 1. Waterway Restoration.
- 2. Increase quantity and effectiveness of green infrastructure.

Climate and Energy

- 11. Encourage the participation in the reduction of consumer goods packaging and waste material at civic events, especially single use plastics.

8. Member Reports
